And the said sale shall be conducted by a local auctioneer, to be selected by the said Trust, and his remuneration shall be that agreed upon between him and the said Trust, but not exceeding the usual remuneration for his services: And the costs, charges and expenses of the said Trust of and incidental to the said sale, including therein the costs, charges, and expenses of the publication of the aforesaid notices, and of the notice by publication in the Government Gazette of this order, together with the said Trust's costs, charges, and expenses of and incidental to this application, which are hereby fixed at £15 15s., shall be apportioned among such of the said lands as shall have been sold at the said sale, in proportion to the purchase money for which the same shall have been respectively sold; and the portion or share of all such costs, charges, and expenses attributable to each such piece of land as aforesaid shall be paid out of the proceeds of such sale as to each such piece of land respectively.
