Registration of Births, Deaths, and Marriages Act 1915.

REGISTRATION DISTRICTS.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

I, THE Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of the provisions of section 6 of the *Registration of Births, Deaths, and Marriages Act 1915*, do hereby define the limits of the Golden Square Registration District and the Bendigo Registration District respectively to be those hereunder set forth and described, that is to say:—

GOLDEN SQUARE REGISTRATION DISTRICT.

Commencing at the intersection of the south-western side of Myrtle-street and the north-western side of the Railway Reserve; thence north-westerly by Myrtle-street to the Bendigo Creek; thence south-westerly by that creek to Violet-street, and north-westerly by that street to Rowan-street; thence south-westerly by that street to Lily-street, and north-westerly by Lily-street to Barnard-street; thence westerly by that street to Specimen Hill-road; thence north-westerly by that road and a line to the intersection of Inglewood-road and the city boundary; thence southerly by that boundary to Alder-street; thence easterly by Alder-street to the city boundary; thence south-easterly and north-easterly by that boundary to a point due south of the intersection of Adam-street and Belle View-road; thence due north by a line to that intersection; thence north-easterly by Adam-street to Sheepshed Gully; thence north-westerly by that gully to the northern boundary of the Railway Reserve; thence north-easterly by that reserve to the point of commencement.

BENDIGO REGISTRATION DISTRICT.

Commencing at a point in the centre of the Inglewood-road where it is intersected by the north-west boundary of the City of Bendigo; thence easterly by the said road and Alley-street to McIntyre-street; thence north-westerly along McIntyre-street to Ironbark Gully; thence along the east side of Ironbark Gully to the north side of the Inglewood railway; thence south-easterly by the said side of that railway to the White Hills-road; thence north-easterly by that road to McCrae-street; thence south-westerly by that street to Nolan-street; thence south-easterly by that street to Charleston-road; thence south-westerly by that road to Lansell-street; thence easterly by that street to the city boundary; thence south-westerly by that boundary to McIvor-street; thence easterly by the Axedale-road to the north-east angle of allotment 167 at Grassy Flat, Parish of Sandhurst; thence southerly by a road to the south-east angle of allotment 83; thence south-westerly by the south boundary of that allotment and a line in continuation thereof, and further south-westerly by a road

to a point on the Spring Gully aqueduct near the south-east angle of allotment 261c; thence southerly by the said aqueduct to the road from Mandurang to Bendigo via Woodward-road; thence north-westerly by that road to the city boundary; thence westerly by that boundary to a point due south of the intersection of Adam-street and Belle View-road; thence due north by a line to that intersection; thence north-easterly by Adam-street to Sheepshed Gully; thence north-westerly by the eastern side of that gully to the northern boundary of the Railway Reserve; thence north-easterly by that reserve to Myrtle-street; thence north-westerly by Myrtle-street to the Bendigo Creek; thence south-westerly by that creek to Violet-street; thence north-westerly by that street to Rowan-street; thence south-westerly by that street to Lily-street; thence north-westerly by Lily-street to Barnard-street; thence westerly by that street to Specimen Hill-road; thence north-westerly by that road and a line to the point of commencement.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-fifth day of October, in the year of our Lord One thousand nine hundred and twenty-seven, and in the eighteenth year of the reign of His Majesty King George V.

(L.S.)

SOMERS.

By His Excellency's Command,

G. M. PRENDERGAST,

Chief Secretary.

GOD SAVE THE KING!

DEPARTMENT OF CHIEF SECRETARY.

BOARD OF INQUIRY AS TO PUNISHMENTS INFLICTED ON CHILDREN AT THE CHILDREN'S WELFARE DEPOT, ROYAL PARK.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by an Order made on the 25th day of October, 1927, appointed

DANIEL BERRIMAN, Esq., P.M.,

a Board to inquire into and report as to the reason for and the nature of the punishment by flogging inflicted at the Royal Park Depot on a boy named Percy Bartholomew, on or about the 30th September, 1927; whether other punishments of a like character were inflicted on or about the same time on other boys, and, if so, the reason for and the nature of such punishments; generally, what punishments of a similar character have been inflicted on boys or girls during the previous twelve months; the nature of such punishments, and the offences for which they were awarded; and whether the retention of the existing regulations in regard to corporal punishment is necessary in the interests of the discipline of the children at the Receiving Depot, Royal Park.

F. W. MABBOTT,

Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

APPOINTMENTS.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Orders made on the 25th day of October, 1927, been pleased to make the undermentioned appointments, to take effect from the date of commencement of duty, viz.:—

DEPARTMENT OF CHIEF SECRETARY.

Electoral Registrars (Acting).

Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

DEPARTMENT OF LANDS AND SURVEY.

APPOINTMENT.—ORDER REVOKED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth, by an Order made on the 25th day of October, 1927, revoke the Order in Council of the 1st October, 1924, and published in the *Gazette* of the 8th idem, at page 3156, whereby certain persons were appointed Bailiffs of Crown Lands so far only as it relates to the appointment of Ernest Frederick Badenhop.

F. W. MABBOTT,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

OFFICER PERMITTED TO RETIRE.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by an Order made on the 25th October, 1927, permitted the undermentioned officer to retire from the Public Service, on the recommendation of the Government Medical Officer:—

DEPARTMENT OF CHIEF SECRETARY.

LILLY DAVIS NUGENT, Nurse, Grade II., Lunacy Department, from and inclusive of the 13th October, 1927.

F. W. MABBOTT,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

THIRD CLASS CLERK, DEPARTMENT OF PUBLIC HEALTH.

APPPLICATIONS are invited by the Public Service Commissioner from officers of the Public Service, who are eligible and qualified, for appointment to the following positions:—

Duties.—To act as registrar of the Midwives Board and secretary to the Examining Board, to conduct correspondence, to deal with administrative questions relating to the pure food section of Health Act, and to prepare prosecution cases under the pure food section of the Health Act and also under the Goods Act.

Qualifications.—To possess an intimate knowledge of the Health Acts, Goods Act, Midwives Acts, and all regulations thereunder, with a special knowledge of the regulations and standards for foods and drugs.

THIRD CLASS CLERK, TAXATION (INCOME TAX) BRANCH, DEPARTMENT OF TREASURER.

Duties.—To be in sub-charge of and to check the income tax assessments of the staff, dealing with the assessment of trust estates, settlements, and the beneficiaries in connexion therewith, and to deal with the correspondence relating thereto.

Qualifications.—To possess a thorough knowledge of the State and Federal Income Tax Acts, regulations, and practices; a knowledge of the principles and practices of accountancy, as well as the ability to interpret wills, settlements, deeds, and other legal instruments; to be able to conduct interviews with representatives of the trustee companies and the public generally.

FOURTH CLASS CLERK, TAXATION (INCOME TAX) BRANCH, DEPARTMENT OF TREASURER.

(THREE VACANCIES.)

1. **Duties.**—To act as receiving teller in Accounts Branch.

Qualifications.—To have an intimate knowledge of the State and Federal Income Tax Acts and the regulations thereunder; a knowledge of accountancy, with special reference to banking systems and regulations; to be tactful and courteous in dealing with the public.

2 and 3. **Duties.**—To assess income tax returns of large businesses and partnerships generally for State and Federal purposes.

Qualifications.—To have an intimate knowledge of the State and Federal Income Tax Acts and the regulations thereunder; to have a practical knowledge of accounts.

Applications (addressed to the Secretary to the Public Service Commissioner and accompanied by evidence of experience and qualifications) must be lodged at this office not later than Friday, the 11th November, 1927.

By order,
W. A. ROBINSON,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 31st October, 1927.

Public Service Act 1915 (No. 2713), Section 91.

SHIRE OF WHITTLESEA.

PROPOSED SEVERANCE AND CONSTITUTION OF A NEW MUNICIPALITY.

IN pursuance of the *Local Government Act 1915* (No. 2656), section 46, the substance and prayer of a petition in accordance with the said Act, which has been presented to His Excellency the Governor, are published, viz. :—

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Whittlesea which is described in their petition, and they desire that the area so described may be severed from the Shire of Whittlesea and constituted a new municipality under the name and title of "the Shire of Epping."

AREA DESCRIBED IN PETITION.

Commencing at the north-west angle of section 28, Parish of Merriang; thence east by a road to the north-east angle of section 31; thence south by the east boundaries of sections 31 and 19 to the north-east angle of section 18; thence east by the north boundary of section 9, Parish of Toorourrong, and south by the east boundaries of that section, sections 8 and 1, the east boundaries of sections 17, 16, 9, 8, and 1, Parish of Van Yean, and the east boundaries of sections 17, 16, 9, 8, and 1, Parish of Morang, and west by the south boundary of the last-mentioned section to the Darebin Creek; thence southerly by that creek to the north boundary of section 14, Parish of Keelbundora; thence following the shire boundary westerly and northerly to the commencing point.

The petitioners state that the proposed new shire at present forms the Epping Riding of the Shire of Whittlesea, and that its annual valuation is almost equal to the whole of the remainder of the shire. They further state that the Epping Riding, though with such a large valuation, has only three representatives in the Council, while the remainder of the shire, divided into three ridings, has nine representatives.

The petitioners therefore pray that His Excellency in Council may be pleased to sever the area above described, and constitute it a separate municipality under the name and title of "the Shire of Epping," such municipality to be subdivided into two ridings, viz., Epping Riding and Woodstock Riding.

Notices for the petitioners may be served on E. J. Dea, High-street, Epping.

J. P. JONES,
Commissioner of Public Works.
Department of Public Works (Local Government Branch),
Melbourne, 24th October, 1927.

The Fisheries Acts.

NOTICE OF INTENTION TO VARY THE PROCLAMATION RE USE OF LONG LINES IN PORT PHILLIP BAY (INCLUDING CORIO AND HOBSON'S BAYS).

IT is hereby notified, for general information, that it is intended, after the expiration of one month from the date of the first publication of this notice in the *Victoria Government Gazette*, to move His Excellency the Governor in Council to vary the Proclamation made the 22nd day of October, 1924, and published in the *Government Gazette* of the 29th October, 1924, by substituting for the words "first day of December" in such Proclamation the words "eleventh day of December," and for the words "thirtieth day of November" in such Proclamation the words "tenth day of December."

The Fisheries Acts.

NOTICE OF INTENTION TO VARY THE PROCLAMATION RE MESH OR SET NETS IN PORT PHILLIP BAY. ETC.

IT is hereby notified, for general information, that it is intended, after the expiration of one month from the date of the first publication of this notice in the *Victoria Government Gazette*, to move His Excellency the Governor in Council to vary the Proclamation made the 11th day of June, 1913, and published in the *Government Gazette* of the 18th day of June, 1913, by substituting for the words "first day of October" in such Proclamation the words "first day of November."

The Fisheries Acts.

NOTICE OF INTENTION RE MINIMUM LENGTH FOR SILVER TREVALLY OR SILVER BREAM.

IT is hereby notified, for general information, that it is intended, after the expiration of one month from the date of the first publication of this notice in the *Victoria Government Gazette*, to move His Excellency the Governor in Council to make the Proclamation substituting a length of eight (8) inches for the length set opposite the name of "Silver Trevally or Silver Bream" in the Second Schedule to the *Fisheries Act 1915*, by Proclamation made the twenty-ninth day of February, 1916, and published in the *Government Gazette* of the 8th March, 1916.

G. M. PRENDERGAST,
Chief Secretary.

F. LEWIS,
Chief Inspector of Fisheries and Game.

J. P. JONES,
Commissioner of Public Works.

Department of Public Works (Unused Roads and Water Frontages Branch), Melbourne, 28th day of October, 1927.

FREE PLACES AT THE UNIVERSITY OF MELBOURNE.

APPLICATIONS are invited from officers (other than teachers) in the employment of the Government of Victoria for nomination during 1928 for Free Places in a course for a degree, diploma, or licence at the University of Melbourne. The number of officers that may be nominated is five.

The nominations will be made by the Minister of Public Instruction on the recommendation of a Board consisting of the Public Service Commissioner as chairman, the Chief Inspector of Secondary Schools, and the Permanent Heads of three Departments other than the Education Department. The recommendations of the Board will be based on the age, suitability, qualifications, and period of service of the applicants, on the reports and recommendations of their Departmental Heads, and, if considered necessary, on the result of a personal interview. Applicants must be qualified for admission to the course upon which they desire to enter, and should have been in the employment of the Government of Victoria for at least one year, and, except in special cases, such as applicants who are returned soldiers or who have already completed part of their course, should be not more than 25 years of age.

Each officer nominated for one of these Free Places will be admitted without fee to all lectures and examinations in the subjects of his course, and will be granted the necessary leave of absence to enable him to attend essential lectures, practical and other work, and examinations. He will not, however, be granted any allowance for books, materials, or other expenses involved in attending the University. He will be required to enter into an agreement with the Minister of Public Instruction, and be guaranteed by an approved surety, that he will not relinquish his course without permission, that he will carry out the conditions of his Free Place, and that, if required, he will remain and continue in the employment of the Government of Victoria during the period of three years next after the termination of his Free Place, and, if his Free Place extends over more than three years, an additional year for each year by which the term of his Free Place exceeds three years. The amount of liability under the terms of this agreement will not exceed £250.

The continuance of the Free Place will be dependent upon satisfactory reports by the Professorial Board as to the officer's attendance, conduct, and progress at the University, and by the Departmental Head as to the manner in which he performs his official duties.

Forms of application are obtainable at this office. Each application must be made in the prescribed form, and must be forwarded through the Permanent Head of the Department in which the applicant is employed, to the Secretary, Education Department, Melbourne, not later than 1st December, 1927.

M. H. BOTTOMS,
Secretary.

Education Department, Melbourne, 2nd November, 1927.

DEPARTMENT OF TREASURER.

CERTIFICATION OF ACCOUNTS.

GENERAL REGULATIONS RESPECTING PUBLIC ACCOUNTS,
CLAUSE 31.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by an Order made on the 25th day of October, 1927, authorized the Officer in Charge Immigration Bureau to certify all accounts for expenditure relating to immigration in connexion with the Immigration Bureau, Department of Public Works.

F. W. MABBOTT,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

Fire Brigades Act 1915.

PERMISSION TO HOLD FIRE BRIGADES
DEMONSTRATIONS.

IN pursuance of the provision of section 64 of the *Fire Brigades Act 1915*, and subject to the Regulations made thereunder, the Country Fire Brigades Board has granted permission to hold fire brigades demonstrations as under:—

At Beechworth, on the 12th day of November, 1927;
At Geelong, on the 6th day of March, 1928, and following days.

G. G. SINCLAIR, Secretary,
Country Fire Brigades Board.
Melbourne, 27th October, 1927.

The Licensing Acts.

REGISTRATION OF A BREWER.

THE Ballarat Brewing Company Proprietary Limited has this day caused its name and a particular description of the premises at Grano-street, Ararat, in which the business of brewing is to be carried on during the year 1928, to be registered.

Dated at Stawell this 20th day of October, 1927.

D. T. WILKINS, Clerk of the Licensing Court for the Licensing District of Stawell and Ararat.

Pounds Act 1915.

SHIRE OF BELFAST.

TABLE of Rates to be charged for the trespass of cattle and their sustenance while impounded in the Yambuk Pound, fixed by the Council of the Shire of Belfast on the 7th day of October, 1927:—

Description of Cattle trespassing.	Upon land other than tillage land enclosed by a substantial fence.	Upon tillage land enclosed by a substantial fence.	Amount to be charged daily for sustenance while impounded.
	£ s. d.	£ s. d.	£ s. d.
For every sheep ...	0 0 1	0 0 3	0 0 4
For every goat ...	0 0 3	0 5 0	0 1 0
For every pig ...	0 0 3	0 5 0	0 2 6
For every head of other cattle	0 0 3	0 6 0	0 2 0

By order of the Council,

G. M. SCOTT, Shire Secretary.

Approved by the Governor in Council,
the 25th October, 1927.

F. W. MABBOTT,
Clerk of the Executive Council.

POLICE SALE.—POLICE STATION, COLAC.

THE undermentioned confiscated liquor will be sold by public auction on Saturday, 12th November, 1927, at Eleven a.m.:—

20 bottles beer.
2 bottles stout.
½ bottle whisky.

T. A. BLAMEY,
Chief Commissioner of Police.

Chief Commissioner's Office,
Melbourne, 19th October, 1927.

HEPBURN WATERWORKS TRUST.

RATING BY-LAW (No. 10) FOR THE YEAR 1928.

THE Chairman and Commissioners of the Hepburn Waterworks Trust, do hereby, pursuant to and in exercise of the powers and authorities conferred by the Water Acts, make the following rate for the year 1928 upon all the lands and tenements within the Waterworks District of the aforesaid Trust, that is to say:—

The rates and charges shall be payable by the occupiers and owners of the lands and tenements liable to be rated within the Hepburn Waterworks District as follows:—

- (1) On all properties of an annual valuation of £16 or over, the sum equivalent to a rate of Two shillings and sixpence in the pound sterling per annum.
- (2) On all properties of an annual valuation of and under £16, the sum of £2 minimum per annum.

Vacant lands shall be rated at Two shillings and sixpence on the annual valuation, provided the sum paid shall not be less than Ten shillings.

The charges for water by measure shall be Two shillings for every 1,000 gallons.

- (3) The rates payable on properties not abutting on streets in which mains have been laid shall be as follows:—

On properties within a quarter of a mile of any main, one-half the above rate; on properties more than a quarter of a mile, and not more than half a mile from any main, one quarter of the above rate.

- (4) Such before-mentioned rates and charges shall be based on the municipal valuation of the Shire of Glenlyon for the time being, and shall be payable half-yearly in advance on the 1st day of January, and the 1st day of July, 1928.

5. Such person or persons, as the Chairman and Commissioners of the Hepburn Waterworks Trust may from time to time appoint for the purpose, shall be authorized to demand, receive, collect, and recover the said rates and charges.

The foregoing By-law (No. 10) was made and adopted by the Hepburn Waterworks Trust on the 5th day of October, 1927.

(SEAL) F. VANZETTA, Acting Chairman.
J. T. UREN, Secretary.

Approved by the Governor in Council,
the 25th October, 1927.

F. W. MABBOTT,
Clerk of the Executive Council.

ELMORE WATERWORKS TRUST

RATING BY-LAW FOR 1928 FIXED BY THE COMMISSIONERS IN ACCORDANCE WITH THE POWERS CONFERRED ON THEM UNDER THE WATER ACTS.

THE following rates and charges are those which the owners and occupiers of land and tenements shall pay for the year 1928 in respect to water supplied to them by the Trust within the water supply district:—

1. Upon all rateable property, except vacant lands, of the annual municipal valuation of £20 and under, the sum of Two pounds (£2).
2. Upon all rateable property, except vacant allotments, of the annual municipal valuation of £20 and upwards to £75, the sum of 2s. in the £1 shall be paid.
3. From £75 upwards the sum of 1s. 6d. in the £1 shall be paid on the municipal valuation, provided that in all cases the minimum rate shall be not less than Seven pounds ten shillings (£7 10s.) per annum.
4. The rate to be paid in respect to vacant lands shall be 2s. in the £1 according to municipal valuation, provided that in no case the rate shall be less than £1 per annum.
5. For water supplied to public troughs, a charge of Two pounds (£2) per annum shall be paid.
6. The water supplied to troughs other than public troughs shall be paid for by meter or by special agreement, at such rates, upon such terms, and subject to such conditions as the Trust and persons requiring the supply may agree to adopt.
7. For water supplied by meter a charge of One shilling (1s.) per 1,000 gallons shall be made, provided that no person shall pay an amount other than that based upon 2s. in the £1 on the municipal valuation, or less than the minimum rate; any quantity over the foregoing amount to be charged in excess.
8. The foregoing rates are made payable in equal moieties on the first day of January and the first day of July, 1928.
9. Water must not be used for other than strictly household purposes during the hours of 1 o'clock a.m. and 8 p.m. on Sundays during the months of January, February, March, October, November, and December.

For the purpose of conserving the water, the Trust may in its discretion cut off the water during certain hours of each day.

Such persons as the Commissioners may from time to time appoint for that purpose shall be authorized to demand, collect, and recover the said rates and charges, and enforce regulations.

Passed this 4th day of October, 1927.

(SEAL)

R. G. COLEE, Chairman.
S. SOUTHAM, Secretary.

Approved by the Governor in Council,
the 25th October, 1927,
F. W. MABBOTT,
Clerk of the Executive Council.

KILMORE WATERWORKS TRUST.

RATING BY-LAW FOR 1928 WITHIN THE WANDONG URBAN DISTRICT.

