## Local Government Act 1928.

## PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act* 1928 (No. 3720), section 48, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Heytesbury, and they desire that the said shire be re-subdivided by severance of the Parishes of South Purumbete, Pomborneit, and Carpendeit from the East Riding and constituting them a separate riding under the name and title of the East Riding. The other portion of the present East riding to be known as the Cobden Riding.

The petitioners state that the reasons for the petition are—

That the shire is very unfairly subdivided at present, the valuations of the respective ridings being as follow:—

East Riding ... ..	£70,842
West Riding ... ..	37,915
South Riding ... ..	8,156

£116,913

And it is also considered that by subdividing the East Riding into two separate ridings the various works carried out by the Council could be more efficiently supervised.

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to re-subdivide the Shire of Heytesbury in accordance with the request of the petitioners.

Notices for the petitioners may be served on Mr. W. T. Harrison, Pomborneit Post Office.

## PART II.

### *Probationary Service.*

19. Every first appointment to the Force shall be made on probation for a period of six calendar months, and such period, together with any extension thereof as hereinafter provided, shall be deemed to be a period of probationary service.

20. On the expiration of such period of six calendar months, and upon the expiration of any extension thereof, the officer in charge of any Police District to which any member of the Force has during such period or extension been appointed, shall report in writing to the Chief Commissioner upon the service, conduct, and efficiency of such member, provided that any adverse report by any officer under this regulation shall be deemed to be an act of a superior officer appealable under section 47, sub-section (3), of the Act.

### PART III.

#### *Approved Service and Deductions from Service for Sickness, Misconduct, and Neglect of Duty.*

25. Any deductions from service which may be made under the provisions of section 47 of the Act shall be made by the Chief Commissioner.

26. In ascertaining what is the approved service of a member of the Force for the purposes of section 47 of the Act, the Chief Commissioner may deduct from the actual service of such member such period as to him may seem just in respect of—

(a) sickness, where such sickness is feigned or simulated, or which arises from carelessness, recklessness, improper or vicious conduct, excessive indulgence in alcohol, improper, illegal, or immoral practices;

(b) misconduct (for the purposes of this sub-regulation misconduct shall be deemed to include the acts of misconduct set out in paragraph 508 of the Police Code, or of any amendment or addition thereto, and any other act declared to be an act of misconduct by the Police Regulation Acts, or any rules or Regulations thereunder); or

(c) neglect of duty;

provided that such deduction shall not exceed the period (including any period during which such member of the Force is suspended from duty) during which such member is absent from duty on account of such sickness, misconduct, or neglect of duty;

Provided further that no such deduction shall be made in respect of any sickness, misconduct, or neglect of duty as aforesaid, unless such member of the Force has been duly found guilty thereof by the Chief Commissioner, an officer, Board, or Court empowered by law to hear and determine such matter.

27. When a member of the Force is found guilty of any sickness, misconduct, or neglect of duty as aforesaid by an officer, Board, or Court empowered by law to hear and determine such matter, the officer in charge of the Police Depot, the officer in charge of the Criminal Investigation Branch, or the officer in charge of the Police District in whose charge such member is, shall send to the Chief Commissioner (in the case of a determination by an officer or Board) the depositions and all other papers relating to the proceedings, and (in the case of a determination by a Court) a certified extract or certificate of the decision of such Court, together with a full report of the circumstances of the case; and the Chief Commissioner, upon the receipt thereof, may, subject to the Act, make such deduction from the service of such member as in his discretion he may think just.

28. The notice of deduction required to be given by section 47, sub-section (3), of the Act may be given in accordance with Form 8 in the Schedule, and shall give particulars of such deduction and of the grounds thereof, and shall state the name of the superior officer (if any) whose act prevents the reckoning of any period as approved service and of the nature of such act.

29. The certificate of approved service required by section 47, sub-section (2), of the Act may be given by the Chief Commissioner in accordance with Form 9 in the Schedule.

30. For the purposes of any application under these Regulations, the production to the Police Superannuation Board of a certificate under the hand of the Secretary to the Police Department relating to the period or periods deducted from the service of any particular member of the Force shall be prima facie evidence to the Board of the correctness of the particulars supplied.

