FREE PLACES AT THE UNIVERSITY OF MELBOURNE.

APPLICATIONS are invited from officers (other than teachers) in the employment of the Government of Victoria for nomination during 1931 for Free Places in a course for a degree, diploma, or licence at the University of Melbourne. The number of officers that may be nominated is five.

The nominations will be made by the Minister of Public Instruction on the recommendation of a Board consisting of the Public Service Commissioner as chairman, the Chief Inspector of Secondary Schools, and the Permanent Heads of three Departments other than the Education Department. The recommendations of the Board will be based on the age, suitability, qualifications, and period of service of the applicants, on the reports and recommendations of their Departmental Heads, and, if considered necessary, on the result of a personal interview. Applicants must be qualified for admission to the course upon which they desire to enter, and should have been in the employment of the Government of Victoria for at least one year, and, except in special cases, such as applicants who are returned soldiers or who have already completed part of their course, should be not more than 25 years of age.

Each officer nominated for one of these Free Places will be admitted without fee to all lectures and examinations in the subjects of his course, and will be granted the necessary leave of absence to enable him to attend essential lectures, practical and other work, and examinations. He will not, however, be granted any allowance for books, materials, or other expenses involved in attending the University. He will be required to enter into an agreement with the Minister of Public Instruction, and be guaranteed by an approved surety, that he will not relinquish his course without permission, that he will carry out the conditions of his Free Place, and that, if required, he will remain and continue in the employment of the Government of Victoria during the period of three years next after the termination of his Free Place, and, if his Free Place extends over more than three years, an additional year for each year by which the term of his Free Place exceeds three years. The amount of liability under the terms of this agreement will not exceed £250.

The continuance of the Free Place will be dependent upon satisfactory reports by the Professional Board as to the officer's attendance, conduct, and progress at the University, and by the Departmental Head as to the manner in which he performs his official duties.

Forms of application are obtainable at this office. Each application must be made in the prescribed form, and must be forwarded through the Permanent Head of the Department in which the applicant is employed, to the Secretary, Education Department, Melbourne, not later than 1st December 1930.

Enrolment.

4. Ballot-papers shall be forwarded to all officers, provided that no election shall be invalidated by reason merely that ballot-papers have been irregularly forwarded to those who are not "officers" or have been omitted to be sent to officers unless in the opinion of the Minister such irregularity or omission has affected the result of the election.

Nominations.

5. No person shall be capable of being elected a Member of the Board unless duly nominated.

6. A nomination shall be in the form of the Second Schedule hereto; shall be signed by not less than twenty persons entitled to vote at the election for which the candidate is nominated; shall be lodged with or delivered to the Returning Officer, at the Chief Secretary's Office, Spring-street, Melbourne, not later than Twelve o'clock noon on the tenth day of November, 1930, hereinafter referred to as "nomination day"; and shall contain the consent of the candidate to act if elected.

not being fully prepaid, shall not be counted in the scrutiny. The decision of the Returning Officer as to the validity or invalidity of a ballot-paper shall be final.

Mr. Lemmon | Mr. Kiernan.
Mr. Williams

HIS Excellency the Lieutenant-Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke all previous Regulations governing the expenditure of Commissions and Boards of Inquiry, and in lieu thereof doth make the following Regulations, to take effect from the 1st September, 1930, that is to say:—

The Chairman will submit an application for a special advance to defray necessary expenses, and if further funds are necessary application will be made as often as may be necessary (provided the total amount authorized to be spent by the Commission has not been spent) for a reimbursement of the amount paid out of such advance, full particulars of such amount, supported by vouchers, being furnished. In preparing accounts for expenditure the Secretary shall be careful to see that they are prepared in accordance with the General Regulations respecting Public Accounts, and shall carefully scrutinize each item of expenditure to insure that it is a proper charge against the funds of the Commission or Board of Inquiry.

Every cheque on the official account of the Board or Commission must be signed by the Chairman or President, and countersigned by the Secretary, and any moneys received by the Board or Commission from fees, sale of goods or stores, &c., must be forthwith paid into its official account. The Secretary shall keep books giving full particulars with dates of all receipts and expenditure of the Board or Commission, such books shall contain reference to the authority in the minute book for expenditure.

The minute book and account books shall be open to inspection of the Under-Secretary and Auditor-General. No contract shall be entered into except with the authority of the Governor in Council for works or goods the estimated cost of which shall exceed £100, except tenders shall have been first publicly invited.

All stores under contract required shall be obtained at contract rates from the contractors to the Government for the particular articles needed.

No bonus or gratuity shall be paid without the special sanction of the Chief Secretary having first been obtained.

Where it is necessary to incur expenditure on refreshments, &c., care shall be taken to keep the cost within the lowest limits, and in all other expenditure the Secretary shall be held responsible for the exercise of due economy.

The Secretary shall submit a statement of the accounts of the Commission or Board of Inquiry to the Under-Secretary, at least once in each month.

EXPENDITURE TO BE AUTHORIZED BY CHAIRMAN.

No expenditure shall be incurred by any Commission or Board of Inquiry except on the written authority of the Chairman of such Commission or Board of Inquiry, and all orders for supplies shall be signed by the Chairman.

TRAVELLING EXPENSES.

In addition to the actual cost of travelling the following shall be the rates payable to members or Secretaries of Commissions and Boards of Inquiry who are required to travel more than fifteen (15) miles from their usual place of residence (except where such travelling is wholly within the metropolitan area) to attend the sittings of the Commission or Board of Inquiry (as the case may be):—

When the Commission or Board of Inquiry is sitting in the State, Seventeen shillings (17s.) per day.
When the Commission or Board is sitting in other States, One pound ten shillings (£1 10s.) per day.

Provided that Members of Parliament serving on Commissions or Boards of Inquiry shall not be entitled to the expenses herein specified when the Commission or Board of Inquiry is sitting in Melbourne during the session of Parliament.

The rates set forth herein are to defray the cost of hotel and all other incidental expenses, and are fixed for a whole day of twenty-four (24) hours, but when the period of absence from the usual place of residence is not a complete day or days, a proportion of the daily rate, equivalent to the time occupied, shall be paid.

SHORTHAND AND TYPEWRITING ASSISTANCE.

When it is necessary that the proceedings of the Commission or Board of Inquiry shall be reported, application shall be made to the Government Shorthand Writer for the services of a shorthand writer. In the event of that officer being unable to provide the required assistance, a shorthand writer may be engaged at rates of payment not exceeding the following:—
