NOTE.—Boy labour for wedging clay and for turning hand wheel shall be supplied by the employer for all "Terra-cotta" work, in order that the piece-work prices above fixed may be net.

NOTE.—All piece-work prices shall be calculated on the basis of articles "Good from hand."
 In this Determination the expression "Good from hand" shall mean free from maker's faults at the time the articles are approved by and taken possession of by the employer prior to burning.
 Faults proved to be due to the use of defective moulds supplied by an employer shall not be deemed to be maker's faults.

PIECE-WORK WHICH MAY BE FIXED BY AN EMPLOYER.

(7) The Board determines, under the provisions of Section 144 of the Factories and Shops Act 1915, that any employer may fix and pay piece-work prices to any person employed in the glazed pipes and salt-glazed ware, general pottery, tile, and terra-cotta sections of the trade at work for which piece-work prices have not been specified above, provided that any such employer shall base such piece-work prices on the earnings of an average worker working under like conditions, and such piece-work prices shall be fixed so that an average worker can earn not less than the wages rates that are fixed by the Board for such work.

 Chairman.
