Division VII.—Minimum Allowances.

(1) In the case of the engine crew which signed on at Bal-larat at 6.43 a.m. on 1st August, 1923, to run the 7.43 a.m. up train to Melbourne, the provisions of sub-clause (b) of clause 2 shall apply if the crew merely attended for duty, but did not actually undertake duty. If, however, they actually undertook duty, the provisions of clause 1 shall apply.

(2) In the case of the engine crew which signed on at Bal-larat at 5.20 p.m. on 2nd August, 1923, to run the 6.20 p.m. up train to Melbourne, the provisions of clause 2 shall apply if it were practicable for the crew to have been notified as to the later departure time of the train prior to their actually undertaking duty.

(3) In the case of an engine crew which signed on at Bal-larat at 5.20 p.m. on 2nd August, 1923, and on being booked off at North Melbourne for rest at 11.45 p.m. were notified that they would not be required to sign on until 7 a.m. instead of 6.30 a.m. on the following day, the provisions of Division VII. do not apply.

Division IX.—Sunday Duty.

In the case of the Sunday shift, viz., from 7.53 a.m. to 11.44 a.m. and from 7.45 p.m. till 11.59 p.m., worked by the engine crew at Ringwood, the provisions of clause 7 do not apply.

AWARD No. 10.

The allowances prescribed in Award No. 10 have retrospective operation as from 1st July, 1919.

Dated this nineteenth day of December, One thousand nine hundred and twenty-three.

WM. CATTANACH,

Chairman.

State Rivers and Water Supply Commission,
Melbourne, 18th February, 1924.

REGULATIONS UNDER THE DAIRY SUPERVISION ACT 1915.

At the Executive Council Chamber, Melbourne, the twelfth day of February, 1924.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Lawson	Mr. Crockett
Sir A. J. Peacock	Mr. Wettenhall.
Mr. Cohen	

WHEREAS by section 34 of the Dairy Supervision Act 1915 it is enacted that the Governor in Council may, by Order published in the Government Gazette, make regulations for the purpose therein mentioned and generally for carrying into effect the object and intention of the said Act: Now therefore His Excellency the Governor of Victoria, with the advice of the Executive Council thereof, doth by this Order make the following Regulations (that is to say):—

1. Interpretation.—“Pasteurized milk” means milk which has been heated to a temperature of not less than 145 degrees Fahrenheit, and held at such temperature for not less than thirty minutes, and immediately after reduced to a temperature below 40 degrees Fahrenheit.

2. No person shall permit any milk to be transported through and street or streets within the metropolitan area unless the same is protected by an efficient cover from the direct rays of the sun and from contamination by dust.

3. No milk shall be sold as pasteurized milk unless it has been pasteurized in accordance with these Regulations, and the temperature and time prescribed have been recorded by an automatic recording thermometer.

4. No milk shall be sold by any dairyman which has been heated or treated in any manner other than by efficient cooling unless the treatment such milk has been subjected to is clearly and legibly indicated to the purchaser by notice or by indorsement on every invoice or account.

And the Honorable Francis Edward Old, His Majesty's Minister of Agriculture for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

DEPARTMENT OF TREASURER.

Hospitals and Charities Act 1922 (No. 3260).

At the Executive Council Chamber, Melbourne, the twelfth day of February, 1924.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Lawson	Mr. Crockett
Sir A. J. Peacock	Mr. Wettenhall.
Mr. Cohen	

WHEREAS the Adult Deaf and Dumb Society of Victoria, a society capable of incorporation under Part II. of the Hospitals and Charities Act 1922 (No. 3260), has made application under section 68 of the said Act for permission to sell all that piece of land having a frontage of 40 feet to the north side of Flinders-street, Melbourne, by a depth of 150 feet on the east side and about 150 feet on the west side, and being part of Crown allotment 4, section 8, City of Melbourne, Parish of North Melbourne, County of Bourke, and being the whole of the land comprised in certificate of title entered in the register book, volume 2835, form 566880, together with the buildings erected thereon: And whereas the Charities Board of Victoria has made inquiry into the proposal and reports that, in its opinion, the sale of the said land would be advantageous to the society: Now therefore the Governor in Council of Victoria doth by this Order authorize the sale of the said land by the said Adult Deaf and Dumb Society of Victoria, and directs that the proceeds of the sale shall be applied towards the purchase for the purpose of the said society of new premises known as Jolimont-square, at East Melbourne.

And the Honorable H. S. W. Lawson, His Majesty's Acting Treasurer for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

DEPARTMENT OF LANDS AND SURVEY.

Local Government Act 1915, Section 477.

DEVIATION OF ROAD IN PARISH OF TOWONG.

At the Executive Council Chamber, Melbourne, the twelfth day of February, 1924.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Lawson	Mr. Crockett
Sir A. J. Peacock	Mr. Wettenhall.
Mr. Cohen	

WHEREAS by the Local Government Act 1915 (6 Geo. V. No. 2686) it is amongst other things enacted that if the Council of any municipality prove to the satisfaction of the Minister that it is desirable that any road should be deviated, and that such deviation can be conveniently made through Crown land or land held by licensees under the Land Act 1915, the Minister may cause such road to be deviated accordingly at the cost of the municipality: And whereas it has been proved to the satisfaction of the Minister that it is desirable to deviate a certain road in the Parish of Mageppa: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of provisions contained in section 477 of the Act aforesaid, doth hereby declare the new road in the Parish of Towong defined in the following description to be a public highway in lieu of an existing road in the parish named, of which road description is also hereunder given (that is to say):—

REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE GOVERNMENT HOUSE DOMAIN.

WHEREAS by section 181 of the Land Act 1915, power is given to the Board of Land and Works to make rules and regulations, or to rescind any rules and regulations heretofore made for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein: Now therefore the Board of Land and Works, in pursuance of the power conferred as aforesaid, do hereby make the Regulations following for the care, protection, and management thereof, and for the preservation of Government House Domain.

REGULATIONS.

- Contractors' and other business or tradesmen's vehicles to Government House, the Observatory, Botanic Gardens, and any portion of the Domain shall enter and leave the Domain by the tradesmen's entrance, Domain-road.
- No person shall interfere with the trees, shrubs, flowers, fish, or birds in the Domain; or throw stones or other missiles, or commit any nuisance therein, or leave any bottles, orange peel, paper, or litter of any kind, or light fires anywhere in the Domain, or engage therein in any sport or game.
- That no vehicle, motor car, motor cycle, or cycle shall be allowed to enter or pass over or through the Domain, except on the portions thereof specially provided for wheeled traffic.
- That no horses shall be allowed to enter or pass over or through the Domain, or be ridden or exercised in any part of the Domain, except on the roads or drives provided therein for vehicular traffic.
- No person shall enter or remain in the Domain who may offend against decency as regards dress, language, or conduct; and any person found in a state of intoxication or creating or taking part in any disturbance in the Domain shall be liable to be forthwith removed therefrom by any bailiff of Crown lands or police constable, and to prosecution.

6. No assemblies for fêtes, picnics, or concerts, or for the purpose of public worship, preaching, or public speaking of any kind, or meetings of a like character, shall take place in the Domain without the permission, in writing, of the Minister of Lands first obtained.

7. No person shall offer for sale any article in the Domain without the permission, in writing, of the Minister of Lands.

