10. All annual meetings of contributors shall be advertised by the secretary at least 14 days and all special meetings at least seven days before the day on which meetings are to be held, in a newspaper circulating in the district.

11. The annual general meeting of contributors shall be held on such day, between the first day of July and thirty-first day of August in each year, as shall be fixed by the committee for the following purposes:—

- (a) To confirm the minutes of the previous annual meeting and special meetings, if any, no discussion being permitted thereon except as to their accuracy.

14. At all meetings of contributors, all questions, except questions involving contested elections, shall be decided by a show of hands, unless before or on the declaration of the result a division is demanded by any contributor, in which event it shall be decided by a division. A declaration by the chairman that a resolution has, on the show of hands, been carried or otherwise, and an entry to that effect in the minutes of the meeting, shall be conclusive evidence of the fact; provided, however, that where at least seven contributors so demand, any resolution confirming a By-law shall be decided by poll as hereinafter provided.

15. Votes of contributors given through the post shall, on a show of hands, division or poll, be counted in the same manner as if they had been given in person.

18. Where at any meeting of contributors a poll is duly demanded on any resolution confirming a By-law, the chairman of such meeting shall adjourn the meeting to admit of the poll being taken to a day to be fixed by him, but not less than four nor more than ten days after the day of adjournment. On the day preceding that fixed for the adjourned meeting, a poll of all contributors on the resolution in respect of which the poll was demanded shall be taken. Notice of the poll, specifying the By-law or By-laws to be confirmed, and the day, place, and time of polling shall be advertised in the newspaper circulating in the district, not less than three days before the day so fixed. 19. Where, under the By-laws, any election has to be decided by poll, such poll shall be taken on a day to be fixed by the committee. Notice of the day so fixed, of the time and place of polling, and of the office or offices to be filled, and the names of the candidates duly nominated, shall be advertised in a newspaper circulating in the district, not less than three days before the day so fixed.

20. Upon a poll being taken, each contributor may give his vote either in person, or through the post. The poll shall be kept open from 1 p.m. to 6 p.m. on the polling day, and the votes of contributors who vote in person shall be recorded at any time between these hours. Votes recorded by post shall reach the polling office appointed as aforesaid, or the secretary, before the closing time for the poll. The committee shall make provision for the orderly conduct of the poll, and the proper counting of the votes.

21. A minutes book shall be kept in which shall be recorded minutes of all general meetings. Such minutes, if purporting to be signed by the chairman of the meetings at which the proceedings were held, or by the chairman of the next succeeding general meeting, shall be evidence of the proceeding, and

such meeting shall be deemed to have been duly held and convened, and the resolutions recorded in the minutes duly passed or otherwise, as recorded.

22. The committee shall consist of twelve contributors comprising the president, vice-president, and the honorary treasurer, *ex officio*, and nine elected members.

23. The president, vice-president, and treasurer respectively shall hold office for one year, and shall retire on the day of the annual general meeting next succeeding their election, but may be re-elected.

24. No paid officer of the institution shall be entitled to be elected to any elective office.

25. The maximum number of legally qualified medical practitioners who may be members of such committee shall not exceed one-sixth part of the members of the committee, or the integral number nearest to such one-sixth part.

26. The advertisement calling the annual general meeting shall state the names of the committee who will retire at such meeting and the number of vacancies to be filled, and that nominations for the offices of president, vice-president, treasurer, and auditor, and of members of the committee require to be delivered to the secretary on or before a day named.

27. Where, on or before the day named in the advertisement as aforesaid, more eligible candidates have not been duly nominated for any of the aforesaid offices than there are vacancies to be filled, the chairman of the annual general meeting shall declare the persons so nominated duly elected to the offices for which they have been nominated.

28. Where, on or before the date so named in the advertisement as aforesaid, more eligible candidates have been duly nominated for any of the aforesaid offices than there are vacancies to be filled, a poll shall be taken.

29. Where a poll is to be taken, the chairman shall adjourn the meeting to admit of the ballot being taken, to a day to be fixed by him, not more than twenty-one days, or less than fourteen days, after the day of the adjournment, notice of which shall be advertised in a paper circulating in the district, at least seven days before the day so fixed. The result of such poll shall be announced by the chairman at such meeting, and the persons elected by such poll shall be deemed to have been elected at the annual general meeting.

30. Each and every member of the committee shall contribute at least the sum of One pound annually to the institution.

31. The Committee shall meet on the third Tuesday of each month at such place and at such time as the committee may determine.

32. Special meetings of the committee may be convened by the president or any four members. Notice shall be given to members of such meeting, specifying the general nature of the business to be transacted, and no other business shall be transacted at such meeting.

33. Written notice of each monthly meeting shall be served on each member of the committee by delivering it to him before the meeting, or by sending it by post in a pre-paid letter addressed to him at his usual or last known place of abode, in time to reach him prior to the meeting being held.

34. No less than six of the members shall form a quorum at any meeting of the committee. No business shall be transacted unless a quorum is present, and if within half an hour of the time appointed for the meeting a quorum is not present, the meeting shall stand adjourned.

35. The president, or, in his absence, the vice-president in attendance, shall preside at all meetings of committee, but if none of these office-bearers are present, the members shall choose one of their number to be chairman.

36. All questions arising at any meeting of the committee shall be decided by a show of hands, or, if demanded by any members, by a division. Each member, including the chairman, shall have one vote. In the event of the numbers being equal, the chairman shall have a casting vote.

37. Minutes shall be kept of the proceedings at all meetings of committee.

38. No resolution of the committee shall be varied or rescinded for one calendar month after such resolution has been passed, except at a special meeting of the committee called for the purpose, or by an absolute majority of the whole committee.

39. Any employer and his employees may mutually agree to any variation of this sub-clause to meet the circumstances of the work in hand.

A contract for weekly employment may be terminated by any employer, without liability to pay for more than actual time worked, for misconduct or for absence from work without reasonable excuse.

If an employee, engaged by the week, absents himself from duty, except on public holidays or on days for which he produces a certificate from a medical practitioner, or other proof satisfactory to his employer of sickness (aggregating four days of sickness in each year), a sum proportionate to his time of absence may be deducted from his pay, i.e., one sixth of the weekly wage, for each day of absence, including Saturday, in shops working six days and one-fifth in shops working five days per week.

This exception does not apply to work installing new machinery. Holidays mentioned in this determination shall include:—New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, King's Birthday, Eight Hours Day (21st April), Anzac Day, Christmas Day, and Boxing Day; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, the special rate shall only be payable for work done on the day so substituted.

Employees, other than on shifts or engaged in maintaining the continuity of electric light and power, required to work on Sundays or public holidays, shall be paid for a minimum of three hours' work.

(13) **PIECE-WORK.**—The Board determines, under the provisions of section 150 of the *Factories and Shops Act* 1928 (No. 3677) that any employer may fix and pay piece-work prices to any person or persons or classes of persons employed at any work for which the Board has fixed the minimum wage, provided that any such employer shall base such piece-work prices on the earnings of an average worker working under like conditions, and such piece-work prices shall be fixed so that an average worker can earn not less than the wages that are fixed by the Board for such work.
