ANNEX TO CONTRACT No. 1925/2502.

Schedule No. 1.

AGRICULTURAL SEEDS FOR EDUCATION DEPARTMENT.

Contract from 1st October, 1925, to 30th September, 1926.

1925/2502.—Law, Somner Pty. Ltd. Security, £14.

SPECIFICATION.

1. The Contractor shall supply a sample packet of each kind of seed to the Education Department, and the seeds supplied to schools shall be of the same kind, quality, and description as the samples.
2. Parcels to schools more than 5 miles from the nearest railway station must be forwarded by post, the postage being prepaid by the Contractor, and charged to the Education Department when final account is submitted. Supplies ordered for delivery in Melbourne are to be delivered free of all charges at schools within a radius of 6 miles from the General Post Office. All other parcels should be sent by rail, the Stores and Transport Consignment Note to be used, as provided in Clause 11 of the Conditions of Contract.
3. The price tendered must include cost of packing and delivering at Railway Station or Post Office in Melbourne. Printed forms required by the Contractor will be supplied by the Education Department.
4. Each parcel of seeds must be dispatched within fourteen days from the day on which the order was received by the Contractor, providing this does not necessitate the sending of more than 100 parcels in any one week. In the event of failure to supply within fourteen days, Clause 7 of the Conditions of Contract will be strictly enforced.
5. Preference will be given to seed grown in the Commonwealth, provided the quality of such seed is satisfactory and the rates are considered reasonable.
6. An invoice, together with a form of receipt, must be forwarded to the Head Teacher by post at the time of consigning the seeds under each order.

ANNEX TO CONTRACTS NOS. 1925/2519 AND 1925/2520.

SCHEDULE No. 4.

TIMBER FOR MANUAL TRAINING CLASSES, EDUCATION DEPARTMENT.

Of Commonwealth production where marked c.

Contract from 1st October, 1925, to 30th September, 1926.

1925/2519.—T. Anthony and Co. Pty. Ltd. Security, £65.

1925/2520.—J. Moore and Sons Pty. Ltd. Security, £300.

Specifications.

All Timber to be selected and of first quality. It must be free from shakes, waney edges, sapwood, and absolutely free from knots of any kind or any other defects, thoroughly sound, well seasoned, and close-grained or free, as may be ordered.

All Timber to be machine-planed on both sides and on all edges. The sizes quoted in the Schedules hereunder are after dressing.

All Timber to be in lengths not less than 6 feet.

All Timber must strictly conform to the specification.

Before being dispatched all Timber must be inspected and stamped by an officer of the Education Department, to whom must be produced the departmental order, and the Timber referred to therein must be inspected separately and apart from any other Timber.

Actual measurements only will be paid for.

Delivery of all Timber to be subject to the approval of the Inspector of Manual Training or his Deputy, and to be delivered as directed

An invoice of the Timber consigned under each order must be sent by post to the Teacher in charge of the Sloyd Centre or Class, as the case may be, giving the date of such consignment, and the Railway Station to which it has been forwarded.

To ensure safety in transit, &c., supplies must be put up in containers if so required by the Department ordering. The cost of such containers to be borne by the Contractor.

Delivery of the articles will not be deemed to be made until they have been handed in good order and condition to the Teacher of the school to which they may be consigned.

Preference will be given to articles manufactured in the Commonwealth, provided the quality of such articles is satisfactory and the rates are considered reasonable.

An invoice, together with a form of receipt, must be forwarded to the Head Teacher by post at the time of consigning the articles under each order.
