THE land is situated on the northern and southern sides of the Red Cliffs to Varley's Tank Railway Line (now under construction), and will be served by proposed stations on that line.

No allotment will be at a greater distance than 8 miles from a proposed station site, and all are within 20 miles of the River Murray.

The land is available for general selection, but no person who has not reached the age of eighteen is eligible to apply.

Applications (with uncancelled Victorian duty stamp of 5s., or postal note for same amount, affixed) must be made on the usual form, and delivered or forwarded by post to any local Land Office or to the Under-Secretary for Lands, Lands Department, Melbourne, on or before 30th June, 1923.

Applicants may apply for one or more allotments on one application form.

The term of the lease shall be for twenty years, and no free period will be allowed.

Applicants will be hereafter notified as to the date and place of hearing of their applications by Local Land Board.

The land will be granted under selection purchase lease, and at the end of six years, if the residence, cultivation, improvement, and all other conditions have been complied with, the lease will be indorsed under the seal of the Board of Land and Works to the effect that such conditions have been complied with, and at any time within the remaining period of fourteen years a Crown Grant will be issued on payment of the full amount of the purchase money.

The survey fee ranges from £12 10s. to £13 15s. per allotment.

That the lessee shall go into residence on the land within twelve months after the date of the lease, and shall reside for at least three years and nine months on, or within 5 miles of, the land during the first six years of the term of the lease, and shall also clear and cultivate at least one-fourth of his allotment within two years from the date of the lease.

That the lessee shall not transfer, assign, mortgage, or sublet or part with the possession, or grant the use of the whole or any part of the allotment during the first six years of the term of the lease, and that after the first six years of the term of the lease the lessee shall not sell, transfer, assign, mortgage, or sublet the whole or any part of the allotment unless and until the lease has been indorsed under the seal of the Board to the effect that all the conditions and covenants of the lease during the first six years thereof have been complied with.

That a special condition shall be inserted in the lease providing that the land referred to therein shall at all times be maintained and used for the purpose of residence or agriculture and grazing, and that no person will be permitted to subsequently acquire or hold, or have an interest in any area in the Mallee country in excess of that quantity of land as set out in section 20 of the Land Act 1921.

Alternative tenders are required for Meat for twelve months' and six months' periods for Melbourne District, Mont Park, Ararat, Ballarat, Beechworth, Sunbury, Greenvale, and Lara. Samples of the articles specified to samples required for the Hospitals for the Insane—Sunbury, Ararat, Ballarat, and Beechworth respectively—may be seen at the Asylums at the places named; samples required for the Gaols at Geelong, Ballarat, Bendigo, Castlemaine, and Sale, may be seen at the Gaols; for Aborigines, at the following police stations:—For Coranderrk, at Healesville; and Lake Tyers, at Bairnsdale and Cunninghame; for Lara, at the Inebriates Retreat, and from the Receiver and Paymaster, Geelong; for Greenvale, at the Sanatorium; for Rutherglen, at the College; for Wahgunyah, at the Vine Nursery; for School of Forestry, Creswick, at the School; for McLeod Settlement, at the Public Office, Lang Lang; and for institutions in the Melbourne District, at the office of the Secretary, Tender Board. Samples of the whole of the above-mentioned articles, where indicated in the schedules as to sample, can be seen at the offices of the Secretary to the Tender Board.

Printed forms of tender and the conditions of contract may, in all cases, be obtained from the Secretary to the Tender Board, Gisborne-street, Melbourne; and for the respective districts from the Receivers and Paymasters at Geelong, Ararat, Ballarat, Beechworth, Bendigo, Castlemaine, and Sale; for Sunbury, from the Medical Superintendent, Hospital for Insane; for Lara, from the Superintendent of the Inebriates Retreat and the Receiver and Paymaster at Geelong; for Greenvale, from the Superintendent at the Sanatorium; for Aborigines, from the police stations as follow:—Coranderrk, at Healesville; and Lake Tyers, at Bairnsdale and Cunninghame; for Rutherglen, from the Superintendent, Viticultural College; for Wahgunyah, from the manager, at the Vine Nursery; for the School of Forestry, from the senior master, Creswick; and for the McLeod Settlement, from the Officer in charge of Police, Lang Lang, by whom also any information or explanation will be afforded to persons tendering.

