Division (2).—Rates of Premium and Risks Covered thereby, &c.

Rates in tables prescribed as those to be charged.

9. The following tables fixing the rates of premium to be charged in connexion with State Accident Insurance Contracts in ordinary cases are hereby prescribed. Provided always that the Commissioner shall have power to vary any rates where in his discretion it appears necessary or desirable so to do. In the case of workers specially liable to accident by reason of their age or any physical or mental infirmity or incapacity, or to whom the result of an accident would be specially serious (see paragraph 36) or workers in some particular occupation where the risk of the individual case is greater than that usually involved in such occupation, the premium shall be such sum as the Insurance Commissioner may fix in each particular case without regard to the tables.

Rates net and minimum assessments in given cases.

10. The rates of premium shall be net, and shall be computed upon the amount of wages, salaries, and other earnings paid and accrued to all "workers" in the employment of the insured, and shall be fixed by the Commissioner having regard to the nature of the risk, subject to the following minimum amounts per annum:—

Premiums upon policies shall not be less than 5s. for each period of 12 months, except in the case of mines, private householder's employees, and golf caddies.

(a) Mines minimum premium £5 for full cover, workmen's compensation only £2.

(b) Private householder's employees, and golf caddies—Rate per capita per employee or 2s. 6d., whichever is the less.

(c) In cases where no wages are paid, or no workers are employed, during any one year of insurance, 50 per cent. of such minimum premium may be allowed as a rebate to be applied towards the next renewal premium.

Note.—The minimum premium for any private householder's policy shall in no case be less than 2s. 6d. per employee.

Provided that for the purpose of calculating premiums an amount of £200 per annum shall be deemed the wages of any "worker" who is in receipt of earnings in excess of that amount but should protection against legal liability as between employer and employee otherwise than under the Workers' Compensation Act be desired an additional premium at the rate of 10 per cent. of the ordinary rate applicable to the occupation concerned shall be payable upon the earnings of each worker in excess of £200 per annum.

Table fixing rate of premiums.

11. Subject to the aforesaid minima the premium shall not exceed in respect of every £100 or fraction thereof paid in wages and salaries and other earnings the rate shown in the subjoined table, according to the category in which in the opinion of the Commissioner the risk should be classified.

AMENDED REGULATIONS UNDER THE MELBOURNE AND METROPOLITAN TRAMWAYS ACT 1928 (No. 3732).

APPEAL BOARD.

At the Executive Council Chamber, Melbourne, the seventeenth day of March, 1931.

PRESENT:

His Excellency the Governor of Victoria.

Mr. Slater

Mr. Webber.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth, in pursuance of the powers conferred by section 17 (5) (c) of the *Melbourne and Metropolitan Tramways Act 1928*, amend the Regulations made by the Governor in Council on the sixteenth day of March, 1920, by repealing clauses 13 (a), 14, 16, 17, 18, and 19 of the said Regulations, and substituting therefor and adding thereto the Regulations following (that is to say):—

For clause 13 (a) of the Regulations, under the heading "Publication of Nominations," there shall be substituted the following clause:—

PUBLICATION OF NOMINATIONS.

13. (a) The returning officer shall forthwith publish in the *Government Gazette* a notice stating in alphabetical order the surnames and christian names of employees so nominated, and that a poll will be taken and shall commence at 9 o'clock in the forenoon, and close at 6 o'clock in the afternoon, on the day and at the place or places named in such notice, not later than twenty-one (21) days after the last day fixed for receiving nominations.

For clause 14 of the Regulations, under the heading "Voting by Post," there shall be substituted the following clause:—

VOTING BY POST.

14. If any employee has reason to believe that on the polling day during the hours of polling he will not be within five (5) miles of the nearest polling place at which he is entitled to vote, or that on account of ill-health he will be prevented from voting personally at any such polling place, such employee shall be entitled to vote by post.

Applications for a postal ballot-paper may be made to the returning officer, in writing, signed by the applicant, within seven days prior to the day fixed for taking the poll.

If the returning officer is satisfied that the applicant is entitled to vote by post, he shall forthwith post a ballot-paper to the applicant, with necessary instructions as to the return thereof.

No employee to whom a ballot-paper has been posted shall be entitled to vote personally at any poll, unless he previously gives up such postal ballot-paper, in blank form, to the returning officer or deputy at the polling place at which he is entitled to vote.

No postal ballot-paper shall be counted unless received by the returning officer before the close of the poll.

For clause 16 of the Regulations, under the heading "Voting Papers," there shall be substituted the following clause:—

BALLOT-PAPERS.

16. Every ballot-paper shall contain, in alphabetical order, the surnames and christian names of each of the candidates nominated for election.

For clauses 17 and 19 of the Regulations, under the headings "Voting" and "Casting Vote," there shall be substituted the following clause:—

PREFERENTIAL VOTING.

How Votes to be Marked by Voter.

17. When at any election an employee receives a ballot-paper, he shall mark his vote on the ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference, and shall give contingent votes for all the remaining candidates by placing figures 2, 3, 4 (and so on as the case requires) opposite their names, so as to indicate by such numerical sequence the order of his preference.

MARKING OF BALLOT-PAPERS WHERE ONLY TWO CANDIDATES.

