Marine Act 1915.
PORTS IN VICTORIA.—ALTERATION TO PORT RULES.

PROCLAMATION

By His Excellency the Governor of the State of Victoria, and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by Part II. of the *Marine Act 1915* (6 Geo. V. No. 2688) it is amongst other things enacted that the Governor in Council, by Proclamation published in the *Government Gazette*, may from time to time define the limits and boundaries of ports in Victoria, and frame rules and regulations for the government and preservation of the said ports respectively, and for the regulation of shipping in the same, and also for the due protection and preservation and the good government and management of all public wharfs; and that any such regulation may from time to time be in like manner altered, amended, or repealed and others substituted in their stead: Now therefore I, the Governor of the State of Victoria in the Commonwealth of Australia, with the advice of the Executive Council of the said State, do hereby repeal the Rule respecting the navigation of outward-bound, deep-draught vessels through the Fairway at Port Phillip Heads, which Rule was made by Proclamation dated the twenty-fifth of March, 1919, and published in the *Government Gazette* of the twenty-sixth of March, 1919, pages 871-2, and do substitute the following Rule in lieu thereof, that is to say:—

12a. The owner, agent, or master of any vessel which it is intended to send to sea, drawing over twenty-nine (29) feet shall, in writing, give notice of such intention and of the time of her anticipated arrival at Port Phillip Heads, such notice to be lodged at the office of the Marine Board, Melbourne, not less than three (3) hours before the time of departure from her berth, and on arrival off Portsea there shall be exhibited from such vessel, in a position whence it can best be seen, a black ball or shape two (2) feet in diameter as a signal to the Point Lonsdale Station that the entrance fairway is required to be kept clear of Inward traffic.

Upon such signal being observed by the officer on duty at Point Lonsdale he will, provided that he has been instructed by the Marine Board, immediately cause to be hoisted at that station the signal indicating that the entrance to Port Phillip is temporarily closed to Inward traffic, viz.—A red pennant above a black ball or shape, at the masthead, whereupon a like signal will be exhibited from the pilot steamship on duty on the outside station, and the pilot or exempt master in charge of any vessel shall not attempt to enter the port until the outward-bound deep-draught vessel has cleared the channel, which shall be indicated by the signal ball or shape exhibited thereon being hauled down; the closed channel signal on the pilot steamship and at Point Lonsdale will then be hauled down, whereupon the channel will be opened to Inward traffic.

The pilot or exempt master of any outward-bound vessel drawing over twenty-nine (29) feet shall not proceed past Observatory Point Jetty except during daylight, and under favorable weather and tidal conditions, and not until he has definitely ascertained that the prescribed signal is exhibited from the Point Lonsdale Signal Station.
