1. In this By-law the words "the Park" shall include any and/or every pleasure ground, place of public resort, or public recreation, park, recreation ground, garden, or reserve mentioned in clause 25 of this By-law; and "Council" shall mean the Council of the City of Northcote.

2. The Park shall, subject to the proviso hereinafter contained, be open to the public free of charge, provided that on such of the days that any sports, games, entertainments, or amusements are conducted or take place in the Park as the Council shall decide or approve, the Council may impose, receive, and collect charges or entrance fees not exceeding the amounts respectively stated in the schedule to this By-law for clubs, associations, or persons using or entering in or upon the Park.

3. No person shall enter any portion of the Park when a charge is made for admission without first paying the fee charged, unless authorized by the Council.

4. No person shall pluck any flowers or walk on the beds or borders, or climb, jump, or get upon or over any of the fences or gates of the Park, or cut or in any way remove or damage any of such fences or gates, or any of the buildings or seats in any Park, or stick bills or advertisements or writing on any such fences, gates, buildings, or seats, or roll or throw stones or missiles, or remove any soil, or enter any plots which may be enclosed for plantations of young trees, shrubs, or plants, or commit any nuisance in the Park, or destroy any property or thing in the Park.

5. No person shall throw or deposit any filth, rubbish, or refuse, or cause any filth, rubbish, or refuse to fall or to be thrown or deposited upon or in the Park.

6. No person shall throw, distribute, deposit, or cause to be thrown, deposited, or distributed upon or in the Park any hand-bill or other printed matter.

7. No person shall throw or discharge in the Park any missile to the damage, danger, or annoyance of any person.

8. No person in a state of intoxication shall enter or remain in the Park.

9. No person in the Park shall behave in a noisy or disorderly manner, or create or take part in any disturbance, or commit any act of indecency, or offend against decency in dress, language, or conduct.

10. Persons using the Park for any purpose shall prior to leaving the ground collect and remove, or cause to be collected and removed, all waste material, scraps, or litter of any kind brought or made by them.

11. No person shall ride a bicycle or tricycle in or through the Park, and no motor or any delivery cart or any vehicle shall enter, pass over, or through the Park.

12. No person shall bring into the Park any dog unless led by a chain or cord.

13. No dog shall be allowed in the Park except as provided in clause 12, and all dogs, goats, pigs, and poultry found in the Park shall be liable to be destroyed, and the owner shall make compensation to be recovered before any Justice for any damage done.

14. No betting or gambling shall be allowed within the Park.

15. No person shall in the Park wilfully obstruct, disturb, interrupt, or annoy any other person in the proper use of the Park, or wilfully obstruct, disturb, interrupt, or annoy any servant of a person acting under the authority of the Council in the proper execution of his duty or work.

16. No person shall remain in the Park at any time when lawfully directed by any officer or employee of the Council to leave the same.

17. No person shall put in the Park any cattle, sheep, or any other animal.

18. No person shall camp in the Park nor erect in the Park any tent, booth, stand, building, or other structure.

19. No person shall hawk or sell in the Park anything of any description or offer the same for sale therein.

20. No persons shall assemble in the Park for fêtes, picnics, or concerts, or for the purpose of public worship, preaching, or public speaking of any kind, or meeting of a like character.

21. No person shall play any musical instrument or take part in any public entertainment of any sort in the Park.

22. No person shall play or practise cricket or football or any other game, or engage in any sport in the Park.

23. When the Council sees fit it may by a permit under the hand of the Town Clerk authorize the doings of such acts or things as are prohibited by clauses numbered respectively 11, 17, 18, 19, 20, 21, and 22, but a permit shall not be given authorizing the playing of any game or sport under clause 22 hereof on a Sunday.

24. Nothing in this By-law shall prevent the Council from closing the Park or any portion thereof and excluding the public therefrom whenever they think fit, or prevent such Council from holding or permitting entertainments in the Park or any portion thereof, or excluding therefrom for such time as they think fit all persons but those who pay the sum fixed for admission thereto.

25. This By-law shall apply to and have operation in Batman Reserve, Mayer Park, Henderson Reserve, Penders Park, McDonnell Park, Johnson Park, Hayes Park, Merri Park, McDonald Reserve, Harry Reserve, Jones Reserve, Oliver Reserve, Roberts Reserve, Mason Reserve, St. George's Reserve, Pearl Reserve.

THE SCHEDULE REFERRED TO.

1. For use of the Park by any club or association for playing any game, per season—£2 2s.

2. Entrance fee payable by any person entering the Park—1s. 6d.

Resolution for passing this By-law agreed to by the Council of the City of Northcote on the 21st day of February, 1927, and confirmed on the 21st day of March, 1927.

The common seal of the Mayor, Councillors, and Citizens of the City of Northcote was hereunto affixed in the presence of—

(SEAL) PHIL. MAYER, Mayor.
H. F. MITCHELL, Councillor.
J. A. THOMSON, Town Clerk.

Approved by the Governor in Council,
the 12th April, 1927.

Clerk of the Executive Council.

MAFFRA WATERWORKS TRUST.

BY-LAW No. 15.

A By-law of the Maffra Waterworks Trust made under and in exercise and execution of the powers and authorities conferred by the Water Acts, and numbered 15, for regulating the supply and distribution of water and for other purposes.

IN pursuance of the powers conferred by the Water Acts, the Commissioners of the Maffra Waterworks Trust order (excepting insofar as the same may be inconsistent with such Water Acts), as follows:—

1. The provisions of this By-law are in addition to and not in substitution for any of the provisions of any By-law now in force or subsequently brought into force for the purpose of fixing the rates, charges, and fees payable to the Trust.

2. It shall not be compulsory on the Trust to supply or to continue to supply any water to any person whomsoever.

3. The Trust shall not be liable to any penalty, or damages for not supplying water if the want of such supply arises from unavoidable cause or accident.