Notwithstanding anything contained in the last preceding paragraph, at any election where there are only two candidates the requirements as to the marking of ballot-papers by employees shall be deemed to be sufficiently complied with in the case of any ballot-paper marked as aforesaid with the figure 1 so as to indicate the employee's first preference only.

INVALID BALLOT-PAPERS.

A ballot-paper shall be rejected at the close of the poll if it does not indicate in the manner required by these Regulations the employee's first preference for one candidate, and in the case of any election where there are more than two candidates, his contingent votes for all the remaining candidates.

PROCEDURE TO ASCERTAIN NUMBER OF VOTES POLLED.

(a) Immediately upon the close of the poll, the returning officer shall, in the presence and subject to the inspection of such of the scrutineers as choose to be present and the poll clerk (if any), and of no other person—

- (i) open each ballot-box;

- (ii) arrange the ballot-papers by placing in a separate parcel all those on which first preference is indicated for the same candidate;
- (iii) count all such first preference votes given for each candidate respectively;
- (iv) make and keep a record of the number of votes counted from each ballot-box; and
- (v) abstain himself from inspecting the writing upon the back of the ballot-paper, and take care that the same is not seen by any person.

WHERE RESULTS ASCERTAINED ON FIRST COUNT.

(b) The candidate who has received the greatest number of first preference votes, if such number constitutes an absolute majority of votes (including the casting vote of the returning officer, if necessary) shall by the returning officer be declared duly elected.

DECLARATION AS TO DEFEATED CANDIDATE AND FIRST DISTRIBUTION OF PREFERENCES.

(c) If at an election where there are more than two candidates no candidate has an absolute majority of votes, the returning officer with the assistance of such officers as he deems necessary, shall, in the presence and subject to the inspection of such of the scrutineers as choose to be present, and the poll clerk (if any), but of no other person, shall declare the candidate who has obtained the fewest first preference votes to be a defeated candidate; and the ballot-papers counted to such defeated candidate shall be distributed amongst the non-defeated candidates next in order of the voter's preference.

After such distribution the number of votes given to each non-defeated candidate shall again be ascertained.

FURTHER DECLARATIONS AND DISTRIBUTIONS OF PREFERENCES.

(d) If no candidate then has an absolute majority of votes (including the casting vote of the returning officer), the process of declaring the candidate who has the fewest votes to be defeated and distributing his ballot-papers amongst the non-defeated candidates next in order of the voter's preference shall be repeated, and the votes recounted after every such redistribution until one candidate has obtained an absolute majority of votes (including the casting vote of the returning officer, if necessary), and such candidate shall be declared duly elected.

PROVISION FOR EQUALITY OF VOTES AND CASTING VOTE.

(e) If on any count two or more candidates have an equal number of votes, and one of them has to be declared defeated, the returning officer shall decide which is to be declared defeated, and if on the final count two candidates have received an equal number of votes, the returning officer shall in such case have the casting vote, but, except as provided in paragraphs (b) and (d) and in this paragraph, shall not vote at such election.

ADJOURNMENT OF COUNT OF VOTES.

(1) If on the date of the polling at any election the count of the votes by the returning officer cannot be completed, he shall adjourn such count and inform the scrutineers and the officers appointed to assist him at such count as regards the time and place, when, and where such count will be continued and conducted by him.

(2) The count of the votes may from time to time be adjourned as the returning officer deems necessary until it has duly been completed, and each adjournment shall be announced by the returning officer to the scrutineers and the officers assisting him.

BEFORE ADJOURNMENT BALLOT-PAPERS, ETC., TO BE SEALED IN THE BALLOT-BOXES.

(3) Before every adjournment of the count of the votes—

- (a) all ballot-papers and other documents connected with such count shall be placed in one or more ballot-boxes; and
- (b) the returning officer shall then, in the presence of such scrutineers and officers as are present, seal such ballot-box or boxes, and before recommencing the count the seal on such ballot-box or boxes shall be exhibited, unbroken, to such of the scrutineers and officers as are present.

For clause 18 of the Regulations, under the heading "Counting Votes," there shall be substituted the following clause:—

COUNTING VOTES.

18. The returning officer shall, as soon as practicable after the hour fixed for closing the poll, count the votes received, and, after ascertaining the result of the poll, report to the Minister the name of the candidate declared elected.

DESTRUCTION OF BALLOT-PAPERS.

19. At the conclusion of the count of votes, the returning officer shall cause all ballot-papers, applications for postal ballot-papers, and lists of employees used at such election to be sealed in a packet, endorsed with a description of the contents thereof, signed by the returning officer, and secretly and safely kept for six months.

The returning officer shall, after the expiration of such period, cause such ballot-papers, applications for postal ballot-papers, and lists of employees to be destroyed in the presence of the registrar.

REGULATIONS PRESCRIBING THE FORM OF BALLOT-PAPER AND THE FORM FOR RECORDING THE DISTRIBUTION OF PREFERENTIAL VOTES.

45. For the purposes of giving effect to the foregoing Regulations, the Governor in Council doth make the Regulations following, prescribing the form of ballot-paper and the form for recording the distribution of preferential votes:
