REGULATIONS.

WHEREAS by the *Fire Brigades Act 1928*, 19 George V., No. 3682 (hereinafter referred to as the said Act) it is amongst other things enacted that the Governor in Council may, as to the whole or any part of Victoria, make Regulations for all or any of the purposes set forth in the said Act: And whereas by section 40 of the said Act it is further enacted that all Regulations as to any country district shall be prepared by the Country Fire Brigades Board and submitted to the Minister for approval prior to being made by the Governor in Council: And whereas these Regulations have been so prepared and submitted: Now therefore the Governor in Council, that is to say, His Excellency the Lieutenant-Governor, with the advice of the Executive Council, doth hereby make the Regulations following, that is to say:—

1. The Regulations mentioned in the First Schedule to these Regulations are hereby rescinded and at an end. Such rescission shall not affect any proclamation, registration, or appointment made, or any election held, or any right acquired, or any liability civil or criminal incurred or any matter or thing done under the Regulations hereby rescinded, or any of them, before the coming into operation of these Regulations.

2. These Regulations shall apply to those parts of the State of Victoria known as the Nine Country Fire Districts, as set forth in the Second Schedule of the *Fire Brigades Act 1928*, and by proclamations made from time to time under the provisions of sections 4 and 5 of the *Fire Brigades Act 1928*.

3. The Country Fire Brigades Board (hereinafter called "the Board") may appoint from time to time all or any of the following officers and servants, that is to say:—A chief officer, a deputy chief officer, one or more assistant officers, a secretary, a solicitor, an auditor, station-keepers, auxiliary station-keepers, and such officers, firemen, clerks, messengers, and other persons as it shall think proper for the due and efficient conduct of the business of the Board and the working of brigades or any brigade, at such remuneration, salaries, wages, or allowances as to the Board shall seem fit, and as the Board shall from time to time direct, and the Board shall have power from time to time to suspend, remove or dismiss all or any of the persons so appointed.

4. The Secretary, or other officer acting in his stead, shall attend all meetings of the Board, or committees of the same, and shall enter the minutes of acts, resolutions, and proceedings in a minute-book to be kept for the purpose. He shall keep a book showing all receipts of money on account of the Board, and all disbursements made, and shall present to the Board, at the meeting in every month, a statement showing the balance at the bank, verified by banker's certificate that the balance represented by the pass-book is correct. Reserve members will not be granted uniforms or permitted to have any vote or voice at Brigade meetings on questions connected with the management or discipline of the Brigade.

REGISTRATION MAY BE SUSPENDED.

10. Whenever any Brigade, by reason of deaths, resignations, or expulsions, shall have reduced its roll to less than a minimum effective strength to be determined by the Board, the registration of the said Brigade may be suspended, and any allowances payable thereto, or salaries payable to any members thereof, may be reduced or forfeited to the Board as the Board may determine. If through dissensions or other cause the efficiency of any Brigade is, in the opinion of the Board, impaired, registration may be suspended, or the Brigade may be disbanded by the Board.

The members of each Brigade shall be practised in their duties at engine, reel, or other drill, at least once each calendar month, under the supervision of their officers, and at such other time as the Board, Chief Officer, or Captain may direct. During the winter months, or in inclement weather, Brigades may hold their monthly practice or drill indoors.

A recognized practice shall mean, practical work in fire extinction, or other drill, for at least three-quarters of an hour. Brigades are required to see that the fire-plugs are at all times kept in good order. All fire-plugs must be inspected at least once every quarter. Fire alarms must be tested frequently and regularly. Captains will be held responsible for the carrying out of this Regulation.

Each Brigade may appoint its own dates for practice, and moonlight nights should be selected when practicable.

EFFECTIVE MEMBERS.