4. Every person who shall have agreed with the Trust for a supply of water by measure shall at his own expense provide a meter and keep and maintain the same in good working condition to the satisfaction of the Trust, and in the event of any repairs thereto being required notice in writing shall be immediately given by such person to the Trust. If any person who has provided any meter as aforesaid shall fail to give notice hereinbefore mentioned of any repairs required for such meter he shall forfeit a sum not exceeding £5.

5. If any person who under the provisions hereinbefore contained ought to provide any meter, neglect or refuse after having been required by the Trust so to do, to provide such meter, he shall for every day during which such neglect or refusal continues forfeit a sum not exceeding £1.

6. The Trust may cause meters to be provided and fixed in any case where it may consider it necessary at the expense of the consumer who shall keep and maintain the same in good working order, and the water supplied shall be charged for at the rates and charges hereinbefore mentioned or by special arrangement as the Trust shall determine.

7. No meter shall be affixed unless the dial of the same shall be capable of registering one million gallons, and unless the same is approved in writing by the duly authorized officer of the Trust. If any meter should cease registering or be reported by the Trust's inspector as out of repair or registering inaccurately the Trust shall estimate and charge for the water consumed during the period such meter was not in working order, and until it shall have been repaired and refixed either by taking an average of the quantity used during the previous half-year or during the corresponding period of the previous year, or the Trust may insert a check meter on the service pipe.

8. No person shall remove or alter the position of any meter when fixed without the written consent of the duly authorized officer of the Trust.

9. Every meter shall be placed accordingly to the direction of the duly authorized officer of the Trust and so as to be open to inspection at all times, and as far as practicable in a situation where it cannot be affected by frost or injured by any other means and shall be provided with means of access thereto. A meter shall not be connected with more than one separate and distinct inlet pipe leading from the service pipe or other pipe of the Trust unless permitted by a memo. in writing under the hand of the duly authorized officer of the Council. A meter shall not be continued to be used if it is found on being tested by the Trust's officer to be inaccurate.

10. If any person refuse or delay to have such meter properly repaired and put in correct working order after having been required by any officer of the Trust so to do, the Trust may shut off the supply of water to the premises of such person either by cutting the service pipe or otherwise until such meter shall have been properly repaired and certified by some officer of the Trust as being in proper working order.

11. If any plumber or other person fix or refix any meter upon any premises supplied with water by the Trust without having first obtained a certificate from the Trust that the said meter has been examined and found in correct working condition, he shall be liable to a penalty not exceeding Five pounds.

12. If any person remove or alter the position of or in any way interfere with any meter without giving such notice as aforesaid he shall for each such offence be liable to a penalty not exceeding Five pounds over and above the damage which he may be found liable to pay in any action at law at the suit of the Trust.

13. Fireplugs shall not be used except for the purpose of extinguishing fires, unless any other use of them be allowed in writing by the Trust, and they shall at all times be under the control of the officers of the Trust.

14. No cock or tap with any connexion for attaching hose shall be affixed to any service pipe, connexion, or fitting, and no hose or pipe shall be applied to any pipes or taps for the purpose of watering the ground or trees or plants or washing house walls, or vehicles, or animals, or for any similar purpose unless where the water is charged for by measure, without the written authority of the Trust.

15. Before any person shall affix any service pipe to any pipe of the Trust or alter, repair, or in any manner interfere with any pipe of the Trust or any service pipe, cock, or fitting connected with the pipes of the Trust, he shall obtain from the Trust a licence in that behalf to execute such works, and any unlicensed person affixing, altering, repairing, or in any manner interfering with any such pipe, service pipe, cock, or fitting as aforesaid shall be liable to a penalty not exceeding Five pounds.

16. Licences to affix and lay on, alter or repair service pipes, to tap mains and sub-mains, and to do and execute generally the plumbing and other work necessary for laying on and maintaining water services may be granted to persons who shall satisfy the Trust of their competency to perform such plumbing and other work upon payment of such fee as may from time to time be decided upon or fixed.

17. It shall not be compulsorily on the Trust to grant or renew a licence to every or any applicant who shall prove his competency.

18. In all and every case a licensee shall be responsible for the acts, errors, and omissions of his employees, and the Trust shall have the power to cancel the licence of any person at any time without assigning any reason therefor.

19. The Trust may contract with any owner or occupier of any house, tenement, or land who is entitled to be supplied with water from its works for the provision and laying of a service pipe from the pipes of the Trust to the boundary or to any other part of such land or tenement abutting upon the street or road in which are laid the pipes of the Trust.

20. Any person whether licensed as aforesaid or not who shall offend by opening any ground so as to uncover any pipe or pipes the property of the Trust without giving two days' notice to the Trust of his intention so to do, or who shall in any way tamper with or alter any pipe the property of the Trust without the permission in writing of the Trust being first obtained, or who shall wilfully or carelessly break, injure, or open any lock, cock valve, pipe work, or engine the property of the Trust shall be liable for each such offence to a penalty not exceeding Five pounds.

21. Any person whether licensed as aforesaid or not who shall lay any pipe to communicate with the pipes of the Trust or who shall make any extension to any existing service pipe without giving two days' notice of the day and hour when such pipe is intended to be made to communicate with the pipes of the Trust or who shall make such communication except under the superintendence and according to the direction of some officer of the Trust, or who shall lay any pipe to communicate with the pipe of the Trust of a strength and material not sanctioned by the Trust shall be liable for each such offence to a penalty not exceeding Five pounds, and in the event of continuing the offence to a further penalty of Two pounds for each day the offence is continued after notice of the offence from the Trust.

22. Wrought galvanized-iron or lead piping of approved quality only will be allowed for external and internal services, ordinary connexions with mains and sub-mains must be made with approved stop-cock ferrules, all connexions with lead and iron pipes must be made with approved brass union couplings. All joints connecting lead pipes must be wiped joints and in no case will bolt or copper bit joints be allowed either in the interior or exterior of any building. One service pipe only to each house, tenement, or land will be permitted.