THE Commissioners of the Kilmore Waterworks Trust do hereby, pursuant to and in exercise and execution of the powers and authorities conferred by the Water Acts, make the following rate for one year from the 1st January, 1928, payable in two moieties, on the 1st January, 1928, and the 1st July, 1928. The rates and charges hereinafter specified are those which the occupiers and owners of lands and tenements shall pay in respect of water supplied otherwise than by measure within the Urban District of Wandong, as such district was proclaimed and defined on the 30th January, 1894:—

On every house or tenement above the annual municipal value of Sixteen pounds, One shilling and ninepence in the pound on the municipal valuation.

On every house or tenement of the annual municipal value of Sixteen pounds and under the sum of Thirty shillings.

On every piece of vacant or unoccupied land of the annual municipal value of Sixteen pounds and under, the sum of Fifteen shillings.

On every piece of vacant or unoccupied land above the annual municipal value of Sixteen pounds, One shilling and ninepence in the pound of the municipal valuation.

The owners of every piece of vacant or unoccupied land supplied with water must provide a trough with approved self-acting ball-tap to prevent overflow.

The foregoing By-law was made and passed by the Commissioners of the Kilmore Waterworks Trust on the tenth day of October, 1927, and the seal of the Trust was affixed hereto in the presence of—

(SEAL)

PATRICK O'NEILL, Chairman.
A. M. LUCKIE, Secretary.

Approved by the Governor in Council,
the 25th October, 1927,
F. W. MABBOTT,
Clerk of the Executive Council.

KILMORE WATERWORKS TRUST.

RATING BY-LAW FOR 1928 WITHIN THE KILMORE URBAN DISTRICT.

THE Commissioners of the Kilmore Waterworks Trust do hereby, pursuant to and in exercise and execution of the powers and authorities conferred by the Water Acts, make the following rate for one year from the 1st January, 1928, payable in two moieties, on the 1st January, 1928, and the 1st July, 1928. The rates and charges hereinafter specified are those which the occupiers and owners of lands and tenements shall pay in respect of water supplied otherwise than by measure for domestic purposes within the Urban District of Kilmore, as such district was proclaimed and defined on the 30th January, 1894:—

On every house or tenement above the annual municipal value of Twenty-four pounds and under, the sum of Thirty shillings.

On every house or tenement above the annual municipal value of Twenty-four pounds, One shilling and threepence in the pound on the municipal valuation.

On every house which has been unoccupied for twelve months or more, the owner, by making a written application to the Trust, may have the rate reduced by one-half.

On every piece of vacant or unoccupied land supplied with water, of the annual municipal value of Seventeen pounds and under, the sum of Twelve shillings and sixpence.

On every piece of vacant or unoccupied land supplied with water, above the annual municipal value of Seventeen pounds, One shilling and threepence in the pound on the municipal valuation.

On every piece of vacant or unoccupied land, not supplied with water, One shilling and threepence in the pound on the annual municipal valuation.

The owner of every piece of vacant or unoccupied land supplied with water must provide a trough with approved self-acting ball-tap to prevent overflow.

The charges for water supplied from and after the 1st day of January, 1928, from the works of the Trust shall be as follows:—

1. For every steam-boiler supplied with water from the works of the Trust, Fifteen shillings per annum for each horse-power of such boiler.
2. For water supplied by the Trust by measure, One shilling for every 1,000 gallons.

The minimum quantity of water to be charged for in each case where water is supplied by measure shall be—

- (a) The quantity for which the charge of One shilling per 1,000 gallons would be equal to the amount of the assessed rate which would be payable for the premises so supplied, if supplied otherwise than by measure.

The foregoing By-law was made and passed by the Commissioners of the Kilmore Waterworks Trust on the tenth day of October, 1927, and the seal of the Trust was affixed hereto in the presence of—

(SEAL)

PATRICK O'NEILL, Chairman.
A. M. LUCKIE, Secretary.

Approved by the Governor in Council,
the 25th October, 1927,
F. W. MABBOTT,
Clerk of the Executive Council.

DONALD WATERWORKS TRUST.

RATING BY-LAW FOR THE YEAR 1928 (No. 34).

THE Chairman and Commissioners of the Donald Waterworks Trust, in pursuance of the powers and authorities conferred upon them by the Water Acts, do make the following By-law, viz.:—

The By-law for determining the rates which the occupiers and owners of lands and tenements shall pay in respect of water supplied by the Trust within the Urban District of the aforesaid Trust, that is to say, in regard to houses and tenements fronting any street in which the pipes of the said Trust are laid, and which houses and tenements, if not in such streets, are supplied with water by the reticulation of such pipes.

1. A rate of One shilling and sixpence in the pound sterling on the net annual value of all rateable property of and above Twenty pounds (£20).

2. A minimum rate of One pound ten shillings sterling for such properties valued at the net annual value of less than Twenty pounds (£20).

3. On each unoccupied or vacant allotment or piece of land, a rate of One shilling and sixpence (1s. 6d.) in the pound on the net annual value of such rateable property, provided that no such allotment or piece of land shall pay less than Twelve shillings and sixpence (12s. 6d.).

4. Water to be supplied by measure to be used in private domiciles or other premises for domestic use, or for watering gardens, or for distribution otherwise on or about such premises, shall be charged at the rate of One shilling (1s.) per 1,000 gallons up to the amount of the water rate assessment

of such land or premises for the time being, provided that the said assessment shall be the minimum charge for the year 1928, and at the rate of One shilling (1s.) per 1,000 gallons for any quantity of water used for the before-mentioned purposes beyond such amount aforesaid.

5. For all lands and tenements in the said Urban District situated otherwise than on streets on which the pipes of the water supply are laid, and which lands and tenements are not supplied with water by reticulation from such pipes, and being within a quarter ($\frac{1}{4}$) of a mile of any stand-pipe for the supply of water, half of the above-mentioned rates, and where such lands and tenements are over a quarter ($\frac{1}{4}$) of a mile and within half ($\frac{1}{2}$) a mile thereof, a quarter of the above-mentioned rates. Such before-mentioned rates shall be based on the municipal valuation of the Shire of Donald for the time being.

Such rates are hereby made for the year 1928, commencing on the 1st day of January, 1928, and terminating on the 31st day of December, 1928, and shall be due and payable in advance on the 1st day of January, 1928.

Such person or persons as the Commissioners of the Trust may from time to time appoint shall be authorized to demand, receive, and recover the said rates.

The foregoing By-law (No. 34) was made by the Chairman and the Commissioners of the Donald Waterworks Trust this 13th day of September, 1927, and the seal of the aforesaid Trust affixed thereto, in the presence of—

(SEAL) S. G. McPHERSON, Chairman.
J. HANNAH, Commissioner.
F. W. RIGG, Secretary.

Approved by the Governor in Council,
the 25th October, 1927.

F. W. MABBOTT,
Clerk of the Executive Council.

YARRA JUNCTION WATERWORKS TRUST.

RATING BY-LAW FOR 1928 (No. 5).

IN pursuance of the powers and authorities conferred by the Water Acts, the Commissioners of the Yarra Junction Waterworks Trust do hereby make the following By-law:—

1. The following are the rates and charges which the occupiers or owners of lands and tenements liable to be rated within the Waterworks District of the said Trust shall pay for the year 1928 in respect of water supplied by the Trust, and such rates shall be payable, in advance, on the 1st day of January, 1928.

2. On all properties of an annual valuation of £16 or over, the sum equivalent to a rate of Two shillings and sixpence in the pound.

3. On all properties of an annual valuation under £16, the sum of £2 minimum.

4. On all vacant lands, the sum of Two shillings and sixpence in the pound on the annual valuation, provided the sum paid shall not be less than 15s.

5. The charge for water by measure shall be Two shillings for every one thousand gallons.

6. Where water is laid on to a vacant block of land, the minimum charge if trough with ball-tap is provided shall be Two pounds; without ball-tap, Four pounds.

7. The minimum charge for septic tanks shall be as follows:—

For private houses—the sum of One pound.
For boarding houses—the sum of Two pounds.

8. Water supplied for other than domestic purposes shall be by special agreement, at such price as may be fixed by the Trust.

9. Such person or persons as the Commissioners of the Yarra Junction Waterworks Trust may from time to time appoint for the purpose shall be authorized to demand, receive, collect, and recover the afore-mentioned rates and charges.

The foregoing By-law was made by the Commissioners of the Yarra Junction Waterworks Trust this fifth day of October, 1927, and the seal of the said Trust was hereunto affixed, in the presence of—

(SEAL) JOHN TURNER, Chairman.
ERNEST H. WELCH, Commissioner.
JOHN W. MURDOCH, Commissioner.
H. E. CLAREY, Secretary.

Approved by the Governor in Council,
the 25th October, 1927.

F. W. MABBOTT,
Clerk of the Executive Council.

MURTOA WATERWORKS TRUST.

RATING BY-LAW No. 21.

THE Commissioners of the Murtoa Waterworks Trust, in pursuance of the powers conferred by the Water Acts, do make the following By-law:—

The following are the rates and charges which the occupiers or owners of lands and tenements situated within the Waterworks District of the Murtoa Waterworks Trust shall pay for the year 1928 in respect of water supplied by the Trust within the said district:—

1. For every house or tenement fronting any street wherein a pipe for the supply of water shall have been laid, or where houses or tenements if not fronting such streets are supplied with water by reticulation, and being of an annual valuation of Ten pounds (£10) or under, the sum of One pound (£1).

2. For every house or tenement so situated of an annual value of above Ten pounds (£10), the sum of Two shillings in the pound sterling on the annual value of such property.

3. For every house or tenement of the annual value of Ten pounds (£10) or under situated in streets with no pipes, and if not supplied with water, the sum of Ten shillings (10s.).

4. For every house or tenement above the annual value of Ten pounds (£10) in streets with no pipes, and if not supplied with water, the sum of One shilling in the pound on the annual value of such property.

5. Such beforementioned rates shall be based on the municipal valuation of the several houses or tenements.

6. Such rate is hereby made for the year 1928, and shall be payable on the first January, 1928.

7. Such person or persons as the Commissioners of the said Trust may from time to time appoint for that purpose shall be authorized to demand and receive the said rates.

8. Water supplied to Government Departments, religious denominations, and to persons outside the Trust area, shall be by measure or special agreement.

9. For water supplied by the Trust for domestic and other than domestic purposes by measurement (except in cases of water supplied by special agreement with the Trust) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge of Two shillings per 1,000 gallons would be equal to the amount of the assessed rate which would be payable for the premises so supplied if supplied otherwise than by measure. All water supplied by measure by the Trust in excess of such aforesaid quantity shall be charged for at the rate of Ninepence (9d.) per 1,000 gallons. In cases of large consumers of water by meter, the Trust by special agreement may make a reduction to not less than Ninepence per 1,000 gallons. A charge of 7d. per 1,000 gallons will be made to the Wimmera Inland Freezing Company for pumping water.

10. Notwithstanding anything to the contrary contained in the previous clauses, the minimum charge for water supplied by measurement or under special agreement must not be less than the charge would be if the property was rated in the usual way according to the shire valuation. This By-law also applies to the Freezing Company.

11. No hose or pipe shall be attached to any pipe or tap for the purpose of watering ground, or trees or plants, or washing house walls or motor cars or horses or other animals, or for any similar purpose, except the water is charged for by meter, and any person committing a breach of this shall be liable to a penalty not exceeding Five pounds for every such breach.

The foregoing By-law No. 21 was made by the Commissioners of the Murtoa Waterworks Trust, under and by virtue of the provisions of the Water Acts, this 22nd day of September, 1927.

The common seal of the Murtoa Waterworks Trust was affixed hereto by the authority of the Commissioners of the Trust, in the presence of—

(SEAL) L. SCOTT, Chairman.
D. F. MACDONALD, Commissioner.
H. A. SUDHOLZ, Commissioner.
LES. G. LAMB, Commissioner.
H. G. CRAM, Secretary.

Approved by the Governor in Council,
the 25th October, 1927.

F. W. MABBOTT,
Clerk of the Executive Council.

THE COLAC SEWERAGE AUTHORITY.

By-LAW No. 1.

THE Colac Sewerage Authority, pursuant to and in exercise and execution of the powers and authorities conferred on it by the Sewerage Districts Acts, and of any and every other power or authority in any wise enabling it in that behalf, doth hereby make and prescribe the following By-law, that is to say:—

1. In the construction of this By-law, unless inconsistent with the context or subject-matter—

- “Authority” shall mean the Colac Sewerage Authority.
- “Engineer” shall mean the engineer of the said Authority.
- “The Acts” shall mean the Sewerage Districts Acts.
- “Sewerage District” shall mean the Colac Sewerage District.

General.

2. No person shall cause or permit the admission to any drain or sewer of the Authority of any land drainage, surface, or otherwise, or rain water from roofs, yards, streets, or other surfaces, whether by inlets specially designed to admit it or by any other inlets or openings so placed that such water may get access thereto, and no inlet or opening shall be placed or permitted to remain in such a position that any extraneous water from any river, lake, gully, or creek, or any other source, whether in flood or otherwise, has access to any drain or to any sewer of the Authority.

Preparation of Plans and Execution of House Connexion Works.

3. (a)—All drains, sinks, traps, urinals, water closets, grids, water or sewerage pipes, apparatus, appliances, stables, cow-houses, yards, and other works or places on any premises within the sewerage district, shall be made, affixed, and constructed in compliance with the requirements of the Acts and any regulations thereunder and this By-law, but any drain, sink, trap, urinal water closet, grid, water, or sewerage pipe, apparatus, appliance, stable, cow-house, yard, or other work, or place on any such premises, at the date of this By-law which the owner may desire to remain unaltered, and which, in the opinion of the engineer, is so constructed and kept so as not to be a nuisance or injurious to health, and so that there is no overflow or leakage, or soakage therefrom, may, with the consent of the Authority remain unaltered until the Authority otherwise orders, notwithstanding that it does not comply with any of such requirements. (b)—Save as provided by sub-clause (a) of this clause, if any drain, sink, trap, urinal, water closet, grid, water, or sewerage pipe, apparatus, appliance, stable, cow-house, yard, or other work, or place on any such premises (whether made or affixed or constructed before or after the date of this By-law), does not comply in every respect with the requirements of the Acts and all regulations made thereunder and this By-law, the owner and occupier of such premises shall (without affecting the liability of any other person) be severally guilty of an offence against this By-law.

4. All drains in and from properties to and as far as the point of connexion of the branch drain with the sewer must be repaired and cleansed by or at the cost of the owner or owners.

5. In the case of any obstruction taking place in a combined drain, the Authority will determine between the respective owners or occupiers of the premises drained thereby, by whom and in what proportion the cost of removing any such obstruction shall be paid.

6. Application for the Authority's consent to connect with the sewerage system, or to do plumbing and drainage work connected therewith, must be made in writing by the owner of the property to be so connected or by his authorized agent. Such application shall give the precise location of the property, the name of the owner, and the name of the person employed to do the work, and shall be made in form prescribed by the Authority. No person shall in any such application knowingly make any untrue or incorrect statement. No consent shall be deemed to authorize anything not stated therein.

An approval by the Authority of a plan under section 133 of the *Sewerage Districts Act 1915*, or any consent under section 121, shall not be deemed to authorize or to confer or grant the right to lay a drain through any land intervening between the premises proposed to be connected and the sewer of the Authority, and any owner or applicant for the approval of such plan or consent shall satisfy himself as to his legal right to drain through such intervening land, and shall be solely responsible for any trespass or damage thereon or thereto.

Consents to make connexions with the sewerage system will be issued only when the plumbing and draining in the property to be connected is planned to be made in accordance with the rules for plumbing and draining hereinafter prescribed, and after such plan has been inspected and approved of by the inspector appointed by the Authority for the purpose, or, in the case of new buildings, when a proper plan of the plumbing and of the drainage of the building into the branch, of which the Authority shall have fixed the position, has been approved of in writing by the Authority. All connexions with drains or sewers, and all plumbing and drainage connexions

therewith, shall be made under and in accordance with the directions of the engineer or the superintending officer of the Authority.

Consent will not be given for the performance of any such work except upon condition that no person shall be engaged or employed as a workman in the actual performance of any plumbing or drainage work unless he be the holder of a “working plumber's licence” or “drainer's licence” from the Authority. No person shall at any time or at any place make up, form, affix, alter, or repair any fitting, pipe, bend, trap, or other thing connected or intended to be connected with the Authority's sewerage system, unless he be the holder of a licence from the Authority authorizing him to do such work.

No person, whether licensed as aforesaid or not, shall alter, remove, or in any way interfere with any drain fitting, pipe, bend, trap, or other thing connected with the Authority's sewerage system, unless the Authority's previous written consent to do such work has been given.

Master Plumbers' Licences.

7. “Master plumbers' licences” may be granted by the Authority to any person who is a master plumber who shall satisfy the Authority, either by passing an examination by examiners appointed by the Authority or in such other manner as the Authority may from time to time or in any particular case direct, that he has a thorough knowledge of sanitary and general plumbing and of the By-laws and provisions of the Acts relating thereto. The general conditions under which working plumbers' licences are issued shall also apply to master plumbers' licences.

Working Plumbers' Licences.

8. The conditions under which “working plumbers' licences” will be issued by the Authority are—

(a) That every such licence will be subject to suspension or cancellation at the will of the Authority, and that all such licences will be granted to expire on the 31st day of December of each year.

(b) A special condition of every consent issued to an owner or agent shall be that if a licensed plumber in his employ upon any such work prove, according to the judgment of the Authority's inspecting officer, to be incapable as a workman or transgress the By-laws or Regulations of the Authority, and the “working plumber's licence” of such workman be for any such cause suspended or cancelled by the Authority, and notice of such suspension or cancellation, in the form prescribed by the Authority, or to the like effect, be given by the Authority in writing by registered letter addressed to the said owner or agent, the said owner or agent shall cease to employ such workman upon any such work immediately after and during the continuance of such suspension or cancellation. And any such owner or agent who shall neglect or fail to comply with this condition shall be guilty of an offence against this By-law.

(c) “Working plumbers' licences” will be issued on payment of a fee of 10s. to candidates for original licence and for each renewal 5s., who shall have successfully passed an examination by examiners appointed by the Authority, in the following subjects, that is to say:—

Materials.—The use of lead, tin, copper, and their alloys, wrought and cast iron, stoneware or cement concrete, bricks, tiles, Portland cement, and other materials used by the plumber and drainer.

Plumbing Practice.—As to solder and soldering, lead burning, lead laying, pipe and joint making, pipe bending, and general plumbers' practice.

Water Supply Work.—Knowledge of the Water Acts and Water Supply By-laws, general water supply works, water supply fittings, hot water connexions.

Sewerage Work.—Knowledge of the Acts and sewerage By-laws or Regulations thereunder, in so far as the same relate to the work and duties of plumbers or others in regard to the construction, maintenance, and protection of the general sewerage system, construction and use of traps, soil, waste, and vent pipes, house fittings, water-closets, kitchen sinks, baths, lavatories, house-maids' sinks, urinals, latrines, and other sewerage apparatus and appliances.

General Principles of Sanitary Work, Flushing, Ventilation, Disconnexion.—Candidates for examination in plumbing practice must provide themselves with their own tools, and may be required to submit samples of work done by themselves, and also to make any pipe, bend, joint, or other plumbing appliance which may be required to satisfy the examiners.

- (d) Candidates for "working plumbers' licences" must give notice in writing to the secretary of the Authority of their intention to submit themselves to examination at such time as shall be appointed for the same by the Authority's examiners.

Every candidate who shall have successfully passed the beforementioned examination and given proof to the satisfaction of the examiners of practical ability as a plumber will be furnished with a licence from the Authority to do practical work as a working plumber upon and in connexion with the sewers, drains, and all fittings, appliances, and apparatus appurtenant thereto with the Colac Sewerage District, subject to and in accordance with the Authority's By-laws or Regulations. And he will likewise be furnished with a certificate from the Authority that he is duly qualified to do the work in connexion with the sewerage system under the control of the Authority, and in accordance with the Authority's Regulations.

"Working plumbers' licences" will, at the discretion of the Authority, be issued without previous examination to any practical plumber who shall be the holder of, and shall produce, a licence from any other sewerage or water supply authority equal in value to the standard established by the Authority's examination, and who shall satisfy the Authority's examiners that he is conversant with the By-law according to the judgment of the Authority's examiners, which shall be final. Prior to the issue of any "working plumber's licence," the person to whom the same is to be issued must sign a register containing a declaration that he accepts such licence subject to and in conformity with the conditions thereof, and the By-laws or Regulations of the Authority, and that he will conform to and comply therewith.

