21. It shall be lawful for any person appointed by the Trust for such purpose to request permission from any owner or occupier to make an inspection of the water service to ascertain if the water is being allowed to run to waste, and, if such occupier or owner refuse permission for such inspection, the Trust may, if it think fit, refuse to supply such premises with water; and such refusal on their part will in no way relieve the owner or occupier from payment of any rate or rates as may be levied on such property.

22. If the person appointed for such inspection shall ascertain that any owner or occupier is allowing water to waste by reason of leaky taps or otherwise, he shall be empowered to authorize the repair of such taps or pipes and to notify such owner or occupier that the waste of water must at once cease.

23. No person shall affix any service-pipe to any pipe of the Trust, or alter or repair or in any way interfere with any pipe of the Trust or any service-pipe, cock, or fitting connected with the pipes of the Trust until he shall have obtained from the Trust permission to execute such works, and such permission shall be at and during the pleasure of the Trust, who may at any time cancel such permission.

The service-pipes from the main being the property of the owner or occupier of the tenements supplied by such service-pipes, the occupier (if any), and, if none, the owner, shall, upon receiving notice that his service-pipe requires repairing, immediately proceed to repair the same, and he shall be responsible for any loss of water or other damage which shall be caused by reason of such service-pipe being leaky or otherwise out of repair or broken, and the Trust may stop the water from flowing into such premises in any way it may seem fit until such repairs have been effected.

28. Fire plugs shall not be used except for the purpose of extinguishing fires unless any other use of them be allowed by the Trust, and they shall at all times be under the control of an officer of the Trust.

29. Any person watering any street or footpath by means of a hose except under the direction of an officer of the Trust shall be guilty of an offence against these Regulations.
