CARTAGE (COUNTRY).

TENDERS will be received until Eleven o'clock a.m. on Friday, 9th June, 1933, for cartage and delivery at Ararat, Bairnsdale, Ballarat, Beechworth (Reformatory Prison excluded), Bendigo, Castlemaine, Hamilton, Horsham, Lakes Entrance and Nowa Nowa (for Aborigines' Station, Lake Tyers), Stawell, and Warrnambool, of such goods and furniture as may be forwarded to and from the railway and various Government Departments by the Stores and Transport Department for and on behalf of the Government of Victoria, also for the Commonwealth Government for its offices situated in Victoria if required, from 1st July, 1933, to the 30th June, 1934.

A preliminary deposit of £10 in bank cheque or bank draft, payable to the order of the Secretary to the Tender Board (private cheques will in no case be received), must accompany each tender, which will be retained from the successful tenderer as security for the due fulfilment of the contract. Such deposit to be forfeited in the event of the tenderer withdrawing his tender before notification of the acceptance of the tender or in the event of the successful tenderer failing to sign and complete his contract within five days of notice of acceptance of his tender. The deposits will be returned to unsuccessful tenderers within ten days of acceptance of tenders, on their application.

Tenders may be accepted for each place separately.

Tenders must express the prices in words as well as in figures, and without alterations or erasures.

Full particulars, forms of tender, and conditions of contract may be obtained at the office of the Secretary to the Tender Board, Gisborne-street, Melbourne, and at the police stations at the places named.

The lowest or any tender will not necessarily be accepted.

Tenders, enclosed in an envelope, and having the words "Tender for Cartage" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne; or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, which office they must reach by first post on the date of closing the tenders.

CONDITIONS OF CONTRACT.

1. The prices quoted cover delivery of all descriptions of parcels and goods, including furniture, &c. (except for officers of Police Department), from and to the places named in the Tender form.

2. A separate charge is to be made for each consignment, such charge to be for the gross weight thereof, irrespective of the number of packages. Accounts in all cases to be made out by weight only, and to be rendered monthly, supported by the waybills properly receipted, subject to any deductions for damage sustained to the goods whilst in the custody of the carrier.

3. For removals of officers' furniture and effects, a separate charge must be made per van per hour, including loading and reloading as required, and a certificate from the officer concerned must accompany the voucher setting forth the number of hours employed before payment can be made. Transport sling vans are not to be requisitioned without the authority of the Secretary to the Tender Board.

4. The contractor shall in all cases, against each separate charge in his accounts, quote the number of the consignment note, which should be found on each consignment or package forwarded by the contractors or departments, and the weight. Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. Any infringement of this condition will render the contractor, on report, liable to such fine as the Tender Board may recommend, and the amount will be deducted from any account due to the contractor or from the security money.

5. Contractors are not at liberty to transfer their contracts, under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

6. Under no circumstances will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the contractor may be held liable for any loss which the Government may sustain in consequence of such failure, and, in addition, the contractor will be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

1. The prices quoted cover all charges, including labour, bags, hire of cranes or other appliances, and weighbridge charges required in the performance of the service. Bags must be removed by the contractor when empty, and if not removed within a reasonable time or within the time named by the officer requiring the service, no claim will be entertained for cost of same.

2. 8. The vehicles in which the material is carried must be in thorough working order, and, if required, with good waterproof covers. Horses to be perfectly sound, and subject to the approval of the officer requiring the service.

9. The contract is not to be considered as being broken, infringed, or vitiated by the Government using its own labour or vehicles for the cartage of any material set forth in the contract, or in the event of urgency or emergency, performing the service.

10. A refusal to execute orders, irregularity or delay in delivering the material when required, or failure to produce weighbridge tickets or consignment notes on delivery in accordance with clause 2, or for any breach of Railway or Harbor Trust Regulations, will subject the contractor, upon report from the Tender Board, to such mulct as the Treasurer may direct, and the amount may be deducted from any account due to the contractor or from the security money.

11. In the event of any dispute arising as to matters or things contained in the contract or schedule the same shall be settled by the Tender Board, and the Board's decision shall be binding, final, and conclusive.

Such deposit to be forfeited in the event of the tenderer withdrawing his tender before notification of acceptance of the tender, or in the event of the successful tenderer failing to sign and complete his contract within the prescribed period.

Security for sub-schedule A, £25; for sub-schedule B, £20.

2. This contract shall not be considered broken, infringed, or vitiated by the use of Government vehicles for such cartage as may be found necessary.

