## Local Government Act 1928.

## SHIRE OF SHEPPARTON.

## PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act 1928* (No. 3720), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Shepparton, and they desire that the said shire be re-subdivided by the severance of certain area from the Western Riding and its annexation to the North Riding.

The petitioners state that the reasons for the petition are—

That the Western Riding originally formed portion of the South Riding, but by reason of it comprising mainly land under closer settlement conditions and chiefly devoted to fruit growing it was formed into a separate riding.

That the municipal valuation of the several ridings of the said shire is—North, £23,782; South, £20,614; Western, £39,687; Dookie, £20,682; and Kialla, £17,867.

That the municipal valuation of the area proposed to be excised is, approximately, £7,000, and the number of ratepayers in the said area is, approximately, 80. The valuation of the Western Riding would be reduced to, approximately, £32,687, and that of the North Riding increased to, approximately, £30,782, if the prayer of your petitioners be granted.

That the interests of the 80 ratepayers are associated with the general farming conditions of the North Riding rather than with the fruit-growing conditions appertaining to the rest of the Western Riding. In the matter of road making and maintenance particularly heavy expenditure is incurred in the rest of the Western Riding in connexion with fruit transport. The ratepayers in the proposed excised area derive no benefit from such expenditure.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to re-subdivide the Shire of Shepparton in accordance with the request of the petitioners.

Notices for the petitioners may be served on Mr. John Frederick Fairley, "The Homestead," Shepparton.

## SHIRE OF YEA.

## PROPOSAL TO MAKE SHIRE AN UNSUBDIVIDED MUNICIPALITY.

IN pursuance of the provisions of the *Local Government Act 1928* (No. 3720), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Yea, and they desire that the said Shire be made an unsubdivided municipality by abolition of the existing Ridings, and also that the number of Councillors be reduced from twelve to nine.

The petitioners state that the reasons for desiring an unsubdivided municipality are to increase the efficiency of the administration and reduce the cost thereof, and they believe that, if the petition were granted, the effectiveness of the Council would be increased by reason of the fact that its members would be responsible to the ratepayers of the Shire as a whole, instead of the present system whereby the Councillors are directly responsible only to the ratepayers of the riding which they represent.

The petitioners therefore pray that His Excellency the Governor in Council may be pleased to make the Shire an unsubdivided municipality by abolishing the existing Ridings, and will also provide for the reduction of the number of councillors from twelve to nine.

Notices for the petitioners may be served on Michael Coonan, Yea.

Security.—Ten per cent. on total amount of tender accepted, except where otherwise specified in the tender form, but in no case will security of less than £5 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

If the tenderer is in a position to supply a suitable substitute of Commonwealth production or manufacture in place of the sample at the Tender Board Office he may tender for such substitute under column A in the schedule, but he must submit with his tender a sample of the article offered.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory, and the rates charged are considered reasonable—

(a) to tenders for articles manufactured within the Commonwealth;

(b) to tenders for articles manufactured within any other part of the British Empire.

In all cases the country of origin of the articles offered must be stated, and the total cost of each item extended in the columns provided.

Tenders must be accompanied by the preliminary deposit, as shown above, in a bank draft or marked cheque, in favour of the Secretary to the Tender Board. Cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury bonds or Government debentures, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits. Preliminary deposits will be returned within ten days of acceptance of tenders to unsuccessful tenderers on their application.

The preliminary deposit required with each tender must be enclosed and the amount must be clearly written in and the designation stated, whether bank draft or marked cheque, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board) Victorian or Commonwealth Government debentures, Savings Bank deposit book, or bank deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders, enclosed in a separate envelope, and having the words "Tender for—" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

Conditions of Contract are those published under General Stores in the *Victoria Government Gazette*, 2nd April, 1930, pages 1205 and 1206.