23. No service pipe of a larger bore than $\frac{1}{2}$ inch will be permitted unless by the special consent of the Trust, and for houses rated at £20 per annum and under the bore of the service pipe shall not exceed $\frac{1}{2}$ inch.

24. If any person shall neglect to repair any service pipe conveying water from the pipes of the Trust into the premises of such person after having received notice from any officer of the Trust that such service pipe requires repairing, the Trust may stop the water from flowing into such premises either by cutting off the service pipe or otherwise as the Trust may seem fit until the necessary repairs shall have been effected. The occupier (if any) and if none the owner shall in every instance in which any damage shall be caused by reason of such service pipes being leaky or otherwise out of repair, or broken, be liable to a penalty not exceeding Five pounds, and in the event of continuing the offence to a further penalty not exceeding Two pounds for each day such offence is continued after notice thereof from the Trust.

25. Any person supplied with water by the Trust who shall wilfully or negligently allow the same to run to waste shall be liable for each offence to a penalty not exceeding Five pounds, and in the event of continuing such offence to a further penalty not exceeding Two pounds for each day the offence is continued after notice thereof from the Trust.

26. Any person whether licensed as aforesaid or not connecting any service pipe or branch service pipe with any steam boiler for the purposes of feeding or supplying the same with water, without first affixing a "self-acting" valve for preventing the pressure of the steam reversing or affecting the action of the meter shall be liable to a penalty not exceeding Five pounds, and in the event of continuing the offence to a further penalty not exceeding Two pounds for each day the offence is continued after notice thereof from the Trust.

27. To prevent overflow all water troughs and cisterns must be fitted with approved self-acting taps which shall be at all times maintained in good working order.

28. All boilers or hot-water apparatus must be supplied from cisterns, as in no case will they be permitted to be fed directly from the pipes of the Trust.

29. In every bath the inlets must be distinct from and unconnected with the outlet, and the inlet pipes must be visible and accessible and be attached to the bath above the bottom thereof, and such bath shall be provided with a proper well-fitted and perfectly water-tight ground outlet plug or cock. Overflow pipes to private baths or other vessels will not be permitted except where the supply is taken by measure.

30. Water-closets will not be allowed to be supplied direct from the main, but from a cistern only, so constructed that the water cannot flow continuously and that not more than two gallons can escape at each flush.

31. The officers of the Trust may at all reasonable hours enter any house, tenement, or land to, through or into which water is supplied by the Trust, in order to inspect the meters, instruments, pipes, and apparatus, for measuring, conveyance, reception, or storage of water or for the purpose of ascertaining the quantity of water supplied or consumed, or examining if there be any waste or misuse of such water, and if any person hinders any such officer from entering or making such inspection or examination, the Trust may turn off the water supplied by it from such house or other premises and cease to supply the same with water until such inspection shall have been permitted and effected.

32. If any person supplied with water by the Trust does or causes to be done anything in contravention of any of these regulations or fails to pay his rates when due or fails to do anything which under any of these regulations ought to be done or wilfully or negligently allows water to run to waste the Trust may cut the supply of water from the premises of such person either by cutting the pipes by or through which water is supplied or otherwise and may cease to supply him with water so long as the cause of injury remains or is not remedied.

33. Any person (excepting where water is supplied by measure) watering any street or footpath by means of a hose except under the direction of the officers of the Trust shall be liable to a penalty not exceeding £2 for each such offence.

34. The following Regulations shall be observed by all persons in connexion with the laying of services, &c. :-

- (a) The whole of the pipes, tees, bends, &c., shall be sound and free from all defects and all ends of pipes, bends, &c., shall be properly threaded and capable of being screwed into thimbles, tees, &c. All delivery cocks shall be high pressure and of the best quality in workmanship, all jointing between pipes, thimbles, bends, couplings, elbows, meters, and cocks shall be made with red lead and flax.
- (b) No service pipe shall be laid at a depth below the surface of any road, street, or carriageway of less than 15 inches and in any other case not less than 10 inches below the surface of the ground. After service pipes have been laid the trench or trenches shall be properly filled in and thoroughly rammed, and any subsidence therein which may appear within three months shall be immediately made good by the owner or occupier of the premises supplied by such service pipe. No trench made for the purpose of receiving, altering, repairing or extending a service-pipe shall be left open after sunset.
- (c) Every person previous to being licensed to lay services shall deposit with the Trust's secretary the sum of Five pounds sterling as security for the strict observance and performance of the regulations and conditions contained in this By-law, and in case of the non-observance or non-performance of any of such stipulations and conditions at any time by such licensed person the Trust shall be entitled to declare his deposit absolutely forfeited and the same shall thereupon become and be absolutely forfeited as liquidated damages, and the name of such person shall at once be struck off the roll of licensed plumbers. On surrender of licence to the Trust the Five pounds deposit if not forfeited shall be refunded.
- (d) No private services whatsoever shall be laid or extensions made by any licensed person unless he has ascertained at the Trust office that the person for whom such work is intended, has received the consent of the proper officers of the Trust to have such work executed.
- (e) Within 24 hours after the completion of each service the licensed person by whom such service shall have been laid shall report at the office of the Trust the completion of such service.
- (f) If at any time any such licensed person wilfully acts contrary to any of the provisions of this By-law, either by himself or his workmen, or refuses to communicate any needful and proper information required of him in regard to any work connected with the works of the Trust done by him or his workmen or under his superintendence or upon his responsibility his name may be erased by the Trust from its list of licensed plumbers.

(g) Each licensed person shall be held solely responsible to the Trust for such service pipes being laid and completed by him or his workmen in a sound workmanlike and durable manner, and maintained in that condition (sound and watertight) for a period of three months after such service pipe has been completed.

(h) Each licensed person shall be held responsible to the Trust for any injury occasioned by him or his workmen to the streets, mains, or other property of the Shire of Maffra or to private services already laid and connected with the Trust's water supply, and full compensation for such injury including cost of all repairs necessitated thereby shall be paid by such licensed person to the Trust within 24 hours of the time such injury was occasioned.

