## SHIRE OF EUROA.

PROPOSED SEVERANCE FROM SHIRE OF EUROA, AND ANNEXATION TO THE SHIRE OF GOULBURN.

IN pursuance of the provisions of the *Local Government Act 1928* (No. 3720), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to constitute a majority of the rate-payers in the portions of the North and Central Ridings described in the petition, and they desire that the said area may be severed from the Shire of Euroa and annexed to the North Riding of the Shire of Goulburn.

*Description of Area Proposed to be Severed.*

Commencing at the intersection of the Muddy Creek with the northern angle of allotment 141, Parish of Molka; thence east along the north boundary of the parish to the north-east angle of allotment 134; thence south by a road to the south-east angle of allotment 49; thence west by a road to the Muddy Creek; and thence northerly by that Creek to the point of commencement.

The petitioners state that the Central Riding of the Shire of Euroa includes the Township of Euroa, which has the monopoly of the voting power, and it is impossible to obtain the representation to study their interests.

That the roads leading to Euroa are kept in good order, but the roads in this area leading towards the Goulburn Shire and Murchison are in a deplorable state, and give no inducement to prosperous settlement.

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to sever the above area from the Shire of Euroa and annex it to the Shire of Goulburn.

Notice for the petitioners may be served on Mr. James McManus, Moorilim.

JOHN PERCY JONES,  
Commissioner of Public Works.

Department of Public Works (Local Government Branch),  
Melbourne, 5th November, 1931.
