CHAPTER II.—APPOINTMENT AND PROMOTION IN THE GENERAL DIVISION.

Public Service Act 1928 and Lunacy Act 1928.

Registration and Examination of Applicants.

1. Every applicant (except for the position of Messenger) must at the date of his application be between the ages of twenty-one and forty-one years, and must forward to the office of the Inspector-General of the Insane an application in his own handwriting, stating his full name and address, the date and place of birth, and the particular appointment or class of appointment which he desires to obtain. He must also send in a certificate of good moral character and industry, as well as a certificate of suitability for employment from either the Inspector-General of the Insane or the Medical Superintendent of one of the Hospitals.

Nurses should be approximately 5 ft. 3 in. in height, and Attendants 5 ft. 8 in., with correspondingly good physical development, and in their form of application they should state what their previous occupation or work has been.

Applicants for the positions of Messenger must be between the ages of sixteen and twenty: Messengers will not be retained after they have reached the age of twenty-one years.

2. Every applicant to be recorded for appointment to any office requiring the exercise of skill usually acquired in some mechanical trade or other occupation must satisfy the Inspector-General, by the production of certificates or otherwise, that he possesses the handicraft and experience necessary for the work of the office.

3. On the production of these certificates applicants may have their names entered in the "Register of Applicants for Employment," and will be nominated as vacancies occur. Prior to nomination, however, it will be necessary for applicants to furnish a certificate of good physical health.

4. New appointments, all things being equal, will be made from among those persons whose names are entered in the "Register of Applicants for Employment" according to priority of registration for vacant offices, combined with fitness in each case for the particular office to be filled, and the Educational Test Examination having been passed: but the Inspector-General may nominate any applicant who has special qualifications without regard to his position on the Register.

5. If any person decline to accept an appointment which is offered to him, his name will thereupon be removed from the Register. The name of a candidate may also be removed from the Register if he fail to reply within seven days to any communication from the Inspector-General respecting his nomination to the Lunacy Department addressed to him at his last place of residence known to the Inspector-General.

6. No name of any person shall remain on the Register as that of a person qualified for appointment after he shall have attained the age of forty-one years, or for a longer period than six months from date of registration.

7. Any person appointed under these Regulations will be on probation for twelve months, and the Attendants will be required prior to their probationary appointment to pass an examination which will prove the sufficiency of their education. The subjects of examination shall be those specified hereunder:—

(a) Handwriting: to be tested by copying out at least 200 words from a passage of simple English.

(b) Spelling: to be tested by writing from dictation an extract from a newspaper—not less than 100 words.

(c) Arithmetic: first four rules, simple and money.

Applicants who have passed any examination for candidates for appointment in the Public Service of Victoria, or any like examination, will be exempted from this examination. Persons appointed to positions in the General Division other than those of Attendants will not be required to pass the Educational Examination, i.e., Hospital Trained Nurses, Nurses, Artisans, and Servants.

Applicants for employment as Attendant on the staff of the Lunacy Department who enlisted in any Expeditionary Force raised in Victoria or (in the case of a person born in Victoria) raised in Australia for naval or military service with His Majesty's Navy or Army during the war commencing in the year One thousand nine hundred and fourteen, and left Victoria or (as the case may be) Australia with such Force, may have their names recorded in the Register of Applicants, and may be given preference in appointment after having passed the Education Test Examination provided by Regulation No. 7. A Military Discharge must be produced in every case.

First Departmental Examination.

8. Attendants and Nurses appointed under these Regulations must qualify themselves for retention on the staff of the Lunacy Department and for subsequent increments to their salaries by attending the necessary courses of lectures in Elementary Anatomy and Physiology, First Aid to the Injured, and General Duties.

Failure of an Attendant or Nurse to pass the Departmental Examinations within the times specified will be considered to be evidence of incapacity to discharge the duties of his or her

office; and the retention of Attendants and Nurses on the staff will be conditional on their passing these examinations. No Attendant or Nurse will be retained on the staff of the Lunacy Department unless he or she has passed the First Departmental Examination.

9. The First Departmental Examination cannot be undertaken before the Attendant or Nurse has been in the service of the Lunacy Department for a period of one year. In the event of a failure to pass at the first attempt, on the recommendation of the Medical Superintendent, the Inspector-General may approve of a second opportunity to pass the examination being given.

Second Departmental Examination.

10. The Second Departmental Examination—in general nursing and duties—cannot be undertaken until after the end of the second year of service in the Lunacy Department, but the Attendants and Nurses must present themselves for this Examination before the end of the fourth year of service, dating from the time of appointment on probation. In the event of a failure to pass this second examination at the first attempt, on the recommendation of the Medical Superintendent, the Inspector-General may approve of other opportunities to pass the examination being given. In the event of a second failure to pass, however, the services of the unsuccessful candidate may be dispensed with.

11. The first increment will only be recommended to the Attendant or Nurse conditional on the First Departmental Examination having been passed, and if he or she is approved of by the Medical Superintendent and the Inspector-General, and on the production of a certificate of good conduct and diligence from the Medical Superintendent of the Hospital for the Insane where he or she is employed. The second increment will not be recommended until the Second Departmental Examination has been passed. Attendants will not be recommended for the third increment until the Third Departmental Examination has been passed.