35. In the construction of this By-law the word "person" shall be deemed to extend to and include the plural as well as the singular and a corporation whether aggregate or sole, and the word "Trust" shall mean the Maffra Waterworks Trust.

36. The Trust may from time to time as thought fit alter repeal or add to the whole or any part or parts of this By-law.

37. The marginal notes shall not be deemed to be a part of this By-law.

The above By-law was passed by the Trust on the seventeenth day of March, 1927.

The seal of the Maffra Waterworks Trust was affixed hereto in the presence of—

(SEAL) A. D. MATTHEW, Chairman.
JAMES FRENCH, Secretary.

Approved by the Governor in Council,
the 12th April, 1927.

STATE RIVERS AND WATER SUPPLY COMMISSION.
BY-LAW No. 1808.—RATE AND CHARGE FOR WATER SUPPLIED.—MITIAMO URBAN DISTRICT WITHIN THE LODDON UNITED WATERWORKS TRUST DISTRICT.

THE State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following:—

1. The following rates for the supply of water for domestic purposes otherwise than by measure are hereby made, and

shall be levied upon the occupiers or owners of lands and tenements within the Mitiamo Urban District within the Loddon United Waterworks Trust District:—

(1) Of any tenement (other than land on which there is no building) situate in a street in which a pipe for the supply of water has been laid down—a rate of Forty-eight pence in the pound of the valuation of such tenement. Provided that the rate for the supply of water as aforesaid to such tenement shall not be less than the sum of Twenty shillings per year.

(2) Of lands in which there is no building, situate in a street in which a pipe for the supply of water has been laid down, a rate of Forty-eight pence in the pound of the valuation of such lands.

(3) Of any tenement or land on which there is no building, situate otherwise than in a street in which a pipe for the supply of water has been laid down, and which tenement or land is not supplied with water by reticulation from such pipe, and being within a quarter of a mile of any stand-pipe for the supply of water—one-half of the before-mentioned rates; and where such tenement or land is over a quarter of a mile from such stand-pipe; and within half-a-mile thereof—one-fourth of the before-mentioned rates.

2. Such rates are made and shall be levied for the year beginning with the 1st day of January, 1927, and ending with the 31st day of December, 1927, and shall be payable on the 22nd day of April, 1927, at the office of the Commission, at Pyramid Hill.

3. For making and levying such rates the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any of such lands and tenements are not included in a valuation in force for the municipality in whose district they are situate, or if there is no such valuation, the net annual value thereof may for the purposes of such rates be determined by a Police Magistrate.

4. For water supplied by the Commission for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Commission) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge at Fifteenpence per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Commission in excess of such aforesaid quantity shall be charged for at the rate of Fifteenpence per 1,000 gallons.

5. Such person or persons as the State Rivers and Water Supply Commission may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said rates and charges for water supplied.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 14th day of March, 1927, and the common seal of the said Commission was herewith affixed the 16th day of March, 1927, in the presence of—

(2) Of lands on which there is no building situate in a street in which a pipe for the supply of water has been laid down—a rate of Eightpence in the pound of the valuation of such lands. Provided that the rate for the supply of water as aforesaid to such lands shall not be less than the sum of Five shillings for the period hereinafter set out.

(3) Of any tenement or land on which there is no building situate otherwise than in a street in which a pipe for the supply of water has been laid down, and which tenement or land is not supplied with water by reticulation from such pipe, and being within a quarter of a mile of any stand-pipe for the supply of water, one-half of the before-mentioned rates; and where such tenement or land is over a quarter of a mile from such stand-pipe and within half a mile thereof, one-fourth of the before-mentioned rates.

3. Such rates are made and shall be levied for the period beginning with the first day of January, 1927, and ending with the thirtieth day of June, 1927, and shall be payable on the 22nd day of April, 1927, at the office of the said Commission, at Frankston.

4. For making and levying such rates the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate, shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any of such lands and tenements are not included in a valuation in force for the municipality in whose district they are situate, or if there is no such valuation, the net annual value thereof may for the purposes of such rates be determined by a Police Magistrate.

5. For water supplied by the Commission for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Commission) the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge at Twelvepence per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Commission in excess of such aforesaid quantity shall be charged for at the rate of Twelvepence per 1,000 gallons.

6. Such person or persons as the State Rivers and Water Supply Commission may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said rates and charges for water supplied.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 14th day of March, 1927, and the common seal of the said Commission was hereunto affixed the 16th day of March, 1927, in the presence of—

(SEAL) WM. CATTANACH, Chairman.
E. SHAW, Commissioner.
RICHD. HORSFIELD, Commissioner.

Approved by the Governor in Council,
the 12th April, 1927.

Clerk of the Executive Council.

STATE RIVERS AND WATER SUPPLY COMMISSION.

RATE AND CHARGE FOR WATER SUPPLIED.—BY-LAW NO. 1811.—
WOORINEN URBAN DISTRICT WITHIN THE LONG LAKE WATERWORKS DISTRICT.

THE State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, doth hereby make the By-law following:—

1. All previous By-laws and Regulations relating to the subject-matter herein shall be and the same are hereby revoked, but not so as to relieve, discharge, or absolve any person from liability to pay any rate or charge made in accordance with the provisions of the revoked By-laws or Regulations for payment of which rate or charge such person may have become liable prior to or at the date of this By-law

coming into operation; or to abrogate or diminish the power of the said Commission to recover and enforce payment of any such rate or charge; or to annul or stay any proceedings taken or business initiated as in conformity with the provisions of the By-laws or Regulations hereby revoked prior to the date of this By-law coming into operation, but the same respectively may be continued and carried to completion.