Security will be required, either in Victorian Government debentures, Savings Bank Deposit Book, or Bank Deposit Receipt, in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

Tenders must be accompanied by a preliminary deposit, as shown above, in bank notes, or a bank draft payable to the order of the Secretary to the Tender Board (cheques will in no case be received), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the tenderer withdrawing the tender before notification of acceptance, or, in the event of being successful, failing to complete by lodging the security and contract form, duly signed, within the prescribed period. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenderers withdrawing their tenders before notification of acceptance or failing to take up their accepted tenders within the prescribed period when notified of acceptance, may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is satisfactory and the prices are considered reasonable.

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in an envelope, and having the words "Tender for at" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. All the articles are to be of the best quality of the several kinds, in the best condition, and in conformity with the Pure Food Act, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

2. As the exact quantity of any article which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

3. Supplies for country districts for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include places within a radius of 6 miles from the General Post Office, with the exception of places for which separate contracts are provided; supplies for ss. *Kip* are to be delivered to the Dredging Depôt, Footscray-road, Victoria Dock, or River Yarra wharfs, as ordered; the Ararat, Beechworth and Ballarat Districts will include the Hospitals for the Insane, Gaols, and Police Gaols at these places; and the Geelong District embraces a radius of 2 miles from the Post Office; Lara, the Inebriates Retreat; Greenvale, the Sanatorium; Rutherglen, the Viticultural College; Wahgunyah, the Vine Nursery; and Creswick, the School of Forestry. Delivery must be made at the places, institutions, &c., named in the schedules.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the price demanded, except brandy casks, porter cases, hogs-heads, butter firkins or boxes, and soap boxes (not including fancy soaps), jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for. The empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under proper authorized inspection and supervision. Any infringement of this condition will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge. All other supplies will be ordered by the head of the Department concerned or any officer authorized by him.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, and the account is to be rendered as soon as possible after the delivery of the supplies, accompanied by the receipted delivery order. The rates or quantities quoted in the orders cannot be exceeded.

9. For the supplies coming under the head of Rations and Medical Comforts (except for the gaols) the account is to be rendered monthly for such quantities only as are issued, the difference between the supply and issue to be kept at the contractor's credit. Supplies not issued at the termination of the contract to be removed by the contractor.

10. When a contractor is required to make delivery of goods at a railway station for transmission by rail, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in a triplicate of the form as an authority for the carriers to act as agent for, and charge the freight to, the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which services the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 19 of these conditions.

11. Should the contractor fail to supply any articles at the time mentioned in the order, they or any like supplies suitable for the service will be otherwise procured, and the expense over and above the contract price will be deducted from his account or from the security money.

12. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

13. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect

therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his department and to the Tender Board.

14. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a board of survey, composed of persons named by the Treasurer of the State for the time being; and the decision of the Board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 11.

15. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the persons to whom the rations or stores are due or to the contractor in waiting for a Board to survey, the head of the Department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which, it or any like supply suitable for the service, will be obtained by the officer requiring it as in clause 11. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

16. If the Board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which, it or any like supply suitable for the service will be procured by the officer requiring it, and the expense charged as in clause 11.

17. In the case of supplies for Hospitals for the Insane, it will be competent for a Board of Survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being; but, pending such appeal, he must take back the rejected articles and at once supply others of approved quality; failing which, the supplies required or any like supplies suitable for the service may be obtained by the officer concerned, and the expense charged to the contractor.

18. In the case of supplies for Hospitals for the Insane, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a Board of Survey will not be deemed to be necessary on the part of the contractor.

19. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in clause 11. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

20. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Government. *If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, then the tender is to be in the name of the firm and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.*

21. It will be competent for the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

22. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat; or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

23. For the purpose of the contracts entered into under these conditions, it is hereby expressly provided that in the event of any alteration in the Tariff affecting any of the items included in these contracts, the Government or the contractor (as the case may be) may give two months' notice, through the Secretary to the Tender Board, of the termination of the contract for the particular item or items so affected to the opposite party, it being understood that such notice can only be given from the first day of the month, and within the period for which the contract is made. The contract for the unaffected items to remain in full force and effect. Any notice to be served under this condition shall be deemed to have been duly served if sent to the contractor in a registered letter at his last-known place of business or abode.

24. Under no circumstances other than those mentioned in clause 23 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

25. For the purposes of these contracts the word Government shall mean the Government of the State of Victoria; and the word Treasurer shall mean the Treasurer of the said State.

W. M. MCPHERSON,
Treasurer.
