SHIRE OF YEA.

PROPOSED SEVERANCE FROM SHIRE OF YEA AND ANNEXATION TO SHIRE OF HEALESVILLE.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2636, section 46), the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Yea described in the petition, and they desire that the area so described may be severed from the Shire of Yea and annexed to the Shire of Healesville.

Area described in petition—

Commencing at the northernmost angle of Crown allotment 83k, Parish of Woodbourne; thence southerly by the eastern boundary of said parish to the north-east corner of allotment 6, Parish of Tarravarra North; thence westerly, southerly, and easterly along the north, west, and south boundaries of that allotment to its south-east corner; thence south by a direct line to a Government road; thence in a north-westerly direction along the said Government road to the north-west corner of allotment 83, Parish of Kinglake; thence east along part of the northern boundary of that allotment to the south-west corner of allotment 75a; thence north along the west boundary of that allotment and allotment 75 to the Yea River; thence northerly by the said river to the western boundary of Crown allotment 74a; Parish of Woodbourne; thence northerly, easterly, northerly, easterly, and southerly along the boundaries of said allotment 74a to the north-west corner of allotment 74a; thence south-easterly along the northern boundaries of allotments 74A, 73A, 73B, and 70A to the south-west corner of allotment 70A; thence northerly by the western boundary of said allotment to its north-west corner; thence easterly along the northern boundaries of allotments 76A and 77A to the north-east corner of the last-named allotment; thence southerly along the west boundaries of allotments 77A, 77B, and 77D to the north boundary of allotment 78; thence

east by that boundary to the north-east corner of the last-mentioned allotment; thence southerly along the eastern boundary of allotment 78 to the north-west corner of allotment 79; thence easterly and southerly by the northern and part of the eastern boundary of said allotment to the north-west corner of allotment 80A; thence easterly along the northern boundaries of allotments 80A and 80 to the north-east corner of the last-mentioned allotment; thence northerly along the western boundaries of allotments 81A, 83A, and 83C to the north-west corner of the last-mentioned allotment; thence easterly along the northern boundary of allotment 83C to its north-eastern corner; thence in a north-easterly direction along a road forming the western boundaries of allotments 83G and 83K to the point of commencement.

The petitioners state that their community of interest is entirely in Healesville, as Healesville is their business centre en route to the metropolis; that the distance from Yea Township to the furthestmost point desiring severance is 32 miles, whereas the distance to Healesville from the furthestmost point is within 16 miles; and that, as the urgent need of the district is the completion of the Cham Creek-road from Healesville, and as this road will directly serve the area proposed to be severed, they consider that the money they pay in rates should justly be devoted to this end.

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to sever the area above described from the Shire of Yea, and annex such area to the Shire of Healesville.

Notices for the petitioners may be served on Mr. Alexander Cameron, Toolangi, Box 41, P.O., Healesville.

Commissioner of Public Works.