Third Departmental Examination

12. The Third Departmental Examination in mental disorders, nursing, and duties, together with elementary anatomy and physiology of brain and nervous system, can only be undertaken after the third year of service and one year after the passing of the Second Examination. On the passing of this examination a certificate will be given to the successful examinee setting forth that he or she is a Trained Mental Attendant or Nurse. In the event of failure other opportunities will be given to pass on the recommendation of the Medical Superintendent. This Examination will qualify Attendants and Nurses for promotion to the Second Grade. Attendants and Nurses who passed the Second Nursing Examination provided by the previous Regulations will be eligible for promotion to the Second Grade without passing the Third Nursing Examination provided by these Regulations. Before being eligible for promotion to the position of Head Attendant or Hospital Attendant and Chief Nurse or Hospital Nurse they must pass the Third Examination.

13. In determining the claims of officers to promotion, consideration will be given to the particular qualifications required for the vacant office, merit, good and diligent conduct, length of service, relative seniority, and the nature of the work performed hitherto by the applicant. In the nursing staff, the possession of the Departmental Nursing Certificate will be considered the essential qualification.

14. For promotion to the First Grade selection will be made from among those Attendants and Nurses who have passed into the Second Grade, and who have, by reason of their special fitness for the work, as well as by their good conduct and industry, proved themselves capable of taking charge of a large and important ward.

15. Except in a case in which the Inspector-General shall certify that some particular office in the Lunacy Department should be filled by a Hospital Trained Nurse, the person to fill the position of Hospital Attendant or Hospital Nurse may be selected from among the Attendants and Nurses who have demonstrated their capacity for the special work required of them.

16. Officers appointed to any position in the Lunacy Department shall not, until they shall have served for a period of five years on the staff of the Department, be transferred to any other Department or Branch unless such transfer is determined to be in the interests of the Public Service.

Board of Examiners.

17. All Departmental Examinations will be conducted by a Board of Examiners, which will consist of the Inspector-General or a Deputy appointed by the Inspector-General, and one or two Medical Superintendents or Deputy Superintendents as may be considered necessary appointed by the Inspector-General.

18. The subjects for the Departmental Examinations shall be those set forth in the syllabus of lectures adopted from time to time and issued to each Hospital for the Insane, the text-book being as prescribed from time to time.

19. The employees at the Children's Cottages, Kew, and the Reception Houses, so far as is practicable, will be subject to the same rules as the employees in the Hospitals for the Insane.

20. In accordance with the exigencies of the Department, and in order to facilitate the better training of Attendants and Nurses, the Inspector-General may transfer an Attendant or Nurse from one Hospital to another, or from the female side to the male side of the same Hospital where the nursing of male patients is undertaken by female Nurses.

21. All probationers and persons appointed on the staff of the Lunacy Department will be required to sign the agreement hereunder at the time of entry on duty.

CHAPTER III.—CLASSIFICATION OF THE GENERAL DIVISION.

Public Service Act 1928 and Lunacy Act 1928.

1. In the case of appointments, promotions, or transfers to any office in the General Division in the Lunacy Department, the scale or amount of salary assigned to the several offices mentioned in the Schedule hereto shall be that respectively entered opposite the name of the office in such Schedule in the column headed "Yearly Rate of Pay."

2. In cases where no minimum salary is entered opposite the name of his office in the said Schedule every officer shall be entitled to receive pay at the maximum rate without addition thereto.

3. In cases where there is a minimum rate and a maximum rate, every officer shall be entitled to receive salary at a rate within the minimum and maximum limits to be approved by the Governor in Council on the recommendation of the Inspector-General of the Insane, provided that an officer on his first appointment to the Department shall be paid at not more than the minimum rate of his office.

4. Any officer transferred or promoted to any class or grade shall thereupon be deemed to be junior to any officer already in such class or grade, but notwithstanding anything in the Schedule hereto he shall be paid an amount not less than that which he was receiving immediately before such transfer or promotion. Officers who are transferred to the Attendants' or Nurses' staff from the Artisans' and Servants' staff, and who are in receipt of salaries at or above the maximum of the Third Grade, may be transferred to the Second Grade on the recommendation of the Inspector-General without regard to their seniority. They will, however, be required to pass the Educational and Departmental Examinations prior to being so transferred.

5. In the case of Attendants and Nurses, promotion from Grade to Grade may be approved by the Governor in Council on the recommendation of the Inspector-General, and shall be regulated in accordance with the special regulations for Attendants and Nurses.

6. Increments may be granted to officers appointed to the offices mentioned in the following Schedule, and at the rates set forth in the Schedule.

7. Where an officer previously to his transfer from one office to another has been paid the same salary as in his new office, time served in such former office may be counted in reckoning the interval for the first increment.

8. Every increment shall be discretionary, and no increment shall be payable except on the certificate of the Permanent Head of the Department and of the Inspector-General that such increment has been earned by good conduct and efficient service.

9. If any officer is in receipt of pay greater than the maximum rate, he shall continue to receive such pay until he can be employed upon work equivalent to his salary.

10. Failure on the part of Attendants and Nurses to pass the Nursing Examinations will be taken as inefficient service, and, should the examinations not be passed, increments will not be granted.

11. If any officer be absent from duty on account of illness, no deduction shall be made from the salary of such officer on account of allowances if the officer is under medical treatment at his own home or at a general hospital. In the case of the single men and the members of the female staff, it shall be at the discretion of the Medical Superintendent as to whether the officers shall remain at the Hospital for the Insane for treatment or be allowed to leave the institution. When an officer on sick leave on full pay is drawing his allowances the full charge for these allowances as provided by these Regulations will be made. When the officer is on half pay only, half the charge will be made. No charge is to be made should an officer be allowed leave without pay.