8. No person shall climb or jump over the seats, gates, or fences in the Domain, or lie on the seats or lie on the grass in an objectionable attitude, or stick bills thereon, or cut names, letters, or marks on the trees, seats, gates, posts, or fences, or write thereon or otherwise deface the same.

9. Cattle, sheep, horses, or other animals shall not be depastured in the Domain without the permission, in writing, of the Minister of Lands, and then only in such portions thereof as may be specified in such permission. All goats and poultry found in the domain shall be liable to be destroyed.

10. No person, except workmen employed in the Domain, shall enter any plots therein which may be enclosed for plantations of trees or shrubs, or for other purposes, without the consent of the curator.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1915*, for each offence be liable to a penalty of not more than Five pounds (£5), and every person who knowingly and wilfully offends against any such Regulations, and who, after he has been warned by a bailiff of Crown lands or by any member of the police force, does not desist from so offending may be forthwith apprehended by such bailiff or member of the police force and taken before some Justice and shall be liable to a penalty of not more than Ten pounds (£10).

REGULATIONS FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE BOTANICAL GARDENS, MELBOURNE.

WHEREAS by section 181 of the *Land Act 1915* power is given to the Board of Land and Works to make rules and regulations, or to rescind any rules and regulations for the care, protection, and management of all public parks and reserves not conveyed to and vested in trustees, and for the preservation of good order and decency therein: Now therefore the Board of Land and Works, in pursuance of the power conferred as aforesaid, doth hereby make the Regulations following for the care, protection, and management of the Botanic Gardens, in the City of Melbourne.

REGULATIONS.

1. Unless the Minister of Lands shall otherwise direct, the gates of the Gardens shall be opened daily at Seven o'clock a.m. during the months of October, November, December, January, February, and March, and at half-past Seven o'clock a.m. during April, May, June, July, August, and September, and shall be closed at sunset. A bell shall be rung five minutes before the locking of the gates, and any person found in the Gardens during unauthorized hours shall be liable to prosecution.

2. No person shall interfere with the trees, shrubs, flowers, statuary, vases, labels, fountains, fish, birds, or bird nests in the Gardens, or step on the beds, borders, edgings, or seats, or engage in any sport or games, or throw stones or other missiles, or commit any nuisance, or leave any bottles, orange peel, paper, cast-off clothing, or litter, or light fires therein, annoy visitors, or carry flowers into the gardens.

3. No person shall climb or jump over the seats or fences in or around the Gardens, or lie on the seats, or lie on the grass in an objectionable attitude, or stick bills on such fences or on the gates, or cut names, letters, or marks on the summer-houses, trees, seats, gates, posts, or fences or other property, or write thereon or otherwise deface the same.

4. No person shall bring into the Gardens any dog, unless held by a chain or cord, and all goats or poultry found therein shall be liable to be destroyed by any bailiff of Crown lands or constable.

5. Children under ten (10) years of age shall not be allowed within the Gardens unless accompanied by and in the care or charge of adult friends or nurses, whom they shall not leave while therein.

6. No person, unless authorized in writing by the Minister of Lands, shall offer for sale in the Gardens any article.

7. No bicycle or tricycle, other than children's bicycles or tricycles, shall be ridden in or through the gardens, and no carriage, cart, or other vehicle, except perambulators or go-carts, shall be allowed to enter or remain in the Gardens, unless such cart or other vehicle be used or required in connection with works therein.

8. No person shall take from the Gardens nor injure any plants, flowers, seeds, or fruit therein without authority, and any person so offending shall be liable to be summarily removed therefrom and to be prosecuted.

9. No person shall enter into plots of ground specially enclosed for plantations and for other purposes in the Gardens, and no assemblies for fêtes, picnics, or concerts, or for the purpose of public worship, preaching, or public speaking of any kind, or meetings of a like character, shall take place in the Gardens without the permission in writing of the Minister of Lands first obtained.

10. No person in a state of intoxication, or who is disorderly or not decorously dressed, shall enter or remain within the Gardens, and no person shall commit therein any act of indecency, and no male person shall enter any of the women's lavatories, and no female shall enter any of the men's lavatories.

Every person offending against these Regulations shall, in accordance with section 181 of the *Land Act 1915*, on conviction before any Justice, forfeit and pay a penalty not exceeding Five pounds for each offence; and every person who knowingly and wilfully offends against any such Regulations, and who, after he has been warned by any bailiff of Crown lands or any constable, does not desist from so offending, may be forthwith apprehended by such bailiff or constable and taken before some Justice of the Peace, and shall, on conviction, forfeit and pay a penalty not exceeding Ten pounds.

The common seal of the Board of Land and Works was hereunto affixed this 12th day of February, 1924, in the presence of—

IN THE PARISH OF MEENIYAN.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and pursuant to the provisions of the *Settlement on Lands Act 1893*, and *Land Act 1915*, section 264, doth hereby order as follows:—

The Proclamation bearing date 19th March, 1894, by which certain lands situate in the Parish of Meeniyam and comprising an area of 625 acres, more or less, were amongst others set apart and appropriated for the purposes of village community allotments and for occupation by the members of Home-stead Associations or Societies, is hereby revoked so far only as it relates to 24 acres 21 perches thereof, being allotment 9, section 7, Parish of Nerrena, at Meeniyam.

F. W. MABBOTT,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 12th February, 1924.

PUBLIC HEARINGS BY PERSONS APPOINTED UNDER THE 25TH SECTION OF THE LAND ACT 1915.

NOTICE is hereby given that at the times and places mentioned in the schedule hereunder, applications for leases and licences under the Land Acts, objections to such applications, objections to proposed proclamations, alterations, additions, diminutions, revocations, or unions of commons, and reasons against forfeiture of any leases or licences under the Land Acts deemed liable to forfeiture, will be publicly heard by the persons whose names are set opposite such places respectively in such schedule, being persons appointed by me, the responsible Minister of the Crown administering the Land Acts, to hear the same and report thereon in writing to me.

J. ALLAN,

Commissioner of Crown Lands and Survey, and President of the Board of Land and Works.

Town Hall, Hawthorn, 15th February, 1924. 7040

TOWN OF MORDIALLOC.

BY-LAW No. 54.

A By-law of the Town of Mordialloc numbered 54 and made under the provision of the *Scaffolding Inspection Act 1922* for the purpose of appointing fees which may be charged and received on account of the municipal funds for any inspection or service made or performed by an Inspector under the said Act or any regulation under the said Act.

IN pursuance of the powers conferred by the *Scaffolding Inspection Act 1922*, the Mayor, Councillors, and Burgesses of the Town of Mordialloc order as follows:—

1. All fees payable under this By-law for any inspection or service shall be charged and received by the treasurer of the municipality, who is hereby authorized to receive the same on account of the municipal fund.

2. Scale of fees payable under this By-law:—

Swing stages—Five shillings.

Scaffolding up to 15 feet in height—Five shillings.

Scaffolding over 15 feet and under 30 feet in height—Twenty shillings.

Scaffolding over 30 feet in height—Forty shillings.

3. For the purposes of clause (2) height of scaffolding shall be measured from ground level or in case of scaffolding inside a building from the level of the floor from which such scaffolding is erected.