30. Every member of a Brigade must make himself effective by attending fires and practices. An effective member shall mean one who has, each half-year, attended at least two-thirds each of the fires, or alarms of fire, and also of the recognized monthly practices, except in the case of Brigades of Class E, in which, owing to the large number of calls, an attendance of 50 per cent. will be sufficient to render members effective. Any member who has failed to keep himself effective in such attendances, without leave or sufficient excuse, shall be liable to be struck off the register by the Board. Members are expected to attend all Brigade meetings, but these meetings must not be counted towards the attendances required for effectiveness.

ALLOWANCE FOR PURCHASE OF MINOR SUPPLIES.

31. An allowance will be provided for every Brigade for the purchase of such minor supplies and for defraying cost of such repairs to plant as may be required for the ordinary maintenance of the Brigade. The total amount of such allowance must not exceed in any one year the amount provided for in the Board's estimates. Such allowance shall be available quarterly, and the vouchers for such expenditure, showing full particulars of the purchases made or repairs effected, duly certified by the Captain and Secretary of the Brigade, and receipted in proper form, must be forwarded to the Secretary of the Board for examination, not later than the 21st day in the months of January, April, July, and October in each year. Such expenditure shall be subject to the approval of the Board, who may disallow any or all of it.

ALLOWANCES FOR EXPENSES AT FIRES, PRACTICES, ETC.

32. An allowance, to be determined by the Board, will be granted to every Brigade for the purpose of defraying the incidental expenses of the Brigade, and for expenses incurred while on duty at fires and recognized practices, and in connexion with the annual demonstration. Such allowance is not to be regarded as remuneration for services rendered, and must not be divided amongst individual members.

DEMONSTRATIONS AND COMPETITIONS.

33. Brigades shall at no time attend Fire Brigades demonstrations or competitions outside a radius of five miles from the head station without leaving a sufficient number of effective registered members within their respective districts—that is to say, five members of a Brigade classed A, seven of a Brigade classed B, eight of a Brigade classed C, and ten of any class above C. Neither will any of the apparatus (with the exception of a competition reel and appliances) be permitted to be taken to a demonstration or competition without the written consent of the Board. Captains will be held responsible for the carrying out of this Regulation.

The association, or Brigade, or person, as the case may be, desiring to hold a demonstration, shall apply to the Board in writing at least two calendar months prior to the proposed date of same for the permission required by section 64 of the *Fire Brigades Act 1928*.

Firemen shall be deemed to be on duty whilst travelling to and from and whilst attending any competition or demonstration held by permission of the Board.

Such municipal district or township, or portion of township, as the case may be, shall be known and designated as the Brigade district under the name of the said municipal district or township, or portion of township, as the case may be.

The uniforms for registered firemen will be provided by the Board, and shall consist of a coat with arm badge, cap, belt, and spanner for Brigades of fifteen, twenty, twenty-five, and thirty men, and the same with such additional equipment as the Board may provide from time to time for members of Brigades of Class E. Helmets will be supplied to Brigades in cases where the Board considers they are required.

Brigades should be uniform as regards stripes on trousers. All articles of uniform provided by the Board must at all times be kept clean, and Captains must inspect same at least twice a year either at practice or at a monthly meeting, and report on condition of same to the Board. Members must not alter or in any way add to the uniforms without the consent of the Board. Long service badges are to be worn on left breast of uniform coat, and long service clasps are to be worn $\frac{3}{4}$ inch below the badge. Members qualified in ambulance work should wear their medals or badges.

No member will be allowed to lend a uniform or any part of it to any person not in the service. Flowers are not to be worn in coats, and tan boots must not be worn. Members must not at any time appear dressed partly in uniform and partly in plain clothes, except in cases of emergency at fires. At the Chief Officer's inspections full uniform must be worn.

The uniform and equipment are the property of the Board, and they are only loaned to members. A receipt for same must be obtained by the Secretary of the Brigade, who must retain and file it. Members must use reasonable care in keeping uniforms and equipments in good order, and must return same to the Captain of the Brigade, or to the Chief Officer on being requested in writing to do so.
