7. For every house or tenement of Thirty-five pounds (£35) and under Sixty pounds (£60) annual municipal value, the sum of Three pounds fifteen shillings (£3 15s.) per annum.
8. For every house or tenement of Sixty pounds (£60) and under One hundred pounds (£100) annual municipal value, the sum of Four pounds five shillings (£4 5s.) per annum.
9. For every house or tenement of One hundred pounds (£100) and over annual municipal value, the sum of Four pounds fifteen shillings (£4 15s.) per annum.
10. For water supplied to any house or tenement upon which no annual municipal value is made, the sum of One pound five shillings (£1 5s.) per annum.
11. All water supplied by the Trust by measurement shall be charged for at the rate of One shilling and threepence (1s. 3d.) per thousand (1,000) gallons, but in no case shall the amount to be paid be less than that which would be payable for the premises under its municipal assessment.
12. For every public water trough supplied with water from the works of the Trust, the sum of One shilling (1s.) per annum shall be paid.

13. All public water troughs must be fitted with approved self-acting taps to prevent overflow; such taps to be approved by the secretary for the time being of the said Trust.

14. It shall be unlawful for any person to have an overflow waste pipe from any private bath.

15. The Trust may by notice, in writing, intimate to any owner or occupier using water for other than domestic purposes solely that the water supplied is to be charged by measure, and may by such notice require such owner or occupier to provide a meter within fourteen days after the receipt of such notice; and thereupon such owner or occupier shall, within the time specified, at his own expense, provide a meter.

16. No meter shall be affixed until it shall have been examined and approved, and a certificate from the Board of Works or other authorized person be produced for the inspection of the secretary of the Trust for the time being that such meter is in proper order.

17. Every person requiring to remove or alter the position of any meter shall give six days' notice, in writing, to that effect to the Trust, and a registration of the quantity of water used shall be taken before such removal or alteration is made.

18. If any person who has provided any meter fail to give the notice required of any repairs required for such meter he shall be liable to a penalty not exceeding Five pounds (£5).

19. If any person refuse or delay to have such meter properly repaired and put in correct working order after having been required by any officer of the Trust so to do, the Trust may shut off the supply of water from the premises of such person, either by cutting the service-pipe or otherwise, until such meter shall have been properly repaired and certified by some officer of the Trust as being in proper working order.

20. Any person supplied with water by the Trust who shall permit or suffer water to run to waste shall be liable to a penalty, or who shall use or allow the water to be used in an unauthorized manner, or who is in arrears with the payment of his water rate, the Trust may, after one hour's notice, cut off the supply of water from the premises of such person either by cutting the pipes by or through which the water is supplied or by any other means that are available, and may cease to supply such premises with water so long as the Trust may think fit.

21. It shall be lawful for any person appointed by the Trust for such purpose to request permission from any owner or occupier to make an inspection of the water service to ascertain if the water is being allowed to run to waste, and, if such owner or occupier refuse permission for such inspection, the Trust may, if it think fit, refuse to supply such premises with water; and such refusal on their part will in no way relieve the owner or occupier from payment of any rate or rates as may be levied on such property.

22. If the person appointed for such inspection shall ascertain that any owner or occupier is allowing water to waste by reason of leaky taps or otherwise, he shall be empowered to authorize the repair of such taps or pipes and to notify such owner or occupier that the waste of water must at once cease.

23. No person shall affix any service-pipe to any pipe of the Trust, or alter or repair or in any way interfere with any pipe of the Trust or any service-pipe, cock, or fitting connected with the pipes of the Trust until he shall have obtained from the Trust permission to execute such work, and such permission shall be at and during the pleasure of the Trust, who may at any time cancel such permission.

24. Any person, whether licensed or permitted as aforesaid or not, who shall require to affix any service-pipe to any pipe of the Trust, or to make any repairs to pipes under the control of the Trust, shall give notice to the secretary of his intention to do so.

25. All connexions from the Trust mains to property shall be made at the expense of the owner or occupier of the property to be supplied, and all repairs or renewals shall, when necessary, be made by the owner or occupier, and such pipes shall at all times be under the control of the Trust.

26. All connexions, pipes, and fittings shall be of the best quality, and approved by the secretary and chairman of the Trust.

27. The service-pipes from the main being the property of the owner or occupier of the tenements supplied by such service-pipes, the occupier (if any), and, if none, the owner, shall, upon receiving notice that his service-pipe requires repairing, immediately proceed to repair the same, and he shall be responsible for any loss of water or other damage which shall be caused by reason of such service-pipe being leaky or otherwise out of repair or broken, and the Trust may stop the water from flowing into such premises in any way it may seem fit until such repairs have been effected.

28. Fire-plugs shall not be used except for the purpose of extinguishing fires unless any other use of them be allowed by the Trust, and they shall at all times be under the control of an officer of the Trust.

Tender Forms can be obtained on application to the Lands Department, Melbourne, or any of the Land Offices in the country.

Tenders should be placed in the Crown Lands Office Tender-box on or before Noon on Friday, 30th December, 1927.

NOTE.—No tender will be accepted unless the fee for the full period and fee of Five shillings for licence are forwarded.

TENDERS will be received on or before Noon on Friday, 30th December, 1927, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the *Land Act* 1915 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act* 1915, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act* 1915 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1922* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licensee shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise specified, will be for nine (9) months from 2nd January, 1928, to 30th September, 1928.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1915*.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the incoming tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1915*, provides—

1. Where a licensee under section 121 of the *Land Act 1915* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
