SHIRE OF FLINDERS.
PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Flinders, and they desire that the said shire be re-subdivided into four ridings by dividing the West Riding into two ridings, thereby constituting an additional riding under the name of the North Riding.

The petitioners state that the present West Riding contains the Townships of Sorrento and Portsea at one end, and the rising Township of Rosebud at the other, and it is felt that councillors living at one end of the riding cannot satisfactorily supervise the business of these two important ends, whereas the proposed subdivision would permit representatives being elected for both sections.

The present revenue of the ridings is, from rates only, East £1,600, Centre £2,000, West £3,600, and the proposed subdivision of the West Riding would provide £1,500 for one section and £2,100 for the other, which compares favorably with the existing East and Centre Ridings.

The petitioners therefore pray that His Excellency in Council may be pleased to re-subdivide the shire into four ridings as desired, to be called the

East Riding,
Centre Riding,
West Riding,
North Riding.

Notices for the petitioners may be served on Mr. A. W. Farrell, Shire Office, Dromana.

SHIRE OF LILLYDALE.

PROPOSED SEVERANCE FROM SHIRE OF LILLYDALE AND CONSTITUTION OF A NEW MUNICIPALITY UNDER THE NAME AND TITLE OF THE BOROUGH OF RINGWOOD.

IN pursuance of the provisions of the *Local Government Act 1915* (No. 2686, section 46), the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the ratepayers in the portion of the Shire of Lillydale described in the petition, and they desire that the area so described may be severed from the South-western Riding of the Shire of Lillydale and constituted a new municipality under the name and title of the Borough of Ringwood.

Area described in Petition.

Commencing at a point on the Dandenong Creek where Heatherdale-road abuts thereon; thence northerly by that road, a line, and the west boundary of allotment 4, Parish of Ringwood, the west boundary of allotment 28, Parish of Warrandyte, and the road forming the west boundaries of allotments 27A, 27B, and 27C, to the north-west angle of the latter allotment; thence east by the north boundary of that allotment, and a road to the south-west angle of allotment 23; thence north and east by the west and north boundaries of that allotment to its north-east angle; thence easterly by a road to the north-east angle of allotment 40; thence south and south-westerly by the boundary of that allotment and allotment 39A to the north angle of allotment 35; thence south-easterly by that allotment and a line to the northern angle of allotment 36a; thence south-easterly and south-westerly by that allotment and allotment 36c to the western angle of allotment 36G; thence south-easterly by that allotment to the eastern angle of allotment 36H; thence south by a direct line to the north boundary of allotment 26A, Parish of Ringwood; thence east and south by the north and east boundaries of that allotment to Eastfield-road; thence west by that road to the Healesville and Warburton railway line; thence south-westerly by that railway to the east boundary of allotment 28a; thence southerly by that boundary, and easterly and southerly by the north and east boundaries of allotment 31A to the south-east angle of the latter allotment; thence westerly by the south boundary of that allotment to the north-east angle of allotment 32a; thence southerly by the east boundary of the latter allotment, a line, and the east boundary of allotment 30 to the Dandenong Creek; and thence generally westerly by that creek to the point of commencement.

The petitioners state that, owing to the size of the Shire of Lillydale as at present constituted, and the geographical situation of the municipal offices of the shire, which are 9 miles distant from the centre of the proposed new borough, it is impossible to give proper supervision and attention to the needs, and requirements of the area contained within the boundaries of the proposed new borough, and that the proper supervision which is essential can only be exercised over such area as to expenditure, drainage, lighting, water and other works, par-

ticularly in regard to health matters, by the constitution of the proposed new borough.

The petitioners further state that there is no community of interest between the rural portion of the shire and the proposed new borough, which is fast becoming a suburban and residential centre.

The petitioners, therefore, humbly pray that His Excellency in Council may be pleased to sever the area above described from the South-western Riding of the Shire of Lillydale, and constitute such area a new municipality under the name and title of the Borough of Ringwood.

Notices for the petitioners may be served on Mr. A. Temple Miles, Ringwood.

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Borough of Wonthaggi, and they desire that the said borough be subdivided into three wards, viz.:—

North Ward,
West Ward,
East Ward,

in lieu of the present system of an unsubdivided municipality.

The petitioners, therefore, pray that His Excellency in Council may be pleased to subdivide the borough into three wards as desired, to be called the

North Ward,

East Ward.

Melbourne, 4th April, 1924.

TENDERS FOR GRAZING LANDS.

FOR THE PERIOD 1ST MAY, 1924, TO 30TH SEPTEMBER, 1925, EXCEPT WHERE OTHERWISE STATED.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Wednesday, 30th April, 1924.

NOTE.—No tender will be accepted unless the fee for the full period and fee of Five shillings for licence are forwarded.

TENDERS will be received on or before Noon on Wednesday, 30th April, 1924, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the *Land Act* 1915 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act* 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall

provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act* 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act* 1922 in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

SPECIAL CONDITIONS.

1. The period of occupation will, except where otherwise specified, be for (17) seventeen months from 1st May, 1924, to 30th September, 1925.

2. The fee for the full period—for which the licensee will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act* 1915.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the incoming tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act* 1915, provides:—

1. Where a licensee under section 121 of the *Land Act* 1915 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