2. The following rates for the supply of water for domestic purposes otherwise than by measure are hereby made, and shall be levied upon the occupiers or owners of lands and tenements within the Woorinen Urban District within the Long Lake Waterworks District:—

- (1) Of any tenement (other than land on which there is no building) situate in a street in which a pipe for the supply of water has been laid down—a rate of Twenty-four pence in the pound of the valuation of such tenement. Provided that the rate for the supply of water as aforesaid to such tenement shall not be less than the sum of Forty shillings for the period hereinafter set out.
- (2) Of lands on which there is no building situate in a street in which a pipe for the supply of water has been laid down—a rate of Twenty-four pence in the pound of the valuation of such lands. Provided that the rate for the supply of water as aforesaid to such lands shall not be less than the sum of Five shillings for the period hereinafter set out.
- (3) Of any tenement or land on which there is no building situate otherwise than in a street in which a pipe for the supply of water has been laid down, and which tenement or land is not supplied with water by reticulation from such pipe, and being within a quarter of a mile of any stand-pipe for the supply of water, one-half of the before-mentioned rates; and where such tenement or land is over a quarter of a mile from such stand-pipe and within half a mile thereof, one-fourth of the before-mentioned rates.

3. Such rates are made and shall be levied for the period beginning with the 1st day of January, 1927, and ending with the thirtieth day of June, 1927, and shall be payable on the 22nd day of April, 1927, at the office of the said Commission, at Swan Hill.

4. For making and levying such rates the valuation for the time being of such lands and tenements for the municipal rate of the municipality in the municipal district of which such lands and tenements are situate, shall be deemed and taken to be the valuation of such lands and tenements respectively; but if any of such lands and tenements are not included in a valuation in force for the municipality in whose district they are situate, or if there is no such valuation, the net annual value thereof may for the purposes of such rates be determined by a Police Magistrate.

5. For water supplied by the Commission for domestic as well as for other than domestic purposes by measure (except in cases of special agreement with the Commission), the minimum quantity of water to be charged for in respect of all lands and tenements shall be the quantity for which the charge at Eighteenpence per 1,000 gallons would be equal to the amount of the rate which would be payable for the lands and tenements so supplied if supplied otherwise than by measure. All water supplied by measure by the Commission in excess of such aforesaid quantity shall be charged for at the rate of Eighteenpence per 1,000 gallons.

6. Such person or persons as the State Rivers and Water Supply Commission may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said rates and charges for water supplied.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 14th day of March, 1927, and the common seal of the said Commission was hereunto affixed the 16th day of March, 1927, in the presence of—

WM. CATTANACH, Chairman.

STATE RIVERS AND WATER SUPPLY COMMISSION.

BY-LAW NO. 1813.—RATE.—WATERWORKS DISTRICT OF THE LODDON UNITED WATERWORKS TRUST.

THE State Rivers and Water Supply Commission, in pursuance and exercise of the powers conferred by the Water Acts, and in accordance with the provisions of an Order in Council bearing date the 15th March, 1927, and published in the *Government Gazette* of 16th March, 1927, doth hereby make the By-law following:—

1. The following rate is hereby made, and shall be levied upon the occupiers or owners of all lands and tenements within the Waterworks District of the Loddon United Waterworks Trust, except within any Urban District thereof:—

- (1) Of all lands in the First Division, as shown coloured red on a plan signed and sealed by the Commission, and lodged at the office of the Commission, at Melbourne, and authenticated copies of which are also lodged at the office of the Commission at Pyramid Hill; at the office of the municipality of East Loddon at Serpentine; at the Post Office at Mitiamo; at the Post Office at Tandarra; at the Post Office at Lake Marmal; at the Post Office at Boort; and at the Post Office at Bridgewater—a rate of Eightpence in the pound of the rateable value of such lands.
- (2) Of all lands in the Second Division, as shown coloured green on the aforesaid plan—a rate of Fourpence in the pound of the rateable value of such lands.
- (3) Of all lands in the Third Division, as shown coloured brown on the aforesaid plan—a rate of Twopence in the pound of the rateable value of such lands.

2. Such rate is made and shall be levied for the year beginning with the 1st day of January, 1927, and ending with the 31st day of December, 1927, and shall be payable on the 22nd day of April, 1927, at the office of the said Commission, at Pyramid Hill.

3. Such person or persons as the State Rivers and Water Supply Commission may from time to time appoint for that purpose shall be and is or are hereby authorized to demand, receive, collect, and recover the said rate.

4. For making and levying such rate the value of the lands set out in the valuation made in accordance with the provisions of the *Water Act* 1915, by Frank Bassett, valuer, returned on the 22nd day of May, 1925, and adopted by the Commission on the 25th day of May, 1925, shall be deemed and taken to be the rateable value of such lands, unless altered or amended as provided by the Water Acts, and if so altered or amended then the net annual value of such lands set out in such altered or amended valuation.

The foregoing By-law was made by the State Rivers and Water Supply Commission on the 17th day of March, 1927, and the common seal of the said Commission was hereunto affixed the 17th day of March, 1927, in the presence of—

WM. CATTANACH, Chairman.
(SEAL) E. SHAW, Commissioner.
RICHD. HORSFIELD, Commissioner.

Approved by the Governor in Council,
the 12th April, 1927.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the twelfth day of April, 1927.

PRESENT:

His Excellency the Governor of Victoria.	
Mr. Allan	Colonel Bourghier
Sir A. J. Peacock	Mr. Mackrell.
Mr. Richardson	

Country Roads Act 1915 (No. 2635), Developmental Roads Act 1918 (No. 2944), and Highways and Vehicles Act 1924 (No. 3379).

