#### Improvers.

One improver to every 50 journeymen employed in any one section.

#### (b) Females.

One apprentice or improver to every journeywoman employed.

For the purpose of all clauses relating to apprentices and improvers, each class of employee as set out in the weekly wage schedules to this Determination shall be taken separately, and each such class shall be deemed to be a distinct section. Notwithstanding anything contained in this sub-clause, for the purpose of fixing the proportion of apprentices or improvers the following classes of employees shall be grouped as indicated hereafter, viz.:---

| 1. | Journeymen seam or under p<br>Journeymen pressers-off   | ressers |     | ••  | •• |    | ••   | $\left. \begin{array}{c} \cdot \\ \cdot \\ \cdot \end{array} \right\}$ to be taken together. |

All apprentices shall be indentured in accordance with the prescribed form of indenture, provided that a minor may serve an employer as a probationer for a period not exceeding three months. During the said three months, he or she shall be paid at least the minimum rates prescribed by this Determination for the first six months of apprenticeship. If the probationer becomes indentured, his or her indentures shall be taken to have commenced from the commencement of the period of probation.

In the event of the employer to whom an apprentice is bound ceasing to carry on business, such apprentice may be bound to another employer for the remainder of the term to be served; provided that if such apprentice be over the age of eighteen years at the time of the original employer ceasing to carry on business, such person may complete the time to be served as an improver.

Notwithstanding anything contained in this Determination, any person who, at the date of the coming into force of this Determination, is employed in the industry, and whose engagement or continued employment as an improver is by this Determination forbidden, shall be entitled to be employed, and shall be paid the scale of wages prescribed for an apprentice or improver of like experience.

Any male employed in any group of the industry, or female employed at order tailoring as an improver who, on 3rd February, 1933, is under the age of eighteen years shall, within three months from such date become indentured to the section in which he or she is employed at the date upon which this Determination becomes operative. All time served at the industry by such person before entering into the said indentures shall be deemed part of the period of apprenticeship.

#### (3) OTHER PERSONS (EXCEPT APPRENTICES OR IMPROVERS).

No employer shall make a bonus or merit payment which fluctuates from period to period according to the amount of work performed by the employee concerned, and which is based upon a secret or task rate for measuring the output of such employee. No increase in wages granted to any employee, after the date of operation of this Determination, above the rates herein prescribed shall be deemed to be in contravention of this clause if the same be paid for a period of three months, or for the term of employment, whichever period is the shorter, provided, however, that such increased wages may, at the discretion of the employer, be adjusted according to the wages rates recording from time to this behavior. prescribed from time to time by this Determination.

In all factories and workshops where a minimum task is set for a minimum wage the following shall be observed:---

- (a) Until after the termination of six months from the coming into operation of this Determination, the minimum task in operation in any workshop or factory on the date on which this Determination becomes operative shall be the minimum task for the minimum wage after the date of operation of this Determination, and shall not during the said period of six months be increased or decreased because of any increase or decrease in wages, and shall not during the said period of six months be increased unless an altered or improved method of working is introduced.
- (b) The task rate in respect of all garments, or parts of garments, or other articles or parts of articles, shall be determined in the manner following:—
  - (i) Where there are fewer than twenty employees involved in the work to be performed, the employer or his representative, in conference with one employee chosen by and from such employees, shall fix the rates.
  - (ii) Where there are twenty or more employees involved in the work to be performed, the employer or his representative, in conference with two employees so chosen, shall fix the rates.
- (c) The task rates shall be fixed so as to enable the average worker to earn the minimum wage prescribed by this Determination for the class of work to be performed; and any number of garments or parts of garments or other articles or parts of articles made in excess of the minimum weekly task fixed by the task rates for the minimum weekly wage shall be paid for at pro rata plus 10 per cent.
- (d) When any employee is employed for less than a week on the task rates, then the task of the said employee shall be fixed at per day at the weekly rate provided for.
- (e) Any excess number of garments or parts of garments or other articles or parts of articles made in any day by the employee shall be subject to the same pro rata payment as would apply if the employee were engaged for the whole week.
- (f) A copy of all task rate schedules shall, within twenty-four hours of their being fixed, be displayed by the employer in a conspicuous place in each and every room of the workshop or factory where such tasks respectively are being performed.
- (g) A combination or team shall mean two or more persons working together on the same class of work, employed on weekly wages where a task has been imposed. Where employees work in a combination or team, the additional amount of wages shall be distributed amongst the employees on a percentage basis, according to the amount of their ordinary weekly wages.

#### HOLIDAYS.

(a) All weekly wage employees, whether in a city or clsewhere, shall be granted the following holidays without deduction of pay:—
The days observed as New Year's Day, Australia Day, Good Friday, Easter Monday, Eight Hours Day, Anzac Day, King's Birthday, Christmas Day, and Boxing Day.

(b) All employees working on piece-work or task-work shall be granted the same holidays as are granted to weekly wage workers, and, subject as hereinafter provided, they shall be paid for such holidays the amount for each holiday based on the minimum weekly wage prescribed by this Determination for the class of work performed.