3. No subletting shall be allowed; all work must be carried out by the contractor, and every person engaged in the cartage tendered for in this schedule shall be paid such wages and employed subject to such labour conditions as are or may be determined by any Federal Arbitration Court award or any State Wages Board determination, and a copy of such labour conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of this condition, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from the contractor's account or from the security money; and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

4. A separate charge is to be made for each consignment, such charge to be for the gross weight thereof, irrespective of the number of packages. Accounts in all cases to be made out by weight only, and to be rendered monthly, supported by the waybills properly receipted, subject to any deductions for goods lost or damage sustained to the goods whilst in the custody of the carrier.

5. No claims for detention shall be entertained, but should the contractor be subjected to unreasonable delay, the cause of delay, if reported, shall be investigated.

6. The contractor shall in all cases, against each separate charge in his accounts, quote the number of the consignment or delivery note, which will be found on each consignment or package forwarded by the departments. Should the number not be on the package then the name of the consignor should be quoted and a description of the parcel given in lieu thereof. Any infringement of this condition, or unreasonable delay on the part of the contractor in delivery of any goods or parcels, will render the contractor, on report, liable to such fine as the Tender Board may recommend, and the amount will be deducted from any account due to the contractor or from the security money.

7. All vehicles in which the goods or parcels are carried must be fitted with good waterproof covers, be in thorough working order and, in general, suitable for requirements. If horse-drawn vehicles be used, the horses must be sound, staunch, and fast.

8. The contractor must have an office connected by telephone, and within a radius of 3½ miles of the G.P.O., Elizabeth-street, and as regards the service for the Government Printing Office under sub-schedule B, he will be liable to be called upon to provide the vehicle at any hour of the day or night.

9. Thirty minutes will be deemed sufficient notice, and in the event of the contractor failing to supply the vehicles when ordered, and to the satisfaction of the officer requiring his services, such services will be performed at his risk and expense, and the extra expense incurred will be deducted as in Condition 6.

10. Vehicles as required must call at the Stores and Transport Offices twice daily, viz., 11 a.m. and 4 p.m., and at 11 a.m. on Saturdays, for the necessary instructions, and on such other occasions when notified without extra payment, otherwise the service will be performed at the contractor's risk and expense, and the amount deducted as in Condition 6.

No services performed under these contracts shall be deemed to be of a special nature, providing that the contractor is given 1 hour's notice that his services shall be required, and no increase in the contract rates shall be permitted.

11. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government.

12. Under no circumstances will a contractor be permitted to abandon his contract. (a) The hour of beginning and the hour of ending each shift shall be between—

	Where one Shift is worked.	
	Time of Beginning.	Time of Ending.
Monday to Friday (day shift)	7 a.m.	5.30 p.m.
Saturday (day shift)	7 a.m.	12 noon
Where two Shifts are worked.		
Monday to Saturday (day shift)	7 a.m.	3 p.m.
Monday to Saturday (afternoon shift)	3 p.m.	11 p.m.
Where three Shifts are worked.		
Monday to Saturday (day shift)	7 a.m.	3 p.m.
Monday to Saturday (afternoon shift)	3 p.m.	11 p.m.
Monday to Saturday (night shift)	11 p.m.	7 a.m.

Any of the above times of beginning and ending may be varied on any job by mutual consent of the employer and the majority of the employees concerned, but in no case shall the total length of any shift be increased without payment for overtime.

(b) The higher rate to be paid for each hour or fraction of an hour worked by any employee (other than a shift worker in a continuous process)—

(1) before or after his shift;

(2) In excess of 8 hours 48 minutes on Monday, Tuesday, Wednesday, Thursday, or Friday when 44 hours are worked during five days of the week;

(3) in excess of eight hours on Monday, Tuesday, Wednesday, Thursday, or Friday, or four hours on Saturday when 44 hours are worked during six days of the week—

shall be time and a half for the first four hours, and double time thereafter until an employee has been relieved from work for at least eight hours.

(c) The higher rate to be paid for each hour or fraction of an hour worked by a shift worker in a continuous process before or after his shift shall be at the rate of double time.

But this does not apply to cases of arrangement between employees themselves, or to cases due to rotation of shifts or when the relief does not come on duty at the proper time, provided that where not less than eight hours' notice has been given to the employer by the employee that he will be absent from work and the employee whom he should relieve is not relieved, such employee unrelieved shall be paid time and a half for all time on duty after he has finished his ordinary shift.

