6. *Business, &c., Order of, Minutes.*—At every meeting of the Commissioners the first business thereof shall be the reading and putting a question for the confirmation of the minutes of the proceedings at the preceding meeting, and no discussion shall be permitted thereon except as to their accuracy as a record of the proceedings, and the rough minutes of the proceedings of the Commissioners at any meeting shall be read at the close of such meeting, if required by any Commissioner present at such meeting.
7. After the signing of the minutes by the chairman, the order of business of any ordinary meeting shall be as follows, or as near thereto as may be practicable; but for the greater convenience of the Commissioners at any particular meeting thereof it may be altered by resolution to that effect:—

37. *Order of the Day to be Restored.*—If a debate on any order of the day be interrupted by such insufficiency of number as aforesaid happening, such order may be restored to the notice book for a future day on motion upon notice, and then such debate shall be resumed at the point where it was so interrupted.

38. *Voting.*—Whenever a division shall be demanded by any Commissioner, the Commissioners voting in the affirmative shall first hold up their hands, and all those voting in the negative shall then hold up their hands, and result be declared by the chairman. CITY OF BRUNSWICK.

BY-LAW No. 67.

A By-law for regulating the use of streets, roads, and public places, and for appointing stands in streets, roads, and public places in the City of Brunswick for the sale of foodstuffs and flowers, and for licensing and regulating street hawkers and itinerant traders dealing in such goods.

IN pursuance of the powers conferred by the *Local Government Act 1915* and the *Local Government Act 1915* (No. 2), and of every other power enabling it in that behalf the Council of the City of Brunswick doth hereby make the By-law following, that is to say:—

1. The places mentioned in the First Schedule hereto and such other places as may from time to time be fixed in lieu of or in addition thereto by the said Council shall be stands for the sale of foodstuffs and/or flowers in the said City.

2. No person shall take up, or occupy, or sell, or attempt to sell, or assist in selling from such stands, or from any position on any street, road, or public place unless licensed to do so as hereinafter provided, but this prohibition shall not prevent any itinerant hawker (holding a permit in that behalf) from vending foodstuffs or flowers from house to house, except in the following streets:—Sydney-road; Lygon-street, between Park-street and Albion-street; Nicholson-street, between Brunswick-road and Park-street; Victoria-street west, between Pearson-street and Melville-road; Victoria-street west, between Sydney-road and Melbourne to Coburg railway; Melville-road; Holmes-road, within which streets no itinerant hawking of foodstuffs and flowers shall be permitted within the hours named in clause 12 hereof.

3. The Council may from time to time:—

- Abolish, enlarge, or diminish any stand or position.
- Move any stand or position in any direction in its vicinity either temporarily or permanently.
- Appoint any new stand or stands, and fix the number of positions on such stand or stands, and the charges to be paid for same.

Notice in writing of the exercise of any of the powers by this clause conferred shall be given to any licensee concerned.

4. Any person desiring to sell, or to assist in selling, food-stuffs and/or flowers from such stands shall apply, in writing, to the Town Clerk (hereinafter called the Licensing Officer) in one of the forms, or to the effect set out in the second schedule hereto, and such application shall be accompanied by a certificate of good character signed by at least two ratepayers of the said city.

5. The Licensing Officer shall bring all such applications before the Council, and the Council shall, in its unfettered discretion, grant, refuse, or otherwise deal with such applications.

6. If an application is granted a licence subject to the conditions of this By-law will be issued to the applicant by the Licensing Officer on payment of the prescribed charges, and such licence shall state the stand, and the position on such stand, to be occupied by the licensee, and the description of the goods licensed to be sold.

7. No person shall be entitled to a licence either as a seller or as an assistant, unless he is a subject of His Majesty the King.

8. No corporation or female shall be entitled to a licence, and no child (as defined by the *Factories and Shops Act 1915*) shall be employed as a street hawker or itinerant trader, nor be permitted to manage or occupy a stand in any street, road, or public place.

9. No person shall hold a licence for more than one position.

10. (1) When a licence is issued, pursuant to this By-law, to occupy a position on any stand the person named in such licence, or his permitted transferee and/or assistant (if any), and none other shall have the right to use or occupy such position.

(2) A licence for a position on any stand may, with the consent of the Council, be transferred to any person not being the licensee of, or interested in, any other position. A form of transfer will be provided by the Council.

(3) Where a proposed transferee is approved by the Council the licence and transfer, duly executed, shall be lodged with the Licensing Officer, who shall retain the transfer and note on the licence the particulars of such transfer. The licence shall then be delivered to the transferee who, with his assistant (if any), shall thereupon be the only persons authorized to occupy the position described in the licence.