4. All fees shall be paid at the time the building, in which any swing stage or scaffold is necessary, is registered with the Council.

5. Any person who shall by any act or default be guilty of any breach of this By-law shall be liable to a penalty not exceeding Five pounds sterling (£5).

6. This By-law shall apply to and have operation throughout the whole of the municipal district of the Town of Mordialloc.

Resolution adopting this By-law was passed on the 11th day of December, 1923, and confirmed on the 22nd day of January, 1924.

The common seal of the Town of Mordialloc was hereunto affixed in pursuance of an Order of the Council made on the 22nd day of January, 1924.

H. C. EDWARDS, Mayor.

TOWN OF GEELONG WEST.

BY-LAW No. 44.

A By-law of the Town of Geelong West made under section 198 of the *Local Government Act 1915*, and numbered 44, for—

(a) regulating and restraining the erection and construction of buildings, erections, or hoardings;

(b) requiring the pulling down and removal of buildings, erections, or hoardings;

(c) authorizing the Council to pull down and remove buildings, erections, or hoardings erected or constructed contrary to this By-law, or not pulled down or removed as required by or under this By-law, and to sell the materials and apply the proceeds in reimbursing the expenses of pulling down and removing such buildings, erections, or hoardings, and in paying into the municipal fund any fees or penalties due by the owner thereof;

(d) appointing fees which may be charged and received by the Council for any act done, or to be done, by any of the officers under such By-law and for any permit or licence to be issued by the Council.

IN pursuance of the powers conferred by the *Local Government Act 1915*, the Mayor, Councillors, and Burgesses of the Town of Geelong West, with the approval of the Governor in Council, order as follows:—

1. All former By-laws so far as they relate to the matters and things provided for in this By-law are hereby repealed.

2. This By-law shall have force and effect throughout the whole of the municipality.

3. This By-law shall come into operation on its confirmation by the Governor in Council and immediately after its publication in the *Victoria Government Gazette*.

4. No builder shall commence any building, erection, or structure, or any addition, or alteration to any building, erection, or structure without first delivering at the office of the surveyor a written notice of such intention before so commencing, and producing to the surveyor properly prepared plans and a specification of such building, erection, structure, addition, or alteration, including a block plan of the land showing the location of the proposed building, together with a tracing or copy of the floor plans of such building, erection, structure, addition, or alteration, and also details of dimensions, sizes, and qualities of all materials, enumerating any old materials proposed to be used in the construction of same. Plans shall show thereon the relative heights of the proposed floor levels in respect to street and right-of-way channels to which the drainage is proposed to be delivered.

5. The original plans and specifications when approved shall be returned to the owner or his agent, but the tracing or copy of the plans and details of material shall be retained by the surveyor.

6. No builder shall commence any building, erection, structure, or any addition or alteration to any building, erection, or structure without having first obtained from the surveyor a written permit for the commencement of same and for the carrying out of the necessary work appertaining to such building, erection, or structure, or without first having paid to the Council such sum as shall be demanded on account of fees in respect thereof.

7. The surveyor and inspector, at all reasonable times during the progress and during the thirty days next after completion of any building, structure, erection, or work affected by any of the provisions of this By-law, may enter and inspect such building, structure, or work.

8. In cases required by the surveyor the ground surface of the site shall be properly tarpaved or covered with a layer of good cement concrete at least 4 inches thick or other approved damp-resisting covering. All basements and cellars shall be so tarpaved or covered. Where any valley or natural depression has been reclaimed, and upon such area any building is proposed to be erected in wood, a continuous sole piece made of sound redgum or jarrah not less than 6 inches x 3 inches in section shall be laid to form a footing for stumps of all walls proposed to be erected upon such area.

9. The subsoil of the site of every new building, erection, or structure shall be effectively drained by means of suitable earthenware field pipes properly laid to a suitable outfall, in cases required by the surveyor. Drains shall be, in the case of storm water, connected to the Council's storm-water drains, and soil wastes or wastes from polluted areas, to the sewer of the Geelong Water and Sewerage Trust, or provided with pumps in such manner as may be prescribed. All storm water conducted through or under a building shall be conveyed in cast-iron pipes with lead joints properly caulked or in vitrified stoneware pipes caulked with cement compo. and surrounded with concrete not less than 6 inches thickness and laid so that the spigots of same shall lie in the direction of the flow. In no case shall the gradient of such pipe be flatter than 1 in 40.

10. Structural timbers not less than the following sizes or their equivalent shall be employed in all buildings proposed to be erected, viz.:—Stumps, 5 inches x 5 inches; bearers, 4 inches x 3 inches; floor and wall plates, 4 inches x 2 inches; internal studs, 4 inches x 1½ inches; joists, 4 inches x 2 inches; corner studs, 4 inches x 3 inches; door and window studs and lintels, 4 inches x 2 inches; braces, 2 inches x 1 inch. All top and bottom wall plates must be checked with at least ¾-inch check by the width of the stud to receive each stud and to prevent lateral movement of such stud, in all walls—alternatively all plates shall be mortised at least 1 inch by the width of the stud, and stud shall be tenoned with tenon not less than 1 inch by a depth of 1½ inches to engage such mortise. All plates shall be scarfed with scarf-joint not less than 4 inches in length and adequately secured each to each. All inside walls shall have their studs stiffened with approved herring boning. Sand, cinders, clinkers, lime or cement bricks shall not be employed in the construction, erection, or alteration of any building without the written sanction of the surveyor. Where concrete blocks have been sanctioned by the surveyor they shall not be used green, and unless special permission has been obtained no block shall be used within fourteen days of construction thereof. The blocks shall be in any case bedded and jointed in cement mortar at least ¾ inch in thickness. Sand used for mortar in any building shall be clean sharp grit sand free from vegetable saline or extraneous matter. All structural timber-work used in any building shall be of good sound material, free from rot, large and loose knots, shakes, or any imperfection whereby the strength may be impaired. The interior walls and ceilings of wooden buildings shall be lined with (1) lath and plaster, (2) metal embossed sheeting, (3) three-ply with approved stops, (4) fibro plaster of approved brand and with approved stops, or other material the sanction to which has been given by the surveyor. In the construction of all wooden buildings except sheds vermin plates shall be used. All clauses relating to various sizes of timber apply to all buildings except outbuildings.

Wooden Buildings.—The foundation for any walls shall consist of redgum or jarrah stumps not less than 5 inches x 5 inches spaced not more than 4 feet apart and sunk not less than 1 ft. 6 in. below the natural surface of the ground, and at least 3 inches below the top surface of the clay subsoil. All such stumps shall rest on redgum sole plates of a size and upon a bottom approved by the surveyor.

11. Every wooden building, erection, or structure shall be distant at least 4 ft. 6 in. in the case of new subdivisions of land, and in the case of blocks subdivided and approved prior to 20th August, 1910, at least 3 feet distant from the side boundaries of the allotment on which it is built, except where such boundary is a public street, and unless a parapet wall is erected in accordance with the provisions of the succeeding section. No fence, wall, or structure forming the boundary of any street frontage shall be erected or re-erected without first obtaining permission from the surveyor, and until the alignment of the street shall have been furnished by that officer. No gate nor door shall open outwards on any public street or right-of-way.

