*Counting of Votes by Returning Officer.*

1. In this Proclamation (if not inconsistent with the context)—“Chief Inspector” means the Chief Inspector of Fisheries and Game.

“Official Mark” means the official mark hereinafter referred to or mentioned as being affixed to or branded on any opossum skin to notify that royalty has been paid thereon.

“Trapping Season” means the period of each year commencing on the 15th day of April and ending on the 15th day of June next following.

“Opossum” means the Short Eared or Mountain Opossum (*Trichosurus Canina*) and the Common Opossum (*T. Vulpecula*) but does not include the Ring-tailed Opossum or any of the species of Flying Opossum or Phalanger.

“Licence” means a trapping licence issued to take or kill opossums during the current trapping season.

“Licensed Trapper” means a person licensed to take or kill opossums.

“Licensed Dealer” means a person licensed to carry on the business of dealing in opossum skins.

2. A licence to take or kill opossums may be issued to any person on payment of the prescribed fee, provided that the Minister is satisfied that the applicant for a licence is of good character, and has not been convicted within the previous year of any offence against the Game Acts.

3. The fee payable for a licence to take or kill opossums shall be Five (5) pounds.

4. The licence to take or kill opossums shall be in accordance with Form A in the Schedule hereto, and shall remain in force for the current trapping season in the year in which it is issued and no longer and shall not be transferable.

5. The possession of a licence shall not authorize the holder to take or kill opossums in any locality proclaimed as a Sanctuary under section 5 of the Game Act 1915 as amended by section 4 of the Game Act 1917.

6. A licensed trapper shall not be entitled by virtue of the possession of a licence to enter upon any private land without the consent of the owner or occupier thereof.

7. (1) Opossums may be taken or killed only in the following manner:—

(a) By means of a running noose or snare fixed in such manner that the head of the animal will pass through the noose;

(b) by means of traps placed on the ground.

(2) All snares and traps used for the purpose of taking opossums shall be visited by the licensed trapper at least once each day.

8. (1) No person shall take or kill or assist in the taking or killing of opossums without having first taken out a licence.

(2) Any person found hunting or taking or killing any opossum shall, if so required by the Chief Inspector, or any assistant to such Inspector, or any member of the Police Force, produce his licence, and if such person fails to produce his licence when so required, or when afforded reasonable opportunity for so doing, he shall be liable to the penalty prescribed herein for a breach of this Proclamation.

9. (1) A licence to deal in the skins of opossums may be issued to any person on payment of the prescribed fee, provided that the Minister is satisfied that the applicant for a licence is of good character and has not been convicted within the previous year of any offence against the Game Acts.

(2) A fee of £10 shall be paid for each such licence.

(3) A dealer's licence shall be in accordance with Form B in the Schedule hereto and shall remain in force for the period specified therein. Such licence shall entitle the holder to receive opossum skins from licensed trappers and to offer and sell same at public auction, provided that if no offer is received which, in the opinion of the auctioneer is satisfactory, the skins may afterwards be sold privately.

(4) Any person carrying on the business of dealing in the skins of opossums shall, if so required by the Chief Inspector, or any assistant to such Inspector, or any member of the

Police Force, produce his licence, and if such person fails to produce his licence when so required, or when afforded reasonable opportunity for so doing, he shall be liable to the penalty prescribed herein for a breach of this Proclamation.

10. A licensed trapper shall not dispose of the skins of opossums to any person other than a licensed dealer.

11. All skins of opossums taken in accordance with this Proclamation by a licensed trapper shall be consigned or forwarded by him to a licensed dealer in opossum skins, together with particulars in accordance with Form C in the Schedule hereto; the trapper shall at the same time forward a duplicate of such particulars to the Chief Inspector.

12. (1) The licensed dealer on receiving a consignment of opossum skins and particulars as required in Form C shall cause such particulars to be entered in a book to be kept for the purpose. Such book shall be open at all reasonable times for inspection by the Chief Inspector or any assistant to the said Inspector or any member of the Police Force.

(2) Every licensed dealer shall on each Monday during the currency of his licence send a notification in accordance with Form D in the Schedule hereto to the Chief Inspector, giving particulars of all opossum skins received by him during the previous week, and shall at the same time pay to the Chief Inspector a royalty of One shilling for each opossum skin received by him.