ORDER APPROVING OF A DEVIATION FROM A DEVELOPMENTAL ROAD IN THE SHIRE OF SEYMOUR.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1915 (No. 2635) has represented to His Excellency the Governor in Council that it appears to be desirable that the deviation hereinafter referred to from the existing Hughes Creek road in the Shire of Seymour (declared to be a developmental road under the Developmental Roads Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 6th July, 1924, on page 2364) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Woorarra, and being a roadway one chain or more in width, the southern boundary of which commences at a point on the eastern boundary of the road through the Rocky Passes Pre-emptive Right in the said Parish, distant 161 deg. 0 min. 450 links from an angle in the said eastern boundary formed by the intersection of lines bearing 190 deg. 11 min. and 160 deg. 53 min.; thence north-easterly and easterly through the said Pre-emptive Right, south-easterly and north-easterly through allotment 18, and north-easterly and south-easterly through allotment 19 to a point on the northern boundary of that allotment, distant 221 deg. 43 min. 558 links from the north-eastern angle of the said allotment 19.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 1910, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A DEVIATION FROM A DEVELOPMENTAL ROAD IN THE SHIRE OF GLENLYON.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1915 (No. 2635) has represented to His Excellency the Governor in Council that it appears to be desirable that the deviation hereinafter referred to from the existing Daylesford-Trenton road in the Shire of Glenlyon (declared to be a developmental road under the Developmental Roads Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 5th March, 1924, on page 919) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parishes of Wombat and Bullarto, and being a roadway generally one chain wide, the eastern boundary of which commences at a point on the northern boundary of allotment 5, section 18, of the parish first named, distant 270 deg. 13 min. 318 links from the north-eastern angle of the said allotment; thence south-easterly through that allotment and allotment 20X, Parish of Bullarto, to a point on the eastern boundary of that allotment, distant 142 deg. 51 min. 832 links and 168 deg. 54 min. 746 links from the north-western angle of the said allotment 20X.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 1924, lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF SOUTH GIPPSLAND.

WHEREAS the Country Roads Board constituted under the Country Roads Act 1915 (No. 2635) has represented to His Excellency the Governor in Council that it appears to be desirable that the new developmental road hereinafter referred to in the Shire of South Gippsland should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plans marked "A" and "B" respectively and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plans and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

WOOMERRA CREEK-ROAD IN THE SHIRE OF SOUTH GIPPSLAND.

Local Government Act 1921 (No. 3167).
REGULATIONS FOR THE STORAGE OF PETROLEUM,
ETC.

*At the Executive Council Chamber, Melbourne, the twelfth
day of April, 1927.*

PRESENT:

His Excellency the Governor of Victoria.

Mr. Allan
Sir A. J. Peacock
Mr. Richardson

Colonel Bouchier
Mr. Mackrell.

WHEREAS by section 11 of the *Local Government Act 1921 (No. 3167)*, it is enacted that the Governor in Council may make Regulations applicable to the whole of Victoria, or to such municipal districts (including the City of Melbourne and the City of Geelong) as are specified therein for or with respect to regulating the keeping and storage of petroleum, or any product of petroleum (including kerosene), turpentine, or other volatile or inflammable liquids, and carbide or other combustible substances: Now therefore His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, in pursuance of the powers conferred by the said section of the said Act and all other powers him enabling in that behalf, doth hereby make the following Regulations, and doth provide that the said Regulations shall apply and have application throughout the whole of the municipal district of the Shire of Maffra, and furthermore that such Regulations shall be deemed to be in substitution of any By-law or By-laws made by the said Council of the said municipality for the purpose for which these Regulations are now made, and shall take effect from the first day of May, 1927.

REGULATIONS.

*Storage of More than 50 Gallons of Petrol, &c., or More than
250 Gallons of Kerosene, &c.*

1. Every person who shall keep, store, or retain in or upon or about any buildings or premises more than 50 gallons in the aggregate of the volatile fluids mentioned in the Schedule hereto or more than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test shall comply with the following requirements:—

- (1) The site of all buildings shall be first approved of by the Council.
- (2) The buildings shall be constructed with walls of brick, concrete, iron, or other non-inflammable material except that in the case of a galvanized-iron structure the lower portion of the walls must be in brick.
- (3) The floor of such buildings shall be made of earth, concrete, or brick. The roof of such buildings shall be constructed of incombustible material.
- (4) To prevent outflow the lower portion of all walls to be without break or opening, the capacity of such enclosed space to be at least 25 per cent. of the total volume of volatile fluids kept, stored, or retained in any such buildings.

*Storage of Less than 50 Gallons of Petrol, &c., or Less than
250 Gallons of Kerosene, &c.*

2. Every person who shall keep, store, or retain in or upon or about any buildings or premises less than 50 gallons in the aggregate of the volatile fluids mentioned in the Schedule hereto or less than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test shall comply with the following requirements:—

- (1) In quantities not exceeding 50 gallons in the aggregate of any of the volatile fluids mentioned in the Schedule hereto if such volatile fluids are kept in substantial vessels of metal or other approved material including winchesters, so securely closed that neither liquid nor vapour can escape therefrom, and if all due precautions are taken to prevent accident by fire or explosion and to prevent the escape of any such volatile fluids into a sewer or drain, and if the position of storage is free from other easily combustible goods and will not menace exits stairways or adjoining premises except that a reasonable quantity not exceeding 12 gallons in the aggregate of the said volatile fluids may be kept in separate glass or earthenware vessels each containing not more than one pint so securely closed or stopped that neither liquid nor vapour can escape therefrom and if the position of storage is free from other easily combustible goods and will not menace exits or stairways.

- (2) In quantities not exceeding 250 gallons of petroleum or any product of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test provided such volatile fluids are kept in substantial vessels of glass, earthenware, or metal, and are suitably closed or stopped, and the position of storage will not menace exits, stairways, or adjoining premises.

*Precaution to be Taken when Volatile Fluids are Stored in
Bulk Containers.*

3. Every tank or other container used for the purpose of the storage or keeping of any volatile fluids shall when not in use be kept tightly closed to prevent the escape of such fluids or any vapour or gas emitted therefrom.

Precautions to be Observed in Buildings.