12. Where the external wall of any building is erected on the boundary of the land (except where such boundary is a public street) on which the same stands, or within 3 feet of such boundary, then the external wall of such building shall be of brick, stone, or concrete, and shall be carried up to form a parapet 12 inches at least in height or such greater height not exceeding 2 feet, as may be determined by the surveyor, above the roof or above the highest part of any flat or gutter, as the case may be, and shall be of a thickness of 8½ inches at the least.

13. Every party wall shall be of brick, stone, or concrete, and shall be carried up for a height of 15 inches above the roof measured at right angles to the slope thereof or 15 inches above the highest part of any flat or gutter, as the case may be, and of a thickness of 8½ inches at the least.

14. No person shall erect, build, or construct, or cause to be erected, built, or constructed, any building or erection to be used as a dwelling-house only except in conformity with the following:—

- (a) The site or curtilage of such dwelling-house shall have a superficial area of at least 4,800 feet, and have a frontage of not less than 40 lineal feet to a street or road, and that except in the case of corner sites the buildings erected thereon shall cover not more than two-fifths of the superficial area of such site.
- (b) The dwelling-house and other buildings to be erected, built, or constructed upon any site or curtilage included in any subdivision of land made with the approval of the Council prior to the 20th August, 1919, and not provided for in sub-clause (a), shall, except in the cases of corner sites, cover not more than one-half of the superficial area of such site or curtilage fronting a street or road.
- (c) The dwelling-house and other buildings to be erected, built, or constructed upon any corner site or curtilage fronting to two streets or roads shall cover not more than one-half of the superficial area of such site or curtilage.

15. Every new brick, stone, or concrete building, erection, or structure shall have a proper damp course of sheet lead, tarpavement, slates laid in cement, or other approved material impervious to moisture, beneath the level of the lowest floor and at a height not less than 4 inches above the surface of the ground adjoining such wall. A stepped vertical damp course shall not exceed 2 feet in rise.

16. Every building, erection, or structure transported or removed, either in whole or in part, into the municipal district or from one part of the municipal district to another part, shall, when completed, comply with all the provisions of this By-law in regard to the erection of new buildings, and such buildings, either whole or in sections, shall not be brought into the municipal district until the same have been inspected and approved by the surveyor. Section 179 of the *Health Act* 1919 shall be complied with.

17. Stables of not more than two stalls and workshops and sheds of not more than 2½ squares may be erected abutting on right-of-ways, provided the external walls thereof are covered with good sound weatherboards or good galvanized iron. In all other respects such stables and workshops shall be subject to the limitations and provisions contained in this regulation as to wooden buildings generally.

- (a) Any such stable shall be 10 feet distant from the frontage of any road or street; and
- (b) Any such stable shall be 10 feet distant from the frontage of any other road or street.
- (c) Any such stable shall be 20 feet distant from any building used as a dwelling-house on the same allotment or on any allotment adjoining.
- (d) Manure pits shall be suitably covered to the satisfaction of the surveyor, and comply with conditions (a), (b), and (c).
- (e) The surveyor reserves to himself the right to restrain the erection and facing of any stable, shed, or outbuilding at a distance from any road or street which in his opinion is calculated to depreciate the frontages as residential or business sites.

18. Except with the consent of the surveyor no alteration shall be made in any building in such manner that when so altered it will, by reason of such alteration, not be in conformity with the provisions of this By-law relating to new buildings.

19. Every addition to or alteration of a building, and any other work made or done for any purpose in, to, or upon a building (except that of necessary repairs not affecting the construction of any external cross or party wall), shall, so far as regards such additions or alterations of other work, be subject to the determination of the Council.

20. In every building used or intended to be used as a dwelling-house the minimum size of any living room shall be 100 square feet in plan, and no such room shall be less than 8 feet in width. Every habitable room, except rooms wholly or partly in the roof, shall be at least 10 feet in height from the floor to the ceiling, except where the floor space of the room is 200 square feet or more, when the height shall be not less than 9 feet. Or in cases where the roof is an inclined one the average height from the floor to ceiling shall be not less than 9 feet. Every habitable room wholly or partly in the roof shall be at least 8 feet in height throughout not less than one-half the area of the floor.

21. No building intended to be used as a dwelling-house will be registered or permitted to be built unless it contains at least two rooms each containing 120 square feet, and unless the design and construction of same be approved by the Council. Every building proposed to be erected shall, in the opinion of the surveyor, be at least in conformity with the average type of new buildings in the immediate vicinity.

22. Every room shall be provided with inlet and outlet ventilators of which the total area in square inches, free from web or other obstruction, shall be not less than the capacity of the room in cubic feet divided by 40. In all cases the inlet and outlet ventilators shall be stationed as far from each other as is practicable to insure free perfation of fresh air throughout the room. Every person who builds or erects a new building shall so construct every room in the lowest story having a boarded floor, that there shall be for the purpose of ventilation between the under-side of every floor bearer on which such floor is laid and the upper surface of the tarpavement or concrete with which the ground surface or site of the buildings is covered, a clear space of 2 inches at least in every part, and not less than 4 inches when the site is not concreted or tarpaved; and shall cause such place to be thoroughly ventilated by means of suitable and sufficient air-bricks or by some other effectual method so arranged as to cause a through current of air to pass beneath the flooring.

23. Every habitable room shall have one or more windows opening directly into the external air with a total superficies clear of the sash frames free from any obstruction to light equal to at least one-tenth of the floor area of the room, and so constructed that a portion equal to at least one-twentieth of such floor area can be opened, but in no case shall a window be less than 5 ft. 2 in. x 2 ft. 10 in. But a room having no external wall or a room constructed wholly or partly in the roof may be lighted through the roof by a dormer window with a total superficies clear of such frames free from any obstruction to the light equal to at least one-twelfth of the floor area of the room, and so constructed that a portion of such window equal to at least one-thirtieth of such floor area can be opened.

24. Roofs shall be covered with tiles, slates, metal or other fire and damp resisting materials, and the bracing and framing of the roof and walls shall, in the opinion of the surveyor, suffice to serve the weight of such roof covering.

25. No person shall erect or cause to be erected any portico or verandah over the footpath of any street without first obtaining the consent of the Council, and such portico or verandah shall be of the shape, figure, dimensions, and material adopted by the Council, but the lowest part of the frieze or rail of such portico or verandah shall in no case be of less height than 9 feet above the level of the outer edge of the footway.

Verandahs.—Within the brick area as described in clause 27, verandahs over any footpath of the Council shall be of steel or cast iron or reinforced concrete, and shall be properly supported if of the cantilever type, and where otherwise supported the height, posts, frieze, spoutings, roof, &c., shall be similar to those approved by the City of Geelong Council and known as the corporation standard. Elsewhere, where any wooden verandah is proposed to be erected, posts shall be not less than 6 inches by 6 inches in section with chamfer showing 1½ inches on the face, firmly strapped and dowelled into kerb, and spaced not more than 12 feet apart. Posts to be framed together with plate not less than 8 inches x 3 inches and strongly bolted thereto, such posts to be checked to receive same.

