NOTICE TO MARINERS.—VICTORIA.

[1922, No. 3.]

NAVIGATION OF DEEP DRAUGHT VESSELS THROUGH THE FAIRWAY AT PORT PHILLIP HEADS.

A. Outwards.

AS notified in Notice to Mariners (No. 1), dated the 16th January, 1918, the least depth of water in the fairway at the entrance to Port Phillip for a width of 2,000 feet eastward and 700 feet westward of the line of leading lights is 37 feet at low water, but for a width of 1,000 feet eastward of the line of leading lights there is a depth of 40 feet at low water.

The Marine Board has now intimated that, consequent upon the receipt of information from the Melbourne Harbor Trust Commissioners to the effect that an increased depth of water is available in the Port Melbourne channels, the Port Phillip Sea Pilots, subject to prescribed conditions attaching to the navigation of steamships proceeding to sea drawing over 29 feet, will be prepared, during daylight only and under favorable conditions of tide and weather, to take pilotage charge of steamers bound outwards drawing over 29 feet, but not exceeding 32 feet, the ordinary conditions attaching to the pilotage of vessels drawing up to 29 feet remaining as at present.

The "prescribed conditions" referred to in the preceding paragraph are those contained in Port Rule No. 12A, duly proclaimed and published in the *Government Gazette* of the 26th March, 1919, which, for convenient reference, is set out hereunder.

The Port Phillip Pilots will be prepared to assume pilotage charge of deep draught steamships outwards in accordance with the foregoing intimation on and after the 1st day of June, 1922.

B. Inwards.

The Pilots intimate that they will be prepared at any time of the day or night, weather and tide conditions being favorable, to pilot inwards through Port Phillip Heads, steamships drawing up to 32 feet, but present conditions debar the passage of steamships through the channel leading to the Prince's Pier, at Port Melbourne, except during daylight.

Notice to Mariners (No. 1), dated the 16th January, 1918, is now cancelled.

GEO. KERMODE,
Port Officer.

Department of Ports and Harbors,
Melbourne, 25th May, 1922.

PORT RULE 12A.

12A. The owner, agent, or master of any steam-ship which it is intended to be sent to sea drawing over twenty-nine (29) feet shall, in writing, give notice of such intention and of the time of her anticipated arrival at Port Phillip Heads, such notice to be lodged at the office of the Marine Board, Melbourne, not less than three (3) hours before the time of departure from her berth.

On the arrival of a deep-draught steam-ship off Portsea there shall be exhibited from such steam-ship, in a position whence it can best be seen, a black ball or shape two (2) feet in diameter as a signal to the Point Lonsdale station that the entrance fairway is required to be kept clear of inward traffic.

Upon such signal being observed by the officer on duty at Point Lonsdale he will immediately cause a similar signal to be hoisted at that station, whereupon a like signal will be exhibited from the pilot steam-ship on duty on the outside station as an indication that the entrance to Port Phillip is temporarily closed to inward traffic, and the pilot or exempt master in charge of any vessel shall not attempt to enter the port until the outward-bound deep-draught steam-ship has cleared the channel, which shall be indicated by the signal ball or shape exhibited thereon being hauled down; the closed channel signal on the pilot steam-ship and at Point Lonsdale will then be hauled down, whereupon the channel will be opened to inward traffic.

The pilot or exempt master of any steam-ship drawing more than twenty-nine (29) feet shall not proceed past Portsea except during daylight and under favorable weather and tidal conditions, and not until he has definitely ascertained that the prescribed signal is exhibited from the Point Lonsdale Signal Station.

TENDERS will be received until Eleven o'clock a.m. on Tuesday, 6th June, 1922, from persons willing to furnish the undermentioned articles, in such quantities as may be ordered by the Victorian Government, or by the Commonwealth Government for its offices situated in Victoria, for the twelve months commencing on 1st July, 1922:—

Schedule No.		Preliminary Deposit.
4.	Brushware, Painters'	£5
41.	Glue	£5
44.	Iron and Steel	£10

Security.—10 per cent. on total amount of tender accepted, except when otherwise specified in the tender form, but in no case will security of less than £5 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

The Tender Board reserves the right of accepting any tender for a period of 6 months only.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the rates charged are considered reasonable—

(a) to tenders for articles manufactured within the Commonwealth;

(b) to tenders for articles manufactured within any other part of the British Empire.

In all cases the country of origin of the articles offered must be stated.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank notes, or a bank draft in favour of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application.

Security will be required, either in Victorian Government Debentures, Savings Bank Deposit Book, or Bank Deposit Receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for _____" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

9. This contract is not to be considered as being broken, infringed, or vitiated by any Department using its own labour or vehicles for the cartage of any material set forth in the contract, or in the event of urgency or emergency, performing the service.

10. A refusal to execute orders, irregularity or delay in delivering the goods when required, or failure to produce weighbridge tickets or consignment notes on delivery in accordance with clause 2, or for any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct as the Treasurer may direct, and the amount may be deducted from any account due to the contractor or from the security money.

11. In the event of any dispute arising as to matters or things contained in the contract or schedule the same shall be settled by the Tender Board, and the Board's decision shall be binding, final, and conclusive.

12. No subletting will be allowed; all work must be carried out by the contractor, and every person engaged in the cartage tendored for in these Schedules shall be paid such wages and employed subject to such conditions as are or may be provided in the Factories and Shops Acts, or any determination of a Wages Board thereunder; and a copy of this condition shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor.