Whilst none but the holders of "working plumbers' licences" are allowed to be engaged or employed in the performance of plumbing work for sewerage, the holders of licences for water supply work may do water supply work necessary to the sanitary work, such as fixing cisterns and water closets in outside buildings where lead is not used, and work for water supply.

The examination for a "working plumber's licence," or for a "drainer's licence" only, may be held by the Authority separately or in conjunction with any technical school as may be determined by the Authority.

Drainers' Licences.

9. Drainers' licences will be issued to candidates who have successfully passed an examination in the following subjects:—

Plans.—How to read plans; meaning of scales—the scales commonly used in drainage plans; meaning of elevation, plan, and section drawings.

Levels, &c.—Laying off levels for drains; the straight edge; spirit-level, and boning rods; tools generally used in drain laying; preparing bottom of trenches to receive pipes.

Excavating, Timbering, and Re-filling.—Protecting the trench by timbering; different treatment of different soils, as loam, clay, loose and wet sand, &c.; tunnelling and tunnel timbering; precautions when near buildings; importance of care in re-filling trenches and tunnels.

Drain Laying.—Junctions to sewers, laying and jointing of stoneware, self-cement concrete pipes, cement joints, bitumen joints, self-fitting joints, drains under houses and in soft ground; cast-iron drains, laying and jointing, method of jointing stoneware and cast-iron drains; minimum depth below surface for safety.

Drainage Details.—The boundary or main disconnecting traps; diminishing of pipes by various methods; gully traps or sinks; self-cleansing form and arresting form, and where each should be used; the reflux gully trap; grease or grease interceptor trap; S-trap; pedestal W.C.; access eyes and access pipes; cast-iron drainage details.

Materials.—Salt-glazed stoneware; qualities of lime mortar and cement mortar and where each should be used; concrete, proportioning mixing and usage; brick; brick bond for junction pits, manholes, &c., cast-iron pipes.

Hints on Work.—Laying-off work; drain testing by water, smoke, air pressure, &c., clearing of chokages.

The condition under which working plumbers' licences are issued will also apply to drainers' licences.

Persons Authorized to Carry Out Works.

10. No person shall tender for or enter into a contract for any plumbing or draining work relating to sewerage within the sewerage district who does not hold either a master plumber's licence or a working plumber's licence, unless by permission of the Authority. And no person other than the holder of a working plumber's licence or drainer's licence shall actually perform any plumbing and draining work or draining work respectively.

Fees for Plan of Drainage and Inspection.

11. Copies of the Authority's plans of individual house drainage will be furnished by the Authority upon application and payment for the same, as follows:—

Plan of drainage, including surveys, &c., for every house, hotel, shop, factory, or other building, a minimum charge of 10s., plus 2s. 6d. for each fitting, as specified.

For the supply of a block plan, where the owner desires to design his own house drainage, a fee of Two shillings and sixpence shall be charged.

For making or examining any alterations or addition to a plan previously issued or approved of by the Authority, a minimum charge of Five shillings shall be made by the Authority.

For the examination of owner's plan of drainage, a minimum charge of Seven shillings and sixpence shall be made.

In all cases where the sewerage of a property is not carried out by the Authority, there will be a minimum inspection fee of Five shillings, payable to the Authority by the owner on completion of the work.

Inspection.

12. The owner or his authorized agent, or the plumber, drainer, or contractor carrying out the work, must give at least twenty-four hours' notice to the Authority of his intention to commence work, and also when any work is ready for inspection. All work must be left uncovered and convenient for examination until inspected and approved of by an inspector appointed by the Authority. Such inspection shall be made within twenty-four hours of such notification being received at the office of the Authority, except when notification is received on Saturdays, when sixty hours must be allowed.

The inspecting officer may apply the ether, peppermint, water, smoke, or air test, the air test to be applied at a pressure of not less than 3 inches of water; and the plumber or drainer shall furnish all the necessary tools, apparatus, labour, and assistance of such tests. The owner or his authorized agent shall remove or repair any defect when so ordered by the inspecting officer, and if he neglects to do so shall be liable, upon conviction, to a penalty not exceeding Five pounds, and to a penalty not exceeding One pound for every day thereafter during which such neglect or failure shall continue.

Before the fittings are connected with the plumbing of any house or building, or after, if so ordered, and before the soil or waste pipe is connected with the sewer, the outlet of the soil or waste pipe and all openings into it below the top shall be hermetically sealed. The pipes shall then be filled with water to such height as may be ordered, or with smoke or air, &c., as the superintending officer of the Authority may direct, and every joint and pipe carefully examined for leaks. Defective pipes must be removed and replaced by sound ones, and all defective joints made tight, and every part of the work made to conform to this By-law, and subject to the approval of an officer appointed by the Authority.

House drains, whether laid by the Authority's workmen or others, must be thoroughly tested in every case before being passed by the Authority's officers. When being tested with water there must be a head of at least six (6) feet above every part of the drain.

Before a licensed plumber or drainer commences to clear a stoppage in a drain he must notify the Authority in writing of the time when he intends to clear the stoppage, so that an inspector may attend and pass the work in accordance with the provisions of the Acts.

Defective Fittings.

13. Any drain pipe, soil pipe, trap, water closet, urinal, sink, or other fitting laid, used, or constructed otherwise than in accordance with this By-law, or which shall, in the opinion of the Authority, be or become bad or of defective quality shall, upon notice in writing from the Authority to the owner or occupier of the property be by such owner or occupier removed or repaired in the manner determined, and within the time fixed by the Authority; and in case such owner or occupier fails to comply with the requirements of such notice he shall be liable to prosecution and penalty for an offence against the Act, or the Authority will, if it think fit, remove or repair the said defective fitting and charge such owner or occupier of the premises with the cost so incurred, and will proceed for recovery of the same in manner provided by the said Acts.

Quality of Materials.

14. All materials used must be of good quality and free from defects. The work must be executed in a thorough and workmanlike manner, and to the satisfaction of the Authority. No sanitary fitting shall be allowed to be connected to the sewers of the Authority unless it be of a type previously approved by the Authority, or unless special permission has been given by the engineer for connexion of such fitting.

The utmost care must be exercised on all house connexion work to insure that only materials which are in accordance with the Authority's By-laws and Regulations are used.

Drains.

15. The drainage of each house is to be arranged for separately, unless, in the Authority's opinion, special reasons exist for draining by a combined operation.

Owners desiring to have the drainage of their properties combined must sign a request for a combined drain.

When the drainage of more than two properties is combined, an inspection chamber must be provided, if shown on plan or ordered.

Boundary traps will only be allowed by permission of the engineer. All the drains must, wherever considered necessary by the Authority, join in a manhole at least three feet (3 feet) long and two feet (2 feet) wide, fitted with a closed cover. The portions of the drains crossing the floor of the manhole must be in a straight line or by curved junctions in the floor of the manhole. All manholes to be cement rendered (2 parts sand and 1 part cement) to a smooth surface and made watertight.

The manhole must be provided with a closed cover, and special ventilation must also be provided if considered necessary by the engineer.

The drains outside of the house or building, or from isolated water closets to the street sewer, shall be constructed of pipes of approved quality and manufacture.

Cast-iron pipes jointed with lead as is usual in water pipes, or reinforced cement concrete pipes where approved by the engineer, or other approved pipes surrounded with at least six inches (6 inches) of Portland cement concrete must be used, such concrete to be composed of one part of Portland cement, two parts of clean sand, and four parts of stone of 1½-inch gauge or gravel, approved by the inspector—

- (a) In yards or places liable to heavy traffic, where the cover over the drain is less than 2 ft. 6 in.
- (b) In cases where the construction of drains under buildings is unavoidable.
- (c) Where drains and fittings are to be laid and fixed at a distance of less than 6 feet from any cellar, water tank, or other excavation.
- (d) In soft, bad, waterlogged, or made-up ground.
- (e) Adjacent to trees, where damage to drain is likely to be caused by roots.

Pipe Trenches.

16. The trenches for the drains from all properties shall be dug so as to meet the public sewers at the position of the branches and O.B.'s indicated by the Authority. The material from the trench shall be placed so as not to obstruct and so as to cause the least possible inconvenience to the public. Proper barriers and lights must be maintained on the banks of the trenches during the progress of the work, to guard the public against accident. In refilling the trench the earth must be rammed or flooded carefully, so as to keep the pipe in position and avoid settling. No stone shall be used in refilling until there has been a depth of at least 2 feet of earth or gravel placed over the pipe.

Subsoil Drainage.

17. Subsoil drainage connexions to the sewerage system are prohibited.

Basement and Cellar Drainage.

18. No water closet or urinal shall be placed in any cellar, basement, room, or apartment unless at least 5 feet of the walls of such cellar, basement, room, or apartment are above the surrounding land. In all cases where it is proposed to place a water closet or urinal below the level of the surrounding land, plans and sections showing provision for light and ventilation must be lodged with the application under section 133 of the *Sewerage Districts Act 1915*, for approval of plan or with the application under section 122, as the case may be.

Where any house shall have its lowest floor, cellar, or basement at a lower level than the sewer of the Authority, into which such house would otherwise drain, the owner shall, pending pulling down or alteration of such house, cause the drainage from such lowest floor, cellar, or basement to be raised by means of a syphon or some other method approved by the Authority, so that it shall discharge into a drain communicating with the sewer of the Authority.

Where, in the opinion of the Authority, a cellar or basement is so situated that it can be drained by gravitation to the Authority's sewers free from any risk of backflow in the event of the sewers becoming surcharged, the Authority may permit such connexion, provided a sluice valve be fixed between the cellar or basement connexion and the sluice valve to be kept closed as hereinafter mentioned; and provided the owner apply in writing for same, and furnish the Authority with an undertaking that such connexion is made at his risk, and indemnify the Authority against all damage in connexion therewith. In such cases the soffit of the pipe draining the cellar shall at its highest point be at least 1 ft. 6 in. below the cellar or basement at its lowest point.

Sluice valves must be kept closed, and only opened when it is necessary to allow an accumulation of water to drain to sewers. Spindles of sluice valves must be fitted with permanently attached extension rods of sufficient length and diameter to enable the valves to be opened or closed from above the level of the ground floor of building.

Rain Water.

19. Rain-water conductors shall not be connected with the sewers.

Stables, &c.

20. All stables, dairies, cow-sheds, and all areas considered by the engineer polluted areas must be paved with approved material, graded and drained to the satisfaction of the Authority, and the drain therefrom must be trapped with an approved silt trap connected with the drain inside the boundary line. The joints of stable floors and paved areas connected with the sewers of the Authority must be filled to full depth with either (1) good cement mortar in the proportion of one part of cement to not more than two and a half parts of clean sharp sand, or (2) an admixture of pitch and sand, mixed as directed, or (3) with other jointing material which may be approved by the Authority.

All stables and cow-sheds in actual use must be paved and graded to the satisfaction of the Authority, and connected with the Authority's sewers. The drainage of those not in use must be provided for, but they need not be connected with the sewers while they are unused.

The drainage from stable floors must discharge over an approved silt-trap, which must be provided with a top of brick-work or Portland cement concrete, and fitted with a heavy grating.

All stables, dairies, cow-sheds, and areas must be roofed over to the satisfaction of the engineer.

Manure Bins.

21. Manure bins must be provided for all stables or cow-sheds where the local Council's By-laws demand their construction, or where the locality is closely built on.

All the manure bins must have the inside surfaces rendered with cement mortar, and must be made impervious throughout, and provided with an approved close-fitting cover. Walls of new manure bins must, unless otherwise approved, be at least 9 inches in thickness, built of brickwork laid in cement mortar.

If an outlet pipe be provided for a manure bin it must be properly connected with the Authority's sewers.

Branches in house drains must be provided in all cases where manure bins exist for their connexion whenever the Authority shall deem it necessary.

Lying Drains.

22. All drain pipes must be at least 4 inches in diameter, except where otherwise ordered by the Authority, and unless obtained from the Authority's store yard, must be taken to one of the Authority's depots to be tested by the officer appointed by the Authority in the machines provided for the purpose.

The cover of the branch on the sewer shall be carefully removed so as not to injure the socket.

The first length of the pipe attached to the branch and O.B. shall be curved and set so as to give a good fall into the sewer, and shall be provided with a cleaning eye.

An inspection opening attached to the drain, inside and within 5 feet of the boundary line or such other distance as may be deemed necessary by the engineer, must be provided. A manhole giving access to the inspection opening at the sewer end of the drain to be provided if considered necessary by the engineer.

All pipes shall be carefully bedded on the barrel in the solid ground.

Where in the opinion of the Authority it is necessary, cast-iron pipes or approved reinforced cement concrete pipes must be used, or stoneware or cement concrete pipes bedded in concrete of dimensions approved by the engineer, such concrete to be composed of one part of Portland cement, two parts of clean sand, and four parts of stone of 1½-inch gauge or gravel approved by the inspector.

Unless otherwise directed by the engineer, stoneware or unreinforced cement concrete pipes must not be laid less than fourteen (14) inches deep from the surface of the ground to the top of the socket of the pipe. Where this amount of covering cannot be obtained, the stoneware or cement concrete pipes must be entirely surrounded with not less than 6 inches of Portland cement concrete as previously specified, or the surface of the ground must be raised to the satisfaction of the Authority's inspector.

All stoneware or unreinforced cement concrete pipe drains near roots of trees must be surrounded with not less than 4 inches at all points of cement concrete as previously specified.

Jump-ups, where allowed, must be bedded on and surrounded with 6 inches of Portland cement concrete to full height of drop unless otherwise ordered by the engineer.

The drain pipes shall be laid and jointed by a method approved by the Authority, and on an even grade of not less than 1 in 40 if a 4-inch pipe be used, or of 1 in 60 if a 6-inch pipe be used, unless by special permission of the Authority, in which case special provision must be made for regular and efficient flushing.

As far as possible, all drains shall be laid in straight lines, where changes of direction occur they shall be made either by suitably curved pipes with inspection openings or in manholes.

Stoneware or cement concrete pipes may be substituted for cast-iron or reinforced cement concrete drain pipes in every case except where the ground is soft or liable to heavy traffic; but in all cases where stoneware or cement concrete is substituted for cast-iron, the pipes must be entirely surrounded by not less than 6 inches of Portland cement concrete, as previously specified. Notwithstanding as heretofore, cast-iron pipes only to be used under buildings, except where the pipe is laid in the earth or by the special permission of the engineer.

All drain pipes carried through walls must have a space of about 3 inches clear left over the pipes.

If a pipe be cut out to clear a stoppage, or if a pipe be broken, it must be replaced by a new inspection-opening pipe. The old pipe must not be patched up.

Portland cement concrete rendered to a smooth surface must be used in each of the following cases:—

- (1) Around and under gully basins, the exposed surfaces to be rendered in cement mortar, two parts sand, one cement.
- (2) Around the top and for 6 inches below the surface of the ground of vent pipe sockets where exposed.
- (3) Around the top and for 6 inches below the surface of the ground of disconnection traps when the surface is exposed.
- (4) Under and around bends rising vertically off oblique branches, and under all drainage traps.

Cement concrete stops to be provided in all cases where the slope of the drain is such that it may be deemed necessary by the engineer.

In all cases where concrete is mixed, approved mixing boards to be used.

All cast-iron pipes must be sound, free from holes or cracks, and coated with tar or asphaltum.

The following weights will be accepted as standards for cast-iron drainage pipes:—

- 4 inch diameter, 16 lb. per lineal foot.
- 5 inch diameter, 20 lb. per lineal foot.
- 6 inch diameter, 23½ lb. per lineal foot.

All fittings used in connexion with such pipes shall correspond with them in weight and quality. All junctions must be curved. Right-angled junctions must not be made.

Where outside closet buildings require repairing or removing, the necessary work within the space covered by the closet buildings must be carried out before the water-closet branch is laid; but other portions of the drain may be laid, provided provision be made for effectually testing the closet branch when laid.

Whenever a paved, asphalted, or tar paved yard or the surface so broken must be restored as nearly as possible to the same condition as it was in previously, unless the owner in writing otherwise requires.

Joints.—Drainage.

23. Cast-iron pipes shall be jointed with gasket and lead, and caulked as to make the joints gas and water tight. The gasket shall not after being caulked into the socket exceed ½ inch in depth. Wrought-iron pipes shall be screw-jointed with white lead.

All connexions of lead pipes with iron pipes must be made with a brass sleeve or ferrule of the same size as the lead pipe, put in the socket of the branch of the iron pipe, and caulked with lead. The lead pipe must be attached to the sleeve or ferrule by a wiped joint.

Joint of stoneware and cement concrete pipes shall be made with Stamford joints or cement joints; gaskets will not be allowed unless by permission, and in no case will cement or other projection extend from inside the joint.

The ends of all private drains not immediately connected with the plumbing fixtures shall be securely closed with water-tight imperishable materials. If stoneware or cement concrete, a stoneware, cement concrete, or cast-iron disc must be cemented in; if wrought-iron, a plug must be screwed on the end; if cast-iron, a cast-iron plug must be caulked in with lead.

Connexions of galvanized sheet-iron vent pipes to cast-iron do not require a brass sleeve, unless ordered by the engineer.

Vent Pipes.—Drainage.

24. The main drain must be vented at its upper end by a pipe or shaft erected vertically to such a height that the mouth of the pipe or shaft shall be at least 6 feet higher than any window, door, or other opening situated within a distance of 30 feet therefrom.

Branch drains need not be vented if the drainage traps be within 15 feet of the main drain.

When two or more vents are fixed on the same line of drain the diameter of one may be reduced to 3 inches by permission of the engineer.

Every vent pipe extending upwards from a solid or drain pipe must be carried to such a height as may be deemed necessary by the Authority, and in any case at least 2 feet above the highest part of the roof or coping, whichever is the higher.

Every vent pipe must be of undiminished size, without return bent, with basket end or educt or induct cowl as may be ordered, and it must not open near a window, a chimney, or an air-shaft which ventilates living rooms.

All vent pipes in an extension of a main building, when otherwise they would open within 30 feet of the windows, doors, or other openings into the main building or the adjoining building, must be extended to such a height above the roof of the main building as may be deemed necessary by the Authority.

All the main educt or induct vents on house drains shall be of the same diameter as the drains, unless special permission be given to vary their dimensions.

No chimney flue shall be used as a sewer ventilator, or to ventilate any drain, soil, or waste pipe.

All inlets to drains or openings for ventilating shall be efficiently protected by proper gratings of ample area. The aggregate area of the apertures in any grating covering a ventilating opening shall not be less than the sectional area of the pipe or drain to which such grating is fixed. All openings for ventilation made in accordance with this By-law, or upon order of the Authority, shall at all times be kept open and perfectly free from obstruction.

All galvanized sheet-iron vent pipes used to ventilate the drainage system, or used as anti-syphonage pipes to soil or waste pipes from closets, slop sinks, or urinals, must be coated with hot tar or asphaltum inside before erection.

All drainage sheet-iron vent pipes must be double galvanized.

Whenever vent pipes from drains are not more than 9 feet above the offset they will not require staying; if longer they must be stayed with ½-inch galvanized wrought-iron pipe.

When a galvanized sheet-iron pipe, with or without an offset, is carried up above the brick wall of a building, a galvanized wrought-iron pipe clip shall be used, leaded to the wall near the top wherever possible and bolted against vent pipe. All hand iron clips of vent pipes to brick walls must be fastened with nuts and bolts, leaded in.

A length of 15 feet of straight vent pipe without offset may be fixed without stays.

The minimum height measured from the ground level of all vent pipes to be not less than 21 feet.

There shall be at least one pipe hook or clip to each 6 feet length of vent pipe.

When vent pipes terminate more than 6 feet from chimney openings at the same level, the ordinary rules as to height are to apply; but when the distance is 6 feet and under the vent pipe must terminate 2 feet below the chimney opening. Vents must, as far as possible, be kept away from chimneys.

When it is not possible to carry a vent pipe above the parapet or ridge, the pipe must be carried up as high as it will stand without staying, provided it is 30 feet from a window or door. When it is at a less distance than this it must be carried up 6 feet higher than any window or door opening within a radius of 30 feet of the vent pipe, and have sufficient stays to support it.

Wooden blocks for vent pipes will not be allowed on walls; when used on posts they must be of redgum or jarrah.

Traps.—Drainage.

