I [A.B.], a scrutineer appointed at the present poll, held under the *Licensing Act* 1928, do solemnly declare that I will faithfully observe all the provisions of the said Act and all the Regulations made thereunder which relate to my office of scrutineer. And I do further solemnly promise and declare that I will not, as such scrutineer at the said poll, attempt to ascertain in what manner, in reference to the question to be determined at such poll, any person shall vote or have voted thereat; and that if, in the discharge of my duties at or concerning the said poll, I shall have learned, or have the means of learning, in what manner, in reference to the question to be determined at such poll, any person shall vote or have voted thereat, I will not, by word or act, or by any other means whatsoever, directly or indirectly, divulge or discover, or aid in divulging or discovering the same, save in answer to some question which I am legally bound to answer.

The returning officer or deputy, the poll clerks, the scrutineers, and any voters not exceeding six in number not being actually engaged in voting, to be designated if necessary by the returning officer or deputy, shall alone be permitted at any one time to enter or remain in the polling booth during the taking of the poll.

17. All persons whose names are on the certified roll of voters for the proclaimed area for which the poll is being taken may vote at any polling place for such area, but no person shall vote more than once at the same poll.

18. Every person tendering his vote shall state to the returning officer or deputy his christian names and surname, and such other particulars as the said returning officer or deputy may, for the purpose only of ascertaining upon the roll the name intended by such person, require; and shall demand a ballot-paper.

19. When any person has tendered his vote at any polling place in the manner required, the returning officer or deputy shall ascertain that the name given by such person is upon the certified roll in force for the proclaimed area for which such poll is being taken.

20. After having found upon such certified roll the name signified by any person tendering his vote, the returning officer or deputy may if he think fit, and shall if requested by any scrutineer, put to any such person, before he receives a ballot-paper, and not afterwards, the questions following, herein-after called "The prescribed questions" (that is to say) :—

Duty of returning officer when voter's name appears on roll.

23. When any person has tendered his vote in compliance with these Regulations, and the name in which he demands to vote appears on the certified roll for the proclaimed area, the returning officer or deputy shall, unless he has under the preceding Regulation prohibited such person from voting, forthwith write upon the back of one of the ballot-papers issued under these Regulations, as near as practicable to the lower edge thereof, the number corresponding to the number set opposite to such person's name upon the roll, and so that in folding up such ballot-paper as hereinafter mentioned the voter may easily conceal from view the said writing; and shall deliver to such person such ballot-paper and forthwith mark upon a certified copy of such roll, against the name of such person, the fact of his having received such ballot-paper.

How vote to be recorded.

24. Every person to whom a ballot-paper has been delivered shall forthwith retire alone to some unoccupied compartment of the polling booth, and shall there alone and without delay mark his vote on his ballot-paper by making a cross in the square opposite the word Yes when he desires to vote for the grant of a licence or in the square opposite the word No when he desires to vote against the grant of a licence, and shall fold up such ballot-paper in such manner as will conceal his vote, and deposit the ballot-paper so marked in the ballot-box in the presence of the returning officer or deputy.

How vote of blind or uneducated voter to be taken.

25. If any person to whom a ballot-paper has been delivered as aforesaid is blind, or unable to read or write, or is otherwise unable to mark his ballot-paper, and signifies the same to the returning officer or deputy, such returning officer or deputy, at the request of such person, and for him and in the presence of a witness if so desired by such person, may in the polling booth, or in a compartment, mark such ballot-paper in the manner in which such voter states he intends to vote.

No ballot-paper to be taken out of polling-booth.

26. During the polling at any poll held under these Regulations no person shall take any ballot-paper out of the polling booth into one of the compartments aforesaid; and save as provided in the last preceding Regulation no person shall enter any such compartment while any other person is therein; and no person being in any such compartment shall remain there for a longer time than is reasonably required for the purpose of marking the ballot-paper.

Polling may be adjourned if interrupted by riot or open violence.

27. When the proceedings for taking the poll are interrupted or obstructed at any polling place by any riot or open violence, the returning officer or deputy (as the case may be) shall not for such cause finally close the poll, but shall adjourn to the following day the taking of the poll at the polling place at which such interruption or obstruction happens; and if necessary such returning officer or deputy shall further adjourn such poll until such interruption or obstruction shall have ceased, when such returning officer or deputy shall again proceed with the taking of the poll at the place at which the same may have been so interrupted or obstructed.

Adjournment of poll in certain cases.

28. If from any cause no polling has been commenced at any booth of a polling place on the day appointed, the polling at such booth shall stand adjourned to a day not later than seven clear days following the day upon which such polling was to have taken place, and the returning officer or deputy (as the case may be) shall forthwith cause public notice to be given thereof. If such adjournment be by a deputy, then he shall forthwith notify the same to the returning officer; and in case of any adjournment of the polling authorized by these Regulations, the returning officer shall not determine the result of the poll until the poll so adjourned has been finally closed and the ballot-papers transmitted to the returning officer.

at the principal polling place, together with an account in which such deputy shall charge himself with the number of ballot-papers delivered to him, specifying therein the number thereof delivered to and used by voters and the number not so delivered and used; and every such account shall be verified by the signature of the said deputy. The returning officer shall in respect of the polling booth at which he presides make up and seal the ballot-papers, books, and rolls used by him during the polling, and indorse the same, together with a like account of ballot-papers duly verified by his signature, as is herein required in the case of a deputy.