26. In all new houses and in houses which are being sewerer provision shall be made for a suitable bathroom.

27. *Brick Area.*—No shop, residence, tenement, stable, shed, privy, or other structure, except in cases of additions at the rear of existing wooden buildings, shall be erected in wood nor other inflammable material, nor in corrugated or plain iron, within the area herein specified, which shall be known as the Brick Area, and which is bounded as follows:—Commencing at a point in the south side of Church-street at a point 50 feet distant west of Pakington-street, and bounded on the north by Church-street, being a line bearing east 50 feet to Pakington-street; thence by a line approximately 66 feet bearing easterly across Pakington-street; thence bounded on the north by Church-street being a line bearing east 50 feet; thence on the east by a line parallel to and distant 50 feet from Pakington-street, bearing south to Aberdeen-street; thence on the south by Aberdeen-street being a line bearing west 50 feet to Pakington-street; thence by a line bearing further westerly approximately 66 feet across Pakington-street; thence on the south by Aberdeen-street being a line bearing westerly 50 feet; thence on the west by a line parallel to and distant 50 feet from Pakington-street bearing north to Church-street home to the commencing point. The walls of all buildings erected within the above-described brick area shall be of brick, stone, reinforced concrete, or other approved fire-resisting material or composition, and shall not be less than 8½ inches in thickness. Where such walls are intended to carry a second story wall above, such lower wall shall be not less than 13½ inches in thickness.

28. All shops shall be built of brick, stone, or concrete. Soffit of dresssummer shall be not less than 11 feet from floor level in Pakington-street, and in other areas not less than 10 feet.

29. No person shall erect, build, or construct, or alter or add to, or cause to be erected, built, or constructed, or altered or added to, any hoarding, signboard, or erection for advertising purposes, without first obtaining the consent of the Council or surveyor, and unless such hoarding, signboard, or erection is erected, built, or constructed, altered or added to in accordance with a plan and specification prepared by such person and previously approved of by the surveyor. The surveyor shall have power to determine the distance from the building line at which any hoarding shall be built, but such distance shall not be greater than the height of such hoarding.

30. No closet or urinal shall be erected or remain in front of any dwelling or building facing a public highway, or at a less distance than 10 feet from any street or from the door or window of any dwelling, or at a less distance than 2 feet from the boundary of land not in the same occupation, unless the wall on the boundary be built of brick or stone, but such closets or urinals may be built abutting on any lane of a less width than 16 feet. This clause shall not apply to any closet or urinal connected to an underground sewerage system.

31. Every builder shall provide temporary sanitary conveniences for workmen on the site of works and pay sanitary fees charged by the municipality in respect thereto.

32. *Damage.*—Make good all damage to roads and footpaths.

33. When it is made known to the Council that any building or structure is in a ruinous or dangerous state, the Council may require a survey, of such building or structure to be made by the surveyor, who shall have power to enter any premises for the purpose of making such survey, and if the surveyor reports that such building or structure is in a ruinous or dangerous state the Council may cause the same to be shored up or otherwise secured to the satisfaction of the surveyor, and shall cause a notice in writing to be served on the owner of such building or structure requiring such owner forthwith to take down, secure, or repair such building or structure as the case, in the opinion of the town surveyor, may require. If such owner does not begin to take down, repair, or secure such building or structure within seven days after service of such notice, and complete such taking down, repairs, or securing as speedily as the nature of the case will admit, the Council may with all convenient speed cause all or so much of the building or structure as is in a ruinous or dangerous condition to be taken down, repaired, or otherwise secured in such manner as may be requisite, and may recover from the owner in any Court of competent jurisdiction the cost incurred in so doing.

34. Where subsequent to the coming into force of this By-law any building or erection has been partly or wholly erected, built, or constructed contrary to and in violation of the provisions of this By-law—

(a) The Council may give to the owner or builder or leave upon the site of such building or erection fourteen days' notice in writing (which notice may be signed by the municipal clerk on behalf of the Council) to bring such building or erection into conformity with the said provisions, or requiring the pulling down or removal of such building or erection; and

(b) if default is made in complying with such notice, and notwithstanding the imposition or recovery of any penalty, it shall be lawful for the Council through its surveyor to enter upon such building or erection and on the site thereof with a sufficient number of workmen, and to demolish and pull down the said building or erection, or any part or parts thereof, and to do any other act that may be necessary for the purposes, and to remove the materials thereof to some convenient place; and if the Council in their discretion think fit the Council may sell the same in such manner as the Council may think fit; and

(c) in addition to any penalties imposed by this By-law all costs and expenses incurred by the Council in consequence of a breach of this By-law or in the execution of work directed by the same to be executed by any person and not executed by him, shall be paid by the person committing such breach or failing to execute such work, and may be recovered in any Court of competent jurisdiction, or may be deducted by the Council from any moneys received by it under the provisions of the two next preceding sub-clauses; and

(d) the Council shall pay over any surplus arising from such sale on application being made by the person entitled thereto.

35. Fees payable for permits under this By-law shall be:—

(a) For all buildings, 2s. for each square or part thereof.

(b) Square shall mean the space of 100 hundred square feet of floor room.

(c) In any case the minimum fee shall be not less than Two shillings and sixpence (2s. 6d.).

36. Any person who is guilty of any wilful or negligent act or default contrary to any of the provisions of this By-law shall be liable to a penalty not exceeding Twenty pounds for each offence, and in the case of a continuing offence to a further penalty of Two pounds for each day such offence is continued after written notice of the offence from the Council.

Resolution for passing this By-law agreed to by the Council the 19th day of December, 1923, and confirmed the 30th day of January, 1924.

The common seal of the Mayor, Councillors, and Burgesses of the Town of Geelong West was hereto affixed by order of the Council this 30th day of January, 1924, in the presence of—

(SEAL) J. R. COXON, Mayor.
P. E. JUDD, Councillor.
H. FRENCH, Town Clerk.

Confirmed by the Governor in Council the 12th day of February, 1924. 7046

Local Government Act 1915.

BOROUGH OF HORSHAM.

NOTICE OF INTENTION TO BORROW MONEY FOR PERMANENT WORKS AND UNDERTAKINGS.

TAKE notice that the Council of the Borough of Horsham proposes to borrow on the credit of the Mayor, Councillors, and Burgesses of the Borough of Horsham the sum of £5,000, such sum to be raised by the issue of debentures in accordance with the provisions Part XIV. of the *Local Government Act 1915*.

It is further proposed that:—

(1) The rate of interest to be named in such debentures shall be £6 per cent. per annum.

(2) The interest is to be payable in moieties, half-yearly, on the fifteenth day of April and October in each year at the Borough Offices at Horsham.

(3) The said loan will be repayable in ten annual instalments of five hundred pounds, the first of which shall be paid on the fifteenth day of April, 1925. Instalments will be paid at the Commercial Bank, Horsham.

(4) The loan is to be expended for permanent works on the following streets and roads:—

(1) Wilson-street, £1,025; (2) Wawunna-road, £885; (3) Mill-street, £300; (4) Firebrace-street, £375; (5) Urquhart-street, £380; (6) McPherson-street, £500; (7) David-street, £650; (8) Darlot-street, £250; (9) O'Callaghan's-parade, £400; (10) Loan expenses, £225.

(5) The plans and specifications and estimate of cost of the works referred to with a statement of the proposed expenditure of the money to be borrowed are open for inspection at the Borough Offices, Wilson-street, Horsham, during office hours.

Dated the 7th day of February, 1924

SHIRE OF FLINDERS.