- (c) If any of the above holidays occurs on a Sunday or Saturday and is not observed on any other day, then employees shall not be paid for such Sunday, and shall be paid for such Saturday as for a half day, but not otherwise.
- (d) All other weekly employees, whether in a city or elsewhere, shall be paid for the above holidays an amount for each holiday based on the actual weekly wage paid to them by the employer.
- (e) Any employee absenting himself or herself from work on any portion of the working day preceding, or any portion of the working day succeeding a holiday provided for herein, other than Boxing Day and New Year's Day, without permission from the employer or without having reasonable cause for having absented himself or herself from work, shall not be entitled to payment for such holiday.
- (f) Any weekly employee who is employed on a Sunday or any holiday provided for herein shall be paid for that day at the rate of time and a half in addition to his or her weekly wage.
- (g) Any piece-worker employed on a Sunday or any holiday prescribed by this Determination shall be paid, in addition to the prescribed piece-work prices, at the rate of time and a half calculated on the minimum wage prescribed for the class of work performed.

#### (10) -TERMS OF ENGAGEMENT.

- (a) The week shall terminate on a day other than Monday or Saturday, and all employees shall be paid all moneys due to the in full during the ordinary working hours not later than two working days following the termination of the week. In order to terminate employment of a weekly employee, two days' notice shall be given on any day, with payment to date of termination, or in lieu thereof two days' pay shall be paid or deducted. When employment is terminated by an employer, the employer shall, upon the date of such termination, pay to the employee (weekly employee or piece-worker) all moneys due to him or her, and, when employment is terminated by an employee in accordance with the terms of this Determination, the employer shall pay to the employee (weekly employee or piece-worker) all moneys due to him or her.
  - (b) All weekly wages shall be paid to the employees in full, with the following exceptions:-
    - (1) Turns to be Observed.—In slack times the employer shall observe turns of employment for weekly workers and piece-workers (including outside workers) in the respective class or classes of work at which they are engaged, provided always that journeymen and journeywomen having apprentices under their control shall be allowed in their turn extra work equivalent to the wages of the apprentice during the time the turn system is in operation.

      The employer shall keep in the workroom a true record of every turn, which shall be open to the inspection of the employees.
    - (2) Standing Off Employees in Turn.—Should any employer during slackness of trade desire to stand off his employees in turn, then the employer, on any day during any week, shall inform every person whom it is proposed to stand off of any day or days in the following week (other than a Saturday or holiday) upon which his or her services will not be required; but an employee shall not, except under the conditions provided in sub-clause (3) of this clause, be stood off for part of a day mithout borny rould for a whole day. off for part of a day without being paid for a whole day.
    - (3) Employees Working Shortened Hours.—If it is desired to work a week of shorter hours in slack times, instead of standing the employees off in turn, the employer may make an arrangement to work his employees for shortened hours, but such arrangement shall be made only where, on the vote of the employees being taken, a majority of the whole of the employees vote in favour of such arrangement.

Where such an arrangement is made, the employees shall be informed on the day ending each week of the shortened hours to be worked in the following week.

Where an arrangement is made in compliance with this provision, the employer shall pay each employee for the actual hours worked on each day on the basis of his or her weekly wage.

- (4) Vacation Periods.—Nothing contained in this sub-clause shall apply in the case of the usual vacation period at Christmas
- (c) Classes of Employees.—For the purpose of this clause (but subject to the provisions of sub-clause (b) hereof), in operating the turn system, the various classes of employees shall be taken separately, and "classes of employees" shall mean each class of employee in respect of which a classification of work has been provided under this Determination, but in all cases, male improvers and journeymen, or female improvers and journeywomen doing the same class of work, shall be deemed to be one class of employee.
- (d) Stoppage of Work re Breakdown of Machinery.—In the event of the work of a factory or workshop being stopped by a breakdown of machinery or a stoppage of supply of power, or for any cause for which the employer cannot reasonably be hold responsible, all weekly hands who present themselves for work shall be found work for that day, or paid one day's wages in lieu thereof, but, when such breakdown or stoppage occurs, the employer may give notice to an employee that his or her services will not be required on the following day or days, and the employee shall not be entitled to any further payment in respect of any further days that he or she is out of employment by reason of such breakdown or stoppage.
- (e) Terminating Employment in Relation to a Holiday.—Where the employer terminates the employment of an employee within one week of a day on which a holiday occurs, the employee shall be paid for such holiday or holidays prescribed by the Determination, provided that such employee has been employed by the employer for a period of at least one week prior to the termination of employment.
- (f) Employees Absenting Themselves.—No employee shall, without just cause, be absent from his or her place of employment during the prescribed hours whilst there is work ready to be done by such employee, and where weekly wages are fixed, the employee, to be entitled to the sums so fixed, must be available and ready and willing to do the work on the days and during the hours fixed by this Determination.