25. Traps of three (3) classes shall be used:—

- (a) "Trans" for intercepting gases only to be of round section and self-cleansing form, but not so easy as to empty by momentum or suction.
- (b) "Silt traps" for intercepting both gases and solids to have slightly tapering sides, flat bottom, and rounded, not sharp angles, and provided with trays fitted with handles for catching and removing solids.
- (c) "Grease traps" for solidifying and collecting grease or other semi-fluid matter liable to foul the pipes to be of such form as may from time to time be approved. "Triple interceptor traps" for collecting oil.

The term "gully" is applied to traps (a) and (b) in cases where they are used externally, and fitted with dishd tops and gratings. In such case the dish must be in one piece with the trap, or jointed thereto spigot and socket, and the depth of the dish from the top to the grating must not be less than 6 inches, and the grating must be removable.

The term "disconnector" is applied to traps in cases where provision has to be made for inlet ventilation to the pipe or pipes discharging therein.

All traps must have a water-seal of at least half the diameter of the outlet pipe, but in no case of less than 2½ inches.

Unless a slop sink be fixed inside the building a gully trap must be provided in the yard of every house, placed as near as possible to the kitchen door, with a tap placed over it at a height of about 2 feet, except in cases where the owner desires the tap to be placed higher.

Gully trap basins and tops of silt traps must be surrounded with brickwork or concrete neatly rendered inside and on top with cement mortar. The internal diameter of brickwork around gully traps measured from face of cement rendering must not be less than 15 inches, and must be neatly rounded to meet the gully top.

The walls at rear of gully and silt traps, if of brick or stone, must be cement rendered to height of tap; if traps abut against a wooden wall, a sheet galvanized-iron apron must be fixed.

The top of all traps must be at least 6 inches above the surface of the surrounding ground.

Gratings to gully traps must not be less than 6½ inches over all, and the gratings to all disconnector traps to be convex in section, with openings of suitable outlet capacity.

All gratings must be fixed down in an approved manner with bitumen or wedges of lead.

When the connecting drain is considerably deeper than the depth at which the private drain will be required to be laid to provide for existing or future cellar drainage, the private drain, instead of being connected directly to the connecting drain, may, if approved, be connected to a jump-up or vertical extension from the same.

Water Supply.

26. All water-closets and other plumbing fixtures must be provided with a sufficient supply of water for flushing purposes to keep them at all times in a proper and cleanly condition. All water pipes to be laid in the ground unless by permission of the engineer.

Every owner of property who shall desire, or who shall have been ordered by the Authority to provide sanitary appliances for his property, and to connect the same with the sewers of the Authority, must, prior to or at the commencement of the work of making such connexion, provide piping approved by the Authority for the conveyance of water, and cause the same to be jointed to the most convenient water supply main, or, with the permission of the Authority, to some pipe already jointed thereto, which piping must be of capacity sufficient to supply all sanitary fittings on the premises freely and continuously and convey to the flushing cistern of each water closet upon the property enough water to fill cistern within five minutes, and he shall cause such piping to be connected with such cistern prior to the completion of the work.

No water service pipe shall be laid to supply any sanitary fitting in any property in the drainage area unless such fitting be connected with the sewers of the Authority; or unless the special permission of the Authority in writing shall have been previously given to lay on such water supply.

The piping to convey a supply of water to the tenement for sanitary uses shall not, for the purpose of obtaining such supply, be jointed to the piping which conveys water to another tenement for general purposes.

Water supply pipes to storage tanks for internal closets must be ½ inch diameter for tanks of up to 20 gallons, and ¾ inch for tanks of larger size, and be provided with high-pressure ball-taps, except where the height of the storage tank is not sufficient to allow of high-pressure ball-taps being used, when low-pressure ball-taps may, with the consent of the engineer, be used.

Outlets from storage tanks must not be less than ¾ inch when supplying one or two cisterns, and 1 inch for three to six cisterns. Whenever a larger number than six cisterns is fixed, the size of the outlet must be increased. The overflow from storage tanks must be 1½ inches in diameter, and a stop-tap must be fixed on the rising supply pipe to tank.

Where any deviation from these provisions is desired, in special circumstances, an application in writing (in addition to the plumber's notice) must be made, and must distinctly state the reasons why such deviation is required, and pending the consent of the Authority the work must not be undertaken.

In all water-closets a piece of lead pipe not less than 12 inches in length must be used between the flushing cistern and the supply pipe unless allowed to be dispensed with by the engineer after special application.

Plumbing Rules.—General.

27. Separate internal wastes shall be provided for each of the following classes of polluted waters, except by permission of the engineer:—

- (1) Dirty water from baths, pantry, and china closet sinks, lavatories, and wash-troughs, and other waters with a small proportion of soap and dirt.
- (2) Greasy water from kitchen and scullery sinks where grease traps are required.
- (3) Soil water from closets, and other water containing faecal matter, and urinal water from housemaids' stop sinks and public and private urinals.

Each of these separate waste pipes, except those specified in class (3) must be connected with the drains through a gully or disconnector trap, unless by permission of the engineer.

The ends of waste pipes discharging into gully basins to finish flush with the internal face of the basin.

No waste pipe shall be laid on the ground outside any building unless by special permission.

No material shall be used within the building for soil vent or waste pipes other than wrought or cast iron pipes with securely screwed or leaded joints, or lead pipes with wiped joints. Cement or putty joints, or tin or sheet-iron pipes, whether galvanized or not, shall not be used.

In all cases the upward extension from the soil pipe for ventilation must pass in as direct a manner as possible above, and, if necessary, through the roof.

The following are the minimum sizes of soil, waste, and vent pipes, and weights of lead, soil, waste and vent pipes, which must be used throughout, unless otherwise specially ordered by the superintending officer:—

Fitting.	Diameter of Waste Pipe.	Minimum Weight of Lead Waste Pipe, lb.	Diameter of Vent Pipe.	Minimum Weight of Lead Vent Pipe, lb.
	inches	per foot	inches	per foot
One Wash Basin ..	1½ to 1½	6	1½	6
Row of Wash Basins ..	1½ to 2	6	1½	6
Wash Basin Overflow ..	1½ to 1½	6
One Bath ..	2	6	1½	6
Combined Waste for Baths ..	2 to 3	6	2 to 2½	6
Bath Overflows ..	1½ to 2	6
Wash Tub ..	2	6	1½	6
Set of Tubs ..	2	6	1½ to 2	6
Kitchen Sink ..	2	6	2	6
Pantry Sink ..	2	6	2	6
Slop Sink ..	3 to 3½	7	2 to 2½	7
One Urinal ..	1½	7	1½	7
Row of Urinals ..	2	7	1½ to 2	7
Soil Pipes ..	4	7	2 to 3	7

All cast-iron pipes must be sound, free from holes and cracks, and coated with Dr. Angus Smith's solution, tar, or asphaltum or other coating approved by the engineer.

The following weights will be accepted standards:—

- 2 inches diameter, 5½ lb. per lineal foot.
- 3 inches diameter, 8 lb. per lineal foot.
- 4 inches diameter, 13½ lb. per lineal foot.

All wrought-iron pipes must be of approved standard weight and quality, and galvanized or coated to the satisfaction of the Authority.

All fittings used in connexion with such pipes shall correspond with them in weight and quality. All junctions must be curved; right-angled junctions must not be made.

Where lead pipe is used for waste or vent pipes, such lead pipe must weight not less than 6 lb. per foot; but where, in the opinion of the engineer, a heavier weight may be required, such heavier weight as the engineer shall desire must be used.

No cast-iron pipe laid in the ground shall be less than the standard weights given in this By-law, but for cast-iron soil, waste, and vent pipes in other positions, and for glass-enamelled pipes, the following modifications of the By-law will be allowed, viz.:—

- Cast-iron soil and waste pipes, minimum thickness, ¼ inch.
- Cast-iron ventilation pipes, 2 inches, 3 inches, and 4 inches diameter, minimum thickness, 3-16th inch.

Glass enamelled pipe, if not under heavy pressure, may be 3-16th inch in thickness, without coating, for 3 or 4 inch soil or waste pipes. Glass enamelled pipes shall be measured without enamel.

All soil pipes shall be at least 4 inches in diameter.

Where lead, cast-iron, wrought-iron, soil, waste, or vent pipes are fixed outside a wall for upstairs fittings, the cast-iron, lead, or wrought-iron pipes must be carried up above the level of the highest fitting attached to the pipe.

Sufficient inspection and cleaning eyes must be provided in such positions on cast or wrought iron or lead wastes as to be easy of access for proper cleansing of every part or portion of the wastes.

Where inspection openings are provided to cast-iron soil and waste pipes, preference must be given to insertion cloth washers before red lead and the inspection openings must have a flange at least ½ inch wide.

The soil, waste, and vent pipes, and traps must, where practicable, be exposed to view at all times, for ready inspection, and for convenience of repairing. When unavoidably placed within partitions or recesses of walls, soils, waste, or vent pipes must be covered with woodwork so fastened with screws as to be readily removable.

Bolted Clips.—Soil, waste, and vent pipes must be fixed to brick or stone walls with approved bolted clips, to be let into wall and properly run with molten lead and well caulked.

The arrangements of soil and waste pipes must be as direct as possible.

The following are the minimum gradients to be adopted:—

Size of Pipes.	Gradients.	Size of Pipes.	Gradients.
6 in.	1 in 60.	1½ in.	1 in 15.
4 in.	1 in 40.	1½ in.	1 in 12.
3 in.	1 in 30.	1 in.	1 in 10.
2 in.	1 in 20.		

No variation will be allowed except by permission of the engineer.

The area of openings in gratings to any waste must not be less than will fully charge the waste pipe to which it is attached; and must be in accordance with the Authority's standard drawings.

Traps to be connected to outlets of fittings by means of a cap and lining where possible.

A main waste pipe into which lavatories, baths, or sinks discharge must be at least two inches (2 inches) in diameter.

External vent pipes of galvanized sheet-iron must be of not less gauge than the following:—

Diameter—

1½ inch, 2 inch, and 2½ in., 22-gauge galvanized-iron;

3 inch and 4 inch., 20-gauge galvanized-iron.

6 inch, 18-gauge galvanized-iron.

Vent pipes, if inside a building, must in all cases be of cast or wrought iron or lead. Grooved or riveted double galvanized-iron vent pipes may be used where they are entirely outside a building, and these must be connected with the traps or waste pipes with brass ferrules or other joints approved by the engineer.

The various vent pipes may be branched into a soil or waste pipe of the same class above the level of the highest fixture. They may be combined by branching together those which serve several traps of the same class.

Vent pipes must always have a continuous slope, to avoid collecting water by condensation.

Vent pipes shall not be used as waste or soil pipes.

Galvanized sheet-iron vent pipes may be used inside stables or open sheds in place of cast-iron pipes, except where liable to blows from vehicles or other external damage.

In all cases where the vertical stack of soil pipe provides for closets 4 feet or more above ground level, a short length of pipe, with inspection opening cover close to the ground, clamped to a flange on the pipe with bolts, must be fixed. All vertical soil pipes branched into a horizontal soil pipe must do so at an angle of 45 degrees, unless by special permission.

Lead pipes must not be used under ground floors where they are inaccessible or in the soil. In such places cast or wrought iron must be used.

Anti-syphonage vent pipes or fittings discharging into gully or disconnector traps must be carried above the eaves of the building, unless special permission to the contrary be granted by the engineer. These vent pipes must be branched to the waste as near as possible to the trap.

Where an additional vent branch is required to a galvanized sheet-iron vent pipe already fixed, a brass saddle piece, bolted and soldered to the existing vent must be used.

Waste pipes from disconnected fittings need not be ventilated unless they exceed 12 feet inclined, or 18 feet vertical, in length (or their equivalent); branch wastes to such fittings, if connected with the ventilated main waste, provided there be no other fittings attached to the line of waste, may be 6 feet in length without being ventilated, unless syphonage occurs in a trap, in which case a vent pipe must be supplied to the waste of that trap.

Concealed standing wastes are not allowed.

Spacing of lead tacks must be arranged as nearly as possible, thus—

4-in. vertical lead pipes, 2 ft. 6 in. centres.

4-in. horizontal lead pipes, 2 feet centres.

Less than 4-in. vertical lead pipes, 3 feet centres.

Less than 4-in. horizontal pipes, 2 ft. 3 in. centres.

One pair of tacks fixed opposite is sufficient for lead-flush pipes for cisterns with lugs; in other cases an extra tack must be fixed as near to the cistern as possible.

Where water might otherwise percolate to the floor, baths, troughs, and the like fittings must be flashed with sheet lead of not less than four pounds per square foot, or other approved material. All flashings must be turned up walls at least 4 inches, properly secured, and made watertight. This provision shall not apply to the sinks, which are specially provided for under clause 41 of this By-law.

Whenever a fitting is abolished, the soil, waste, vent, and water supply pipes to such fitting must be removed, or if allowed by the Authority to remain, the ends of pipes must be sealed with watertight imperishable materials. Wrought-iron pipe must be sealed with screwed plug; a cast-iron pipe must have cast-iron plug caulked in with lead; lead pipe must have end securely closed with properly wiped joint; stoneware or cement concrete pipe must have a disc cemented in.

Joints.—Plumbing.

28. All connexions of lead waste and vent pipes shall be made by means of wiped joints.

All connexions of galvanized sheet-iron pipes to cast-iron pipes shall be made with molten lead, and be lightly caulked.

Brass sockets or sleeves must be used in connecting galvanized sheet-iron to wrought-iron pipes, and proper brass sleeves must be used in connecting galvanized sheet-iron pipes to lead pipes. Sheet-iron pipes must not be soldered to lead pipes.

In connecting galvanized wrought-iron waste pipes, the ends of the pipes must be butted by means of short sockets of a minimum length of 1½ inches, and the pipes must be sufficiently threaded to allow the butting being done, and all burrs must be removed before the pipes are fitted.

The flushing pipe from cistern to water closet must be connected by a lead cap-piece with red lead packing.

Vent pipes must be connected to the vent horn of the water closet trap by a lead cap-piece with red lead packing.

Trapping Fittings.

29. Every water closet, urinal, lavatory, slop or other sink, bath, and wash trough, or set of wash troughs, must be separately and effectively trapped.

Traps must be placed as near to the fittings as possible, and in no case shall a trap be more than 2 feet from a fitting, unless specially allowed by the engineer.

In the vent of trap syphoning, it must be prevented by a special pipe connected to the waste pipe at a point not less than 3 nor more than 12 inches from the highest part of the trap, and on that side of the water seal which is nearest to the soil or waste pipe.

All lead traps must be drawn lead pipe weighing 7 lb. to the foot.

All traps must have a water seal of at least half the diameter of the outlet pipe, but in no case of less than 2½ inches.

The P form of traps, with wastes above floors, and with joints visible and accessible all round, must be used in all internal fittings where possible.

The S form of traps, with wastes under floors, shall only be used by special permission. Where used, facilities for periodical inspection must be provided.

In detached closets and urinals, approved S forms in earthenware, with joints visible and accessible all round, may be used.

All closet pans must be provided with a vent horn attached to the trap.

All fittings inside of main buildings, and also in buildings directly attached to a main building with doors or windows opening directly into living rooms, work rooms, or kitchens, must be trapped.

Baths, lavatories, and clean water sinks may remain untrapped when fixed under any of the following conditions, provided the length of the waste pipe does not exceed 3 feet, and wash troughs may remain untrapped provided the waste pipe measured from the centre of the furthest inlet to the end of the outlet does not exceed 6 feet:—

- (1) In an apartment not forming part of the main building and entered only from an open verandah, but having no opening communicating directly with the main building; or
- (2) In an outbuilding not used as a living room or for cooking, and not connected directly by openings with the main buildings.

Grease Traps.

30. Every grease trap shall be fixed outside the premises, wherever possible, and (if not portable) must be of stoneware or cement concrete, and attached directly to the drain or disconnector trap.

The size of grease traps in ordinary cases must be as nearly as possible the following, viz.:—Portable copper, 21 inches in length; stoneware or cement concrete, 27 inches in length; or otherwise as ordered by the engineer.

Wherever a copper grease trap is used inside a building, it must be fitted so as to be easily movable.

The size of grease trap discharge pipes, except in special cases, must not be less than 3 inches for copper and 4 inches for stoneware or cement concrete.

All large grease traps which are built in brick or slate must be constructed according to the Authority's drawings and specifications, and must have provision made for inlet and outlet ventilation.

Sinks in all such places as food-packing houses, butchers' shops, lard-rendering establishments, hotels, restaurants, boarding houses, and laundries, and wherever ordered by the engineer, shall be provided with suitable approved grease traps.

Water Closets and Latrines.

31. The area of any external water closet must not be less than 13½ square feet, with a minimum internal dimension of 3 feet inside measurements. The minimum heights to be not less than 8 feet at back and 7 feet at front, measured from the floor to the top of wall plate. The floors of all water closets must be constructed of concrete, tiles, or other approved impervious and non-absorbent material. Seats must be either flap or hinged tip-up. The area of any internal water closet must not be less than 15 square feet, with a minimum internal dimension of 3 feet inside measurements, except by permission of the engineer.

Every internal water closet shall be constructed in such a position that one of its sides at least shall be an external wall which shall abut immediately upon the street, or upon a yard, or garden, or open space of not less than 100 square feet of superficial area, measured horizontally at a point below the floor of such closet. Such water closet shall not be constructed so that it is entered directly from any room used for the purpose of human habitation, or for the manufacture, preparation, or storage of food for man, or used as a factory, workshop, or work place. Such water closet shall be constructed so that on any side on which it would abut on a room intended for human habitation, or use for the manufacture, preparation, or storage of food for man, or used as a factory, workshop, or

work place, it shall be enclosed by an air-tight partition or brick or other approved material, extending the entire height from floor to ceiling. Such water closet apartment must be entered only from a well-lighted and well-ventilated hall, passage, lobby, or staircase; or, if proposed to be fixed in or adjoining a room used for the purpose of human habitation, or as a factory, workshop, or work place, must be cut off from such room, factory, workshop, or work place, by a separate enclosure adjoining the closet apartment. Such enclosure must have a floor area of at least 20 square feet per closet, and must be enclosed on all sides with air-tight partitions extending from floor to ceiling, or ceiled over with an air-tight ceiling at an approved height from floor. Such halls, passage, lobby, staircase, or enclosure must be provided with a window having an area of at least 2 square feet, opening directly into the external air. If such method of lighting enclosure be impracticable, other methods of naturally lighting same must be provided. Such water closet apartment must be provided with a window of such dimensions than an area of at least 2 square feet, exclusive of frame, shall open directly into the external air. In addition to a window, such water closet apartment, and such hall, passage, lobby, staircase or enclosure must be provided with independent, adequate means of constant inlet and outlet ventilation by means of air-bricks built in external wall of such water closet apartment, hall, passage, lobby, staircase, or enclosure, or by combination of an air-brick and an air-shaft louvred openings, or by some other effectual method or appliances for ventilation. The effective area provided for outlet ventilation of each water closet apartment, hall, passage, lobby, staircase, or enclosure must not be less than 27 square inches, and where the level of the floor of closet is lower than the outside surface of the ground exhaust ventilation must be provided by means of a tube at least 6 inches in diameter, carried up through roof and furnished with cowl.

The water closets shall be furnished with a basin of non-absorbent material of such shape, capacity, and mode of construction as to receive and contain a sufficient quantity of water, and to allow all filth which may from time to time be deposited in such basin to fall free of the sides thereof, and direct into the water received and contained in the basin. To prevent fouling of pan, the closet seat openings must not be larger than 10½ inches by 9 inches, and seats with holes so large as to cause fouling of the pan must not be used. Pans must measure at least 12 inches between the lower edge of the front and back faces of flushing rims. Water closet seats must be provided with approved buffers to prevent damage to the pan, and an approved buffer clip must be fixed to the flush pipe at a suitable height from the pan.

Closet pans and fittings thereto must be entirely open to inspection without any enclosure.

A suitable apparatus must be provided for the effective application of water to the basin of the water closet, and for the effective flushing and cleansing of such basin, and for the prompt and effective removal therefrom of any solid or liquid filth which may from time to time be deposited therein.

Every closet pan shall be furnished with a separate flushing cistern or other apparatus approved by the Authority of at least 2 gallons capacity, which shall be so constructed, fitted, and placed as to admit of the supply of water for use in such closet pan without any direct communication with any service pipe upon the premises.

The flush pipe from such cistern shall in no case be less than 1½ inches internal diameter, and shall be fitted as straight as possible under the circumstances. The bottom of every such cistern shall be at least 5 feet above the closet seat, but in cases where this distance cannot be obtained in existing buildings without structural alteration, 4 feet will be allowed; but the internal diameter of the down pipe must then be 1½ inches. Every cistern must be fixed so that the ball-tap shall be accessible. Cisterns of all closets must have a separate stop-tap to each. Cistern boards must be in one piece, not less than 10 inches deep and 1½ inches thick.