### PART IV.

#### *Payment of Pensions, Gratuities, and Allowances.*

31. A person to whom a gratuity has been granted shall render his account in accordance with Form 10 in the Schedule to the Chief Commissioner of Police.

32. Every person rendering an account under the provisions of this Part shall sign the declaration set out on the particular form of account applicable to his case.

33. Subject to these Regulations, the General Regulations respecting public accounts under the *Audit Act* 1928 shall apply to the payment of accounts for pensions, gratuities, and allowances, and for the return of rateable deductions under the Act.

### PART V.

#### *Appeals Against Acts of Superior Officers which Prevent the Reckoning of any Period as Approved Service.*

34. Where an act of a superior officer, not being the Chief Commissioner, prevents any member of the Force from reckoning any period of actual service as approved service, he may, subject to these Regulations, appeal to the Chief Commissioner against such act.

35. The appellant shall within fourteen days after notice of deduction has been given to him send to the Chief Commissioner notice, in writing, in accordance with Form 11 in the schedule, of his intention to appeal and of the grounds of such appeal.

36. On receipt of such notice of appeal, the Chief Commissioner shall appoint a time and place, being not more than 28 days from the date of such receipt, for the hearing of the appeal, and shall send to the appellant, to the person laying the charge (if any), and to the superior officer whose act is questioned, notice thereof in writing, in accordance with Form 12 in the Schedule, so as to reach them at least seven days before the time so appointed.

37. At such time and place, or at such other time or place to which he may then adjourn the hearing of the appeal, the Chief Commissioner shall hear and determine such appeal, and shall forthwith, after such determination, notify his decision in writing to the appellant, to the person laying the charge (if any), and to the superior officer.

38. The Chief Commissioner shall inquire into the matter of the appeal without regard to legal forms and solemnities, and shall be directed by the best evidence procurable, whether the same is such evidence as the law requires or admits in other cases or not, and it shall be lawful for the Chief Commissioner to receive or reject, as he deems fit, any evidence that may be tendered.

39. The appellant, the person laying the charge (if any), and the superior officer whose act is questioned, may, on the hearing of such appeal, call such material witnesses as they may desire, and the appellant may be represented by counsel. Provided that no costs of employing counsel shall be allowed on any appeal.

40. If, in the opinion of the Chief Commissioner, such appeal has been made vexatiously and without any reasonable probability of success, he may order the appellant to pay such costs as in his discretion he may fix, but not exceeding the actual costs of the person laying the charge (if any) and his witnesses, and of the superior officer and his witnesses on such appeal.

41. No order for costs shall be made against the person laying the charge (if any) or against the superior officer. Provided that if the Chief Commissioner is satisfied that the person laying the charge (if any) or the superior officer acted maliciously and without reasonable and probable cause, he may direct him to pay the appellant such costs as in his discretion he may fix.

42. In any case the Chief Commissioner may direct that the costs of any witnesses called on any appeal be paid by the Police Department on the same scale as is paid to witnesses in criminal cases heard before Courts of Petty Sessions.

43. When any costs are ordered to be paid under this Part by a member of the Force, such costs may be deducted from any salary, pension gratuity, or rateable deduction which may be due to him.

### PART VI.

#### *Appeals against Opinions of the Medical Board.*

44. When any person is dissatisfied with the opinion of the Medical Board on any medical question arising under the provisions of section 48 of the Act, he may, subject to these Regulations, appeal to an independent Board as provided by the Act.

45. The Medical Board shall forthwith after the completion of any medical examination send its medical certificate to the Chief Commissioner, who shall forthwith forward such certificate to the Police Superannuation Board. The Medical Board may, by addendum to such certificate, make any recommendation to the Police Superannuation Board as to the future medical examination of such person.

46. Where, for the purpose of section 48 of the Act, any person is medically examined by the Medical Board, the Chief Commissioner shall forthwith, on receipt of the medical certificate, send a copy thereof to such person.

47. The appellant shall, within fourteen days after he has received such copy of the medical certificate, send to the Chief Commissioner notice in writing, in accordance with Form 13 in the Schedule, of his intention to appeal and of the grounds of such appeal. The Chief Commissioner shall forthwith send notice of such appeal to the Honorable the Chief Secretary.

