He must also send in a certificate of good moral character and industry, as well as a certificate of suitability for employment from either the Inspector-General of the Insane or the Medical Superintendent of one of the Hospitals.

Nurses should be approximately 5 ft. 3 in. in height, and Attendants 5 ft. 8 in., with correspondingly good physical development, and in their form of application they should state what their previous occupation or work has been.

Applicants for the positions of Messenger must be between the ages of sixteen and twenty: Messengers will not be retained after they have reached the age of twenty-one years.

Applicants who have passed any examination for candidates for appointment in the Public Service of Victoria, or any like examination, will be exempted from this examination. Persons appointed to positions in the General Division other than those of Attendants will not be required to pass the Educational Examination, i.e., Hospital Trained Nurses, Nurses, Artisans, and Servants.

Applicants for employment as Attendant on the staff of the Lunacy Department who have enlisted in any Expeditionary Force raised in Victoria or (in the case of a person born in Victoria) raised in Australia for naval or military service with His Majesty's Navy or Army during the war in which His Majesty is at present engaged and have served abroad with such Force, may, on their return, have their names recorded in the Register of Applicants and may be appointed on the staff in preference to all other applicants and without being required to pass the Educational Test Examination provided by Regulation No. 7. Military Discharges must be produced in every case.

## First Departmental Examination.

8. Attendants and Nurses appointed under these Regulations must qualify themselves for retention on the staff of the Lunacy Department and for subsequent increments to their salaries by attending the necessary courses of lectures in Elementary Anatomy and Physiology, First Aid to the Injured, and General Duties.

Failure of an Attendant or Nurse to pass the Departmental Examinations within the times specified will be considered to be evidence of incapacity to discharge the duties of his or her office; and the retention of Attendants and Nurses on the staff will be conditional on their passing these examinations.

No Attendant or Nurse will be retained on the staff of the Lunacy Department unless he or she has passed the First Departmental Examination.

9. The First Departmental Examination cannot be undertaken before the Attendant or Nurse has been in the service of the Lunacy Department for a period of one year. In the event of a failure to pass at the first attempt on the recommendation of the Medical Superintendent the Inspector-General may approve of a second opportunity to pass the examination being given.

#### Second Departmental Examination.

10. The Second Departmental Examination—in general nursing and duties—cannot be undertaken until after the end of the second year of service in the Lunacy Department, but the Attendants and Nurses must present themselves for this Examination before the end of the fourth year of service, dating from the time of appointment on probation. In the event of a failure to pass this second examination at the first attempt, on the recommendation of the Medical Superintendent the Inspector-General may approve of other opportunities to pass the examination being given. In the event of a second failure to pass, however, the services of the unsuccessful candidate may be dispensed with.

11. The first increment will only be recommended to the Attendant or Nurse conditional on the First Departmental Examination having been passed, and if he or she is approved of by the Medical Superintendent and the Inspector-General, and on the production of a certificate of good conduct and diligence from the Medical Superintendent of the Hospital for the Insane where he or she is employed. The second increment will not be recommended until the Second Departmental Examination has been passed. Attendants will not be recommended for the third increment until the Third Departmental Examination has been passed.

#### Third Departmental Examination.

12. The Third Departmental Examination in mental disorders, nursing and duties, together with elementary anatomy and physiology of brain and nervous system, can only be undertaken after the third year of service and one year after the passing of the Second Examination. On the passing of this examination a certificate will be given to the successful examinee setting forth that he or she is a Trained Mental Attendant or Nurse. In the event of failure other opportunities will be given to pass on the recommendation of the Medical Superintendent. This Examination will qualify Attendants and Nurses for promotion to the Second Grade. Attendants and Nurses who passed the Second Nursing Examination provided by the previous Regulations will be eligible for promotion to the Second Grade without passing the Third Nursing Examination provided by these Regulations. Before being eligible for promotion to the position of Head Attendant or Hospital Attendant and Chief Nurse or Hospital Nurse they must pass the Third Examination.