(4) The charge for transfer of a licence shall be five shillings, which shall be paid when the licence and transfer shall be lodged with the Licensing Officer as aforesaid.

11. The Council may at any time revoke any licence issued hereunder if the holder, in the opinion of the Council:

- (a) Has committed any offence against this By-law.

- (c) Has not kept his cart, truck, barrow, or other vehicle clean, or has not kept himself cleanly in habits and appearance while on his position.
- (d) Has been convicted of any offence under the Health, Fish and Game, Fruit, or Weights and Measures Acts.

When the licence is revoked, the right thereunder to occupy the position, or to act as assistant thereat, shall then cease, and any moneys paid in advance shall be forfeited to the said Council, and the licence shall be delivered to the Licensing Officer.

12. The hours within which positions or stands may be occupied shall be between 8 a.m. and 8 p.m. on Mondays, Tuesdays, Wednesdays, Thursdays, and Saturdays, and between 8 a.m. and 10 p.m. on Fridays, but no person shall occupy any position, or sell, or attempt to sell, or assist in selling, from any position on Sundays, Christmas Day, or Good Friday.

13. The charges for licences shall be fixed from time to time by the Council, and shall be payable in advance either weekly, monthly, or quarterly, but no charge for any one position on any stand shall exceed the rate of 80s. a week, or be less than 2s. a week.

14. If a stand or any position thereon is abolished during the currency of a licence, in respect thereof the Council may allot to the licensee of the abolished position a new position on any stand in lieu thereof, or shall, at the licensee's option, repay him a proportionate amount of the charges paid by him in advance for such abolished position in full satisfaction of all claims and demands.

15. The following rules shall be observed by every licensee, that is to say, he shall—

- (a) Keep clean the position on the stand mentioned in his licence, or any other position he may from time to time be authorized by the Licensing Officer to occupy, and also keep the footway and roadway contiguous thereto clean and free from paper, fruit stems, peelings, refuse, and rubbish during all such time as the said stand is occupied.

(b) Not at any time cause, or permit, or suffer any nuisance to exist on, or contiguous to, the position he is for the time being authorized to occupy.

(c) Not place any box, basket, receptacle, or other thing (except his vehicle) upon the position, or on the roadway or footpath contiguous to the same.

(i) Not sell at any place other than at the position on the stand he is licensed to occupy within the hours named in clause 12 hereof.

(j) Not paint or write on his vehicle, or display, affix, or carry thereon, or suspend therefrom any trade or other advertisement, or any placard, poster, streamer, flag, or signboard of any kind whatsoever.

(k) Personally attend his position for at least five hours in each day (if the position is so long occupied), unless he shall by reason of illness, accident, or other cause procure a permit in writing from the Licensing Officer authorizing him to place a licensed assistant in occupation of the position.

16. No cart, truck, barrow, or other vehicle shall be used on any position unless the same—

(a) has been previously approved by the Licensing Officer, or other appointed officer, and

(b) is not greater in length than 10 feet, or in width 4 feet.

No vehicle shall be approved for the sale of foodstuffs unless the same be provided with a roof or cover, and have provision for protection of the goods offered for sale from sun, dust, and flies.

17. The Licensing Officer may move any position on any stand in any direction in its vicinity either temporarily or permanently, and shall give notice, in writing, of such change of position to the licensee of such position, who shall forthwith remove to the new position, and such notice shall be accompanied by an authority to the licensee to occupy the same.

18. No fish of any kind whatsoever, save and except red mullet, shall be sold or offered for sale on any stand or position, or in any street, road, or lane in the said city unless the same shall have been previously cleaned (gutted) to the satisfaction of the Licensing Officer.

A By-law of the Borough of Koroit made under the pro-
visions of section 75 of the *Health Act 1919*, and numbered
12, providing for the provision, use, and control of recep-
tacles for the deposit and collection of manure, refuse, and
rubbish, and prescribing the size and shape of and the
materials to be used in the construction of such receptacles,
and the removal, cleansing, and disinfecting the same and
the use of disinfectants therein.

IN pursuance of the powers conferred by the *Health Act 1919*
and of any other power thereunto enabling them in that
behalf, the Council of the Borough of Koroit, in the name and
on behalf of the Mayor, Councillors, and Burgesses of the said
borough, for the purpose of carrying the said Act into execu-
tion within their jurisdiction, make the following By-law, that
is to say:—

1. All former By-laws, as far as they relate to the matters
and things provided for in this By-law, are hereby repealed.

2. This By-law shall come into full force and operation on
its approval by the Governor in Council, and immediately after
its publication in the *Government Gazette*.

