RATING BY-LAW FOR THE YEAR ENDING 31st DECEMBER, 1928.

THE Commissioners of the Rosedale Waterworks Trust hereby make the following By-law, pursuant to and in exercise of the powers and authorities conferred by the Water Acts:—

A By-law for making the rate for the year 1928 on the rateable property within the district of the Rosedale Waterworks Trust, also dealing with the sale of water by measure from the works of the Trust.

A rate of Two shillings and sixpence in the pound shall be paid on the net annual value of the rateable property within the Waterworks District, according to the valuation for the time being of all lands and tenements, for the municipal rates for the Shire of Rosedale, but no such rate shall be less than the sum of Two pounds ten shillings, for properties built on.

For every piece or allotment of vacant land, a rate of Ten shillings shall be paid.

When water is supplied by measure for domestic or other purposes, a charge of Two shillings and sixpence per thousand gallons shall be made, and the minimum quantity to be charged for shall be the quantity which, at the price named, would be equal to the price payable in respect of such property if the water were supplied otherwise than by measure.

When the water is supplied for other than domestic purposes solely, the charge shall be Two shillings and sixpence per thousand gallons, and the minimum quantity to be supplied shall be ten thousand gallons for the year ending 31st December, 1928.

The Trust may, by notice in writing, intimate to any owner or occupier using the water for other than domestic purposes solely, that the water to be used is to be charged for by measure, and may by such notice require the owner or occupier to provide a meter within one month of such notice, and at his own expense.

In all cases not herein provided for, the Trust shall make special provision, as may be deemed necessary.

The service pipe from the main, being the property of the owner or the occupier, the owner or occupier of such tenement supplied by such service pipe shall, in every instance in which any damage be caused by such service pipe being leaky, broken, or otherwise out of repair, be guilty of an offence against the Act.

If any person neglect to repair such service pipe into the premises of such person, after the required notice from the officer of the Trust that such service pipe required repairing, the Trust may stop the water from flowing into such premises, either by cutting off the service pipe or otherwise, until such repairs be effected.

The Trust may at any time, when found necessary, repair or remove any pipe or stop-cock laid for supplying water to any tenement, and may charge the owner with the cost of providing, laying, repairing, or removing same, and such cost shall be a debt due to the Trust, and shall be recoverable in any Court of competent jurisdiction.

The foregoing rates are made payable on the first day of May, 1928, and any such person, or persons, as the Trust may appoint from time to time shall be authorized to demand and collect such rates.

NOTICE is hereby given that the following application under section 4 of the State Aid (Abolition) Act (34 Victoria, No. 391) was lodged at the office of the Minister administering the above Act on the fourth day of May, One thousand nine hundred and twenty-eight:—

*State Aid (Abolition) Act 1871 (34 Victoria, No. 391).*  
**THE FIRST SCHEDULE.**

I, Israel Brodie, of Melbourne, in the State of Victoria, Rabbi, being the head or authorized representative in the State of Victoria of the religious denomination known as the Jews, and acting at the request of the members of the Geelong Hebrew congregation, and with the consent of one John Butterworth, who is the occupier of a wooden residence built on the land described in the subjoined Statement of Trusts (there being no person or persons entitled to minister in the Synagogue built upon the said land), hereby apply to the Governor of the State of Victoria for leave to dispose of the said land by the means and for the purposes mentioned in the said Statement of Trusts.

And I hereby certify as follows:—

That the said land was granted by the Crown on the tenth day of May, One thousand eight hundred and fifty-one, for the purpose of the erection of a synagogue thereon for the use of the members of the Jewish faith, and for no other purpose whatsoever.

That all the trustees of the said land named and described in the said Crown grant have long since been deceased.

That any person or persons who may have been entitled in succession to the said trustees by virtue of the said Crown grant has or have never so acted, and his or their whereabouts cannot be ascertained.

That there is no record in the books of the Geelong Hebrew Congregation of the appointment of any new trustee or trustees.

That the only buildings upon the said land are the said synagogue and said wooden residence.

That the said synagogue is built of brick and rubble, and is in such a state of dilapidation and disrepair in its foundations, walls, and roof that building experts have certified that to expend money in an attempt to renovate or repair the same would be unwarrantable and wasteful.

That the said wooden residence consists of five rooms, whereof three rooms are about fifty years old and in a very dilapidated condition, and two rooms are about ten years old and in fair condition.

That the said residence is occupied by the said John Butterworth in the capacity of caretaker of the said synagogue, who is a tenant at will of the said congregation of such residence, and who pays no rent therefor.

That the trustees named in the said Statement of Trusts are fit and proper persons to act in the administration of the said trust.

That the said synagogue is very inconveniently situated so far as the great majority of the members of the Jewish faith in Geelong are concerned.

Dated the first day of May, One thousand nine hundred and twenty-eight.

I, John Butterworth, of Yarra-street, Geelong, caretaker, as tenant at will of the said residence, hereby consent to this application.