5. Whenever any person shall have in or upon or about any building or premises more than 50 gallons (or more than 12 gallons if kept in glass or earthenware vessels each containing not more than one pint) of the volatile fluids mentioned in the Schedule hereto or more than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids that will flash or emit an inflammable vapour at not below 73 deg. Fah. Abel close test he shall observe the following precautions against fire:—

- (1) One 2-gallon carbon tetra-chloride or other approved chemical fire extinguisher shall be kept in such a position as to be easy of access at all times in the event of fire and to be under the supervision of the Country Fire Brigade where practicable.
- (2) At least two iron buckets or other suitable containers each having a capacity of not less than a quarter of a cubic foot, filled with dry sand shall be kept in position in different parts of the building so as to be easy of access at all times in the event of fire.
- (3) Dry sand shall be used for absorbing all volatile fluids spilt or thrown upon the floor and shall after being so used be forthwith removed from the premises.
- (4) The use of sawdust for absorbing the said volatile fluids is prohibited.

Containers to be Labelled for Retail Sale.

5. Any person who for retail sale fills into small containers on premises any of the volatile fluids mentioned in the Schedule hereto shall have the fire fighting appliances as mentioned in the preceding section and shall clearly label such small containers with the name of the contents and with the following words:—"Highly inflammable. Beware of the vapours. Keep fire away."

Regulations not to Apply to Storage of Alcoholic Spirits.

6. Nothing herein contained shall apply to the storing of alcoholic (other than methylated) spirits.

Conditions to be Observed in the Construction of Tanks.

7. Every person who shall erect or construct any storage tank for the storage of more than 250 gallons of petroleum or any products of petroleum, turpentine, or other volatile fluids shall comply with the following requirements:—

- (1) The site of all storage tanks other than underground tanks not exceeding 1,000 gallons capacity shall be first approved by the Council for that purpose.
- (2) Underground tanks not exceeding 1,000 gallons capacity shall be constructed of galvanized steel plate not less than 14 gauge, and be placed not less than 2 feet below the surface of the ground or the lowest floor of any building. Sand shall be filled in over the tank to the level of the ground or floor as the case may require. Tanks shall be adequately ventilated and fitted with safety devices to the satisfaction of the engineer. Filling pipes may be placed where the engineer approves, but so as not to cause any obstruction to the traffic when the tanks are being filled.
- (3) Storage tanks which are erected upon or above the surface of the ground or partly below and partly above the surface of the ground shall be enclosed by a wall of brick, stone, or concrete, or an earthen dam of approved construction; such wall or dam shall be in no case of less height than 2 feet higher than the level to which the oil would rise should it escape from the tanks. An opening may be made in the enclosing wall to permit access to the tank but such opening shall contain a liquid tight door either sliding or opening inward, made of incombustible material, and of sufficient strength to resist any pressure which may be brought to bear on such door by the bursting of the tank enclosed in such wall.

Portable Filling Tanks.

8. Every person who shall have in or upon any building or premises any portable filling tank shall comply with the following requirements:—

No portable filling tank shall exceed 50 gallons capacity, and shall be—

- (a) constructed of number 12 gauge galvanized steel or of iron not less than three-sixteenths of an inch in thickness, and oxy-acetylene welded or riveted with rivets not more than one inch apart measured from centre to centre;
- (b) mounted on all-metal wheels with rubber tires;
- (c) soldered and painted on the outside;
- (d) fitted with an approved pump for the removal of its contents.

Every such portable filling tank may be filled and refilled at the kerb line of the footpath by means of a pipe connexion from a similar approved tank, and in no other manner whatsoever, and its contents may be removed by means of such approved pump, and in no other manner whatsoever.

Every person who shall have in or upon any building or premises any such approved portable filling tank in which any such volatile fluid is being kept or stored, shall observe the following precautions against fire:—

- (a) One 2-gallon approved chemical fire extinguisher shall be kept in such a position in relation to the portable filling tank as to be easy of access at all times in the event of fire.
- (b) At least four iron buckets filled with dry sand shall be kept in position in different parts of the building so as to be easy of access at all times in the event of fire.
- (c) Dry sand shall be used for absorbing all volatile fluids spilt or thrown upon the floor, and shall, after being so used, be forthwith removed from the premises.
- (d) The use of sawdust for absorbing oils or petrol is prohibited.
- (e) The approved portable filling tank shall be at all times kept near a door leading into the street, and so as to be readily removable from the premises in the event of fire.

Power to Enter and Inspect.

9. Any officer authorized by the Council may for the purpose of securing the due observance of and compliance with the provisions of these Regulations enter and inspect any building or erection at all reasonable times and do therein all such acts and things as are reasonably necessary for the purpose aforesaid, and any persons who shall in any manner interfere with such officer in the execution of his duty shall be guilty of an offence.

Offence.

10. Every person who shall contravene or fail to comply with any of the provisions of these Regulations shall be guilty of an offence.

Penalty.

11. Every person guilty of an offence under these Regulations shall be liable to a penalty not exceeding Twenty pounds and, in the case of a continuing offence to a further penalty of Two pounds for each succeeding day after a written notice of the offence from the Council.

Exemptions May be Made by the Council.

The Council may, if it considers reasonable care will be observed, exempt from any one or more of these Regulations inflammable liquids when kept for private use, provided the store is exclusively used for inflammable liquids, and not less than 50 feet intervene between the store and other buildings or an adjoining property boundary.

NOTE.—Private use does not include inflammable liquids kept for sale or for purely business activities.

DEFINITIONS.

5121

SHIRE OF WALPEUP.

BY-LAW No. 15.

BY-LAW RELATING TO THE COLLECTION, REMOVAL, AND DISPOSAL OF REFUSE.

Health Act 1919.

IN pursuance of the powers contained in the *Health Act 1919*, and of any other powers thereunto enabling them in that behalf, the Council of the Shire of Walpeup, in the name and on behalf of the President, Councillors, and Rate-payers of the said Shire, for the purpose of carrying the said Act into execution within their jurisdiction, make the following By-law (that is to say):—

1. All former By-laws, so far as they relate to the matters and things provided for in this By-law, are hereby repealed.

2. This By-law shall come into full force and operation on its approval by the Governor in Council and immediately after its publication in the *Government Gazette*.