All water closets inside a main building must be vented either by a soil vent pipe or, if considered necessary by the engineer, by back venting the trap at a point near the crown of the trap where directed.

In every case where there is more than one closet on an upstairs floor, provision must be made for ventilating in an approved manner to prevent syphonage, and so as to have a current of air continually passing through the soil pipes.

Where a closet branch does not exceed fifteen (15) feet in length a two (2) inch back vent may be substituted for soil vent pipe.

Where there are more than three closets on the ground floor special provision must be made to prevent syphonage.

Where the branch from the closet to the main soil pipe is not more than 3 feet in length, and such closet is the only one attached to the soil pipe, the branch may be allowed to remain without any further ventilating.

Internal water closets must be provided with storage tanks capable of holding 6 gallons of water for each occupant of the building. These tanks may be of 22-gauge galvanized sheet-iron, or 24-gauge corrugated-iron. The storage tanks may be placed in the closet room itself, on the roof over a flat or

gutter, or in an accessible place between the ceiling and the roof, in which latter case a galvanized sheet-iron or lead safe with overflow must be fixed under the storage tank, unless the owner in writing otherwise requires. If the owner desires not to provide storage tanks he must make a request in writing accepting all responsibility in the matter.

In wooden closet buildings the base to be constructed or repaired according to the Authority's drawings and specifications. Such closets must be made rigid, and not attached to fences.

On tiled floors the pan to be secured to approved wooden plugs fixed in the floor. On concrete floors the pan to be secured by cast-lead dowels. In each case the pan must be bedded on cement mortar and neatly pointed up. External closet doors to be saw-toothed on top, and a space of 3 inches left between bottom of door and floor, or other approved means of ventilation provided.

In hotels and lodging-houses one water closet must be provided for every ten lodgers the house can accommodate, placed in suitable positions for males and females separately; and in hotels urinal conveniences must also be provided for the public frequenting the premises. In all other cases water closets must be provided where required, and in accordance with orders issued by the Authority.

A pedestal pan must be used wherever combined water closet, housemaids' slop sink, and internal urinals are required, and in such case must be provided with hinged tip-up seat. A lead safe of suitable area must be fixed under the pan.

Urinals.

32. Internal cradle urinals will only be allowed by permission of the engineer, and where permitted they must be small, free from projecting ornament, and of non-absorbent material. The waste pipes shall be of potteryware, lead, or glass enamelled, or coated cast iron, and be kept as short and free from bends as possible. The waste pipes must be trapped, and discharge direct into the drain or soil pipe, except where special permission is given to do otherwise. The urinals must be provided with approved flushing apparatus.

The floors under urinals must be covered with non-absorbent material. The floors of the urinals must be tiled or paved with a fall towards a drain against the wall. The walls behind and screens between urinals must be of a non-absorbent material and of approved height. The screens must also be free from the floor for a portion of the width of the division, must project at least 1½ feet, and be of not less than 2 feet apart. Approved forms of stall urinals will be allowed.

The following materials will be considered impervious:—

- (1) For Urinal Walls.—Slate, white or brown porcelain, enamelled fireclay or stoneware, salt-glazed stoneware, and enamelled cast-iron, Portland cement mortar composed of equal parts of cement and sand.
- (2) For Floors.—Glazed tiles, Portland cement mortar composed of equal parts of sand and cement, slate, and marble.

Urinals inside a building must only be fixed in well-lighted and well-ventilated rooms having at least one external wall, and separated from any other portion or portions of building by a well-lighted and well-ventilated passage or air chamber.

The positions, approaches, arrangement of lighting, ventilation, &c., for internal urinals must comply as nearly as possible with this By-law as to internal closets.

In outside urinals where a floor or urinal disconnecting trap is used, the waste water from a single urinal must discharge into the drain or soil pipe.

Outside urinals may discharge into open channels leading to disconnector traps without further trap.

Open channels must not be provided for urinals inside main buildings, except where approved by the engineer, and where there is ample ventilation and light. Wherever inside urinals are provided the traps must be fitted with ventilating pipes having an internal diameter of not less than 1½ inches.

Urinal wastes must be connected directly to the drain if no soil pipe is convenient, and must be trapped and vented in an approved manner.

Wherever urinals are provided with wastes and traps, and drainings may become a nuisance, provision must be made to prevent the nuisance by one of the following methods:—

- (a) By a urinal floor trap, with the floor graded to the trap where the floor is tiled or cemented.
- (b) By a suitable sunken trap, trapped and connected with the waste, where the floor is covered with lead.

In either case suitable provision must be made for retaining the seal of the floor trap, and for flushing the surface of the tray.

A separate trap must be provided to each urinal basin.

Urinal Cisterns.

33. Flush pipes for cisterns generally must not exceed—

1-gallon cistern, ½-inch diameter	} With branches as directed by the engineer.
2-gallon cistern, 1¼-inch diameter	
3-gallon cistern, 1½-inch diameter	

The height of cisterns must, except by special permission, be at least 6 ft. 6 in. from the floor to the bottom of the cistern. The cistern must be so fixed that the ball-tap shall be accessible.

Pull and chain flushing cisterns, or other approved apparatus operated by hand, must be fixed on all urinals.

The discharge must be equal to one gallon for each urinal stall, except where otherwise allowed by the engineer.

In a combination of two urinals, one two-gallon cistern may be allowed.

A separate stop-tap must be provided for each urinal cistern.

Where the sparge pipe system of flushing urinals is adopted, such sparge pipes must be of brass or copper, with gun-metal fittings.

Flush pipes connecting urinal cisterns to spreaders must be of brass or copper tube, and connected to the brass union coupling attached to the cistern with a brass reducing socket screwed to the coupling.

Housemaids' Slop Sinks.

34. Slop sinks must be of approved material, and be provided with approved flushing arrangements.

The waste pipes from slop sinks must be branched into a soil pipe, or connected directly and independently to the drain. Draw-off taps must not be used directly over slop sinks unless at least 18 inches above the sink.

A slop sink must be treated in the same way as a closet.

All insanitary slop sinks must be abolished.

Only approved pedestal slop sinks will be allowed.

Kitchen and Scullery Sinks and Troughs.

35. Unless where otherwise specially approved, kitchen and scullery sinks and wash troughs must discharge into the open air over a gully trap or into a disconnector trap. The trap main, and branch waste pipes must not be less than 2 inches in diameter.

The brass strainer must be sunk to the level of the trough. The grating openings must be of ample size to fill the waste pipe full bore.

Where sinks and draining boards thereto abut against walls or partitions of living rooms, they must, except by special permission, have suitable lead flashing, weighing not less than 5 lb. per square foot, carried up the walls not less than 2 inches, and securely fastened and made water-tight. Sinks may be fixed on brackets, and the space between floor and the under portion of sink must be entirely open, without any enclosure.

Where the distance between the outlets of troughs exceeds 21 inches centres and lead pipe is used, the pipe must be supported either by a lead tack wiped on the top of the pipe or by wooden blocks screwed to the bottom of the trough and clamped to the pipe. The pipe passing through the troughs must have a lead flange wiped on.

Wherever the end of a wash trough abuts against the brickwork or walling copper, the space between the end of trough and the brickwork must be made thoroughly water-tight.

The use of unlined wooden boxes as kitchen or scullery sinks is prohibited. Before their connexion with the Authority's sewers will be permitted wooden boxes must be lined inside with sheet lead weighing not less than 6 lb. per square foot, or with sheet copper weighing not less than 1½ lb. per square foot.

Baths and Lavatories.

36. The waste pipe from a bath or set of lavatories must be at least 2 inches in diameter, properly trapped and provided with a 1½-inch vent pipe for the bath, and 1½-inch vent pipe for the lavatory. The waste pipe must be carried separately to the open air, and delivered over a gully trap or into a disconnector trap.

The waste pipe and trap from a single lavatory must be at least 1½ inches in diameter, and the area of the grating must be sufficient for the water to effectually scour the waste pipe. The waste pipe must be as short as possible, and discharge over gully trap or into disconnector trap.

From two to six lavatories must have at least 1½ inch combined waste pipe, and from seven to twelve a 2-inch waste.

In all internal lavatories where syphoning occurs separate trap ventilation must be provided. In ranges of lavatories in external buildings or rooms isolated from the main building the waste may be ventilated by single pipe at its upper end.

The erection or use of tip-up basins is prohibited.

Where it is necessary to fix new wastes to galvanized-iron baths, the bottoms of which are unsupported, efficient supports for the bath must be provided before the wastes are fixed.

Where a bath trap is fixed on the outside of a wall it must in no case be more than 2 feet from outlet of bath, unless with special permission of the engineer.

Where pedestal baths are to be fixed and it is not desired to flash them, they must be fixed with a space of at least 6 inches clear of walls.

Safes, Overflows, &c.

37. Unless where otherwise allowed by the engineer every safe under a water closet, urinal, lavatory, bath, refrigerator, sink, or other fixture must be drained by special pipe not directly connected with any waste pipe, soil pipe, drain, or sewer. It must be provided at the outlet into the open air with flap valves of brass or other approved metal.

All lead safes must be laid with sheet lead not less than 5 lb. per square foot, and where the whole floor is not laid with lead the safe to extend 12 inches beyond the sides and 15 inches beyond the front of the pan, measured from the outside of the basin, and shall extend back to and 3 inches up the wall and overflashed if necessary.

In the case of baths, sinks, and lavatory basins, the lead to extend 6 inches beyond the ends or sides, measured from the extreme edge of the fitting, and to be carried back to and up the wall as for closets.

Pipes draining safes may discharge into the open air only when the discharge will not cause any inconvenience or nuisance. In all other cases the pipes must be brought to the ground surface or be arranged to discharge where they will not prove a source of annoyance or inconvenience.

Pipes for bath safes must be of 2 inches diameter, and those from closet and urinal safes must be of 1½ inches or 1¼ inches, as directed.

A brass grating must be fixed to the inlet of each safe pipe.

No steam exhaust, blow-off, or drip pipe shall be connected with the drain or sewer or with any soil or waste pipe. Such pipes must discharge into the rain-water channels.

On special application of the owner, lead safes already in position may be retained only under the conditions stipulated for existing fittings.

Lead safes for slop sinks to be laid the same as for closets.

It shall be compulsory to fix a lead safe or other impervious material under a bath or basin on an upstairs floor, unless the owner in writing otherwise requires.

Existing bath floors must be regarded if necessary in the opinion of the Authority's inspecting officer, and a proper waste pipe and flap valve must be fixed.

On ground floors where cisterns are fixed over concrete or tiled floors graded to drain outside of the room, the overflow may discharge on to them, provided no damage is likely to arise therefrom.

Overflows from cisterns, wherever possible, must be taken through external walls, and must discharge inside the owner's property; but in exceptional cases permission may be given to discharge into a slop sink or other fitting, or on to a lead safe which has a drainage pipe attached.

Gratings.

38. The entrance to exit pipes to all fixtures, except water closets, shall be furnished with suitable permanently attached gratings.

Consent, Sanction, &c., of the Authority.

39. Where the sanction, permission, authority, consent, approval, satisfaction, order, direction, opinion, indication, or notice of or from the Authority is necessary, whether special, in writing, or otherwise with regard to any Act, matter, or thing mentioned in this By-law, the same may be given by and under the hand of the chairman of the Authority, or of the engineer personally, or through an inspecting officer appointed under him, who severally shall be competent to give the same, and authorized on behalf of the Authority to prescribe any conditions attaching thereto, and subject to and in accordance with which only the same shall be deemed to have been given.

40. (a) Every person guilty of an offence against this By-law shall be liable for every such offence to a penalty not exceeding Twenty pounds, and to a further penalty of One pound for each day during which such offence is continued by such person.

(b) In addition to a penalty, any expense incurred by the Authority in consequence of a breach of this By-law or in the execution of work directed by this By-law to be executed by any person, and not executed by him, shall be paid by the person committing such breach or failing to execute such work.

Interpretation.

41. In the construction of this By-law the meaning which in the Acts is assigned to any word shall be the meaning of the same word where occurring in this By-law, unless inconsistent with the subject-matter or context.

The foregoing By-law was made and passed by the Colne Sewerage Authority on the 13th day of September, 1927, and was confirmed on the 29th day of September, 1927.

In witness whereof the common seal of the said Authority was affixed hereto in the presence of—

Cemeteries Act 1915.

SCALE OF FEES OF THE MELBOURNE GENERAL CEMETERY.

IN pursuance of the powers conferred by the *Cemeteries Act 1915*, the Trustees of the Melbourne General Cemetery make the following scale of fees, which shall come into force immediately after its publication in the *Government Gazette*, and from and after such publication every scale of fees heretofore made shall be and is hereby rescinded:—

LAND FOR GRAVES.

Land for a grave, 8 feet by 3 feet, or 8 feet by 4 feet	£	s.	d.
	10	0	0

GRAVES.

Sinking grave 7 feet deep	2	2	0
Sinking grave 8 feet deep	2	5	0
Sinking grave 9 feet deep	2	10	0
Sinking grave 10 feet deep	2	15	0

RE-OPENING GRAVES.

Re opening grave	1	18	0
Re-opening grave for child under 5 years	1	2	6
Re-opening grave for child under 10 years	1	7	6
Re-opening vault or tomb	2	15	0

EXTRA CHARGES.

Interment in a private grave without due notice	1	7	6
Interment not in usual hours	0	17	6
Interment on Saturday afternoons and Wages Board Holidays	0	15	0
Interment on Sundays	1	12	6

MISCELLANEOUS.

Exhumation fee	2	10	0
Permission to construct a brick grave	1	2	6
Permission to erect any stone	1	1	0
Permission to erect stone kerb	0	10	6
Permission to erect brick kerb	0	5	0
Permission to erect monument over grave, vault, or tomb	3	0	0
For new certificate	0	10	6

Metropolitan Drainage and Rivers Acts.

MELBOURNE AND METROPOLITAN BOARD OF WORKS.
NOTICE DECLARING THAT A PROPOSED NEW MAIN DRAIN WITHIN THE CITY OF CAULFIELD AND SHIRE OF MOORABBIN, AND WITHIN THE METROPOLIS, SHALL BE A MAIN DRAIN.

MELBOURNE and Metropolitan Board of Works, under the powers conferred upon it by the *Metropolitan Drainage and Rivers Act 1926*, and otherwise, doth by this notice declare that the new main drain within the metropolis, as the same is defined and described hereunder, and which it is proposed to construct under the *Metropolitan Drainage and Rivers Act 1923*, as amended by the *Metropolitan Drainage and Rivers Act 1926*, shall be a main drain under and for the purposes of the said last-mentioned Acts.

PROPOSED NEW DRAIN ABOVE REFERRED TO.

The following is a description of the course of, and a specification of the points of commencement and termination, of the said proposed new main drain, that is to say:—

Commencing at the north bank of Elster Creek at Wattle-grove; thence northerly along Wattle-grove and northerly to North-road and northerly along Malane-street 1,670 feet; thence north-easterly 1,170 feet; thence easterly along a council reserve to Grange-road; thence northerly along Grange-road 870 feet; thence easterly 420 feet; thence northerly 320 feet; thence north-easterly 540 feet to Vine-street; thence northerly along Vine-street and northerly across El Nido-grove and along the course of the existing drain to Glenhuntly-road; thence westerly along Glenhuntly-road to Wanalta-road; thence northerly along Wanalta-road to Neerim-road; thence westerly along Neerim-road to, and terminating at, the east building line of Grange-road.

Dated this 25th day of October, 1927.

The common seal of the Melbourne and Metropolitan Board of Works was affixed hereto in the presence of—

(SEAL) W. J. CARRE RIDDELL, Chairman.
J. MILLWARD, Member.
GEO. A. GIBBS, Secretary.

Electoral Acts.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1927.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Lemmon | Mr. Beckett.

REVOCATION AND APPOINTMENT OF A POLLING PLACE FOR THE ELECTORAL DISTRICT OF WARANGA.

IN pursuance of the provisions contained in *The Constitution Act Amendment Act 1915*, section 196, as amended by the *Electoral Act 1923*, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke the appointment of Avonmore as a Polling Place within and for the Goernong Subdivision, and in lieu thereof appoint the said

AVONMORE

as a Polling Place within and for the Elmore Subdivision of the Electoral District of Waranga.

And the Honorable George Michael Prendergast, His Majesty's Chief Secretary for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1927.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Lemmon | Mr. Beckett.

Country Roads Act 1915 (No. 2635) and Developmental Roads Act 1918 (No. 2944).

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF ALBERTON.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1915 (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Alberton should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared map plans marked "A" and "B" respectively and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

Merrimans Creek Road in the Shire of Alberton.—All that piece of land in the Parish of Willung, and being a roadway generally one chain wide, the western boundary of which commences at a point on the western boundary of allotment 24A of the said parish distant 198 deg. 18 min. 235 links, 106 deg. 36 min. 237 links, 130 deg. 5 min. 430 links, and 174 deg. 49 min. 76.4 links from the north-western angle of the said allotment; thence north-easterly and northerly through that allotment, northerly and north-easterly through allotment 24, north-easterly through allotment 23, northerly along the western boundary of allotment 23A for a distance of 1½ chains approximately, north-westerly and north-easterly through allotment 23, north-easterly through allotment 23A, north-easterly, south-easterly, and north-easterly through allotment 22, and north-easterly through allotment 22A to a point on the eastern boundary of that allotment distant 181 deg. 26 min. 309 links from the north-eastern angle of the said allotment 22A.

Also, all that piece of land in the Parish of Willung, the boundaries of which are as follow:—Commencing at a point on the eastern boundary of allotment 19 of the said parish distant 37 deg. 23 min. 1,000 links from the south-eastern angle of the said allotment; thence by lines bearing respectively 12 deg. 53 min. 664 links, 81 deg. 54 min. 392.5 links, and 217 deg. 23 min. 887 links to the point of commencement.

NOTE.—The route of the portions of the roadway above described is more particularly delineated and shown coloured red on survey plans 1987 and 1988, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF MIRBOO.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1915 (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Mirboo should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

Mirboo-Boolarra Road in the Shire of Mirboo.—All that piece of land in the Parish of Mirboo the boundaries of which are as follow:—Commencing at the north-eastern angle of allotment 38 of the said parish; thence by lines bearing respectively 203 deg. 13 min. 50 links, 326 deg. 24 min. 54.7 links, and 90 deg. 0 min. 50 links to the point of commencement, which said piece of land is particularly delineated and shown coloured red on survey plan No. 1993, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF NARRACAN.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1915 (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Narracan should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

Sunny Creek Road in the Shire of Narracan.—All that piece of land in the Parish of Moe and being a roadway one and a half chains or more in width, the eastern boundary of which commences at a point on the northern boundary of allotment 42A distant 279 deg. 33 min. 551.2 links, more or less, from the north-eastern angle of the said allotment 42A; thence south-easterly through that allotment, south-easterly, southerly, and westerly through allotment 42B, north-westerly and generally southerly through allotment 42A, across a former Government road, generally southerly through allotment 44A, and generally south-easterly through allotment 44B to a point on the western boundary of the existing road through that allotment distant 100 deg. 44 min. 5,011 links and 205 deg. 5 min. 658.6 links, more or less, from the north-western angle of the said allotment 44B.

NOTE.—The route of the portions of the roadway above described are more particularly delineated and shown coloured red on survey plan No. 1992, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF OTWAY.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1915 (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Otway should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

Wild Dog Valley Road (Busty Access) in the Shire of Otway.—All that piece of land in the Parish of Krambruk and being a roadway of irregular width, the northern boundary of which commences at a point on the southern boundary of allotment 18A, section 3, of the said parish distant 168 deg. 12 min. 342 links, 244 deg. 44 min. 371 links, 227 deg. 29 min. 624 links, and 30 deg. 41 min. 798 links from the north-eastern angle of the said allotment; thence north-easterly and generally westerly through that allotment and continuing generally westerly through allotment 22 to an angle in the northern boundary of the Country Roads Board road in that allotment formed by the intersection of lines bearing 343 deg. 19 min. and 303 deg. 39 min.