BY-LAW NO. 22.

REGULATIONS, ETC., OF BUILDINGS, ETC., ETC.

A By-law of the Shire of Flinders made under section 198 of the *Local Government Act 1915* with the approval of the Governor in Council and numbered 21 for:—

Regulating and restraining the erection and construction of buildings, erection, or boardings or of fences abutting on or within 10 feet of any street or road.

Requiring the pulling down and removal of buildings erections or boardings or of fences abutting on or within 10 feet of any street or road.

Authorizing the Council to pull down and remove buildings, erections, or boardings or fences erected or constructed contrary to any such by-law or not pulled down or removed as required by or under any such by-law and to sell the materials and apply the proceeds in reimbursing the expenses of pulling down and removing such buildings, erections, boardings or fences and in paying into the municipal fund any fees or penalties due by the owner thereof.

Appointing fees which may be charged and received by the Council for any act done or to be done by any of its officers under such regulations and for any permit or licence to be issued by the Council.

IN pursuance of the powers conferred by the *Local Government Act 1915*, the President, Councillors, and Ratepayers of the Shire of Flinders order as follows:—

1. This By-law shall come into operation on its confirmation by the Governor in Council immediately after its publication in the *Government Gazette*.

2. No person shall repair, alter, erect, build, or construct, or cause to be repaired, altered, erected, built, or constructed, any building contrary to the provision of this By-law.

3. (1) No person shall commence any building or any addition to any building without first having paid to the Council the necessary fees in accordance with the following scale:— Fees: "New buildings" of an area of 5 squares or less, 10s.; of an area, of from 5 to 8 squares, £1; of an area of over 8 squares, £1 10s. Each stable, shed, or outhouse, 5s.; for each

tent, a fee of 2s. 6d. The fee for permission to erect a tent covers only a permit to erect a tent during the year ending 30th September of the annual period during which the tent may have been erected.

If it is desired to retain the tent a fresh permit must be obtained on or before the 1st day of October in each year.

The decision of the Council or the Surveyor, subject to review by the Council, as to the area of a new building or the value of an addition under this clause shall be final and conclusive.

Consent to be Obtained.

(2) No person shall build any building, addition, or tent without first obtaining written permission from the Council so to do, and without first submitting to the Surveyor the plans and specifications of the proposed building, addition, or tent in duplicate, together with such further particulars in writing regarding the same as shall be necessary to enable the Council or its Surveyor to determine if all the provisions of this By-law applicable thereto are complied with.

Original Plans Returned—Tracings Retained.

(3) The original plans and specifications when approved shall be returned to the owner or his agent, but the tracing or duplicate shall be retained by the Surveyor for the Council.

Distance from Street.

4. No building which is intended to be used as a dwelling-house, and no addition to any such building shall be built, constructed, or erected within a distance of 10 feet measured horizontally from the building line of the street or road the building or erection is extended to or shall front.

Distances from Boundaries or other Buildings.

5. Except as hereinafter provided no dwelling-house or verandah attached thereto, and no addition to any dwelling-house or verandah attached thereto, shall be built, constructed, or erected—

(a) within a distance of 5 feet horizontally of any side street or road;

(b) within a distance of 5 feet measured horizontally of land not in the same possession or occupation;

(c) within a distance of 10 feet measured horizontally of another building or erection whether in the same possession or occupation or not. Provided always that in the event of there being a building situated on land not in the same possession or occupation and distant less than 5 feet from the adjoining boundary of such land, such minimum distance of 10 feet may, at the discretion of the Council, be reduced, but under such circumstances the nearest external wall of such dwelling-house must be constructed of concrete of approved thickness or of brick or stone of at least 8½ inches in thickness, and under no circumstances must the external wall of such building be nearer than 6 feet at its nearest point to such building on the adjoining property.

Roofs.

6. The roof of every dwelling-house shall be covered with approved incombustible and impervious coverings, and the walls of sound impervious coverings, and if of wood, the material shall be sound weatherboards or block boarding, roughcast fibro cement, or other approved material.

Stables, Coach-houses, and Out-buildings.

7. Stables, coach-houses, and out-buildings shall be subject to the like conditions as are imposed in regard to dwelling-houses by clauses 4 and 5 hereof.

All stables shall have floors of approved impervious material.

Height and Area of Main Rooms.

8. (1) The main rooms in every dwelling-house hereafter built or rebuilt shall be in every part not less than 9 feet in height from floor to ceiling, and no main room shall have a floor area less than one square.

Ventilation.

(2) Every main room and bathroom in a dwelling-house shall have one or more windows formed in an external wall or walls and opening directly into the external air and daylight.

Definition of Main Rooms.

(3) For the purpose of this clause the expression "Main Room" shall be deemed to mean and include rooms used or intended to be used as bedrooms, dining-rooms, ordinary living rooms and kitchens.

(4) The provisions of this clause in reference to the height, lighting, and ventilation of main rooms in dwelling-houses shall so far as applicable be extended to all shops.

(5) All rooms shall be ventilated by ventilators communicating directly with the outside air, placed near the ceiling of each room, and of an area satisfactory to the Council.

9. (1) The interiors of all walls and ceilings of every dwelling-house shall be lined with approved material.

Bricks.

(2) Bricks used in any building shall be regular in shape, hard, well burnt, and not absorbing more than 6 per cent. of their weight of water when remaining immersed in the latter for 24 hours.

Timber Spacing and Scantling of Timber.

(3) All timber used in any building shall be of good, sound, well-seasoned material, free from rot, large or loose knots, shakes, or any imperfection whereby the strength of the timber may be impaired, and shall not have been used in any previous construction or buildings, unless previously approved of by the Surveyor.

(4) The following conditions shall apply as to spacing and scantlings of timber. Such timbers as shall be used for any buildings and permanently placed more or less below the surface of the ground shall first, and whilst in a dry condition, be thoroughly coated with hot tar or other approved preservative for the whole extent of such surfaces as shall be placed below the ground level and for a distance of at least 6 inches above such level:—

Stumps.

(a) Stumps to be not less than 4-inch x 4-inch redgum, jarrah, or other approved timber, spaced to 4-foot centres and fixed on 6-inch x 6-inch x 1½-inch sole plates.

(b) Stud and ceiling joists to be not less than 4 inches x 1½ inches, spaced not more than 18 inches apart, centres to centres, and properly braced. Provided that corner studs shall not be less than 4 inches x 1½ inches, and for stud walls supported on stumps or brick piers, the cross sections of the lower plate shall not be less than 4 inches x 2 inches, nor that of the upper plate less than 4 inches x 1½ inches. Where fibro-cement or fibro-plaster sheets are used stumps may be 2 feet apart, but extra cross section to compensate. Ceiling joists to have no greater span than 8 feet without support.

Rafters and Floor Joists.

(c) Rafters not less than 4 inches x 1½ inches spaced 3 feet centre to centre where the roof is of galvanized iron, for roof-covering of slates or tiles to be spaced 18 inches apart centre to centre. Rafters over 6 feet span and under 8 feet span shall be 5 inches x 2 inches, over 8 feet span and under 15 feet span shall be 6 inches x 2 inches. Collar beam and tie beam construction is allowed for roofs not exceeding 18 feet span. Roofs of over 18 feet span shall be of truss construction approved by the Surveyor. Floor joists to be not less than 4 inches x 2 inches, spaced 18 inches apart, centre to centre, on 4-inch x 3-inch bearers spaced 6 feet apart.