3. This By-law shall apply to and have operation in the Township of Ouyen, section A and allotment 7, Parish of Ouyen, and the Railway Reserve adjoining the Ouyen-Melbourne railway line on the southern boundary of the Ouyen Township for a distance of 1 mile from such boundary, and unless exempted by the Council shall apply to every house, building, and premises therein.

4. In this By-law, unless inconsistent with the context or subject-matter—

“Proprietor” means the proprietor of any premises, and includes the owner, the occupier, or any person having the management or control thereof.

“Refuse” includes all waste (except sewage and manure) produced or accumulated in or about any house, building, or premises.

5. The proprietor of every house, building, or premises shall provide, keep, and maintain at all times upon his premises a properly constructed receptacle in which he shall from time to time cause to be deposited all refuse produced or accumulated in or about such house, building, or premises.

6. Such receptacle shall be constructed of galvanized iron of not less than 24 gauge or other approved material in such a manner as to prevent any absorption by any part of such receptacle of any offensive matter which may be deposited therein, or any escape by leakage or otherwise of any part of the contents of such receptacle.

7. Each such receptacle shall have a capacity of not more than 4 cubic feet, and shall be so constructed as to be capable of being easily and conveniently carried by one man.

8. It shall be strongly constructed and provided with properly attached side lifting handles.

9. Such receptacle shall be provided with a suitable close-fitting lid with a flange overlapping the top of such receptacle, and shall be kept constantly covered (except when such refuse is being deposited therein or discharged therefrom), and a sufficient quantity of some efficient deodorant shall be from time to time introduced therein when necessary to keep such refuse in an inoffensive condition.

10. No person shall place or cause or permit to be placed any slops or liquid waste in such receptacle, nor shall deposit any moist refuse in such receptacle unless such moist refuse has been previously strained and effectually wrapped in waste paper.

11. The proprietor shall cause such receptacle to be kept at all times in good order and sweet condition, and shall coat the inside of such receptacle with tar or other suitable substance when deemed necessary by the Council.

12. The proprietor shall cause, at such hours and on such days as may be appointed by the Council for the removal of refuse, such receptacle to be deposited close to and inside of the entrance to such house, building, or premises from the street, lane, or right-of-way on which such house, building, or premises abut, in order that the contents of such receptacle may be conveniently removed by the contractor or person authorized or employed in that behalf by the Council.

13. No person shall place or cause to be placed any such receptacle in or upon any street, land, or right-of-way except in the case of business premises built on the street alignment where such premises do not abut on a suitable right-of-way or land on which such receptacle could be placed for collection and emptying.

14. The contractor or person authorized or employed by the Council for the removal of such refuse shall be responsible for the complete emptying (without spilling any of the contents) of such receptacle or receptacles directly into a vehicle provided for its reception, at such hours and on such days as may be appointed by the Council.

Such contractor or person shall also be responsible for the replacement of such receptacle properly covered with its lid, and shall also close the gate or gates of the premises from which such receptacle is taken.

15. The contractor or person authorized or employed by the Council for the removal of such refuse shall at least once in each week, or at such greater frequency as may be necessary, collect and remove such refuse in a suitable covered vehicle in such a manner as not to cause nuisance, danger to health, or offensiveness.

16. Such vehicle shall be provided with a cover and kept covered except when refuse is being put into or discharged from such vehicle.

17. Such vehicle shall as far as practicable be rendered watertight by means of an impervious lining or by painting the inside thereof with tar or by other suitable and effective means.

18. Such vehicle when full shall be taken by the quickest possible route to the tip, incinerator, or destructor, where as soon as practicable the refuse shall be rendered innocuous by means of fire or such other method as may be approved by the Commission, and in such manner as not to create a nuisance.

19. The contractor or person authorized or employed by the Council for the removal of such refuse shall cause all vehicles used for the reception and removal of such refuse to be properly constructed, kept clean, and thoroughly disinfected with approved disinfectant, and maintained in a proper state of repair.

20. If any refuse is authorized to be deposited or disposed of in or on any land, hole, quarry, or indenture, such refuse shall be deposited in a regular and orderly manner, and at the conclusion of each day's depositing the contractor or the person or persons authorized or employed by the Council shall blind the surface with clean earth, lime, or other approved material so as not to create a nuisance.

21. Land upon which refuse has been deposited shall be seasonably planted or sown with seed of grass or any forage or cereal crops, or other such vegetable life as the Council shall direct or approve.

22. If any person or persons commit a breach of this By-law, he or they shall for every such breach be liable to a penalty of not more than Twenty pounds, and in the case of a continuing offence a further daily penalty of, not more than Five pounds.

The resolution for passing this By-law was agreed to by the Council on the 29th October, 1926, and confirmed on the 26th November, 1926.

The Common Seal of the President, Councillors, and Rate-payers of the Shire of Walpeup was affixed hereto in pursuance of an Order of the Council made on the 26th day of November, 1926, in the presence of—

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The Subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 7d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for.

Subscribers do not receive the Acts of Parliament with the Gazette.

ADVERTISEMENTS are charged at the rate of EIGHTPENCE per line throughout.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines, as a heading.

On an average, eleven words make a line, but for the description of a brand consisting of more than one letter, &c., placed perpendicularly, thus B, each additional letter under the first is charged as a line.

All communications should be addressed to "The Government Printer, Melbourne."

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

Signatures (in particular) and proper names must be written very plainly in the text, ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before TWO p.m. at ordinary rates, and late advertisements between TWO p.m. and FIVE p.m. at double rates, on the day preceding the day of publication.

Single copies of the GOVERNMENT GAZETTE are Sixpence, posted Sevenpence, each.

No GAZETTES prior to January, 1908, in stock.

*** ALL PAYMENTS ARE REQUIRED IN ADVANCE. Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
