FOR THE PERIOD 1ST MAY, 1926, TO 31ST OCTOBER, 1927.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Saturday, 1st May, 1926.

NOTE.—No tender will be accepted unless the fee for the full period and fee of five shillings for licence are forwarded.

TENDERS will be received on or before Noon on Saturday, 1st May, 1926, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined Special Conditions.

Every licence granted under section 121 of the Land Act 1915 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

## CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 121st section of the Land Act 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assignees, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the Land Act 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1922* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

#### SPECIAL CONDITIONS.

1. The period of occupation will, except where otherwise specified, be for eighteen (18) months from 1st May, 1926, to 31st October, 1927.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. **Tenderers must give their full name, occupation, and ordinary postal address.**

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. **The outgoing tenant has the option to remove any existing fencing owned by him within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, Land Act 1915.**

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the incoming tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any Court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