48. Within 28 days after receipt by him of such notice, the Honorable the Chief Secretary shall duly appoint an independent Board of three legally qualified medical practitioners in accordance with section 48, sub-section (8), of the Act, and shall notify the Chief Commissioner of such appointment.

49. The Chief Commissioner shall send to the appellant notice of the time and place appointed (being not more than 28 days after the appointment of such independent Board) for his further medical examination. Such notice shall be in accordance with Form 14 in the schedule.

50. At such time and place, or at any other time or place to which such independent Board shall then adjourn the examination, such independent Board shall medically examine the appellant and give its decision thereon in the form of a medical certificate, and shall forthwith send such medical certificate to the Chief Commissioner.

51. It shall be the duty of the appellant to attend at the time and place appointed, and, if he is a serving member of the Force, he shall be given such leave as may be necessary to enable him to attend. He shall submit himself to any medical examination which the independent Board may desire to make or may direct to be made.

52. The Chief Commissioner shall forthwith send a copy of such medical certificate to the appellant, and shall forward such medical certificate to the Police Superannuation Board.

53. Where the independent Medical Board certifies in its certificate that an appeal made to it under these Regulations is made vexatiously and without any reasonable probability of success, and that such lack of reasonable probability of success must, in its opinion, have been known to the appellant, the Chief Commissioner may order the appellant to pay such reasonable costs of the independent Medical Board as in his discretion he may fix, and such costs may be deducted from any salary, pension, gratuity, or rateable deductions which may be due to the appellant.

## TERMS, CONDITIONS, ETC.

Applications must be made on the prescribed form and lodged with the Secretary, Closer Settlement Board, Public Offices, Melbourne, or with the officer conducting the Inquiry Board. An applicant may apply for more than one allotment, but only one can be granted to any one person. The sum of One pound five shillings (£1 5s.) Lease fee and fee for Registration must accompany the application.

The capital value, including interest at 5 per cent. per annum, is repayable by half-yearly instalments of 6 per cent. per annum over a term of 36½ years. The first ten years will be free as provided hereunder and term of Lease extended accordingly.

Improvements must be effected to the value of at least two instalments of the purchase money before the end of the first year from the date of lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on his allotment until the land becomes freehold. A Crown grant may issue after twelve years, provided the full amount of the purchase money is paid, if the conditions of lease have been complied with.

Advances to a maximum amount of £625 may be made for the purchase of stock and implements, erection of buildings, fencing, clearing, &c.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first three years of the lease.

Interest at the rate of 5 per cent. per annum shall be added to the capital value of the allotment and shall be repaid as part of the instalments of purchase money, and notwithstanding any provisions in any Act, no transfer of the interest in the lease shall be approved by the Board unless the deferred interest to the date of transfer has been paid.

Samples of the whole of the above-mentioned articles, where indicated in the schedules as to sample, can be seen at the offices of the Secretary to the Tender Board.

Printed forms of tender and the conditions of contract may, in all cases, be obtained from the Secretary to the Tender Board, Gisborne-street, Melbourne; and for the respective districts from the Clerks of Courts at Geelong, Ararat, Ballarat, Beechworth, Bendigo, and Castlemaine; for Sunbury, from the Medical Superintendent, Hospital for Insane; for Lara, from the Superintendent of the Inebriates' Institution and the Clerk of Courts at Geelong; for Greenvale, from the Superintendent at the Sanatorium; for Aborigines, Lake Tyers, from the Police Stations at Bairnsdale and Cunningham; for Rutherglen, from the Superintendent Viticultural College; for Wahgunyah, from the manager, at the Vine Nursery; for the School of Forestry, from the senior master, Creswick; and for the McLeod Settlement, from the Officer in charge of Police, Lang Lang, by whom also any information or explanation will be afforded to persons tendering.

Tenders must be accompanied by a preliminary deposit, as shown above, in a bank draft or bank cheque, payable to the order of the Secretary to the Tender Board (*cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury bonds or Government debentures, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits*), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the tenderer withdrawing the tender before notification of acceptance, or, in the event of being successful, failing to complete by lodging the security and contract form, duly signed, within the prescribed period. *It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.*

The preliminary deposit required with each tender must be enclosed and the amount must be clearly written in and the designation stated on each, whether bank draft or bank cheque, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), Victorian or Commonwealth Government bonds or debentures, Savings Bank Deposit Book, or Bank Deposit Receipt, in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenderers withdrawing their tenders before notification of acceptance or failing to take up their accepted tenders within the prescribed period when notified of acceptance, may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender.

*Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is satisfactory and the prices are considered reasonable.*

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in an envelope, and *having the words "Tenders for at" (as the case may be) written thereon*, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

## CONDITIONS OF CONTRACT.

1. All the articles are to be of the best quality of the several kinds, in the best condition, and in conformity with the Health Acts, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

2. As the exact quantity of any article which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

3. Supplies for country districts for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include places within a radius of 6 miles from the Elizabeth-street Post Office, with the exception of places for which separate contracts are provided; supplies for s.s. Rip and Dredges are to be delivered at the Dredging Depot, Williamstown, Victoria Dock, or River Yarra wharfs, as ordered; the Ararat, Beechworth, and Ballarat Districts will include the Hospitals for the Insane, Gaols, and Police Gaols at these places; and the Geelong District embraces a radius of 2 miles from the Post Office; Lara, the Inebriates' Institution; Greenvale, the Sanatorium; Rutherglen, the Viticultural College; Wahgunyah, the Vine Nursery; and Creswick, the School of Forestry. Delivery must be made at the places, institutions, &c., named in the schedules.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the price demanded, except butter boxes and soap boxes (not including fancy soaps); jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for. The empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under authorized inspection and supervision. Any infringement of this condition will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge and (except for the gaols) the account is to be rendered monthly for such quantities only as are issued, the difference between the supply and issue to be kept at the contractor's credit. Supplies not issued at the termination of the contract to be removed by the contractor. All other supplies will be ordered by the head of the Department concerned or any officer authorized by him.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, and the account is to be rendered as soon as possible after the delivery of the supplies, accompanied by the receipted delivery order. The rates or quantities quoted in the orders cannot be exceeded.

9. When a contractor is required to make delivery of goods at a railway station for transmission by rail, except for Commonwealth Departments, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in the triplicate and quadruplicate of the form as an authority for the Railways to act as agent for, and charge the freight to, the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be forwarded to the consignee and the quintuplicate retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which services the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 18 of these conditions.

10. Should the contractor fail to supply any articles at the time mentioned in the order, they or any like supplies suitable for the Service will be otherwise procured, and the expense over and above the contract price will be deducted from his account or from the security money.

11. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

12. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his department and to the Tender Board.

13. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey composed of persons named by the Treasurer of the State for the time being; and the decision of the Board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 10.

14. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the persons to whom the rations or stores are due or to the contractor in waiting for a Board of survey, the head of the Department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which it, or any like supply suitable for the Service, will be obtained by the officer requiring it as in clause 10. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

15. If the Board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which it, or any like supply suitable for the Service, will be procured by the officer requiring it, and the expense charged as in clause 10.

16. In the case of supplies for Hospitals for the Insane, it will be competent for a Board of Survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being, such appeal to be made in writing within 24 hours of the rejection; but, pending such appeal, he must at once supply others of approved quality; failing which, the supplies required, or any like supplies suitable for the Service, may be obtained by the officer concerned, and the expense charged to the contractor.

17. In the case of supplies for Hospitals for the Insane, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a Board of Survey will not be deemed to be necessary on the part of the contractor.

18. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in clause 10. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

19. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government. *If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, then the tender is to be in the name of the firm and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.*

20. It will be competent for the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

21. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat; or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

22. Notwithstanding anything contained to the contrary in section 152 of the *Customs Act 1901-24*, it is hereby expressly provided that upon any alteration of the duty collected

affecting the goods included in this contract, the contract price shall not be altered, and the contract may be terminated at the option of either party by two months' notice in writing from the first day of the calendar month next ensuing, and within the period for which the contract is made. The contract for the unaffected items shall remain in full force and effect. Any notice to be served under this condition shall be deemed to have been duly served if sent to the contractor in a registered letter to his last-known place of business or abode.

23. Under no circumstances other than those mentioned in clause 22 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

24. For the purposes of these contracts the word Government shall mean the Government of the State of Victoria; and the word Treasurer shall mean the Treasurer of the said State.

E. J. HOGAN,  
Treasurer.

The Treasury,  
Melbourne, 13th April, 1931.
