No increase in wages granted to any employee, after the date of operation of this Determination, above the rates herein prescribed shall be deemed to be in contravention of this clause if the same be paid for a period of three months, or for the term of employment, whichever period is the shorter; provided, however, that such increased wages may, at the discretion of the employer, be adjusted according to the wages rates prescribed from time to time by this Determination.

In all factories where a minimum task is set for a minimum wage the following shall be observed:—

(a) Until after the termination of six months from the coming into operation of this Determination the minimum task in operation in any factory on the date on which this Determination becomes operative shall be the minimum task for the minimum wage after the date of operation of this Determination, and shall not during the said period of six months be increased or decreased because of any increase or decrease in wages, and shall not during the said period of six months be increased unless an altered or improved method of working is introduced.

(b) The task rate in respect of all garments or parts of garments or other articles or parts of articles shall be determined in the manner following:—

(i) Where there are fewer than twenty employees involved in the work to be performed, the employer or his representative, in conference with one employee chosen by and from such employees, shall fix the rates.

(ii) Where there are twenty or more employees involved in the work to be performed, the employer or his representative, in conference with two employees so chosen, shall fix the rates.

(c) The task rates shall be fixed so as to enable the average worker to earn the minimum wage prescribed by this Determination for the class of work to be performed; and any number of garments or parts of garments or other articles or parts of articles made in excess of the minimum weekly task fixed by the task rates for the minimum weekly wage shall be paid for at *pro rata* plus 10 per cent.

(d) When any employee is employed for less than a week on the task rates, then the task of the said employee shall be fixed at per day at the weekly rate provided for.

(f) A copy of all task rate schedules shall, within twenty-four hours of their being fixed, be displayed by the employer in a conspicuous place in each room of the factory where such tasks are being performed.

(g) A combination or team shall mean two or more persons working together on the same class of work, employed on weekly wages where a task has been imposed. Where employees work in a combination or team, the additional amount of wages shall be distributed amongst the employees on a percentage basis, according to the amount of their ordinary weekly wages.

(e) Any employee absenting himself or herself from work on any portion of the working day preceding or any portion of the working day succeeding a holiday provided for herein, other than Boxing Day and New Year's Day, without permission from the employer or without having reasonable cause for having absented himself or herself from work, shall not be entitled to payment for such holiday.

(f) Any weekly employee who is employed on a Sunday or any holiday prescribed herein shall be paid for that day at the rate of time and a half in addition to his or her weekly wage.

(g) Any piece-worker employed on a Sunday or any holiday prescribed by this Determination shall be paid, in addition to the prescribed piece-work prices, at the rate of time and a half calculated on the minimum wage prescribed for the class of work performed.

(10)

TERMS OF ENGAGEMENT.

(a) The week shall terminate on a day other than Monday or Saturday, and all employees shall be paid all moneys due to them in full during the ordinary working hours not later than two working days following the termination of the week. In order to terminate employment of a weekly employee, two days' notice shall be given on any day, with payment to date of termination, or in lieu thereof two days' pay shall be paid or deducted. When employment is terminated by an employer, the employer shall, upon the date of such termination, pay to the employee (weekly employee or piece-worker) all moneys due to him or her, and, when employment is terminated by an employee in accordance with the terms of this Determination, the employer shall pay to the employee (weekly employee or piece-worker) all moneys due to him or her.

(b) All weekly wages shall be paid to the employees in full, with the following exceptions:—

(1) *Turns to be Observed.*—In slack times the employer shall observe turns of employment for weekly workers and piece-workers (including outside workers) not engaged on making samples in the respective class or classes of work at which they are engaged, provided always that journeymen and journeywomen having apprentices under their control shall be allowed in their turn extra work equivalent to the wages of the apprentice during the time the turn system is in operation. The employer shall keep in the workroom a true record of every turn, which shall be open to the inspection of the employees.

(2) *Standing Off Employees in Turn.*—Should any employer during slackness of trade desire to stand off his employees in turn, then the employer on any day during any week shall inform every person whom it is proposed to stand off of any day or days in the following week (other than a Saturday or holiday) upon which his or her services will not be required; but an employee shall not, except under the conditions provided in sub-clause (3) of this clause, be stood off for part of a day without being paid for a whole day.

(3) *Employees Working Shortened Hours.*—If it is desired to work a week of shorter hours in slack times, instead of standing the employees off in turn, the employer may make an arrangement to work his employees for shortened hours, but such arrangement shall be made only where, on the vote of the employees being taken, a majority of the whole of the employees votes in favour of such arrangement.

Where such an arrangement is made, the employees shall be informed on the day ending each week of the shortened hours to be worked in the following week.

Where an arrangement is made in compliance with this provision the employer shall pay each employee for the actual hours worked on each day on the basis of his or her weekly wage.

(4) *Vacation Periods.*—Nothing contained in this sub-clause shall apply in the case of the usual vacation period at Christmas or Easter.

(c) *Classes of Employees.*—For the purpose of this clause (but subject to the provisions of sub-clause (b) hereof), in operating the turn system the various classes of employees shall be taken separately, and "classes of employees" shall mean each class of employee in respect of which a classification of work has been provided under this Determination, but in all cases, male improvers and journeymen, or female improvers and journeywomen doing the same class of work, shall be deemed to be one class of employee.