13. In determining the claims of officers to promotion, consideration will be given in respect of merit to the following qualifications:—

- (a) Possession of the Departmental Nursing Certificate.
- (b) Ability and knowledge required to fulfil the duties of the superior office, and the possession of the necessary tact and judgment.
- (c) Industrious habits and careful performance of work.
- (d) Good conduct, regular attendance, and prompt and cheerful service on urgent occasions.
- (e) Mental vigour and sound bodily health.
- (f) Performance of valuable services of a special nature.

14. For promotion to the First Grade selection will be made from among those Attendants and Nurses who have passed into the Second Grade, and who have, by reason of their special fitness for the work, as well as by their good conduct and industry, proved themselves capable of taking charge of a large and important ward.

15. Except in a case in which the Inspector-General shall certify that some particular office in the Lunacy Department should be filled by a Hospital Trained Nurse, the person to fill the position of Hospital Attendant or Hospital Nurse may be selected from among the Attendants and Nurses who have demonstrated their capacity for the special work required of them.

16. Officers appointed to any position in the Lunacy Department shall not, until they shall have served for a period of five years on the staff of the Department, be transferred to any other Department or Branch unless such transfer is determined to be in the interests of the Public Service.

#### Board of Examiners.

17. All Departmental Examinations will be conducted by a Board of Examiners, which will consist of the Inspector-General or a Deputy appointed by the Inspector-General, and one or two Medical Superintendents or Deputy Superintendents as may be considered necessary appointed by the Inspector-General.

18. The subjects for the Departmental Examinations shall be those set forth in the syllabus of lectures adopted from time to time and issued to each Hospital for the Insane, the text-book being as prescribed from time to time.

19. The employees at the Idiot Asylum and the Reception House, so far as is practicable, will be subject to the same rules as the employees in the Hospitals for the Insane.

20. In accordance with the exigencies of the Department, and in order to facilitate the better training of Attendants and Nurses, the Inspector-General may transfer an Attendant or Nurse from one Hospital to another, or from the female side to the male side of the same Hospital where the nursing of male patients is undertaken by female Nurses.

21. All probationers and persons appointed on the staff of the Lunacy Department will be required to sign the agreement hereunder at the time of entry on duty.

#### CHAPTER III.—CLASSIFICATION OF THE GENERAL DIVISION.

Public Service Acts 1915 and 1920 and *Lunacy Act 1915.*

1. In the case of appointments, promotions or transfers to any office in the General Division in the Lunacy Department, the scale or amount of salary assigned to the several offices mentioned in the Schedule hereto shall be that respectively entered opposite the name of the office in such Schedule in the column headed "Yearly Rate of Pay."

2. In cases where no minimum salary is entered opposite the name of his office in the said Schedule every officer shall be entitled to receive pay at the maximum rate without addition thereto.

3. In cases where there is a minimum rate and a maximum rate, every officer shall be entitled to receive salary at a rate within the minimum and maximum limits to be approved by the Governor in Council on the recommendation of the Inspector-General of the Insane, provided that an officer on his first appointment to the Department shall be paid at not more than the minimum rate of his office.

4. Any officer transferred or promoted to any class or grade shall thereupon be deemed to be junior to any officer already in such class or grade, but notwithstanding anything in the Schedule hereto he shall be paid an amount not less than that which he was receiving immediately before such transfer or promotion. Officers who are transferred to the Attendants' or Nurses' staff from the Artisans' and Servants' staff, and who are in receipt of salaries at or above the maximum of the Third Grade, may be transferred to the Second Grade on the recommendation of the Inspector-General without regard to their seniority. They will, however, be required to pass the Educational and Departmental Examinations prior to being so transferred.

5. In the case of Attendants and Nurses, promotion from Grade to Grade may be approved by the Governor in Council on the recommendation of the Inspector-General, and shall be regulated in accordance with the special regulations for Attendants and Nurses.