#### TEMPORARY WORK.

Any presser-off employed in any week as a temporary employee for less than thirty hours (exclusive of overtime), shall be paid as

- (a) If on weekly wages—the ordinary time rate plus 331 per cent.
- (b) If on piece-work—the ordinary piece-work price plus 33 per cent.

#### (12)OUTSIDE WORKERS.

- (a) No person who is or is deemed to be the occupier of a factory within the meaning of section twenty-three of the Factories and Shops Act 1928 (No. 3677) shall issue or give out or authorize or permit to be issued or given out any material whatsoever for the purpose of being wholly or partly prepared or manufactured outside a factory as articles of clothing or wearing apparel for trade or sale, except to a person who has been registered with the Chief Inspector of Factories as an outside worker. Provided that no such outside worker shall employ any other person or persons whatsoever in wholly or partly preparing or manufacturing such articles of clothing or wearing apparel save and except members of such worker's own family.
  - (b) Every such outside worker shall be paid the piece-work prices prescribed by this Determination.
- . (c) Every outside worker shall be provided, free of charge, with cotton, silk, thread, and all other sewings and trimmings used in the manufacture of garments.
- (d) In the case of an employer delivering or collecting the work of such outside worker, the same shall be done without charge to such outside worker.

- (e) Every employer who has work done elsewhere than in his factory or workshop shall keep a record book, which shall contain a correct account written in ink as follows:—
  - (i) The name and full address of the outside worker.
  - (ii) The number of articles and description of work given out.
  - (iii) The price paid for such work.
  - (iv) The record book shall be signed each week by each outside worker, verifying the accuracy of the amount of wages received.
- (f) The record book mentioned in the preceding sub-clause shall be open for inspection at any time by any authorized officer of the Department of Labour.

#### MISCELLANEOUS PROVISIONS.

- (a) Record of Time Worked and Wages Paid.—(1) The employer shall provide in each factory, workshop, or place where there are fewer than 30 employees, and where work is carried on for him, a time and wages book. Such time and wages book:—
  - (a) shall be in the English language and shall contain a correct account of the hours worked each day, and the wages received each week, by each employee;
  - (b) shall be kept correctly entered up in ink; and
  - (c) shall record clearly the actual date of each day, of each week, and also the date of the day on which the week ends.
- (2) The employer shall provide in each factory, workshop, or place where there are not fewer than 30 employees, and where work is carried on for him, a time-book, or sheet, or record. Such time-book, or sheet, or record shall be in the English language and shall contain a correct account of the hours worked each day, and the wages received each week by each employee. Such time-book, or sheet, or record shall be kept correctly and entered up in ink.
- (b) Chairs to have Backs.—(1) Where it is necessary for employees to sit at their work, seats shall be provided for the employees by the employer. Such seats shall be reasonably comfortable seats.
- (2) A seat provided for any female employee shall have a back to it, unless the work of such employee cannot be conveniently done in such a seat, or unless the employee requests to be allowed to use a seat without a back to it.
- (c) Piece-work.—No person shall be employed on piece-work unless a piece-work price is prescribed by this Determination, but when the employer imposes a task rate upon the employees for the weekly wage, the task conditions set out herein shall govern the fixation of the task.
- (d) Waiting for Work—Piece-workers.—Piece-workers who, with the consent or at the request of the employer, wait for work on or about the factory or workshop of the employer for a period in any one day exceeding half an hour, shall be paid for such waiting time a sum calculated on the basis of the minimum weekly wage in their respective classes.
- (e) Collecting Logs.—Where piece work is in operation, the employer shall make arrangements for collecting the logs, and the employees need not leave their places.
- (f) Rest Period.—When any spell of duty is for more than four hours, an interval of ten minutes, to be selected by the employer, shall be allowed in the third hour to females and apprentices for refreshment. The interval shall be as part of the time of duty, without deduction of time-work pay. During such rest period, the employees may leave their seats, but not the premises.

#### (14)

#### PIECE-WORK PRICES.

The minimum prices to be paid for the classes of work hereinafter referred to when performed on piece-work by employees, and the conditions which shall govern and apply to all such piece-work performed by employees, shall be the prices and the conditions prescribed for the classes of work hereinafter set out, with the following exceptions:—

- (i) Each piece-work price prescribed for order tailoring shall be decreased by the deduction of 25 per centum of such price.
- (ii) Each piece work price prescribed for ready-made clothing shall be decreased by the deduction of 23 per centum of such price.

#### PRESSING OFF.

Should any garment be pressed off for a female, no deduction shall be made.

Should a female press off any garment, such shall be an extra, and she shall be paid the prices provided herein (see order pressing schedule.

Should any garment be pressed off for a male operative, the price set out in the schedule for pressing may be deducted.

All extras will not necessarily appear under the particular garment the operative may be making. Wherever the extra appears, the price provided for such extra shall be paid.

Should any extra be not specified in this Determination the operative shall be paid for such extra on the actual time worked, based on the weekly wage fixed in the Determination.

Garments specified in the Determination may change with the fashion. In such cases, if any item in the Determination for another garment is applicable, such shall operate.

#### VEST (ORDINARY).