(d) *Stoppage of Work re Breakdown of Machinery.*—In the event of the work of a factory being stopped by a breakdown of machinery or a stoppage of supply of power, or for any cause for which the employer cannot reasonably be held responsible, all weekly hands who present themselves for work shall be found work for that day, or paid one day's wages in lieu thereof, but when such breakdown or stoppage occurs the employer may give notice to an employee that his or her services will not be required on the following day or days, and the employee shall not be entitled to any further payment in respect of any further days that he or she is out of employment by reason of such break-down or stoppage.

(e) *Terminating Employment in Relation to a Holiday.*—Where the employer terminates the employment of an employee within one week of a day on which a holiday occurs, the employee shall be paid for such holiday or holidays prescribed by the Determination, provided that such employee has been employed by the employer for a period of at least one week prior to the termination of employment.

(f) *Employees Absenting Themselves.*—No employee shall, without just cause, be absent from his or her place of employment during the prescribed hours whilst there is work ready to be done by such employee, and, where weekly wages are fixed, the employee, to be entitled to the sums so fixed, must be available and ready and willing to do the work on the days and during the hours fixed by this Determination.

(11)

OUTSIDE WORKERS.

(a) No person who is or is deemed to be the occupier of a factory within the meaning of section twenty-three of the *Factories and Shops Act 1928* (No. 3877) shall issue or give out or authorize or permit to be issued or given out any material whatsoever for the purpose of being wholly or partly prepared or manufactured outside a factory as articles of clothing or wearing apparel for trade or sale, except to a person who has been registered with the Chief Inspector of Factories as an outside worker. Provided that no such outside worker shall employ any other person or persons whatsoever in wholly or partly preparing or manufacturing such articles of clothing or wearing apparel save and except members of such worker's own family.

(b) In factories where a task rate is fixed in respect of the same class of work as that given to outside workers, then, in every such case, the rate so fixed shall be the piecework price to be paid to such outside workers. In factories where no such task rate is fixed for the class of work performed by outside workers, then such outside workers shall be paid such a piecework price as will enable an outside worker to earn at least 1s. 5d. per hour in the case of a female and 2s. 1d. per hour in the case of a male.

(c) Every outside worker shall be provided, free of charge, with cotton, silk thread and all other sewings and trimmings used in the manufacture of garments.

(d) In the case of an employer delivering or collecting the work of such outside worker, the same shall be done without charge to such outside worker.

(e) Every employer who has work done elsewhere than in his factory shall keep a record book, which shall contain a correct account written in ink as follows:—

(i) The name and full address of the outside worker.

(ii) The number of articles and description of work given out.

(iii) The price paid for such work.

(iv) The record book shall be signed each week by each outside worker, verifying the accuracy of the amount of wages received.

(f) The record book mentioned in the preceding sub-clause shall be open for inspection at any time by any authorized officer of the Department of Labour.

(12)

MISCELLANEOUS PROVISIONS.

(a) *Record of Time Worked and Wages Paid.*—(1) The employer shall provide in each factory, or place where there are fewer than 30 employees, and where work is carried on for him, a time and wages book. Such time and wages book:—

(a) shall be in the English language and shall contain a correct account of the hours worked each day, and the wages received each week, by each employee;

(b) shall be kept correctly entered up in ink; and

(c) shall record clearly the actual date of each day, of each week, and also the date of the day on which the week ends.

(2) The employer shall provide in each factory or place where there are not fewer than 30 employees, and where work is carried on for him, a time-book, or sheet, or record. Such time-book, or sheet, or record shall be in the English language and shall contain a correct account of the hours worked each day and the wages received each week by each employee. Such time-book, or sheet, or record shall be kept correctly and entered up in ink.

(b) *Chairs to have Backs.*—(1) Where it is necessary for employees to sit at their work, seats shall be provided for the employees by the employer. Such seats shall be reasonably comfortable seats.

(2) A seat provided for any female employee shall have a back to it, unless the work of such employee cannot be conveniently done in such a seat, or unless the employee requests to be allowed to use a seat without a back to it.

(c) *Collecting Logs.*—Where piece-work is in operation, the employer shall make arrangements for collecting the logs, and the employees need not leave their places.

(d) *Rest Period.*—When any spell of duty is for more than four hours, an interval of ten minutes, to be selected by the employer, shall be allowed in the third hour to females and apprentices for refreshment. The interval shall be as part of the time of duty, without deduction of time-work pay. During such rest period, the employees may leave their seats, but not the premises.

(13)

PIECE-WORK.

(a) Subject to the conditions hereinafter set out, the employer, in conjunction with his employees, may fix his own piece-work prices, provided such prices enable a journeyman or journeywoman of average capacity working under like conditions to earn at least 10 per centum more than the minimum weekly wage in their respective classes. The same piece-work prices shall be paid to all piece-workers doing the same operation in the factory or workshop whether they be improvers or apprentices on piece-work or otherwise.

(b) All piece-workers who are available and ready and willing to work during the ordinary working hours, shall be paid in each week:—In the case of journeymen and journeywomen who at the piece-work prices so fixed are unable to earn the rate fixed for "Persons not provided for otherwise," not less than such rate; and in the case of apprentices or improvers, not less than the amount prescribed by this Determination for an apprentice or improver of like experience.

(c) The piece-work price in respect of all garments or parts of garments or other articles or parts of articles shall be determined in the following manner:—

(i) Where there are fewer than twenty employees involved in the work to be performed the employer, or his representative in conference with one employee chosen by and from such employees, shall fix the prices.