6. Increments may be granted to officers appointed to the offices mentioned in the following Schedule, and at the rates set forth in the Schedule.

7. Where an officer previously to his transfer from one office to another has been paid the same salary as in his new office, time served in such former office may be counted in reckoning the interval for the first increment.

8. Every increment shall be discretionary, and no increment shall be payable except on the certificate of the Permanent Head of the Department and of the Inspector-General that such increment has been earned by good conduct and efficient service.

9. If any officer is in receipt of pay greater than the maximum rate, he shall continue to receive such pay until he can be employed upon work equivalent to his salary.

10. Failure on the part of Attendants and Nurses to pass the Nursing Examinations will be taken as inefficient service, and, should the examinations not be passed, increments will not be granted.

11. If any officer be absent from duty on account of illness, no deduction shall be made from the salary of such officer on account of allowances if the officer is under medical treatment at his own home or at a general hospital. In the case of the single men and the members of the female staff, it shall be at the discretion of the Medical Superintendent as to whether the officers shall remain at the Hospital for the Insane for treatment or be allowed to leave the institution. When an officer on sick leave on full pay is drawing his allowances the full charge for these allowances as provided by these Regulations will be made. When the officer is on half pay only, half the charge will be made. No charge is to be made should an officer be allowed leave without pay.

## SHIRE OF AVOCA.

A By-law of the Shire of Avoca, numbered 9/26, made under section 197 of the Local Government Act, and section 2 of the Local Government Act 1915 (No. 2), for regulating the use of the streets, roads, and public places in the Township of Avoca, by street hawkers and itinerant traders dealing in foodstuffs and flowers, and licensing and regulating street hawkers and itinerant traders dealing in such goods.

IN pursuance of the powers conferred by the Local Government Act 1915 and the Local Government Act 1915 (No. 2), and of every other power enabling it on that behalf, the Council of the Shire of Avoca doth hereby make the By-law following, which shall have operation in the Township of Avoca as set out in the Government lithograph plan marked L6447, and shall come into force and have operation on being published in the Government Gazette:—

1. The place mentioned in the First Schedule hereto, and such other places as may from time to time be fixed in lieu thereof, or in addition thereto by the said Council, shall be stands for the sale of foodstuffs and/or flowers in the said township.

2. No person shall take up, or occupy, or sell, or attempt to sell, or assist to sell from such stands, or any position in any street, road, or public place unless licensed so to do as hereinafter provided; but this prohibition shall not prevent any itinerant trader holding a permit on that behalf from vending foodstuffs and/or flowers from door to door.

3. The Council may from time to time—

- (a) abolish, enlarge, or diminish any stand or position;
- (b) move any stand or position to another site in its vicinity;
- (c) appoint additional stands or positions.

Notice in writing of the exercise of any of the powers conferred in this clause shall be given to any licensee concerned.

4. Any person desiring to sell or to assist in selling foodstuffs and/or flowers from such stands shall apply in writing to the Shire Secretary, hereinafter called the Licensing Officer, in the form or to the effect set out in the Second Schedule hereto, and shall be accompanied by a certificate of good character, signed by at least two ratepayers in the said township.

5. The Licensing Officer shall bring all such applications before the Council, and the Council shall in its unfettered discretion grant, refuse, or otherwise deal with such applications.

6. If an application is granted a licence subject to the conditions of this By-law will be issued to the applicant by the Licensing Officer on payment of the prescribed charges as set out in Schedule 3, and such licence shall state the stand to be occupied by the licensee, the goods licensed to be sold, and the days in the week (not exceeding three in each week) on which he may occupy such stand.

7. When a licence is issued pursuant to this By-law to occupy a position on a stand the person named in such licence, or his permitted transferee and/or assistant, and none other shall have the right to use or occupy such position.

8. A licence for a position may, with the consent of the Council, be transferred to any person not already holding a licence for a position or interested therein.

