MOUNTAINOUS AREAS SCHEME.

THE Farm Allotments mentioned in the Schedule hereunder are hereby proclaimed available for application, and may be taken up under Conditional Purchase Lease, subject to the mountainous areas provisions:—

TERMS, CONDITIONS, ETC.

Applications must be made on the prescribed form and lodged with the Secretary, Closer Settlement Board, Public Offices, Melbourne, or with the officer conducting the Inquiry Board. An applicant may apply for more than one allotment, but only one can be granted to any one person. The sum of One pound five shillings (£1.5s.) Lease fee and fee for Registration must accompany the application.

The capital value, including interest at 5 per cent. per annum, is repayable by half-yearly instalments of 6 per cent. per annum over a term of 36½ years. The first ten years will be free as provided hereunder and term of Lease extended accordingly.

Improvements must be effected to the value of at least two instalments of the purchase money before the end of the first year from the date of lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on his allotment until the land becomes freehold. A Crown grant may issue after twelve years, provided the full amount of the purchase money is paid, if the conditions of lease have been complied with.

Advances to a maximum amount of £625 may be made for the purchase of stock and implements, erection of buildings, fencing, clearing, &c.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first three years of the lease.

MOUNTAINOUS AREAS PROVISIONS.

No instalment of purchase money shall be payable during the first ten years, provided the lessee complies with conditions and the allotment is satisfactorily worked. Interest at the rate of 5 per cent. per annum shall be added to the capital value of the allotment and shall be repaid as part of the instalments of purchase money, and notwithstanding any provisions in any Act, no transfer of the interest in the lease shall be approved by the Board unless the deferred interest to the date of transfer has been paid.

6. 7. Each such receptacle shall have a capacity of not more than 4 cubic feet, and shall be so constructed as to be capable of being easily and conveniently carried by one man.

8. It shall be strongly constructed and provided with properly attached side-lifting handles.

11. The proprietor shall cause such receptacle to be kept at all times in good order and sweet condition, and shall coat the inside of such receptacle with tar or other suitable substance when deemed necessary by the Council.

12. The proprietor shall cause at such hours, and on such days as may be appointed by the Council for the removal of refuse such receptacle to be deposited close to and inside of the entrance to such house, building, or premises from the street, lane, or right-of-way on which such house, building, or premises abut in order that the contents of such receptacle may be conveniently removed by the contractor or person authorized or employed in that behalf by the Council.

13. No person shall place or cause to be placed any such receptacle in or upon any street, lane, or right-of-way except in the case of business premises built on the street alignment where such premises do not abut on a suitable right-of-way or land on which such receptacle could be placed for collection and emptying.

14. The contractor or person authorized or employed by the Council for the removal of such refuse shall be responsible for the complete emptying (without spilling any of the contents) of such receptacle or receptacles directly into a vehicle provided for its reception at such hours, and on such days as may be appointed by the Council. Such contractor or person shall also be responsible for the replacement of such receptacle properly covered with its lid, and shall also close the gate or gates of the premises from which such receptacle is taken.

15. The contractor or person authorized or employed by the Council for the removal of such refuse shall at least once in each week, or at such greater frequency as may be necessary, collect and remove such refuse in a suitable covered vehicle in such a manner as not to cause nuisance, danger to health, or offensiveness.

16. Such vehicle shall be provided with a cover and kept covered, except when refuse is being put into or discharged from such vehicle.

17. Such vehicle shall as far as practicable be rendered watertight by means of an impervious lining or by painting the inside thereof with tar or by other suitable and effective means.

18. Such vehicle when full shall be taken by the quickest possible route to the tip, incinerator, or destructor; where as soon as practicable the refuse shall be rendered innocuous by means of fire or such other method as may be approved by the Commission and in such manner as not to create a nuisance.

19. The contractor or person authorized or employed by the Council for the removal of such refuse shall cause all vehicles used for the reception and removal of such refuse to be properly constructed, kept clean, and thoroughly disinfected with approved disinfectant and maintained in a proper state of repair.

20. If any refuse is authorized to be deposited or disposed of in or on any land, hole, quarry, or indenture, such refuse shall be deposited in a regular and orderly manner, and at the conclusion of each day's depositing the contractor or the person or persons authorized or employed by the Council shall bind the surface with clean earth, lime, or other approved material so as not to create any nuisance.

21. Land upon which refuse has been deposited shall be seasonably planted or sown with seed of grass or any forage or cereal crops or other such vegetable life as the Council shall direct or approve.

22. If any person or persons commit a breach of the By-law he or they shall for every such breach be liable to a penalty of not more than Twenty pounds, and in the case of a continuing offence a further daily penalty of not more than Five pounds.