3. This By-law shall apply to and have operation within
such part of the municipal district of the Borough of Koroit
as is defined within the following boundaries, viz.:—Commenc-
ing at point being the intersection of the railway line
from Warrnambool to Koroit and Port Fairy with the Govern-
ment road leading from Koroit to Southern Cross; thence on
the north along the said railway line to its intersection with

south-easterly along O'Brien's-lane to Barkly-street; thence on
the south by Barkly-street bearing easterly to Lake-street;
thence on the east along Lake-street and McVicar-street to the
commencing point.

4. In this By-law, unless inconsistent with the context or
subject-matter, "proprietor" means the proprietor of any
premises, and includes the owner, the occupier, or any person
having the management or control thereof.

PART I.

Disposal of Manure, &c.

5. The proprietor of any land on which is erected any stable,
cow yard, cattle shed, or pig-stye, or on which land is any
building wherein any horse (or other beast of draught or
burden), or any cattle or swine are kept, shall cause such
premises to be kept in such a state in respect of cleanliness as
not to be a nuisance or injurious to health, and shall cause
all soil, dung, or other manure produced or accumulated
therein to be from time to time removed from such premises
as often as the quantity of the same so produced or accumu-
lated shall amount to 2 cubic yards, or once at least in every
week should the quantity not amount to 2 cubic yards; and if
at any time the proprietor of such premises shall neglect or
fail to have such soil, dung, or other manure removed there-
from as aforesaid, the same may be removed by the said
Council at the expense of such proprietor, and the cost of
such removal may be recovered in any Court of Petty Sessions
as money paid by the Council at the request of the said prop-
rietor, who shall also be liable to the penalties hereinafter
provided.

6. Every proprietor of a building or premises wherein or
whereon any horse (or other beast of draught or burden), or
any cattle or swine may be kept, shall provide in connexion
with such building or premises, in a location approved by the
proper officer of the Council, a suitable receptacle for dung,
manure, soil, filth, or other offensive or noxious matter which
may from time to time be produced in the keeping of any such
animal in such building or upon such premises, and shall cause
such receptacle to be constructed so that the bottom or floor
thereof shall not in any case be lower than the surface of the
ground adjoining such receptacle, such receptacle to be of
brick, cement, or sheet iron, with a drainage exit at one angle

tion as to prevent any effluvia therefrom or any escape of the
contents thereof, or any soakage therefrom, into the ground or
into the wall of any building, and to be furnished with a
closely-fitting hinged lid of wood, and when not required to be
open to be kept properly covered, and all such soil, dung, or
other manure shall be placed daily in such receptacle.

7. He shall likewise provide in connexion with such building
or premises, if required by the Council or health officer, a
sufficient drain constructed in such a manner and of such

into a proper receptacle.

PART II.

Disposal of House Refuse and Rubbish.

8. The proprietor of every house, building, or premises shall
provide, keep, and maintain at all times upon his premises a
properly-constructed receptacle, in which he shall from time
to time cause to be deposited all rubbish or refuse produced
or accumulated in or about such house, building, or premises.

9. Such receptacle shall be constructed of galvanized iron of not less than 24 gauge or other approved material, in such a manner as to prevent any absorption by any part of such receptacle of any offensive matter which may be deposited therein, or any escape by leakage or otherwise of any part of the contents of such receptacle.

9. Each such receptacle shall have a capacity of not less than 2½ nor more than 4 cubic feet, and shall be so constructed as to be capable of being easily and conveniently carried by one man.

10. It shall be strongly constructed and provided, with properly attached side-lifting handles.

11. Such receptacle shall be provided with a tight-fitting lid with a flange overlapping the top of such receptacle, and shall be kept constantly covered (except when such refuse or rubbish is being deposited therein or discharged therefrom), and a sufficient quantity of some efficient deodorant shall be from time to time introduced therein when necessary to keep such refuse or rubbish in an inoffensive condition.

12. No person shall place, or cause or permit to be placed, any slops or liquid waste in such receptacle, nor shall deposit any moist refuse or rubbish in such receptacle, unless such moist refuse or rubbish has been previously strained and effectually wrapped in waste paper.

13. The proprietor shall cause such receptacle to be kept at all times in good order and sweet condition, and shall coat the inside of such receptacle with tar or other suitable substance when deemed necessary by the Council.

14. The proprietor shall cause, at such hours and on such days as may be appointed by the Council for the removal of refuse or rubbish, such receptacle to be deposited close to and inside of the entrance to such house, building, or premises from the street, lane, or right-of-way on which such house, building, or premises abut, in order that the contents of such receptacle may be conveniently removed by the contractor or person authorized or employed in that behalf by the Council.