9. When a proposed transferee has been approved by the Council the original licence with the prescribed fee for the transfer shall be handed to the Licensing Officer, who shall endorse thereon the name of the transferee and the date of the transfer.

10. Council may at any time revoke any licence issued hereunder if the holder, in the opinion of the Council,

- (a) has committed any offence against this By-law;
- (b) has been guilty of offensive or unbecoming conduct or behaviour on or near his position;
- (c) has not kept his cart, truck, or barrow or other vehicle clean, or has not kept himself cleanly in habits while on his position;
- (d) has been convicted of any offence under the Health Act, the Fish and Game Act, Fruit, or Weights and Measures Acts.

11. When the licence is revoked the right thereunder to occupy the position or to act as assistant thereat shall then cease, and any moneys paid in advance shall be forfeited to the said Council, and the licence shall be delivered to the Licensing Officer.

12. The hours within which positions or stands may be occupied shall be between 10 a.m. and 6 p.m. on each day of the week, except Sunday, but no licence issued hereunder shall be for more than three days in each week, nor shall it give the right to occupy the position on Sunday, Good Friday, or Christmas Day.

13. The following rules shall be observed by every licensee:— That is to say, he shall—

- (a) keep his position and the street and path round it clean and free from all paper, fruit stems, peelings, refuse, and rubbish of all sorts during the hours each day he is occupying his stand, and leave it in like condition each day;
- (b) not place any box, basket, receptacle, or other thing except his vehicle upon the position, or on the roadway or footpath contiguous thereto;

(c) not suffer any horse to be attached to his vehicle, or to be unattached thereto on the position, or the roadway or path contiguous thereto;

(d) not press his wares upon passers by, or solicit their custom;

(e) Personally attend his position during the whole time it is occupied by his vehicle, unless prevented by ill health, or unavoidable absence from Avoca, when a substitute authorized by the Licensing Officer will be permitted.

14. No cart, truck, barrow, or other vehicle shall be used on any position or for hawking from door to door unless same has been previously approved by the Licensing Officer.

15. No vehicle shall be approved for the sale of foodstuffs unless the same is provided with a roof or cover, and have provision for the protection of the goods offered for sale from sun, dust, and flies.

16. No fish shall be sold or offered for sale on any stand or position, or in any street, road, or lane in the township unless the same shall have been previously cleaned (gutted) to the satisfaction of the Licensing Officer.

17. No fish shall be cleaned (gutted) at or near any stand or position.

18. No person shall sell or attempt to sell foodstuffs and/or flowers from door to door in the township without first obtaining from the Licensing Officer a permit so to do in the form prescribed in the Fourth Schedule hereof, such permit shall be for the term of six or twelve months. The charge for same shall be as set out in the Third Schedule hereto, and the holder thereof shall be subject to all the conditions hereof which may be applicable.

19. Where under this By-law notice in writing is required to be served on any licensee such notice may be served personally or through the post in a registered letter to such licensee at the address mentioned in his licence, and where service is by registered letter it shall be deemed to have been made within twenty-four hours from the posting thereof.

20. Any person who shall offend against any provision of this By-law or being a licensee offend against any of the rules enumerated in clause 13 hereof, shall, on conviction, for every such offence be liable to a penalty not exceeding Five pounds (£5).

#### SHIRE OF CORIO.

PROPOSED SEVERANCE FROM SHIRE OF CORIO AND ANNEXATION  
TO TOWN OF GEELONG WEST.

IN pursuance of the provisions of the *Local Government Act*  
1915 (No. 2686), section 46, the substance and prayer  
of a petition in accordance with the 36th and 44th sections of  
the said Act, which has been presented to His Excellency the  
Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the  
ratepayers in the portion of the Shire of Colac described in the  
petition, and they desire that the area so described may be  
severed from the Shire of Corio and annexed to the Town of  
Geelong West.