Vermin Plates.

(5) Vermin plates shall be provided in all walls.

Attic Rooms.

10. Attic Rooms.—Every room wholly or partly in the roof of any building shall be at least 8 feet in height vertically from the floor to the ceiling or the roof throughout for not less than one-half the area of such room, and all such rooms must have a capacity of not less than 800 cubic feet, and be properly lighted and ventilated.

11. In all buildings of brick, stone, or concrete the materials and their composition shall be subject to the approval of the Surveyor.

Height of External Walls, Wooden Buildings.

The external walls of all wooden buildings shall not exceed in height 15 feet, measured from the floor level to the top of the wall plates.

Area.

12. No person shall build any dwelling-house or combined shop and dwelling-house unless the whole of the said building or erection, of whatever material constructed, shall cover an area of not less than 325 square feet, exclusive of verandah or porch.

Open Space at Rear of Buildings.

13. Every building, with the exception of building rebuilt, must have attached thereto for the exclusive use of the occupiers thereof an enclosed back yard or open space at the rear of the building of at least 1,000 square feet, exclusive of any building therein.

Damp-proof Course.

14. Every wall of brick or stone shall have an approved damp-proof course of asphalt or other impervious material at approved levels, and in cases where it is not desirable to place same throughout the building at one uniform level, then each damp-proof course must be laid in horizontal layers connected at the end by a vertical course of the same material. Every damp-proof course shall be of the full width of the wall and shall extend over the bearings of all plates and bearers. A stepped vertical damp-course shall not exceed 2 feet 3 inches in height.

Ventilation under Floors.

15. The space under the ground floor of every building shall have a sufficiency of openings through all walls and sleeper walls under the floor, and an air space of at least 6 inches and not more than 24 inches, clear of all earth in order to thoroughly ventilate same. Such depth of 6 inches shall be reckoned as measured above the highest point of the ground forming the site of such building and the bottom sides of bearers, and the ventilating space so formed, shall have an approved extent of direct communication with the external air, all round such building.

16. No person shall build any dwelling-house or tent except in conformity with the following:—

(a) The site or curtilage of such dwelling-house or tent shall have a superficial area of at least 8,000 feet, and have a frontage of not less than 50 lineal feet to a street or road, and that except in the cases of corner sites the buildings erected thereon shall cover not more than one-fourth of the superficial area of such site.

(b) The dwelling-house, tent, or other buildings to be erected, built, or constructed upon any site or curtilage included in any subdivision of land made with the approval of the Council prior to the coming into operation of this By-law and not provided for in sub-clause (a) shall, except in the cases of corner cover not more than one-fourth of the superficial area of such site or curtilage fronting a street or road.

(c) The dwelling-house, tent, or other building to be erected, built, or constructed upon any corner site or curtilage fronting to two streets or roads shall cover not more than one-third of the superficial area of such site or curtilage.

(d) No building shall be erected or adapted to be used as a dwelling-house upon any land the surface of which is so situate as not to admit of being efficiently drained at all times by gravitation into an existing storm-water sewer or channel.

Dwelling-houses and Shops.

17. Two dwelling-houses may be erected together in one block provided that they shall be separate from each other by a continuous wall of concrete of approved thickness, or of brick or stone at least 8½ inches in thickness, projecting, in the case of wooden houses, at least 1 inch through the woodwork front and back, and in all cases projecting 1 foot at least through the roof, covering, or gutter adjoining the same whether belonging to the same owner or not. Each such wall and every parapet wall of a dwelling-house shall for its full width immediately above the roof or roof gutters, as the case may be, be provided with an approved damp-proof course. In this case the minimum area on which two such attached houses shall be erected shall be 11,000 square feet, and the frontage to the street or road not less than 70 feet.

Erection of Tents.

18. No tent having external walls sheeted either as a whole or in part with canvas, calico, or other like inflammable material shall be built or erected nearer to the boundary of the allotment upon which the same is built or erected on the same allotment than 10 feet. Should any tents or buildings having walls wholly or partly constructed of canvas or the like inflammable material, and built prior to the coming into operation of this By-law, exceed six in number on any one allotment, or together with other buildings on the land exceed in area one-fourth of the area of that allotment, or as to spacing from other tents or buildings or the boundaries of the land not comply with this By-law, or are, in the opinion of the Surveyor, dilapidated or unfit for occupation, the Council may proceed to have such tents demolished. In all cases a plan must be submitted to the Council for approval showing the size of the allotment, number of tents proposed to be erected and sizes of same.

Any allotment must comply with conditions set out in clause 16A.

19. In no case shall the soil below the floor of any building be left undrained or so that the water may remain stagnant on any portion thereof.

Where the site of a building is, in the opinion of the Surveyor, insanitary, the surface of the ground enclosed by the walls of any building is to be covered with approved tarred composition paving or concrete at least 2 inches in thickness, rolled or rammed, and finished so as to be impervious to water and foul exhalations, and in all cases the foundations or footings of such buildings shall be of lime or cement or concrete constructed to the satisfaction of the Surveyor, or the Council may prohibit the construction of any building or erection intended for human habitation on such site.

20. Roofs and gutters and flashings of any building or erection, and of any projection therefrom, and also balconies, verandahs, and shop fronts, must be so arranged and constructed and supplied with gutters and pipes therefrom dropping or running over any public way, and all such rain-water pipes and eaves, gutters, and flashings are to be made of metal.

Height of Chimneys, &c.

21. Every chimney shaft or smoke flue shall be carried up in brick or stonework or other approved material, subject to the approval of the Surveyor, at least 4½ inches thick throughout to a height of not less than 3 feet above the roof, flat, or gutter thereto measured at the highest point in the line of junction with such roof, flat, or gutter adjoining thereto measured at the highest point in the line of junction with such roof, flat, or gutter. No iron chimney attached to any building used or intended to be used for a dwelling will be approved.

Erection of Hoardings, Signboards, &c.

22. Save as hereinafter provided, no person shall alter or add to any hoarding, signboard, or erection for advertising purposes without first obtaining the consent of the Council, and unless

such hoarding, signboard, or erection is erected, built, or constructed, altered, or added to in accordance with the plan and specification prepared by such person, and previously approved of by the Council.

Distances.

23. The distances mentioned in clauses 4 and 5 of this By-law shall be respectively measured from the projection nearest to the point at which such building may be from such other building, street, side street, road, lane, right-of-way, or boundary line.

Power to Enter and Inspect.

24. The Surveyor is hereby authorized at all reasonable times during the progress and during fourteen days next after the completion of any building or addition to any building, affected by any of the provisions of this By-law, to enter and inspect such building or addition, and the owner or builder thereof shall on demand produce to the Surveyor for inspection the original plans and specifications, approved by the Council for the building, erection, or addition.

Powers of Council.—Where Building or Erection.

