REGULATIONS FOR THE MANAGEMENT OF THE
STAWELL AND PLEASANT CREEK GOLDFIELD
COMMON.

IN pursuance of the Regulations relating to commons made by the Governor in Council on the 19th day of October, 1915, the Council of the Borough of Stawell, as Managers of the Stawell and Pleasant Creek Goldfield Common, having drafted the following Regulations for the management thereof, submit the same for revision by the Board of Land and Works and approval by the Governor in Council in lieu of any Regulations heretofore in force in respect of such Common:—

REGULATIONS.

1. In the construction of and for the purposes of these Regulations the words "large cattle" shall mean cows, heifers, oxen, steers, horses, mares, geldings, colts, fillies, asses, and mules; and the words "small cattle" shall mean sheep and goats.

2. Ratepayers, holders of miners' rights, business licences or carriers' licences, and farmers residing within a distance of five miles from the Common may respectively depasture thereon four head of large cattle or the equivalent of the whole or a portion thereof in small cattle, on the basis that one head of large cattle be deemed equivalent to three head of small cattle. A farmer having under cultivation not less than one-tenth portion of the land occupied by him may depasture on the Common one additional head of large cattle or the equivalent in small cattle for every ten acres of such land cultivated by him.

3. The fees for depasturing stock on the Common shall be as follows, and shall be payable half-yearly, in advance, on the 1st day of October and the 1st day of April in each year:—

For every cow, heifer, ox or steer, 7s. per annum; for every horse, mare, gelding, colt, filly, or mule, 10s. per annum; for every goat, 2s. per annum; for every sheep, 4s. per annum.

All calves depasturing on the Common under the age of six months, free, provided they wear a badge and chain, to be obtained from the herdsman at a cost of 1s.; calves six months old and over, full fees.

All stock legally depasturing on the Common shall (as far as possible) be branded by their respective owners with some distinctive brand or mark for the purposes of identification, which shall at all times be kept legible and distinct by the owners, and shall be supplied to the Managers at the time of registration. In all cases where such stock shall be impounded from the Common in consequence of non-observance or non-compliance with this Regulation, the Managers shall not be responsible in any respect.

All stock depasturing on the Common shall wear a chain and badge, and the Managers shall be at liberty to appoint certain times and places for registration or renewal of registration of stock on at least three days' notice of the intention to do so being given by the herdsman either by advertisement in the local newspaper or by handbills posted about the Common, and the herdsman shall attend at such times and places for the purpose aforesaid. Every person entitled to commonage shall, after paying the herein prescribed fees, obtain from the herdsman the necessary number of chains and badges which shall at all times be the absolute property of the Managers. Every such person shall then be responsible and liable to be charged for stock equivalent to the number of badges and chains from the time of receiving such badges and chains until they are returned to the herdsman. No person shall use other than the authorized or registered chains and badges in connexion with stock legally depasturing on the Common. In addition to the fee for depasturing stock, the sum of 1s. shall be paid to the herdsman at the time of registration for the hire of each badge and chain in the case of large and small cattle; but should any person cease at any time to depasture stock on the Common, the amount paid for each badge and chain shall be refunded to such person, provided the badge and chain be returned to the herdsman in good order and condition. Should any such badge and chain be, from any cause, removed or lost from any stock, every such badge and chain removed or lost from any stock shall be at once replaced by a new badge and chain at the sole expense of the owner of the stock, and the sum of 1s. in the case of large and small cattle be paid to the herdsman for such extra badge and chain, but no refund shall be made by the Managers for any badge and chain

removed or lost. No person shall place, or allow to be placed, or remain on any stock on the Common, a lost badge and chain, or one removed from another animal, without the authority of the herdsman; and any stock wearing or carrying a lost badge and chain, or one feloniously removed from other stock, shall be treated as illegally depasturing on the Common, and shall be liable to be impounded without notice to the owner. Owners of stock shall be rendered every assistance by the herdsman in placing chains and badges on the animals.

4. No person shall depasture on the Common stock of which he is not the bona-fide owner.

5. Previous to the depasturing of stock, the owners thereof shall register the same, with brands and descriptions, in a book to be kept for the purpose, and such registration shall be renewed half-yearly and shall be made previous to the branding of such stock. All stock depastured on the Common if not so registered, branded, and duly paid for, shall be liable to be impounded by the herdsman; or, in the alternative, such owner shall be liable for the penalties as hereinafter provided.

6. Holders of licences shall be at liberty to substitute stock for others removed from the Common during the currency of their licences by giving notice, in writing, to the herdsman, showing the brands and number of stock so substituted, and a record of such notice shall be kept by the herdsman.

7. No bull or entire horse shall be depastured on the Common without the written permission of the Managers.

8. No licence shall be granted without the written permission of the Managers.

9. When any animal is affected with any contagious disease, the owner of such animal shall remove the same from the Common within twelve hours after receiving notice so to do from the Managers or herdsman; and such animal shall not again be put on the Common without the special permission, in writing, of the Managers.

10. After due notice has been given, the Managers shall, at the owner's expense, be at liberty to remove all diseased animals from the Common, and also, at the owner's expense, to remove, bury, or destroy all dead carcasses found on the Common.

11. No person shall cart away water from any dam on the Common without the permission, in writing, of the Managers.

12. The Managers of the Common may sue for and recover any fees overdue for depasturing stock on the Common, or for any penalty for the breach of any of the foregoing Regulations for the management of the Common.

13. All stock placed on the Common will be entirely at the risk of the owner, and the Managers will accept no responsibility therefor.

14. Geese, turkeys, and pigs found wandering on the Common will be destroyed.

Every person offending against any of the foregoing Regulations shall, on conviction before any justice, forfeit and pay a penalty not exceeding Twenty pounds for such offence.

TENDERS FOR THE SERVICE 1929-30-31.

GENERAL STORES.

TENDERS will be received until Eleven o'clock a.m. on Friday, 18th October, 1929, from persons willing to furnish the undermentioned articles, in such quantities as may be ordered by the Victorian Government, for supplies from 1st November, 1929, to the 30th October, 1931.

Schedule No.		Preliminary Deposit.
1.	Stationery, General	£5
2.	Stationery, General	£5
3.	Stationery, General	£10

Security.—Ten per cent. on total amount of tender accepted, except when otherwise specified in the tender form, but in no case will security of less than £5 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

If the tenderer be in a position to supply a suitable substitute of Commonwealth production or manufacture in place of any sample at the Tender Board Office that may be of imported origin he may tender for such substitute under column A in the schedule, but he must submit with his tender a sample of the article offered.

In all cases the country of origin of the articles tendered for must be stated, and the total cost of each item extended in the columns provided.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the prices are considered reasonable—

- (a) to tenders for articles manufactured within the Commonwealth;
- (b) to tenders for articles manufactured within any other part of the British Empire.

Tenders must be accompanied by the preliminary deposit, as shown above, in bank cheque, or a bank draft in favour of the Secretary to the Tender Board. Cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury bonds or Government debentures, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits. Preliminary deposits will be returned within ten days of acceptance of tenders to unsuccessful tenderers on their application.

The preliminary deposit required with each tender must be enclosed and the amount must be clearly written in and the designation stated, whether bank cheque or bank draft, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), Victorian or Commonwealth Government debentures, Savings Bank deposit book, or bank deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for ——" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

Conditions of Contract are those published under General Stores in the *Victoria Government Gazette* of 13th February, 1929, pages 848 and 849.

Treasurer.