Area described in petition—

Commencing at a point being the north-east angle of  
section 9, Parish of Moorpanyal; thence south by West  
Melbourne-road to the south-east angle of the said section;  
thence west by Aberdeen-street to the south-west angle of  
the last-mentioned section; thence north by Minerva-road  
to the south-east angle of section 13; thence west by  
Fyansford-road to the south-west angle of the said section;  
thence northerly along Asylum-road to the north-west angle  
of the last-mentioned section; thence easterly by Church-  
street to the point of commencement.

The petitioners state that the area described is situated on  
the outskirts of the Shire of Corio about 10 miles from the  
Shire Offices, whilst it adjoins the Geelong West territory, the  
nearest point being within one mile from the Town Hall. The  
requirements of this locality regarding the construction, drain-  
age, cleaning, and lighting of streets, garbage removal, sani-  
tary service, Health Act, and building supervision, recreation  
grounds and parks, and municipal government generally are  
similar to those of the town, where the streets have been  
constructed up to the boundary of this territory.

The petitioners therefore humbly pray that His Excellency  
the Governor in Council may be pleased to sever the area  
above described from the Shire of Corio and annex such area  
to the Town of Geelong West.

Notices for the petitioners may be served on Mr. Reginald  
Rix, 160 Pakington-street, Geelong West.

GEO. L. GOUDIE,  
Commissioner of Public Works.

*The Constitution Act Amendment Act 1915.*

COMPULSORY PREFERENTIAL VOTING.

(Part V.—Division 14.)

*How Votes to be Marked by Voter.*

292. (1) When at any election for the municipality a person receives a ballot-paper instead of striking out the name of any candidate for whom he does not intend to vote he shall mark his vote on the ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference and shall give contingent votes for all the remaining candidates by placing figures 2, 3, 4 (and so on as the case requires) opposite their names so as to indicate by such numerical sequence the order of his preference.

(2) The candidate opposite whose name the figure 1 is so placed shall be deemed to be the candidate to whom the elector gives his vote for the purpose of the election.

*Marking of Ballot-paper where only Two Candidates.*

293. Notwithstanding anything contained in this Division, at any election where there are only two candidates—

- (a) the requirements of this Division as to the marking of ballot-papers by electors shall be deemed to be sufficiently complied with in the case of any ballot-paper marked so as to indicate the elector's first preference only; and
- (b) in the case of a postal ballot-paper the elector's first preference shall be deemed to be sufficiently indicated if the surname of only one candidate is written thereon.

*Invalid Ballot-papers.*

294. (1) A ballot-paper shall under this Division be rejected at the close of the poll if it does not indicate the elector's first preference for one candidate, and in the case of any election where there are more than two candidates his contingent votes for all the remaining candidates.

*Ballot-papers Not Invalid.*

(2) Except as otherwise expressly provided a ballot-paper shall not be rejected for any reason other than the reasons enumerated in this section but shall be given effect to according to the elector's intention so far as his intention is clear.

*Returning Officer to Ascertain Results of Polling.*

295. The returning officer (for the ward) shall in manner hereinafter provided ascertain the total number of votes given for each candidate.

*Procedure where only Two Candidates.*

296. At elections where there are only two candidates section one hundred and forty-four of the *Local Government Act 1915* shall have full force and effect.

*Procedure where more than Two Candidates.*

297. At elections where there are more than two candidates the procedure by the returning officer and deputy returning officers for each ward to ascertain the number of votes for each candidate shall be as follows:—

(1) Immediately upon the close of the poll the returning officer and every deputy returning officer at the polling place at which each presides shall in the presence and subject to the

inspection of such of the scrutineers as choose to be present and the poll clerk (if any) and of no other persons—

- (a) open the ballot-box at the polling booth at which he presides; and
- (b) arrange the ballot-papers by placing in separate parcels all those on which a first preference is indicated for the same candidate and the full contingent votes are also given for all the remaining candidates omitting ballot-papers which require to be rejected; and
- (c) count all such first preference votes given for each candidate respectively; and
- (d) make and keep a record of the number of votes counted from each ballot-box; and

(3) The returning officer shall—

- (a) make out in respect of the polling booth at which he presides a list of first preference votes given for each candidate; and
- (b) seal up in separate parcels in respect of the said polling booth the ballot-papers and voters' rolls in like manner as is required in the case of deputy returning officers.