15. No person shall place or cause to be placed any such receptacle in or upon any street, lane, or right-of-way, unless with the consent in writing of the Council, which consent shall only be given in the case of business premises built on the street alignment, where such business premises do not abut on a suitable right-of-way or land on which such receptacle could be placed for collection and emptying.

16. The contractor or person authorized or employed by the Council for the removal of such refuse or rubbish shall be responsible for the complete emptying (without spilling any of the contents) of such receptacle or receptacles directly into a vehicle provided for its reception, at such hours and on such days as may be appointed by the Council. Such contractor or person shall also be responsible for the replacement of such receptacle, properly covered with its lid, and shall also close the gate or gates of the premises from which such receptacle is taken.

17. The contractor or person authorized or employed by the Council for the removal of such refuse or rubbish shall, at least once in each week, or at such greater frequency as may be necessary, collect and remove such refuse and rubbish in a suitable covered vehicle, in such a manner as not to cause nuisance, danger to health, or offensiveness.

18. Such vehicle shall be provided with a cover which shall be made to open in sections from either side of the vehicle, and only the section which is in actual use shall be uncovered at a time.

19. Such vehicle shall, as far as practicable, be rendered water-tight by means of an impervious lining, or by painting the inside thereof with tar, or by other suitable and effective means.

20. Such vehicle when full shall be taken by the quickest possible route to the dépôt, incinerator, or destructor, where as soon as practicable the refuse and rubbish shall be rendered innocuous by means of fire, or such other method as may be approved by the Commission, and in such manner as not to create a nuisance.

21. The contractor or person authorized or employed by the Council for the removal of such refuse or rubbish shall cause all vehicles used for the reception and removal of such refuse and rubbish to be properly constructed, kept clean, and thoroughly disinfected with approved disinfectant, and maintained in a proper state of repair.

22. If any refuse or rubbish is authorized to be deposited or disposed of in or on any land, hole, quarry, or indenture, such refuse and rubbish shall be deposited in a regular and orderly manner, and at the conclusion of each day's depositing the contractor or the person or persons authorized or employed by the Council shall blind the surface with clean earth lime or other approved material, so as not to create any nuisance.

23. Land upon which refuse or rubbish has been deposited shall be seasonably planted or sown with seed of grass or any forage or cereal crops, or other such vegetable life as the Council shall direct or approve.

PENALTIES.

24. If any person or persons commit a breach of this By-law, he or they shall for every such breach be liable to a penalty of not more than Twenty pounds, and in the case of a continuing offence a further daily penalty of not more than Five pounds.

6. The common seal shall be affixed by the secretary and attested by the chairman of the meeting of the committee ordering it to be used, and shall also be attested by the secretary. The common seal shall be kept in a box having two differing keys, and one key shall be held either by the president or the treasurer, and the other by the secretary.

CONTRIBUTORS AND THEIR PRIVILEGES.

7. All persons who are "contributors" within the meaning of the *Hospitals and Charities Act 1922* (hereinafter called "the said Act," and which expression shall include any amendment thereof) shall, subject to the provisions of the said Act, be entitled to one vote at all meetings of contributors of the institution, and shall also be entitled to recommend children for admission to the institution subject to the regulations for the time being in force.

ANNUAL MEETING.

8. An annual general meeting of the contributors shall be held in Melbourne between the first day of July and the thirty-first day of August in each year, and until otherwise directed by the committee, such meeting shall be held on the last Thursday in July in each year. At every such meeting the contributors shall fill up all vacancies in the committee, and

The committee shall meet once at least in every month, and whenever summoned by the secretary on the written requisition of any six members of committee, and, subject to the said Act, shall have power to frame regulations for the management of the institution and any of its affairs, and the regulation of the proceedings of the committee, and may appoint sub-committees, with power to act, or to report only, as the committee may direct; but no such regulation shall have effect unless it be passed at a meeting of the committee (after written or printed notice of the proposed regulation shall have been sent to each member), and such regulation shall have been confirmed at the next following meeting of committee. Provided always, that, notwithstanding anything herein contained, the committee may, without notice, at any of its meetings on a unanimous vote of the members present, not being less than sixteen, suspend any such regulation or regulations in order to pass any resolution they may deem necessary at that meeting.

14. No meeting of committee shall be valid unless each member, then resident in the State of Victoria, shall have been summoned by the secretary by writing, posted at least forty-eight hours previously. If, at the expiration of fifteen minutes after the time of meeting, a quorum shall not be present, such meeting shall lapse.