25. If any building, addition thereto, or tent shall be partly or wholly built contrary to the provisions of this By-law, or shall be in a ruinous dilapidated condition, or, in the opinion of the Surveyor, be unfit for human habitation, the Council by its Shire Secretary, Surveyor, or other authorized agent, may give to the owner or builder, or leave upon the site of such building, erection, or addition, fourteen days' notice, in writing, to bring such building, erection, or addition into conformity with the provisions, or requiring the pulling down or removal of such building, erection, or addition, and if default shall be made in complying with such notice, notwithstanding the imposition or recovery of any penalty, it shall be lawful for the said Council, by its Surveyor or other authorized agent, to enter upon such building, erection, or addition, and on the site thereof with a sufficient number of workmen, and for that purpose, to break down any fence surrounding the land on which such building, erection, or addition is situate and to demolish and pull down the said building, erection, or addition, or any part thereof, and to do any other act that may be necessary for the purpose, and to remove the materials thereof to some convenient place, and if the Council in its discretion thinks fit, to sell the same in such manner as it thinks fit, and all expenses incurred by the Council, its Shire Secretary, or other authorized agent, in demolishing and pulling down the said building, erection, or addition, or any part thereof, or of removing the materials thereof and selling the same, and in doing other acts as aforesaid, and all fees and penalties due by the owner or builder thereof may be deducted and retained by the Council out of the proceeds of such sale, and the Council shall restore any surplus (if any) arising from such sale to such owner or builder or other person legally entitled thereto on demand.

Buildings not Applicable.

26. This By-law shall not apply to any fence, greenhouse, fernery, aviary, or to temporary offices and sheds used by builders during erection or construction of any building at or about the site of such building for a period not exceeding six months.

Area over which By-law Operates.

27. This By-law shall apply to and have operation in the whole of the Parish of Nepean, including the Townships of Sorrento and Rye;

Crown allotments 14a and 14b, Parish of Kangerong.

Government Red Hill Railway Estate, Parish of Kangerong.

28. This By-law shall not apply to any building of the Government of the Commonwealth of Australia, the State of Victoria, or the Shire of Flinders.

Provision For.

29. Notwithstanding anything hereinbefore provided to the contrary, the Council may, under special circumstances and for special causes, and at a meeting of which notice of the business has been given as for extraordinary business to each Councillor, declare that the provisions of this By-law, whether in the whole or in part, shall not apply to any particular building.

Penalty.

30. Penalties.—Any person who shall be guilty of any wilful breach of any of the provisions of this By-law shall be liable for every such offence to a penalty of not less than Ten shillings and not exceeding Twenty pounds. And if such offence is a continuing one, to a further penalty not exceeding Ten shillings per day for each day such offence is continued.

31. In this By-law, save where the context is inconsistent therewith, "Council" means the Council of the Shire of Flinders.

"Addition" shall mean and include any increase in the habitable enclosed or covered area, height or cubic contents of any building.

"Alteration" shall mean any work done in renewing or repairing any building or erection. All words importing the singular shall include the plural and the plural the singular.

"Approved" shall mean approved by the Surveyor, subject to review by the Council.

"Area" applied to a building shall mean the superficies of a horizontal section thereof made at the point of its greatest surface inclusive of the external walls and of such portions of the party wall as belong to the building.

"Build" shall mean and include "erect, build, or construct", or cause to be "built, erected, or constructed".

"Built" shall mean and include "erected, built, or constructed", or cause to be "built, erected, or constructed".

"Building" shall mean and include erection, structure, hoarding, and every structure of whatever kind and every part of such structure.

"Building Line" shall mean a line beyond which property-owners or others have no legal or vested right to extend a building or any part thereof without approval of the Council.

"Dwelling-house" shall mean a building used or constructed or intended or adapted to be used wholly or principally for human habitation, whether the building or portion thereof may be or is used for some other purpose or not.

"Height" in relation to any building shall mean measurement taken from the level of the footway (if any) immediately in front of the centre of the face of the building, or, when there is no such footway, from the level of the ground before evacuation to the level of the ceiling or tie of the topmost story.

"Hoarding" includes any erection or structure used or that may be used for the purpose of writing, painting, pasting, or posting thereon notices, advertisements, placards, or other printed, painted, or written matter, provided that the height measured from the level of the ground to the highest point of such structure is not less than 6 feet, but shall not apply to a hoarding erected in a street for the purpose of carrying on building operations only or dwelling-house or shop, or any fence 7 feet or under in height, or to "To Let" or "For Sale" boards not exceeding 30 square feet in area.

"Lane" or "right-of-way" shall mean a street or road less than 33 feet wide.

"Secretary" shall mean the Shire Secretary or Acting Shire Secretary for the time being of the said shire.

"Shop" means a building in which goods are regularly offered or exposed for sale, or in which meals or refreshments are regularly offered or provided for payment, and also includes the saloons of shops of barbers and hair-dressers and offices of agents and auctioneers. A *bona fide* private boardinghouse shall not be included in this definition by reason only of the fact that meals or refreshments are occasionally supplied to persons other than boarders.

"Square" applied to the measurement of any area shall mean for the space of 100 square feet.

"Street" or "road" shall mean and include street and road and private street and private road as respectively defined in the *Local Government Act 1915*.

"Surveyor" shall mean the building surveyor or other proper officer for the time being of the municipality.

In the matter of the Metropolitan Gas Company's Acts 1878 and 1920.

WE. Alfred Cornish, of the City of Melbourne, gentleman; Lionel Findon Miller, of the said City, gentleman; and Roland Cameron Evans, also of the said City, gentleman, do severally solemnly and sincerely declare as follows:—

That the said Alfred Cornish and Lionel Findon Miller are two of the directors of the Metropolitan Gas Company, and the said Roland Cameron Evans is the substitute secretary of the said company.

That the nominal capital of the said company is One million five hundred thousand pounds. The amount paid up thereon is One million pounds, divided into Two hundred thousand shares of Five pounds each.

That the amount which the company is legally authorized to borrow on debentures is the sum of One million five hundred and eighty-four thousand two hundred and ten pounds.

That the total amount raised by the company on debentures and unpaid does not exceed the amount which the said company is, by the Metropolitan Gas Company's Acts 1878 and 1920, authorized to borrow.

That none of the debentures, bonds, and mortgages granted by the City of Melbourne Gas and Coke Company, the Collingwood-Fitzroy Gas and Coke Company, and the South Melbourne Gas Company referred to in the fifty-fifth section of the said Act are now outstanding, the same respectively having been paid off.

And we severally make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of an Act of the Parliament of Victoria rendering persons making a false declaration punishable for wilful and corrupt perjury.

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The Subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 7d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for. Subscribers do not receive the Acts of Parliament with the Gazette.

ADVERTISEMENTS are charged at the rate of EIGHTPENCE per line throughout.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines, as a heading.

On an average, eleven words make a line, but for the description of a brand consisting of more than one letter, &c., placed perpendicularly, thus B, each additional letter under B

the first is charged as a line.

All communications should be addressed to "The Government Printer, Melbourne."

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

Signatures (in particular) and proper names must be written very plainly in the text, ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before TWO p.m. at ordinary rates, and late advertisements between TWO p.m. and FIVE p.m. at double rates, on the day preceding the day of publication.

Single Copies of the GOVERNMENT GAZETTE are Sixpence, posted, Sevenpence, each.

No GAZETTES prior to January, 1908, in stock.

ALL PAYMENTS ARE REQUIRED IN ADVANCE. Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