(4) The returning officer shall as soon as practicable—

- (a) ascertain from the certified lists received from deputy returning officers the number of first preference votes given for each candidate; and
- (b) add the first preference votes so given for each candidate to the votes counted by himself in favour of each such candidate so as to ascertain for the whole ward the number of first preference votes polled by each candidate respectively.

(5) The candidate who has received the greatest number of first preference votes shall if such number constitutes an absolute majority of votes (including the casting vote of the returning officer if necessary) be declared by the returning officer duly elected.

*Counting of Votes by Returning Officer.*

(6) If no candidate has an absolute majority of votes the returning officer shall upon receipt of the several sealed parcels from the deputy returning officers declare the candidate who has obtained the fewest first preference votes to be a defeated candidate, and with the assistance of such officers as he deems necessary shall (notwithstanding anything contained in the Act) in the presence and subject to the inspection of such of the scrutineers as choose to be present and the poll clerk (if any) but of no other person then—

- (a) open all the sealed parcels containing used ballot-papers as well as the sealed parcel of used ballot-papers made up by himself; and

(7) After such distribution the number of votes given to each non-defeated candidate shall again be ascertained.

(8) If no candidate then has an absolute majority of votes the process of declaring the candidate who has the fewest votes to be defeated and distributing his ballot-papers amongst the non-defeated candidates next in order of the voters' preference shall be repeated and the votes recounted after every such redistribution until one candidate has obtained an absolute majority of votes, and such candidate shall then be declared duly elected.

*Casting Vote for Exclusion during Progress of Count.*

(9) If on any count two or more candidates have an equal number of votes and one of them has to be declared defeated the returning officer shall decide which is to be declared defeated.

*Adjournment of Count of Votes to be Announced.*

(10) If on the polling day the count of the votes by the returning officer cannot be completed he shall adjourn such count and inform the scrutineers and the officers appointed to assist him at such count as regards the time and place when and where such count will be continued and conducted by him.

(11) The count of the votes may from time to time be adjourned as the returning officer may deem necessary until it has been duly completed; and each adjournment shall be announced by the returning officer to the scrutineers and the officers assisting him.

*Before Adjournment Ballot-papers, &c., to be Sealed in Ballot-boxes.*

(12) Before every adjournment of the count of the votes—

(a) first write on the ballot-paper the surname of the candidate for whom he votes in the first instance and mark the figure 1 against such surname; and

(b) also write the surnames of all the remaining candidates underneath such name and record contingent votes for such remaining candidates numbering them 2, 3, 4, and so on in the order of his preference.

1. All former By-laws, so far as they relate to the matters and things provided for in this By-law, are hereby repealed.

2. This By-law shall come into force and operation on its approval by the Governor in Council and immediately after its publication in the *Government Gazette*.

3. This By-law shall apply to and have operation in the whole of the area in the Township of Mirboo North, Parish of Mirboo, County of Buln Buln.

4. In this By-law, unless inconsistent with the context or subject-matter—

5. The proprietor of every house, building, or premises shall provide, keep, and maintain at all times upon his premises a properly constructed receptacle, in which he shall from time to time cause to be deposited all rubbish or refuse produced or accumulated in or about such house, building, or premises.

6. Such receptacle shall be constructed of galvanized iron of not less than 24 gauge or other approved material, in such a manner as to prevent any absorption by any part of such receptacle of any offensive matter which may be deposited therein, or any escape by leakage or otherwise of any part of the contents of such receptacle.

7. Each such receptacle shall have a capacity of not less than 2½ nor not more than 4 cubic feet, and shall be so constructed as to be capable of being easily and conveniently carried by one man.