NOTE.—The route of the portions of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 2000, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF ROSEDALE.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1915 (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Rosedale should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared map plans marked "A" and "B" respectively and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plans and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally

available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

Merrimans Creek Road in the Shire of Rosedale.—All that piece of land in the Parish of Callignee and being a roadway one and a half chains or more in width, the western boundary of which commences at a point on the southern boundary of allotment 11, section B, of the said parish distant 91 deg. 25 min. 3,453 links from the south-western angle of that allotment; thence north-easterly, north-westerly, and north-easterly through the said allotment, across a one-chain road, generally north-easterly through allotment 10, section B, generally north-westerly through allotments 3 and 4, section B, north-westerly across a one-chain road, generally northerly through allotment 2, section B, and generally north-easterly through allotment 1, section B, to a point on the eastern boundary of that allotment distant 166 deg. 42 min. 37.7 links from the north-eastern angle of the said allotment.

NOTE.—The route of the portions of the roadway above described is more particularly delineated and shown coloured red on survey plans Nos. 1989 and 1990, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF WARRAGUL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Warragul should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

Allambee Estate Road in the Shire of Warragul.—All that piece of land in the Parish of Allambee and being a roadway of irregular width the western boundary of which commences at an angle in the northern boundary of allotment 2, section B, of the said parish distant 152 deg. 34 min. 894.5 links, 131 deg. 30 min. 749 links, 164 deg. 48 min. 497.4 links, and 188 deg. 28 min. 339 links from the north-western angle of the said allotment; thence generally south-easterly and southerly through that allotment and generally south-easterly, westerly, and south-easterly through allotment 3 to a point on the southern boundary of that allotment 122 deg. 55 min. 500.9 links from an angle in that boundary formed by the intersection of lines bearing 77 deg. 34 min. and 122 deg. 55 min., excepting such part of the land above described as already forms part of the existing Government road.

NOTE.—The route of the portions of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 1931, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF WOORAYL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the new developmental road hereinafter referred to in the Shire of Woorayl should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

Allambee East-West Tarwin Road in the Shire of Woorayl.—All that piece of land in the Parish of Allambee East, the boundaries of which are as follow:—Commencing at a point on the southern boundary of the existing road through allotment 46 of the said parish distant 150 deg. 6 min. 2,317.1 links, 279 deg. 20 min. 683 links and 290 deg. 8 min. 772.8 links from the northern angle of that allotment; thence by lines bearing respectively 216 deg. 57 min. 187.7 links, 233 deg. 27 min. 185 links, 49 deg.

38 min. 180 links, 357 deg. 22 min. 192.7 links, and 110 deg. 8 min. 141.8 links to the point of commencement, which said piece of land is particularly delineated and shown coloured red on survey plan No. 1994, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A DEVIATION FROM A DEVELOPMENTAL ROAD IN THE SHIRE OF KOWREE.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Miga Lake-Gymbowen road in the Shire of Kowree (declared to be a developmental road under the Developmental Roads Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 1st October, 1924, on page 3103) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said first cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Gymbowen and being a roadway generally one chain wide, the south-western boundary of which commences at the south-eastern angle of allotment 43 of the said parish; thence north-westerly through that allotment and allotment 44 to a point on the north-eastern boundary of the allotment last named distant 0 deg. 8 min. 2,724 links and 270 deg. 8 min. 36.1 links from the south-eastern angle of the said allotment 44.

NOTE.—The route of the portions of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 1999, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A DEVIATION FROM A MAIN ROAD IN THE SHIRE OF YEA.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Upper Goulburn road in the Shire of Yea (declared to be a main road under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 9th December, 1914, page 5530) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas, on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Molesworth the boundaries of which are as follow:—Commencing at a point on the eastern boundary of allotment 32, section 1, of the said parish distant 185 deg. 23 min. 966 links from the north-eastern angle of that allotment; thence by lines bearing respectively 185 deg. 23 min. 230 links, 208 deg. 16 min. 293 links, 354 deg. 41 min. 315.2 links, and 47 deg. 35 min. 257 links to the point of commencement, which said piece of land is particularly delineated and shown coloured red on survey plan No. 1998, lodged in the office of the Country Roads Board.

ORDER IN COUNCIL CONFIRMING RESOLUTION OF THE COUNTRY ROADS BOARD RESCINDING RESOLUTION DECLARING A CERTAIN HIGHWAY IN THE SHIRE OF MIRBOO TO BE A DEVELOPMENTAL ROAD AND THEREUPON DECLARING SUCH ROAD A MAIN ROAD.

WHEREAS by the Resolution set out below and dated the seveneenth day of October, One thousand nine hundred and twenty-seven, the Country Roads Board incorporated under the *Country Roads Act 1915* (No. 2635) being of opinion that the road set out or described in the First Schedule to the same is of sufficient importance to be considered a main road resolved that the Resolution passed by the Board on the thirtieth day of July, One thousand nine hundred and twenty-three, and con-

firmed by the Governor in Council by an Order published in the *Government Gazette* of the fifth day of September, One thousand nine hundred and twenty-three, on page 2369, declaring the highway particulars of which are therein set out or described a developmental road be wholly rescinded: And whereas the said Board by the said Resolution set out below being of opinion that the said road more particularly described in the Second Schedule to the said Resolution is of sufficient importance to be a main road and acting under the powers in that behalf conferred upon it by the *Country Roads Act 1915* (No. 2635) declared such road to be a main road within the meaning and for the purposes of the *Country Roads Act 1915*: And whereas the said Act and the *Developmental Roads Act 1918* (No. 2944) amongst other things provide that the Governor in Council may by Order published in the *Government Gazette* confirm such Resolution whereupon any road or part thereof mentioned in such Resolution shall cease to be a developmental road and any road or part thereof mentioned in the said Resolution shall be a main road: And whereas it is deemed desirable to confirm the Resolution so made and passed by the said Country Roads Board: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm such Resolution and declare upon the publication of this Order in the *Government Gazette* the road mentioned in the First Schedule to such Resolution shall cease to be a developmental road and the road mentioned in the Second Schedule to such Resolution shall be a main road within the meaning and for the purposes of the *Country Roads Act 1915*.

Resolution Rescinding Resolution as a "New" Developmental Road and Declaring same a Main Road.

The Country Roads Board constituted under the *Country Roads Act 1915* (No. 2635) at a meeting now holden being of opinion that the road hereinafter referred to and more particularly described in the First Schedule hereto is of sufficient importance to be considered a main road hereby resolves that the Resolution passed by the Board on the thirtieth day of July, One thousand nine hundred and twenty-three, and confirmed by the Governor in Council by an Order published in the *Government Gazette* of the fifth September, One thousand nine hundred and twenty-three, on page 2369, declaring the highway particulars of which are therein set out or described a developmental road be wholly rescinded: And the said Board being further of opinion that the road mentioned in the Second Schedule hereto is of sufficient importance to be a main road acting under the powers in that behalf conferred upon it by the *Country Roads Act 1915* (No. 2635) doth by this Resolution hereby declare such road to be a main road within the meaning and for the purposes of the said *Country Roads Act 1915*.

FIRST SCHEDULE.
Shire of Mirboo.

9. *Mardan Road Connection*.—All that piece of land in the Parish of Mirboo and being a roadway one chain or more in width the southern boundary of which commences at an angle in the south-western boundary of the Country Roads Board main road, through allotment 42 of the said parish formed by the intersection of lines bearing 136 deg. 20 min. and 117 deg. 45 min.; thence south-westerly, generally westerly, and south-westerly through the said allotment and continuing south-westerly through allotment 43 of the same parish to a point on the eastern boundary of the Government road through the allotment last named distant 181 deg. 27 min. 121.5 links from an angle in the said eastern boundary formed by the intersection of lines bearing 1 deg. 21 min. and 20 deg. 45 min.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured red on survey plans numbered 675, 676, and 677, lodged in the office of the Country Roads Board.

SECOND SCHEDULE.
Shire of Mirboo.

1. *Mardan Road* (10801).—A roadway generally one chain wide, commencing at an angle in the south-western boundary of the Mirboo South (main) road in allotment 42 of the said parish formed by the intersection of lines bearing 136 deg. 20 min. and 117 deg. 45 min.; thence south-westerly, generally westerly, and south-westerly through the said allotment and continuing south-westerly through allotment 43 of the same parish to a point on the eastern boundary of the Government road through the allotment last named distant 181 deg. 27 min. 121.5 links from an angle in the said eastern boundary formed by the intersection of lines bearing 1 deg. 21 min. and 20 deg. 45 min. (survey plans 675, 676, and 677.)

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this seventeenth day of October, One thousand nine hundred and twenty-seven, in the presence of—

(SEAL) W. CALDER, Chairman.
W. McCORMACK, Member.
W. L. DALE, Secretary.

ORDER IN COUNCIL CONFIRMING RESOLUTION OF THE COUNTRY ROADS BOARD RESCINDING IN PART RESOLUTION DECLARING A CERTAIN HIGHWAY IN THE SHIRE OF WHITTLESEA TO BE A DEVELOPMENTAL ROAD AND THEREUPON DECLARING SUCH PART OF SUCH ROAD A MAIN ROAD.

WHEREAS by the Resolution set out below and dated the seveneenth day of October, One thousand nine hundred and twenty-seven, the Country Roads Board incorporated under the *Country Roads Act 1915* (No. 2635) being of opinion that the road set out or described in the First Schedule to the same is of sufficient importance to be considered a main road resolved that the Resolution passed by the Board on the twenty-sixth day of August, One thousand nine hundred and twenty, and confirmed by the Governor in Council by an Order published in the *Government Gazette* of the fifteenth day of September, One thousand nine hundred and twenty, on page 2908, declaring the highway particulars of which are therein set out or described a developmental road be rescinded so far as the same covers the said highway between the points referred to in the Resolution hereby confirmed: And whereas the said Board by the said Resolution set out below being of opinion that the said road more particularly described in the Second Schedule to the said Resolution is of sufficient importance to be a main road and acting under the powers in that behalf conferred upon it by the *Country Roads Act 1915* (No. 2635) declared such road to be a main road within the meaning and for the purposes of the *Country Roads Act 1915*: And whereas the said Act and the *Developmental Roads Act 1918* (No. 2944) amongst other things provide that the Governor in Council may by Order published in the *Government Gazette* confirm such Resolution whereupon any road or part thereof mentioned in the said Resolution shall cease to be a developmental road and any road or part thereof mentioned in the said Resolution shall be a main road: And whereas it is deemed desirable to confirm the Resolution so made and passed by the Country Roads Board: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm such Resolution and declare upon the publication of this Order in the *Government Gazette* the road mentioned in the First Schedule to such Resolution shall cease to be a developmental road and the road mentioned in the Second Schedule to such Resolution shall be a main road within the meaning and for the purposes of the *Country Roads Act 1915*.

Resolution Rescinding in Part Resolution Declaring Road to be a Developmental Road and Declaring such part a Main Road.

The Country Roads Board incorporated under the *Country Roads Act 1915* (No. 2635) at a meeting now holden being of opinion that the road hereinafter referred to and more particularly described in the First Schedule hereto is of sufficient importance to be considered a main road hereby resolves that the Resolution passed by the Board on the twenty-sixth day of August, One thousand nine hundred and twenty, and confirmed by the Governor in Council by an Order published in the *Government Gazette* of the fifteenth day of September, One thousand nine hundred and twenty, on page 2908, declaring the highway particulars of which are therein set out or described a developmental road be rescinded in part: And the said Board being further of opinion that the road mentioned in the Second Schedule hereto is of sufficient importance to be a main road acting under the powers conferred upon it by the *Country Roads Act 1918* (No. 2635) doth by this Resolution hereby declare such road to be a main road within the meaning and for the purposes of the said *Country Roads Act 1915*.

FIRST SCHEDULE.
Shire of Whittlesea.

1. *Whittlesea-Kinglake Road*.—Commencing at the most westerly angle of allotment 12D, Parish of Kinglake; thence northerly and north-easterly to the south-western angle of allotment 11B of the said parish on the northern boundary of the shire.

SECOND SCHEDULE.
Shire of Whittlesea.

2. *Whittlesea-Kinglake Road* (18102).—Commencing at or near the most westerly angle of allotment 12D, Parish of Kinglake; thence northerly and north-easterly to the south-western angle of allotment 11B of the said parish on the northern boundary of the shire.

The common seal of the Country Roads Board was hereto affixed, at Melbourne, this seventeenth day of October, One thousand nine hundred and twenty-seven, in the presence of—

(SEAL) W. CALDER, Chairman.
W. McCORMACK, Member.
W. L. DALE, Secretary.

And the Honorable John Percy Jones, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

University Act 1923.

REGULATION XLIII.—ELECTION OF TECHNICAL SCHOOL MEMBER OF THE UNIVERSITY COUNCIL.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1927.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Lemmon | Mr. Beckett.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby, by an Order made on the 25th day of October, 1927, make the following Regulation for the purpose of the election of a representative of technical schools on the Council of the University of Melbourne, under the provisions of section 7 (a) (vi) of the University Act 1923, that is to say:—

1. The election shall be conducted by the Minister of Public Instruction.
2. The Minister shall fix a day and notify the same in the *Government Gazette* on or before which each of the technical schools under the Education Department or receiving grants from the same may nominate a person to be a member of the Council of the University of Melbourne as provided in section 7 (a) (vi) of the University Act 1923. Immediately after fixing and publishing the day aforesaid the Minister shall notify to the President of each such technical school council the day so fixed and invite nominations. The names of persons so nominated shall be forthwith sent to the Minister.
3. No person may be nominated who is not a bona fide member of a technical school council duly appointed by the Governor in Council.
4. If on the day so fixed and notified only one person is nominated by the technical school councils the Minister shall declare the person so nominated to be the member of the Council of the University of Melbourne elected under section 7 (a) (vi) of the University Act 1923, and his appointment shall be submitted for the approval of the Governor in Council in accordance with such section.
5. If on the day so fixed and notified more than one candidate is nominated the Minister shall prepare ballot-papers showing the names of all persons nominated, and shall forward a ballot-paper to the President of each technical school council, and each such council shall, before a day to be specified at the time of forwarding such ballot-paper, mark such ballot-paper by placing the figure 1 opposite the name of the candidate for whom it is desired to vote as a first preference, and shall give contingent votes for all the remaining candidates by placing figures 2, 3, and 4 (and so on as the case requires) opposite the names of the candidates, so as to indicate by such numerical sequence the order of its preference, and return such ballot-paper to the Minister within the prescribed time.
6. Notwithstanding anything contained in this Regulation, where there are only two candidates the requirements of this Regulation as to the marking of such ballot-paper shall be deemed to be sufficiently complied with in the case of any such ballot-paper marked so as to indicate the council's first preference only.
7. Such ballot-paper shall, under this Regulation, be rejected if it does not indicate the council's first preference for one candidate, and in the case of any election where there are more than two candidates, such council's contingent votes for all the remaining candidates.
8. The Minister shall, on the date specified for the return of such ballot-papers, count all the votes received by him as indicated on the ballot-papers so returned, and the method of counting such votes shall be in accordance with the provisions of the law for the time being regulating the compulsory preferential voting at elections for the Legislative Assembly so far as they can be made applicable, *mutatis mutandis*, to the taking of a vote under this Regulation. The Minister shall then declare the candidate who has received the largest number of votes to be the member elected to represent the technical schools on the Council of the University of Melbourne under section 7 (a) (vi) of the University Act 1923, and his appointment shall be submitted for the approval of the Governor in Council in accordance with such section.

And the Honorable John Lemmon, his Majesty's Minister of Public Instruction for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council

Land Act 1915, Section 303.

UNUSED AND UNMADE ROADS CLOSED.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1927.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Lemmon | Mr. Beckett.

IN pursuance of the provisions of section 303 of the Land Act 1915 (No. 2676), His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth by Orders direct that the unused and unmade roads referred to hereunder be closed, viz.:—

Parish of Doutta Galla, County of Bourke, being the road hereinafter described, viz.:—Commencing at the south-west angle of allotment E of section 22; bounded thence by a line bearing N. 89 deg. 41 min. W. 106 5-10 links; by allotment C bearing N. 20 deg. W. 1,047 1-10 links; by a line bearing S. 80 deg. 45 min. E. 106 5-10 links; and thence by allotment E bearing S. 20 deg. E. 1,047 2-10 links to the commencing point.—(D.85(3), C.P.10,8,27) (Misc.971).

City of Geelong, Parish of Corio, County of Grant, being the road lying between allotment 10 and allotment 12 of section 1.—(G.29(9) (J.14472).

Township of Speed, Parish of Gorya, county of Karkaroc, being the roads:—(1) lying between allotments 1 and 10 of section 2, Township of Speed, and allotment 3, Parish of Gorya; (2) the road lying to the west of and adjoining allotments 10, 9, 8, 7, and 6 of section 2, allotment 15, and part of allotment 14 of section 1, Township of Speed; (3) the road lying between allotments 5 and 6 of section 2, and allotments 15 and 16 of section 1; (4) the road lying between allotments 1, 2, 3, 4, and 5 of section 2, allotment 16, and part of allotment 17 of section 1, Township of Speed, and allotment 3, Parish of Gorya; (5) the right-of-way lying between allotments 6, 7, 8, 9, and 10, and allotments 1, 2, 3, 4, and 5 of section 2; (5) the right-of-way lying between allotment 15, part of allotment 14, and allotment 16 and part of allotment 17 of section 1.—(S.458(1) (Rs.210).

And the Honorable H. S. Bailey, His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

DEPARTMENT OF LANDS AND SURVEY.

ROAD DECLARED TO BE A PUBLIC HIGHWAY.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1927.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Lemmon | Mr. Beckett.

IN pursuance of the provisions of the State of Victoria, by and with the advice of the Executive Council thereof, doth by this Order declare, pursuant to the provisions of section 477 of the Local Government Act 1915, the proposed new road in the Parish of Mageppa to be a Public Highway, in lieu of the existing road, technical descriptions of which appear hereunder:—

Local Government Act 1915, Section 477.

DEVIATION OF ROAD IN THE PARISH OF MAGEPPA.

New Road.

Parish of Mageppa, County of Follet:—Commencing at a point bearing N. 0 deg. 2 min. E. 4,017 1-10 links from the south-west angle of allotment 8 in the Elderslie Estate; bounded thence by a road bearing N. 0 deg. 2 min. E. 112 9-10 links, by lines bearing N. 62 deg. 20 min. E. 2,518 links, and N. 62 deg. 52 min. E. 5,913 links; by a road bearing S. 89 deg. 58 min. E. 219 links; and thence by lines bearing S. 62 deg. 52 min. W. 6,407 3-10 links and S. 62 deg. 20 min. W. 2,570 links to commencing point.

Old Road.

Parish of Mageppa, County of Follet:—Commencing at the south-west angle of allotment 7 in the Elderslie Estate; bounded thence by said allotment bearing S. 89 deg. 58 min. E. 7,685 links, by a road bearing S. 62 deg. 52 min. W. 219 links; by allotments 9 and 8 bearing N. 89 deg. 58 min. W. 7,490 2-10 links; and thence by a road bearing N. 0 deg. 2 min. E. 100 links to the commencing point.—(M.461 (CV). (O.P.1927-200) (C.S. 7245).

And the Honorable H. S. Bailey, His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

Water Acts.

STATE RIVERS AND WATER SUPPLY COMMISSION.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1927.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Lemmon | Mr. Beckett.

YELTA WATERWORKS DISTRICT.—DISTRICT EXTENDED.

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council of the said State, on the recommendation of the State Rivers and Water Supply Commission, doth hereby declare, order, and direct as follows:—

That the Yelta Waterworks District be extended by adding to the same the lands set out and described hereunder, and as on and from the first day of July, 1927, such district shall be deemed to be so extended, viz.:—

Portion 1.—Commencing at the most westerly angle of allotment 22, Parish of Tulillah, County of Millewa; thence north-easterly by the north-western boundaries of allotments 22, 23, 24, 25 and a line in continuation of the last-mentioned boundary to the south-western boundary of allotment 26; thence north-westerly by that boundary to the south-western angle of said allotment 26; thence generally north-easterly by the north-western boundaries of allotments 26, 27, 28, 29, all in the Parish of Tulillah, and allotments 8, 7, and 4, Parish of Yelta, and easterly by the northern boundaries of allotments 4, 5, 17, 18, and 22 of that parish and lines connecting those boundaries to the north-eastern angle of the last-mentioned allotment; thence south-easterly by the north-eastern boundaries of allotments 22 and 21 to the most easterly angle of said allotment 21; thence south-westerly by a line to the most westerly angle of allotment 27; thence south-westerly by the north-western boundaries of allotments 25 and 24, all in the Parish of Yelta, and a line in continuation of the last-mentioned boundary to the northern boundary of allotment 22, Parish of Wargan; thence westerly by the northern boundaries of allotments 22, 23, 24, 25, 26, 27, 28, and 29, and lines connecting those boundaries to the most northerly angle of the last-mentioned allotment; thence south-westerly by the north-western boundaries of allotment 29, Parish of Wargan, and allotments 21, 19A, 18A, 17B, and 17A, Parish of Tulillah, to a point in line with the northern boundary of allotment 16; thence westerly by a line and the northern boundaries of allotments 16, 15, and 14, to a point in line with the north-western boundary of allotment 22, all in the Parish of Tulillah; thence north-easterly by a line to the point of commencement.