For all time of duty on Sundays or holidays, even if in due course of rotation of shifts, such an employee shall be paid at the rate of time and a half.

(7) OVERTIME—

(a) An employee recalled after leaving his workshop to work overtime shall be paid for a minimum of three hours work.

(b) An employee occasionally required to hold himself in readiness to work after ordinary hours shall, until released, be paid standing time at ordinary rates from the time from which he is to so hold himself in readiness. But any custom now prevailing under which an employee is required regularly to hold himself in readiness for a call back shall continue.

(c) Any employee (other than on shifts) who has worked up to or beyond midnight shall not be bound to continue work on the following day.

(d) For work done during meal hours and thereafter until a meal-hour break is allowed, time and a half rates shall be paid. No employee shall be compelled to work for more than six hours without a break for a meal.

(e) An employee working overtime shall be allowed a cribtime of twenty minutes, without deduction of pay, after each four hours of work; but this provision shall not prevent any arrangement being made for the taking of a longer meal period without pay.

(f) Before starting overtime after working ordinary hours a meal break of at least 45 minutes shall be allowed, unless the period of overtime is less than 1½ hours. Any employer and his employees may mutually agree to any variation of this sub-clause to meet the circumstances of the work in hand.

(g) Any employee residing more than half a mile from his work, required to work overtime for more than two hours without being notified before the previous meal-hour break that he will be so required, shall either be supplied with a meal by the employer or be paid 2s.

(h) Any employee engaged in the maintenance of plant shall, when breakdowns occur, work meal hours at the ordinary rates herein prescribed whenever instructed so to do.

(i) In computing overtime each day's work shall stand alone.

(8) TRAVELLING TIME—

Persons employed on work away from the workshop shall receive :—

(a) The fares necessarily expended in going to and fro.

(b) For time occupied in travelling either during or outside the usual working hours, payment at rates fixed in Clause (3) up to a maximum of twelve hours out of every 24, except on Sundays, when time and a half shall be paid.

(c) An employee engaged in Melbourne to work in the country, or sent from one country centre to work in another, shall be entitled to travelling time, and for a period not exceeding three months, to expenses.

(d) On jobs of less than three months' duration, a camping allowance of 3s. per day, including Sundays, shall be paid to employees engaged on country jobs at places where ordinary board and residence is not obtainable, and camping in tents or other temporary shelters is necessary.

(9) **SUNDAYS AND HOLIDAYS.**—For all time of duty, on Sundays or holidays, employees not engaged in a continuous process shall be paid at double rates, except in the case of employees effecting repairs to or renewals to plant or machinery—which it is necessary to effect on Sundays or holidays to enable work to be safely resumed on Monday or the earliest working day—in which case payment shall be made at the rate of time and a half. This exception does not apply to work installing new machinery. Holidays mentioned in this Determination shall include New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, King's Birthday, Eight Hours Day (21st April), Christmas Day, and Boxing Day: but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, the special rate shall only be payable for work done on the day so substituted.

(10) **PIECE-WORK.**—The Board determines, under the provisions of section 150 of the *Factories and Shops Act 1928* (No. 3677), that any employer may fix and pay piece-work prices to any person or persons or classes of persons employed at any work for which the Board has fixed the minimum wage, provided that any such employer shall base such piece-work prices on the earnings of an average worker working under like conditions, and such piece-work prices shall be fixed so that an average worker can earn not less than the wages that are fixed by the Board for such work.

- (f) Before starting overtime after working ordinary hours a meal break of at least 45 minutes shall be allowed, unless the period of overtime is less than 1½ hours.
Any employer and his employees may mutually agree to any variation of this sub-clause to meet the circumstances of the work in hand.

A contract for weekly employment may be terminated by any employer, without liability to pay for more than actual time worked, for misconduct or for absence from work without reasonable excuse.

If an employee, engaged by the week, absents himself from duty, except on public holidays or on days for which he produces a certificate from a medical practitioner, or other proof satisfactory to his employer of sickness (aggregating four days of sickness in each year), a sum proportionate to his time of absence may be deducted from his pay, i.e., one sixth of the weekly wage, for each day of absence, including Saturday, in shops working six days and one-fifth in shops working five days per week.

Holidays mentioned in this determination shall include:—New Year's Day, Australia Day (26th January), Good Friday, Easter Saturday, Easter Monday, King's Birthday, Eight Hours Day (21st April), Christmas Day, and Boxing Day; but if any other day be by Act of Parliament or Proclamation substituted for any of the above-named holidays, the special rate shall only be payable for work done on the day so substituted.