8. It shall be strongly constructed and provided with properly attached side lifting handles.

18. Land upon which refuse or rubbish has been deposited shall be seasonably planted or sown with seed of grass or any forage or cereal crops, or other such vegetable life as the Council shall direct or approve.

19. The vehicle used by such contractor, or person authorized or employed by the Council for the purpose of the collection and disposal of the refuse and rubbish, shall be provided with a cover which shall be made to open in sections, and only the section which is in actual use shall be uncovered at a time.

20. Such vehicle shall as far as practicable be rendered watertight by means of an impervious lining, or by painting the inside thereof with tar, or other suitable and effective means.

## Health Act 1919.

A By-law of the Shire of Mirboo made under the provisions of the *Health Act 1919*, and numbered 10, relating to the collection and disposal of night-soil.

IN pursuance of the powers contained in the *Health Act 1919*, and of any other power thereunto enabling them in that behalf, the Council of the Shire of Mirboo, in the name and on behalf of the President, Councillors, and Ratepayers of the said shire, for the purpose of carrying the said Act into execution within their jurisdiction, make the following By-law (that is to say):—

1. All former By-laws, so far as they relate to the matters and things provided for in this By-law, are hereby repealed.

2. This By-law shall come into force and operation on its approval by the Governor in Council and immediately after its publication in the *Government Gazette*.

3. This By-law shall apply to and have operation in the whole of the area in the Township of Mirboo North, Parish of Mirboo, County of Buln Buln.

4. In this By-law, unless inconsistent with the context or subject-matter—

“Proprietor” means the proprietor of any premises, and includes the owner, the occupier, or any person having the management or control thereof.

5. The proprietor of any premises on which there is erected any pan-closet shall cause the space under the seat of such pan-closet on such premises to be prepared for the accommodation of a pan as described herein, and shall permit the same to be used for the double-pan service hereinafter provided for, and shall cause each pan-closet to be kept in a fit state for such service.

6. The proprietor shall cause every pan-closet to be supplied by the Council or otherwise with a pan for the reception of night-soil, and shall (except when being exchanged) cause such pan to be always kept in proper position under the seat of each pan-closet, and shall always provide a lid capable of being fitted tightly to such pan when being removed from the premises to the depot, so as to prevent the spilling of the contents and the emission of offensive vapours, gases, or effluvia from the contents of such pan.

7. Such pan shall be cylindrical in shape, and formed of galvanized iron of not less than 22 gauge or other approved material or materials, presenting on the inside and outside an impervious, hard, and durable surface, and those surfaces which come into contact with night-soil shall also be free from any projections. The seams of the pan shall be folded, grooved, and sweated with solder.

8. The proprietor of the premises shall cause to be kept in every closet belonging thereto a supply of liquid deodorant or lime, sawdust, or some other dry material efficient for deodorizing night-soil, and shall cause all night-soil which may be deposited in the pan in such pan-closet to be immediately on the deposit thereof covered with a quantity of deodorizing material sufficient to thoroughly and effectually deodorize the contents of the pan.

9. The proprietor shall provide every urinal with an approved apparatus for the regulated automatic discharge into such urinal of sufficient approved deodorant for the purpose of keeping such urinal constantly deodorized.

(b) when required by an inspector effectually disinfect such pan-closet and urinal and/or the contents thereof, and effect any repairs thereto that such inspector may deem necessary.

12. At least once a week, and in any case as often as may be necessary to prevent the level of the contents of such pan approaching within 2½ inches of the brim thereof, and provided the proprietor of such premises delivers due notice in writing to the Council, or to the contractor or person authorized or employed by the Council for the purpose thereof, that the contents of the pan is approaching within 2½ inches of the brim thereof within one week of the last collection of the contents of such pan, the pan in use shall be closed with a lid and removed by the contractor or person authorized or employed in that behalf by the Council with its contents from the premises, and another pan thoroughly cleansed and in good order shall be left in its place.