Portion 2.—The land comprising the whole of allotment 5, section C, Parish of Mildura.

The lands set out and described in the foregoing are as shown on a plan approved by the Governor in Council and deposited in the office of the State Rivers and Water Supply Commission, Melbourne.

BOORT WATERWORKS TRUST.

ADDITIONAL LOAN OF £2,300.

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council of the said State, doth hereby grant an additional loan of Two thousand three hundred pounds (£2,300) to the Boort Waterworks Trust, for the purpose of completing new storage tank and pipe mains at Boort as set forth in the detailed statement bearing date the 10th October, 1927, and verified under the seal of the State Rivers and Water Supply Commission.

The loan hereby granted shall be subject to the provisions of the Water Acts, and the amount shall be charged to the *Water Supply Loans Application Act 1926*, No. 3447.

CLUNES BOROUGH COUNCIL WATER SUPPLY DISTRICT.

ADDITIONAL LOAN, £3,850.

UNDER the powers conferred by the Water Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council of the said State, doth hereby grant an additional loan of Three thousand eight hundred and fifty pounds (£3,850) to the Mayor, Councillors, and Burgesses

of the Borough of Clunes, for the purpose of completing pipe conduit and new service basin at Clunes as set forth in the detailed statement bearing date the 13th October, 1927, and verified under the seal of the State Rivers and Water Supply Commission.

The loan hereby granted to be subject to the provisions of the Water Acts, and shall be charged against the *Water Supply Loans Application Act 1926*, No. 3447.

LANCEFIELD WATERWORKS TRUST.

AUTHORITY TO OBTAIN BANK OVERDRAFT.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, his, by Order made on the 25th day of October, 1927, authorized, in pursuance of section 273 of the *Water Act 1915* (No. 2747), the Lancefield Waterworks Trust to obtain an advance or advances from the Commercial Bank of Australia Limited, Lancefield, by way of overdraft, provided that the total amount of the sums owing by the Trust at any one time shall not exceed the sum of Five hundred pounds (£500).

And the Honorable Henry Stephen Bailey, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

Cemeteries Act 1915.

VARIATION OF ORDER FOR DISCONTINUANCE OF BURIALS IN MELBOURNE GENERAL CEMETERY.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1927.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Lemmon | Mr. Beckett.

BY virtue of the powers conferred by the *Cemeteries Act 1915*, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council thereof, doth hereby vary the Order in Council made on the 12th day of November, 1903, directing that all burials in the Melbourne General Cemetery should be discontinued except in allotments or land the right of burial in which had then been purchased or should be purchased before the 31st day of March, 1904, and doth order that burials shall be allowed in 2,500 allotments the right of burial in which had not been purchased up to and inclusive of the 31st day of March, 1904.

And the Honorable William James Beckett, His Majesty's Minister of Public Health for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

Discharged Soldiers Settlement Act 1917, Section 6.

LAND SET APART FOR DISCHARGED SOLDIERS.

At the Executive Council Chamber, Melbourne, the twenty-fifth day of October, 1927.

PRESENT:

His Excellency the Governor of Victoria.
Mr. Lemmon | Mr. Beckett.

WHEREAS by the *Discharged Soldiers Settlement Act 1917* (8 Geo. V. No. 2916) it is amongst other things enacted that the Governor in Council may, by Order published in the *Government Gazette*, set apart any area of Crown land for the purpose of being disposed under the said Act to discharged soldiers in the manner thereinafter provided: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the provisions contained in section 6 of the Act aforesaid, doth hereby set apart for the said purpose the land set out in the schedule hereunder:—

County.	Parish.	Allotment.	Section.	Area.
Weeah	Purnya	10	..	A. B. P. 880 1 21

And the Honorable H. S. Bailey, His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

F. W. MABBOTT,
Clerk of the Executive Council.

Land Act 1915.

AREAS OF LANDS COMPRISED IN CERTAIN CLASSES DIMINISHED AND INCREASED.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the Land Act 1915 it is amongst other things enacted that the Governor in Council may, by Proclamation to be published in the Government Gazette, at any time diminish or increase the area of land comprised in any of the classes mentioned in Part I., Division 1, section 5, of the said Land Act 1915, but that the area of lands which may be sold by auction (Class 6) shall not be increased, except as in certain cases in the said Act provided: Now therefore I, the Governor of the State of Victoria in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in accordance with the provisions of sections 94 and 117 of the Land Act 1915, aforesaid, do hereby diminish or increase (as the case may be) the areas of Crown lands comprised in Classes 1, 3, 4, and 7 respectively of the classes mentioned in section 5 of the Land Act 1915 aforesaid to the extent set forth in the subjoined Schedules (that is to say):—

Schedules referred to.

Melbourne, 31st October, 1927.

PROPOSED REVOCATION OF THE TEMPORARY RESERVATION OF LANDS.

IN pursuance of the provisions of the *Land Act 1915*, notice is hereby given that it is the intention of the Governor in Council to revoke the temporary reservation of the land hereinafter referred to, viz.:—

The following Notices were gazetted 1^o on 12th October, 1927, pursuant to Orders of the 5th October, 1927.

ARARAT.—The temporary reservation by Order in Council of the 28th October, 1889, of 18 acres more or less of land in the municipal district of Ararat, being sections 64A, 64B, 112A, 113, and 114A, as a site for the supply of gravel for road-making, revoked as to part by Order of the 11th June, 1913, is about to be revoked so far as regards the three separate portions thereof hereinafter described, comprising 3 acres 1 rood, 25 9-10 perches, viz.:—(1) 1 acre 2 roods 22 4-10 perches, being part of section 112A, Town of Ararat, Parish of Ararat, County of Ripon: Commencing at the intersection of the north-east side of Hewitt-street and the south-east side of Wilmot-street; bounded thence by Wilmot-street, bearing N. 58 deg. 33 min. E. 250 links, by a road bearing S. 31 deg. 25 min. E. 586 7-10 links, by a line bearing S. 29 deg. 35 min. W. 285 8-10 links; and thence by Hewitt-street, bearing N. 31 deg. 25 min. W. 725 4-10 links to the commencing point. (2) 1 acre 1 rood 20 2-10 perches, being part of section 112A, Town of Ararat, Parish of Ararat, County of Ripon: Commencing at the intersection of the north-west side of Minton-street and the north-east side of Hewitt-street; bounded thence by Hewitt-street bearing N. 31 deg. 25 min. W. 481 3-10 links, by a line bearing N. 29 deg. 35 min. E. 285 8-10 links, by a road bearing S. 31 deg. 25 min. E. 620 links; and thence by Minton-street bearing S. 58 deg. 33 min. W. 250 links, to the commencing point. (3) 1 rood 23 3-10 links, being part of section 64A, Town of Ararat, Parish of Ararat, County of Ripon: Commencing at the intersection of the north-west side of Minton-street and the south-west side of Hewitt-street; bounded thence by Minton-street bearing S. 58 deg. 33 min. W. 300 links, by a road bearing N. 31 deg. 25 min. W. 132 links, by a line bearing N. 58 deg. 35 min. E. 300 links; and thence by Hewitt-street bearing S. 31 deg. 25 min. E. 131 8-10 links, to the commencing point. (A.148(2) O.P.1926-482) (Rs.2346).

ARARAT.—The temporary reservation by Order in Council of the 15th July, 1913, of 3 roods 37½ perches, in the municipal district of Ararat, as a site for public purposes, is about to be revoked so far as regards the portion thereof hereinafter described, viz.:—1 rood 6 perches, being part of section 112A, Town of Ararat, Parish of Ararat, County of Ripon: Commencing at a point bearing N. 31 deg. 25 min. W. 481 3-10 links from the intersection of the north side of Minton-street and the east side of Hewitt-street; bounded thence by Hewitt-street bearing N. 31 deg. 25 min. W. 114 3-10 links, by a line bearing N. 29 deg. 35 min. E. 285 8-10 links, by a right-of-way bearing S. 31 deg. 25 min. E. 114 3-10 links; and thence by a line bearing S. 29 deg. 35 min. W. 285 8-10 links, to the commencing point. (A.148(2) (Rs.2345).

BENALLA.—The temporary reservation by Order in Council of the 3rd September, 1860, of certain land in the Township (now Town) of Benalla as a site for public buildings, is about to be revoked so far as regards the portion thereof hereinafter described, viz.:—3 roods 10 perches, more or less, Town of Benalla, Parish of Benalla, County of Delatite: Commencing at the north-west angle of allotment 6A of section 8; bounded thence by Bridge-street bearing N. 43 deg. 29 min. E. 282 links, by the reserve for show-yards bearing S. 71 deg. E. 260 links, by the Church of England Reserve bearing S. 19 deg. W. to a point in line with the north boundary of allotment 6A, by a line bearing N. 65 deg. 22 min. W. to the north-east angle of said allotment; and thence by that allotment bearing N. 65 deg. 22 min. W. 140½ links to the commencing point. (B.390(2) (C.61278).

BOROKA.—The temporary reservation by Order in Council of the 27th May, 1909, of 51 acres 2 roods of land in the Parish of Boroka, as a site for road and other public purposes in addition to and adjoining the site temporarily reserved therefor by Order of the 18th February, 1908, is about to be revoked so far as regards the portion thereof hereinafter described, viz.:—2 acres 13 perches, Parish of Boroka, County of Borung: Commencing at a point bearing S. 8 deg. 51 min. W. 1,600 links and N. 81 deg. 9 min. W. 400 links from the south-west angle of allotment 5B; bounded thence by lines bearing S. 36 deg. 21 min. W. 460 links, N. 81 deg. 9 min. W. 345 links, N. 7 deg. 25 min. W. 425 links, and S. 81 deg. 9 min. E. 676 5-10 links to the commencing point. (B.678(3) (Rs.477).

KARAWINNA.—The temporary reservation by Order in Council of the 4th May, 1926, of 10 acres 1 rood 32 perches of land in the Township and Parish of Karawinna, as a site for Public Recreation, is about to be revoked. (K.213b(1) (Rs.3301).

KOONDROOK.—The temporary reservation by Order in Council of the 22nd September, 1902, of 1 rood in the Township of Koondrook, as a site for a Mechanics Institute, revoked as a

part by Order of the 9th October, 1906, is about to be revoked so far as regards the remaining portion thereof, comprising 36 perches. (K.163(2) (Rs.1291).

KOONDROOK.—The temporary reservation by Order in Council of the 7th November, 1906, of 19 8-10 perches in the Township of Koondrook, as a site for a Mechanics Institute, in addition to and adjoining the site temporarily reserved therefor by Order of the 22nd September, 1902, is about to be revoked. (K.163(2) (Rs.1291).

MARIBYRNONG.—The temporary reservation by Order in Council of the 12th April, 1875, of 2 acres of land in the Parish of Maribyrnong, being part of allotment 2A of section 26, as a site for a State school, is about to be revoked. (M.46(4) (C.76995).

MELTON.—The temporary reservation by Order in Council of the 14th April, 1891, of 3 acres 2 roods 38 perches of land, in the Town of Melton, as a site for Public purposes, is about to be revoked as far as regards the portion thereof contained in section 12, comprising 1 acre 2 roods 31 perches. (M.100(2) (C.76949).

NHILL.—The temporary reservation by Order in Council of the 30th January, 1883, of 1 acre 2 roods 36 perches, being allotments 3F and 3G, Parish of Balrootan, at Nhill, as a site for the use of the Police Department, revoked as to parts by Orders of the 3rd September, 1888, and the 28th September, 1920, is about to be revoked so far as regards the portion thereof hereinafter described, viz.:—1 3-10 perches, Township of Nhill, Parish of Balrootan, County of Lowan: Commencing at the north-east angle of the site for a Free Library; bounded thence by lines bearing N. 89 deg. 59 min. E. 13 6-10 links, S. 0 deg. 1 min. E. 60 6-10 links, and S. 89 deg. 59 min. W. 13 6-10 links; and thence by the sites for Public Hall and Free Library bearing N. 0 deg. 1 min. W. 60 6-10 links, to the commencing point. (N.102(1) (Rs.2053).

The following Notice was gazetted 1^o on 19th October, 1927, pursuant to Order of the 11th October, 1927.

LYNDHURST.—The temporary reservation by Order in Council of the 23rd July, 1878, of 13 acres 35 perches in the Parish of Lyndhurst, as a site for Public purposes, revoked as to parts by Orders of the 28th December, 1883, and the 16th May, 1893, is about to be revoked so far as regards the three portions thereof hereinafter described, comprising 5 acres 3 roods 13 perches, viz.:—

(1) 4 acres 25 perches, Parish of Lyndhurst, County of Mornington: Commencing at a point bearing N. 16 deg. 8 min. E. 311 links and N. 37 deg. 10 min. W. 124 7-10 links from the south-west angle of allotment 15A; bounded thence by a road bearing N. 37 deg. 10 min. W. 666 links; by lines bearing N. 10 deg. 16 min. W. 113 links, N. 37 deg. 21 min. W. 182 links, N. 76 deg. 58 min. E. 328 links, N. 61 deg. 35 min. E. 377 links, and N. 86 deg. 42 min. E. 186 links; and thence by a road bearing S. 16 deg. 8 min. W. 1,094 links to the commencing point.

(2) 3 roods 29 perches: Commencing at the south-west angle of allotment 15A; bounded thence by the Main Road bearing N. 46 deg. 23 min. W. 598 8-10 links, N. 38 deg. 46 min. W. 356 links, and N. 39 deg. 15 min. W. 286 links; by a road bearing S. 70 deg. 46 min. E. 220 5-10 links; by the Railway Reserve bearing S. 37 deg. 10 min. E. 1,044 links; and thence by allotment 15A bearing S. 16 deg. 8 min. W. 8 3-10 links to the commencing point.

(3) 2 roods 39 perches: Commencing at a point bearing N. 39 deg. 15 min. W. 312 8-10 links from the north-west angle of the last-mentioned area; bounded thence by the Main Road bearing N. 39 deg. 15 min. W. 480 links; by a line bearing S. 67 deg. 3 min. E. 303 links; by the Railway Reserve bearing S. 37 deg. 10 min. E. 532 links; and thence by a road bearing N. 70 deg. 46 min. W. 171 4-10 links and N. 49 deg. 45 min. W. 177 links to the commencing point.—(L.101(3) (Rs.1365).

The following Notice was gazetted 1^o on 26th October, 1927, pursuant to Order of the 18th October, 1927.

SANDHURST.—The temporary reservation by Order in Council of the 12th November, 1902, of 10 acres in the Parish of Sandhurst, as a site for Supply of Gravel, is about to be revoked so far as regards the portion thereof hereinafter described, viz.:—3 roods 20 perches, Parish of Sandhurst, County of Bendigo: Commencing at the south-west angle of allotment 544; bounded thence by lines bearing N. 86 deg. 16 min. W. 195 links, N. 11 deg. 10 min. W. 387 links and S. 80 deg. 47 min. E. 296 8-10 links; and thence by said allotment 544 bearing S. 3 deg. 53 min. W. 345 5-10 links to the commencing point.—(S.371(13) (Rs.130, W.48811).

The following Notice was gazetted 1^o on 2nd November, 1927, pursuant to Order of the 25th October, 1927.

MARYBOROUGH.—The temporary reservation by Order in Council of the 22nd November, 1880, of 2 acres 16 perches in the municipal district (now town) of Maryborough, as a site for Water Supply purposes, situate in section 57A, is about to be revoked.—(M.66(7) (C.76434).

H. S. BAILEY,

Commissioner of Crown Lands and Survey.
Department of Lands and Survey, Melbourne.

LANDS TEMPORARILY RESERVED FROM SALE, ETC.

E. 250 links; by a road and a line bearing S. 89 deg. 59 min. W. 2,285 5-10 links, by a road bearing N. 795 5-10 links, by allotment 3 bearing S. 89 deg. 59 min. E. 1,153 5-10 links; and thence by the Recreation Reserve bearing S. 0 deg. 1 min. E. 545 links and N. 89 deg. 59 min. E. 1,130 links to the commencing point.—(S.458 (1) (Rs.210).

YARRARA.—Site for Water Supply purposes.—1 acre 3 rods 3 perches, being allotments 1, 2, 3, 4, and 5 of section F, Township of Yarrara, Parish of Yarrara, County of Millewa.—Commencing at the south-east angle of the said section; bounded

thence by a road bearing N. 89 deg. 57 min. W. 300 links, by a right-of-way bearing N. 0 deg. 3 min. E. 590 links, by allotment 6 bearing S. 89 deg. 57 min. E. 300 links; and thence by a road bearing S. 0 deg. 3 min. W. 690 links to the commencing point.—(Y.132A (1) (Rs.3564) (C.77106).

F. W. MABBOTT,

Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

REVOCATION OF THE TEMPORARY RESERVATION OF LAND.

IN pursuance of the provisions of the *Land Act 1915*, His Excellency the Governor of the State of Victoria has, by Orders made on the 25th day of October, 1927, revoked the temporary reservation of the lands hereinafter referred to, viz.:—

BURRUM BURRUM.—Site for Conservation of Water.

NI-NI.—Site for Conservation of Water (as to part)

ROKEWOOD.—Site for Watering purposes.

(For descriptions see *Gazette* of 23rd September, 1927, page 2929.)

F. W. MABBOTT,

Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

Land Act 1915.

REVOCATION (AS TO PART) OF LAND EXCEPTED FROM OCCUPATION.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, in pursuance of the provisions of the *Land Act 1915*, by Orders made on the 25th day of October, 1927, revoked the following Orders in Council, viz.:—

WOMBAT.—The Order in Council of the 1st September, 1926 (see *Government Gazette*, 1926, page 2644), excepting from occupation for mining purposes, or for residence or business under any miner's right or business licence, certain lands in the Town of Daylesford, Township of Hepburn, and part of the Parish of Wombat so far as regards the portion thereof hereinafter described, viz.:—2 rods, Parish of Wombat, County of Talbot, being the land lying to the north-west of and adjoining allotment 56 of section 2.—(W.179 (14) (559/45).

WOMBAT.—The Order in Council of the 1st September, 1926 (see *Government Gazette*, 1926, page 2644), excepting from occupation for mining purposes, or for residence or business under any miner's right or business licence, certain lands in the Town of Daylesford, Township of Hepburn, and part of the Parish of Wombat so far as regards the portion thereof hereinafter described, viz.:—1 acre, Parish of Wombat, County of Talbot, being the land lying to the south of and adjoining allotment 1A of section 28A.—(W.179 (14) (589/45).

F. W. MABBOTT,

Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

LAND EXCEPTED FROM OCCUPATION, ETC.

IN pursuance of the provisions of section 10 of the *Land Act 1915*, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has by Order made on the 25th day of October, 1927, excepted from occupation for mining purposes or for residence or business under any miner's right or business licence the land hereinafter described, viz.:—

BENDIGO.—86 acres, more or less, City of Bendigo, Parish of Sandhurst, County of Bendigo, being the land shown on O.P. 1926-274; and being bounded on the west by the east side of Adams-street, on the east, by west side of Harkness and Fletcher streets and the west boundaries of allotments 198 and 199A; and bounded on the south and south-west by the north side of Bell Vue-road, and on the north by the north boundary of the site for Public Recreation temporarily reserved by Order in Council of the 12th May, 1927.—(S.372 (18), O.P. 1926-274) (Rs.3458).

F. W. MABBOTT,

Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 25th October, 1927.

RETIREMENT AND APPOINTMENT OF MANAGERS OF COMMONS.

IT is hereby notified, for the information of all persons entitled to depasture stock on Commons, that successors to the individual managers thereof, who will retire on the 31st December, 1927, should be elected before the close of the year by the persons interested at public meetings duly convened for the purpose by the President of the Shire. The names, in full, of the gentlemen who may be elected for (1); two (2), or three (3) years should be transmitted to the Department of Lands and Survey.

H. S. BAILEY,

Commissioner of Crown Lands and Survey.

Department of Lands and Survey,
Melbourne, 1st October, 1927.

COMMON ABOUT TO BE DIMINISHED.