(3) The Chief Inspector upon receiving a notification in Form D from a licensed dealer shall arrange for the opossum skins referred to in such notification to be branded with an official mark; the affixing of the official mark shall be deemed proof that the royalty in respect of any opossum skin so marked has been paid.

(4) No licensed dealer shall sell or dispose of any opossum skin in any way whatsoever until the royalty thereon has been paid and the official mark affixed.

13. Every licensed dealer in opossum skins shall record in the book referred to in paragraph 12 the date on which the royalty is paid, the name and address of the person to whom the skins are sold or disposed of, and the price at which such skins are sold.

14. No person other than the Chief Inspector or any officer authorized by him shall perforate or otherwise stamp or mark any opossum skin in such a way as to suggest that the official mark has been affixed thereto.

15. When the prescribed royalty on any opossum skin has been paid to the Chief Inspector, and the official mark affixed thereto, such skin may be sold or disposed of without restriction.

16. Every licensed trapper shall within three days of the expiration of his licence forward to a licensed dealer in opossum skins all skins taken by him and not previously forwarded during the trapping season.

17. No person shall tan or preserve or prepare for tanning or preservation by any method whatsoever any opossum skin unless the official mark is affixed to such skin.

18. Any person committing a breach of any part of this Proclamation shall be liable for every such offence to a penalty of not more than £20, and any opossum skins in respect of which the offence has been committed shall be forfeited to the Crown.

19. (1) Any licence granted under this Proclamation may be revoked by the Minister if the holder thereof is convicted of any offence against the Game Acts or any Proclamation made thereunder, or if the Minister is satisfied that the said holder is not a fit and proper person to hold such a licence.

(2) Notice of the intention to revoke a licence shall be given to the licence holder by delivering it to him personally or by sending it by post in a prepaid registered letter addressed to him at his last known residence or place of business.

(3) On the expiry of three (3) days from the delivery of such notice or the sending of the registered letter as aforesaid, the licence referred to therein shall thereupon be revoked and all rights and privileges granted thereby shall cease and determine.

## STATE ELECTRICITY COMMISSION ACTS.

NOTICE OF COMING INTO FORCE OF CERTAIN PROVISIONS OF  
REGULATIONS NOS. 74 AND 78 OF REGULATIONS WITH RESPECT  
TO ELECTRICAL INSTALLATIONS.

## PROCLAMATION

By His Excellency Colonel the Right Honorable George Edward John Mowbray, Earl of Stradbroke, K.C.M.G., C.B., C.V.O., C.B.E., Aide-de-Camp to His Majesty the King; Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by an Order in Council dated the twenty-sixth day of October, 1925, and published in the *Victoria Government Gazette* of the fourth day of November, 1925, the Governor in Council did, in pursuance of the provisions of the State Electricity Commission Acts, make Regulations for or with respect to prescribing the quality of materials, fittings, and apparatus to be used in connexion with electrical installations, and the methods to be followed in carrying out electrical installations:

And whereas by No. 74 of such Regulation it is provided, *inter alia*, that after a date to be proclaimed by the Governor in Council the further installation will not be permitted of anchor, bow, chamber, or other types of fuses which require the connecting of the fuse wire to terminals mounted on the base block; and that fuses of all sizes thereafter installed must be of the removable and safe-replacement type of an approved design:

And whereas by No. 78 of such Regulations it is provided, *inter alia*, that after a date to be announced by the Governor in Council, holders intended to be used with adaptors, with gas-filled lamps of 150 watts and upwards and with radiator lamps, will be required to be of such pattern and construction as can be approved as adequate and suitable for sustained service and protracted use.

Now therefore I, the Governor of the State of Victoria, do by this my Proclamation declare the following date, viz., the first day of February, 1926, as the date upon which the above recited provisions of the said Regulations Nos. 74 and 78 shall come into force and have effect.

(L.S.)

STRADBROKE.

By His Excellency’s Command,

FRED. W. EGGLESTON,  
Attorney-General.

GOD SAVE THE KING!

*Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the rates charged are considered reasonable—*

It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

The Conditions of Contract and stipulations of advertisement are those published in the *Government Gazette* of 6th January, 1926, pages 26 and 27.