13. Such contractor or person removing such pans shall report to the Council at the earliest available opportunity the discovery of any pan found to be overflowing or leaking, and shall forthwith cause the place whereon the contents have been dropped or spilled to be properly cleansed.

17. No trench shall be used for the disposal of night-soil where the bottom consists of rock or other impermeable material.

18. Immediately after the deposit of the night-soil and washings in any trench, such trench shall be filled in with thoroughly disintegrated earth. The necessary filling shall be obtained by excavation of another trench in a position parallel to but not less than 12 inches from the aforesaid trench required to be filled in, and using the material so obtained as a covering over the night-soil so deposited. Trenches shall be excavated and used and filled in in regular consecutive order.

19. Seed of grass or any forage or cereal crops, or other such form of vegetable life as the Council shall direct or approve, shall be seasonably planted or sown on any land into which night-soil has been deposited, provided that vegetables or seeds of vegetables shall not be planted therein or thereon until three months have elapsed since the last deposit of night-soil in such land.

20. Every pan used for the reception or conveyance of night-soil shall immediately on being emptied be thoroughly washed or otherwise cleansed. The resultant washings or other filth shall be deposited or disposed of in a similar manner as the night-soil.

21. Every pan after the disposal of its contents, and after being cleansed in manner aforesaid, and before it again leaves the dépôt or disposal ground, shall on every occasion be thoroughly cleansed and disinfected by—

(a) immediately after washing and scrubbing with water, subjecting the pan to a current of steam from a boiler at 60-lb. pressure to the square inch for not less than two minutes in a steamtight box or chamber; or

(b) thorough washing and scrubbing in water, then rinsing in clean water, and finally submerging for not less than five minutes in an aqueous solution containing not less than 1 per cent. of acrol, cyllin, kerol, izal, hycol, or other disinfectant of equal efficiency; or

(c) thorough washing and scrubbing in water, and afterwards submerging for not less than five minutes in boiling water; or

(d) any other method approved in writing from time to time by the Commission.

22. The internal surface of every pan before it is first used shall be properly covered with well-boiled tar, crude creosote, or other approved material, and such coating shall thereafter be renewed when deemed necessary by the Council, but not less than once a month.

23. The contractor or person authorized or employed by the Council for the removal of night-soil shall cause all vehicles used for the transport of pans to the dépôt to be properly constructed, kept clean, and disinfected daily at the dépôt, and maintained in a proper state of repair.

24. The proprietor of any premises or any other person shall not remove any night-soil from any premises except in accordance with this By-law.

25. The proprietor or any other person within the area defined by this By-law shall not bury or cause to be buried any night-soil in any yard, garden, or other place not being a place set apart for such purpose by the Council.

26. The inspector shall have full power to enter into or upon any premises, yards, or lands at any time for the purpose of inspecting closets, urinals, pans, receptacles, vehicles, plant, and all other things and places therein and thereon, and for the purpose of carrying out the provisions of this By-law.

27. The proprietor of any premises shall place or cause to be placed and fixed firmly on the wall or inside of the door of any closet on such premises, a copy of this By-law, such copy to be replaced and renewed by a new copy by the proprietor at such times as it becomes difficult to read through illegibility of the print or other cause. Such copy or copies of this By-law as are required for the above purpose shall be provided by the Council free of any charge to the proprietor.

28. When the erection of new premises, an increase in the number of persons using a closet or closets, or other cause or causes, necessitates the erection of a closet or additional closets, the cost of the first one pan provided by the Council for each such closet or closets shall be borne by the proprietor of such premises on which such closet or closets is/are situate, and the amount in default of payment may be recovered in any Court of Petty Sessions by the Council.

29. If any person commit a breach of this By-law, he shall for every breach be liable to a penalty of not more than Twenty pounds, and in the case of a continuing offence to a further daily penalty of not more than Five pounds.