IN pursuance of the provisions contained in Division 10 of Part I. of the *Land Act 1915*, notice is hereby given that it is the intention of the Governor in Council to diminish the common hereinafter mentioned, viz.:—

The following Notice was gazetted on 12th October, 1927, pursuant to Order of 5th October, 1927.

The Yambuk Town Common, proclaimed as such, on the 6th March, 1865, is about to be diminished by the excision therefrom of the portion hereinafter described, viz.:—5 acres. Town of Yambuk; Parish of Collington; County of Villiers. Commencing at the north-east angle of the Recreation Reserve; bounded thence by a road bearing east 750 links; by Arminia Street bearing south 434 links; by a line bearing S. 58 deg. 57 min. W. 882 4-10 links; and thence by the Recreation Reserve bearing north 889 links to the commencing point.—(Y.39A) (Z19432A), (Rs.1828).

H. S. BAILEY,
Commissioner of Crown Lands and Survey.

Department of Lands and Survey, Melbourne.

Discharged Soldiers Settlement Acts.

LAND WITHDRAWN FROM APPLICATION.

It is hereby notified that the undermentioned land has been withdrawn from application:—

H. S. BAILEY,
Commissioner of Crown Lands and Survey.

LIST OF CROWN LANDS AVAILABLE (INCLUDING MALLEE LANDS).

THE undermentioned areas are available for application, as provided by various sections of the *Land Act 1915*, and all applications received on or before Wednesday, 16th November, 1927, will be deemed to have been simultaneously made, but any application lodged after such date may be considered if received in time for inclusion in the advertisement of the cases to be heard at the Local Land Board.

Applicants on proper form, accompanied by 5s duty stamp uncancelled (registration fee), may be delivered or forwarded by post to the Local Land Officer or to any Crown Lands Office in Victoria.

Applicants may obtain from Local Land Officers, or the Enquiry Office, Lands Department, Melbourne, a certificate authorizing the issue by the Railway Department of a return ticket at concession fares to enable them to inspect available areas or to attend Local Land Boards. Specially reduced rates are also allowed for a selector when granted an allotment for removal of his family and belongings to the land.

Marked plans of any particular area, application forms, and any further information may be obtained from the Enquiry Office, Lands Department, Melbourne, and Land Officers, Ararat, Batemdale, Ballarat, Beechworth, Benalla, Bendigo, Geelong, Hamilton, Horsham, Mildura, Omeo, Sale, Seymour, Stawell, and St. Arnaud.

Department of Crown Lands and Survey,
Melbourne, 2nd November, 1927.

H. S. BAILEY,
Commissioner of Crown Lands and Survey.

LEASING RAILWAY LANDS.

Applications are invited for letting on building lease for business purposes land at or near stations. Terms up to 21 years. For particulars, apply Estate Officer, Spencer-street, Melbourne, or to local stationmasters or roadmasters.

No tenders will necessarily be accepted.

E. C. EYERS, Secretary

Melbourne, 2nd November, 1927.

TENDERS FOR GRAZING LANDS.

FOR THE PERIOD 16TH NOVEMBER, 1927, TO 30TH SEPTEMBER, 1928, EXCEPT WHERE OTHERWISE STATED.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Wednesday, 16th November, 1927.

NOTE.—No tender will be accepted unless the fee for the full period and fee of Five shillings for licence are forwarded.

TENDERS will be received on or before Noon on Wednesday, 16th November, 1927, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the *Land Act 1915* shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1915*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1915* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1922* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should be fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and tullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or

may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise specified, will be for ten and a half (10½) months from 16th November, 1927, to 30th September, 1928.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, Land Act 1915.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the incoming tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, Land Act 1915, provides—

1. Where a licensee under section 121 of the Land Act 1915 has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

H. S. BAILEY,

Commissioner of Crown Lands and Survey.

Department of Lands and Survey,
Melbourne, 28th October, 1927.

Dated at Kerang this 27th day of October, A.D. 1927.

H. C. MOHR,
Chief Clerk.

PRIVATE ADVERTISEMENTS.

CITY OF MALVERN.

Local Government Act 1915.

WHEREAS the Council of the City of Malvern deems it expedient to execute the works hereunder mentioned, for which purpose the exercise of the compulsory power of taking land will, in its opinion, be necessary. And whereas the Council has caused to be prepared specifications, maps, plans, sections, and elevations showing—

The nature and extent of the proposed works and the exact site and measurement thereof.

On and through what lands the same is proposed to be placed.

The names of the owners, or reputed owners, or reputed lessees, and the occupiers thereof, as far as such names can be ascertained by the Council.

The Council hereby give notice that—

The purport of the said specifications, &c., is for providing a recreation ground on land comprising lots 41, 42, 43, and 44 of section 208 in the City of Malvern, Parish of Prahran, County of Bourke.

The said specifications, maps, plans, sections, and elevations are deposited at the office of the Council, the City Hall, Malvern, where the same are open for inspection of all persons interested, at all reasonable hours, for the space of forty clear days after the publication of this notice in the *Government Gazette*.

Any persons affected by the proposed work are hereby required to set forth in writing, addressed to the Council or the Municipal Clerk, within forty clear days from the publication of this notice in the said *Government Gazette*, all objections which they may have to work.

Any person affected by the proposed work, or his agent or manager for the property in respect of which he is so affected, who has set forth in writing his objection to the said work within the time limit for the purpose, may appear before the Council in support of such objections at the next ordinary meeting of the Council after the expiration of forty clear days from the publication of this notice in the said *Government Gazette*.

Dated this 31st day of October, 1927.

8327. B. CROSBIE GOOLD, Town Clerk.

Housing and Reclamation Act 1920.

CITY OF MELBOURNE.

NOTICE THAT GENERAL PLAN AND DESCRIPTION ARE OPEN FOR INSPECTION.

NOTICE is hereby given that the Council of the City of Melbourne, pursuant to the provisions of the *Housing and Reclamation Act 1920*, has forwarded to the Minister for Public Works an application for submission to the Governor in Council, for the approval of the Governor in Council, to a reclamation scheme relating to certain land at Flemington having frontages to Altona-street, Ormond-street, Footscray-road, as shortly described in the schedule hereto, which land it is proposed to acquire and reclaim under the provisions of the said Act.

A true copy of the application and of the general plan and description of the scheme forwarded to the Minister, showing the exact-site and measurements of the land required to be taken thereunder, is, together with the names of the owners (or reputed owners), lessees (or reputed lessees), and occupiers, so far as known, deposited, and will be open for inspection, without payment, of all persons interested at the Town Hall, Swanston-street, Melbourne, and also at the office of the Minister, until the seventeenth day of December, inclusive, until which date any corporation or person having any property or interest therein likely to be injuriously affected by the proposed scheme may forward to the Minister a petition to the Governor in Council to refuse the application, or to amend or alter the plan thereof, or to make such other order in reference thereto as the petitioner may pray.

Dated this thirty-first day of October, 1927.

Schedule.

All that piece of land being part of Crown allotments 19 and 20, section 2, Parish of Doutta Galla, County of Bourke, and commencing at a point being the south-western intersection of Footscray-road and Altona-street; thence south-westerly along the southern side of Altona-street to Ormond-street; thence south-westerly along the north-western side of Ormond-street to the northern side of the land owned by the Melbourne City Council; thence westerly along the northern boundary of the said land to Footscray-road; and thence north-easterly along the south-eastern side of Footscray-road to the commencing point.

8305

H. S. WOOTTON, Acting Town Clerk.

CITY OF MORDIALLOC.

NOTICE OF INTENTION TO BORROW MONEY ON THE SECURITY OF SPECIAL IMPROVEMENT CHARGE.

TAKE notice that the Council of the City of Mordialloc proposes to borrow, on the security of a Special Improvement Charge made by the Council of the said city on the 25th day of October, 1927, the sum of Eight thousand five hundred pounds (£8,500), such sum to be raised by the issue of debentures secured upon the said Special Improvement Charge, in accordance with the provisions of Part XIV. of the *Local Government Act 1915*.

It is further proposed that—

1. The rate of interest to be named in such debentures shall be 5½ per centum per annum.
2. The principal moneys shall be repaid, together with interest, in 30 half-yearly payments of approximately Four hundred and twenty-six pounds thirteen shillings and ninepence (£426 13s. 9d.), commencing on the first day of May, 1928.
3. The payment of principal and interest will be made on the due dates at the English, Scottish and Australian Bank Limited, Melbourne, or the Council's bankers for the time being.
4. The loan is to be expended in the construction of—

Toll's-avenue.
Johnstone-street.
Marina-road.
Rivoli-street.
William-street.

5. The plans, specifications, and estimates of the cost of works referred to above, with a statement of the proposed expenditure of the money to be borrowed, are open for inspection at the Council Chambers, Mentone.

Dated this 28th day of October, 1927.

8306

E. C. OWBRIDGE, Town Clerk.

CITY OF SANDRINGHAM.

BLACK ROCK TO BEAUMARIS ELECTRIC STREET RAILWAY.

Publication of Approval and Sealing of Plans and Descriptions.

PURSUANT to the provisions of the *Black Rock to Beaumaris Electric Street Railway Act 1920*, the Council of the City of Sandringham, being about to levy a rate, to be called the Black Rock to Beaumaris Street Railway Rate, doth hereby publish that plans and descriptions of all lands which in its opinion will be materially enhanced in value by the construction and operation of the line of electric street railway which has been constructed under the provisions of the said Act, have been approved and sealed by it. And the said Council of the City of Sandringham doth hereby announce that such plans show the boundaries of the area which shall be the street railway rate district within which the lands are, for the purposes of section 309, Act 3110, taken to be materially enhanced in value.

Dated this 31st day of October, 1927.

8416

H. T. WILLIAMS, Town Clerk.

BOROUGH OF CARRUM.

BY-LAW No. 14.

Stable and Cow Manure.

A By-law of the Borough of Carrum, numbered 14, made under the provisions conferred by section 197 of the *Local Government Act 1915* and by section 75 of the *Health Act 1919*, and every other power it thereunto enabling, for regulating the storage of stable and animal manure within the municipal district of the Borough of Carrum, or any part thereof.

IN pursuance of the powers conferred by section 197 of the *Local Government Act 1915* and by section 75 of the *Health Act 1919*, the Mayor, Councillors, and Burgesses of the Borough of Carrum, with the approval of the Governor in Council, order as follows:—

1. No person shall keep, retain, or cause, permit, suffer, or allow to be stored, kept, or retained, any stable or animal manure, or the excrement of any animal, in or upon any premises, building, or land, or any part thereof, within the municipal district, save and except that such stable animal manure or animal excrement is contained, kept, or placed in a receptacle, pit, or storage place as is hereinafter provided.

2. The receptacle mentioned, in clause one hereof shall be constructed or made either—

(a) The floor thereof to be either made of concrete or brick set in cement sufficient to prevent soakage water or any discharge from the stable or animal manure hereinbefore mentioned penetrating there-through; or

(b) the walls thereof to be constructed of either concrete or brick sufficient to retain, stop, or prevent the manure or excrement therein placed from dropping, spilling, or falling therefrom, and the pit is to be covered with a hinged lid constructed of wood and galvanized iron in such a manner as to exclude all moisture from the contents thereof.

(c) In a pit dug or excavated from the earth the walls and floor thereof being either made of concrete or bricked or cemented.

3. This By-law shall not apply where stable or animal manure or animal excrement has been, or is being, deposited on ground or land for the purpose of enriching or manuring the soil thereof.

4. Any person offending against this By-law shall be liable to a penalty not exceeding Twenty pounds and not less than Five pounds.

5. This By-law shall apply to and have operation throughout the whole of the municipal district of the Borough of Carrum.

6. Person shall include owner or occupier of land within the municipal district.

Resolution for passing this By-law agreed to by the Council at its meeting on the 4th day of July, 1927, and confirmed the 1st day of August, 1927.

The common seal of the Mayor, Councillors, and Burgesses of the Borough of Carrum was affixed hereto in the presence of—

(SEAL) D. BOWMAN, Mayor.
G. R. A. BEARDSWORTH, Councillor.
E. P. WILLIAMS, Councillor.
W. B. THOMAS, Town Clerk.

Submitted to the Commission of Public Health on the 20th day of September, 1927.

T. DIMELOW,
Secretary of the Commission.

Approved by the Governor in Council,
the 18th October, 1927.

F. W. MABBOTT,
Clerk of the Executive Council.

8312

SHIRE OF FERN TREE GULLY.

BY-LAW No. 23.

A By-law of the Shire of Fern Tree Gully, made under Part VII. Division I., of the *Local Government Act 1915*, and numbered 23, for prescribing areas as parking areas for motor cars and other vehicles.

IN pursuance of the powers conferred by the Local Government Acts, the President, Councillors, and Ratepayers of the Shire of Fern Tree Gully order as follows:—

1. The areas described in the Schedule hereto are hereby declared parking areas for motor cars, or any other vehicles or conveyance propelled by human, animal, or mechanical power.

2. It shall be lawful for the Council, by notice in writing under the hand of the Shire Secretary and exhibited on the ground, to prescribe which of the said areas shall from time to time be used or available for parking purposes as aforesaid.

3. Any person or persons using such area for such purpose shall conform to any Regulations made by the Council from time to time with reference to the use thereof.

SCHEDULE.

Upper Fern Tree Gully Township.

On reserve on north side of the main road between the railway entrance and the eastern end of the railway yards.

Upper Fern Tree Gully.

The east side of Olinda-road between National Park road entrance and the main Belgrave road.

Ferny Creek.

The east side of Olinda-road from Sherbrooke-road opposite Breen's corner for five chains running southerly.

Sassafras Township.

(a) Along the Bayswater-road for a distance of six chains westerly from the main road.

(b) The Government road adjoining the Mechanics' Institute on the south between the Main-road and Sassafras Creek Reserve.

Belgrave.

(a) Main road on the south side between the bend opposite Swan's office and the Soldiers' Memorial Hall.

(b) Main road between obelisk in Belgrave Township and the west channel of road from Terry's-avenue to ramp.

(c) On north side of Government road from Belgrave Fire Station to Bay View-avenue.

(d) Both sides of the main road opposite "Hiawatha" and the Dance Palais from Monbulk Creek northerly to the guard-rail at the turn on bank of Monbulk Creek.

Kallista.

(a) The south side of Clematis-avenue westerly for ten chains from Monbulk-road.

(b) The south side of Patch-road opposite State School between main road and Mechanics' Institute.

(c) The area defined and set apart by the Forests Department east of the main road at foot of Gilmour's Hill.

Resolution for passing this By-law agreed to by the Council the fourteenth day of February, One thousand nine hundred and twenty-seven.

Confirmed by the Council of the Shire of Fern Tree Gully on the eighth day of August, One thousand nine hundred and twenty-seven.

The seal of the Council of the Shire of Fern Tree Gully was affixed this 3rd day of September, 1927, in the presence of—

ROBERT H. KERR, President.
C. T. ALEXANDER, Councillor.
PERCY J. LESTER, Shire Secretary.

(SEAL)

*Companies Act 1915.***ERBOCA PROPRIETARY LIMITED (IN VOLUNTARY LIQUIDATION).**

PURSUANT to the *Companies Act 1915*, section 189, a Meeting of Creditors of the above company will be held at the board room, 31 Queen-street, Melbourne, on the 25th day of October, 1927, at Three o'clock in the afternoon.

Dated this thirteenth day of October, 1927.
8322 D. A. MORRIS, Liquidator.

*Companies Act 1915.***ERBOCA PROPRIETARY LIMITED.**

NOTICE is hereby given that at a General Meeting of the above company, duly convened and held at 62 Grosvenor-street, South Yarra, on Friday, the seventh day of October, 1927, the following extraordinary resolution was passed:—

That it has been proved to the satisfaction of the meeting that the company cannot, by reason of its liabilities, continue its business, and that it is advisable to wind up the same voluntarily, and that for this purpose David Andrew Morris, public accountant, of 39 Queen-street, Melbourne, be and is hereby appointed liquidator.

Dated this thirteenth day of October, 1927.
8323 D. A. MORRIS, Liquidator.

SCIENTIFIC ENGINEERING CO. PTY. LTD. (IN LIQUIDATION).

NOTICE is hereby given, in pursuance of section 196 of the *Companies Act 1915*, that a General Meeting of the members of the above company will be held at the office of F. Oswald Barnett, Temple Court, Melbourne, on Monday, the 12th day of December, 1927, at the hour of half-past Nine o'clock in the forenoon, for the purpose of having an account laid before them showing the manner in which the winding up has been conducted and the property of the company disposed of, and of hearing any explanations thereof that may be given by the liquidator.

Dated this 27th day of October, 1927.
8342 F. OSWALD BARNETT, Liquidator.

In the matter of the *Companies Act 1915* and in the matter of **AUTO AUCTIONS PROPRIETARY LIMITED (in Voluntary Liquidation).**

THE following extraordinary resolutions were passed by the shareholders on Friday, the 14th day of October, 1927:—
“That the company cannot, by reason of its liabilities, continue its business, and that it is advisable to wind up, and accordingly that the company be wound up voluntarily.”
“That Thomas Closson Walker, of Collins-street, Melbourne, accountant, be appointed liquidator at a remuneration of £75.”

Dated at Melbourne this 20th day of October, 1927.

In the Supreme Court of the State of Victoria.—*Fi. Fa.*

MONDAY, 5TH DECEMBER, AT HALF-PAST ONE O'CLOCK.

NOTICE is hereby given that, under and by virtue of certain process issued out of the Supreme Court of the State of Victoria, and directed to the Sheriff, requiring him to levy certain moneys of the real and personal estate of Miss Catherine Hanlon, spinster, corner of Bulla and Broadmeadows roads, Tullamarine, the said Sheriff will, on Monday, the fifth day of December, 1927, at the hour of half-past One o'clock in the afternoon, cause to be sold, at the Post Office, Bulla-road, Tullamarine (unless the said process shall have been previously satisfied or the said Sheriff be otherwise stayed):—

All the right, title, estate, and interest (if any) of the said Miss Catherine Hanlon (as aforesaid) in and to all that piece of land, being part of Crown portion 3, Parish of Tullamarine, County of Bourke, and being the land more particularly described in certificate of title, entered in the register-book, volume 5069, folio 1013637, on which is erected an hotel known as Junction Hotel, Tullamarine. The defendant is registered under the name of Catherine Sarah Hanlon as the proprietor of the said land.

N.B.—Terms: Cash. No cheques taken.

Dated at Melbourne this 27th day of October, 1927.

8336

THOMAS WOOD, Sheriff's Officer.

MR. JAS. ALAN SIDDALL, Wangaratta.

A copy of the *Gazette* filed at each place for public reference

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The Subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 7d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the Gazette.

ADVERTISEMENTS are charged at the rate of EIGHTPENCE per line throughout.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines, as a heading.

On an average, eleven words make a line, but for the description of a brand consisting of more than one letter &c., placed perpendicularly, thus B, each additional letter under B the first is charged as a line.

All communications should be addressed to "The Government Printer, Melbourne."

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

Signatures (in particular) and proper names must be written very plainly in the text, ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before TWO p.m. at ordinary rates, and late advertisements between TWO p.m. and FIVE p.m. at double rates, on the day preceding the day of publication.

Single copies of the GOVERNMENT GAZETTE are Sixpence, posted Sevenpence, each.

No GAZETTES prior to January, 1908, in stock.

* * * ALL PAYMENTS ARE REQUIRED IN ADVANCE. Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part outlines the various methods and tools used to collect and analyze data. This includes both traditional manual methods and modern digital technologies, highlighting the benefits of each approach.

3. The third part focuses on the role of human resources in the data collection process. It discusses how training and support for staff can significantly improve the quality and reliability of the data collected.

4. The fourth part addresses the challenges faced during data collection, such as incomplete information, inconsistent data, and potential biases. It provides strategies to overcome these challenges and ensure the integrity of the data.

5. The fifth part discusses the importance of data security and privacy. It outlines the measures that should be taken to protect sensitive information from unauthorized access and ensure compliance with relevant regulations.

6. The sixth part covers the final steps of the data collection process, including data validation, cleaning, and archiving. It emphasizes the need for thoroughness and attention to detail in these final stages.

7. The seventh part provides a summary of the key findings and conclusions from the data collection process. It highlights the overall success of the project and the value of the data collected.

8. The eighth part includes a list of references and sources used throughout the document. This provides a clear path for further research and verification of the information presented.

9. The ninth part contains a glossary of terms and definitions used in the document. This helps to ensure that all readers have a clear understanding of the terminology used.

10. The tenth part provides a list of appendices and supplementary materials. These include additional data, charts, and documents that provide further detail and context for the main text.
