Local Government Act 1928.

SHIRE OF KEILOR.

PROPOSED SEVERANCE FROM SHIRE OF KEILOR AND ANNEXATION TO THE SHIRE OF BRAYBROOK.

IN pursuance of the provisions of the *Local Government Act* 1928 (No. 3720), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz. :—

The petitioners purport to constitute a majority of the rate-payers in the portion of the Shire of Keilor described in the petition, and they desire that the area so described may be severed from the Shire of Keilor and annexed to the Shire of Braybrook.

Area Described in Petition.

Commencing at the north-west angle of allotment A, section VII., Parish of Maribyrnong; thence north by McMahon's-road to Taylor's-road; thence north-easterly by Taylor's-road to the Maribyrnong River; thence south-easterly by that river to the north-east angle of allotment 3, section A; thence south by a road to Boundary-road; and thence west by that road to the point of commencement.

The petitioners state that the reasons for the proposed severance are as follows:—

By reason of its geographical position the said area is isolated from Keilor and closely connected with Braybrook. The shopping area for the residents of St. Albans is Sunshine. The Shire of Keilor is a rural shire whilst the area in question is almost entirely suburban in character.

The petitioners believe that they would benefit greatly if the area were annexed to the Shire of Braybrook. There is no direct means of transport to Keilor for residents within the area, and to reach the centre of the shire it is necessary to walk approximately 3 miles through open country and cross a ravine, or, alternately, via Sydenham, again walking a distance of approximately 6 miles; whereas Sunshine is reached by a six-minutes run in an electric train.

Owing to the situation of St. Albans there is a complete lack of community interest with Keilor. St. Albans township is now divided between the two shires, approximately two-thirds being in Keilor and one-third in Braybrook, thus causing a lack of unity in matters affecting the town. Severance would unite the people and enable them to work together for the advancement of the whole town.

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to sever the area above described from the Shire of Keilor and annex such area to the Shire of Braybrook.

Notices for the petitioners may be served on Mr. Alfred Clarke, Bigg-street, St. Albans.

THE Farm Allotments mentioned in the Schedule hereunder are hereby proclaimed available for application, and may be taken up under Conditional Purchase Lease, subject to the mountainous areas provisions:—

TERMS, CONDITIONS, ETC.

Applications must be made on the prescribed form and lodged with the Secretary, Closer Settlement Board, Public Offices, Melbourne, or with the officer conducting the Inquiry Board. An applicant may apply for more than one allotment, but only one can be granted to any one person. The sum of One pound five shillings (£1 5s.) Lease fee and fee for Registration must accompany the application.

The capital value, including interest at 5 per cent. per annum, is repayable by half-yearly instalments of 6 per cent. per annum over a term of 36½ years. The first ten years will be free as provided hereunder and term of Lease extended accordingly.

The lessee must reside on his allotment until the land becomes freehold. A Crown grant may issue after twelve years, provided the full amount of the purchase money is paid, if the conditions of lease have been complied with.

Advances to a maximum amount of £625 may be made for the purchase of stock and implements, erection of buildings, fencing, clearing, &c.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first three years of the lease.

MOUNTAINOUS AREAS PROVISIONS.

No instalment of purchase money shall be payable during the first ten years, provided the lessee complies with conditions and the allotment is satisfactorily worked. The lessee shall during each and every year of the free period reduce at least one-tenth part of the allotment to a state of clean grass or cultivation and maintain same.

Interest at the rate of 5 per cent. per annum shall be added to the capital value of the allotment and shall be repaid as part of the instalments of purchase money, and notwithstanding any provisions in any Act, no transfer of the interest in the lease shall be approved by the Board unless the deferred interest to the date of transfer has been paid.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act 1928*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1928*, the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1928* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise specified, will be for nineteen (19) months from 2nd March, 1931, to 30th September, 1932.

2. The fee for the full period—for which the licence will be issued, and the fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1928*.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1928*, provides—

1. Where a licensee under section 121 of the *Land Act 1928* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.
