(Where practicable, all items must be manufactured or prepared within the Commonwealth.) No sub-letting allowed.

Under all Sub-schedules particular attention is drawn to Clause 1 of the Conditions of Contract as to quality.

A sample of the best ordinarily retailed to the public will be considered as a test loaf for first quality for fine wheaten and pure wheaten Meal Bread. Third quality (that issued to prisoners of the Crown) to be made of flour, fine sharps, the produce of prime, strong, thin-skinned, good-coloured wheat, to be perfectly free from coarse pollard or other offal. Pure wheaten Meal Bread of first quality may be substituted, wholly or in part, for fine wheaten Bread at such times and in such quantities as, in the opinion of the Medical Superintendent, may be deemed necessary, and the contractor will be required to supply such Bread at the contract rate. Reasonable notice, however, of the intention to substitute wheaten Meal Bread must be given to the contractor by the officer ordering the supply. Bread may be baked at any Government establishment without infringing these contracts. At the Gaols, Ballarat, Beechworth, Geelong, Bendigo, Castlemaine, and Sale, if required, bread must be supplied one day old, due notice to be given to the contractor of such requirement. In the event of bread being made at any Government establishment in the Melbourne District during the currency of these contracts, the flour required will be drawn under the flour and maize meal sub-schedule.
