FREE PLACES AT THE UNIVERSITY OF MELBOURNE.

APPLICATIONS are invited from officers (other than teachers) in the employment of the Government of Victoria for nomination during 1935 for Free Places in a course for a degree, diploma, or licence at the University of Melbourne. The number of officers that may be nominated is five.

The nominations will be made by the Minister of Public Instruction on the recommendation of a Board consisting of the Public Service Commissioner as chairman, the Chief Inspector of Secondary Schools, and the Permanent Heads of three Departments other than the Education Department. The recommendations of the Board will be based on the age, suitability, qualifications, and period of service of the applicants, on the reports and recommendations of their Departmental Heads, and, if considered necessary, on the result of a personal interview. Applicants must be qualified for admission to the course upon which they desire to enter, and should have been in the employment of the Government of Victoria for at least one year, and, except in special cases, such as applicants who are returned soldiers or who have already completed part of their course, should be not more than 25 years of age.

Each officer nominated for one of these Free Places will be admitted without fee to all lectures and examinations in the subjects of his course, and will be granted the necessary leave of absence to enable him to attend essential lectures, practical and other work, and examinations. He will not, however, be granted any allowance for books, materials, or other expenses involved in attending the University. He will be required to enter into an agreement with the Minister of Public Instruction, and be guaranteed by an approved surety, that he will not relinquish his course without permission, that he will carry out the conditions of his Free Place, and that, if required, he will remain and continue in the employment of the Government of Victoria during the period of three years next after the termination of his Free Place, and, if his Free Place extends over more than three years, an additional year for each year by which the term of his Free Place exceeds three years. The amount of liability under the terms of this agreement will not exceed £250.

The continuance of the Free Place will be dependent upon satisfactory reports by the Professorial Board as to the officer's attendance, conduct, and progress at the University, and by the Departmental Head as to the manner in which he performs his official duties.

Forms of application are obtainable at this office. Each application must be made on the prescribed form, and must be forwarded through the Permanent Head of the Department in which the applicant is employed, to the Secretary, Education Department, Melbourne, not later than 1st December, 1934.

Duties of Deputies.

(b) Each deputy shall in respect of the polling booth at which he presides—

- (i) certify a list of the number of such first preference votes given for each candidate verified as well by the signature of the deputy and the poll clerk (if any) as by the signatures of such of the scrutineers as are present and consent to sign the same;

After such distribution the number of votes given to each non-defeated candidate shall again be ascertained.

Further Declarations and Distributions of Preferences.

- (g) If no candidate then has an absolute majority of votes (including the casting vote of the returning officer) the process of declaring the candidate who has the fewest votes to be defeated and distributing his ballot-papers amongst the non-defeated candidates next in order of the voters' preference, shall be repeated and the votes recounted after every such redistribution until one candidate has obtained an absolute majority of votes (including the casting vote of the returning officer if necessary) and such candidate shall be declared duly elected as herein-after provided.

Provision for Equality of Votes and Casting Vote.

- (h) If on any count two or more candidates have an equal number of votes and one of them has to be declared defeated, the returning officer shall decide which is to be declared defeated, and if on the final count two candidates have received an equal number of votes, the returning officer shall in such case have the casting vote, but, except as provided in paragraphs (e) and (g) and in this paragraph, shall not vote at such election.

Adjournment of Count of Votes.

MELBOURNE AND METROPOLITAN BOARD OF WORKS.

UPPER YARRA YARRA RIVER.

HENLEY-ON-YARRA.

Notice to Boatmen and Others.

BOATMEN and others are hereby notified that permission has been granted to the Melbourne Amateur Regatta Association, in connexion with the Annual Regatta, to row races on the Henley Course on the Upper Yarra on the 3rd November, 1934, and that motor and other boats permitted to be on the river during the day must observe the following Regulations, viz.:—

Boat races must not be obstructed, nor public safety or order endangered.

Every motor boat must have a supply of dry sand, with shovel or scoop, and carry a bucket with rope attached for fire extinguishing purposes, and no inflammable oil or spirit shall be exposed.

All non-competing boats must be kept off the course during the racing programme.

No boats (except racing boats) will be allowed to land or take up passengers at the boat stagings (south bank), or from the bank along the Henley Reserve except at the landing stage.

Passengers on any boat overcrowded or incompetently managed may be ordered to disembark.

No boat deemed by the River Officer or his Deputy to be too large or deemed to be offensive, dangerous, unsuitable, or unsightly shall remain on the river along the course or adjacent waters.

The direction of the officers in charge of the course must be strictly attended to.

All boats (except racing boats) must move up stream along the right hand (south) bank, and must move down stream along the opposite (north) bank.

No advertisement or objectionable device will be permitted to be shown on any boat.

No fireworks or firearms will be allowed to be discharged from any boat, except where permission of the River Officer or his Deputy has been given.

All motor boats shall hold a permit from the River Officer to enter or remain on that part of the River Yarra between Prince's-bridge and the Punt-road bridge, between the hours of 10 a.m. and 12 midnight on Henley Day.

No motor or other boats will be allowed to ply for hire between Prince's-bridge and Punt-road bridge between the hours of 10 a.m. and 12 midnight on Henley Day.

All motor boats shall be moored in the positions allotted to them by 12.30 p.m., and shall remain moored until the finish of the racing programme.

All motor boats on south bank must moor bow up stream, and all motor boats on north bank must moor bow down stream.

An applicant for permit must apply at the office of the River Officer, 110 Spencer-street, Melbourne, and furnish the name and dimensions of the boat for which a permit is required; also the name and address of the owner, and of the person taking charge of the boat on Henley Day. If the boat is unnamed, some identification number must be affixed to each bow of the boat.

No permit shall be given to a motor boat exceeding a length of 35 feet from stem to stern, or with a beam exceeding 9 feet over all, unless the River Officer shall see fit to do so. It is recommended that row boats be in attendance on large motor boats for transporting passengers, also that a gangway be provided for each motor boat to enable passengers to reach the bank.

No permit shall be given for boats burning other than liquid fuel.

A permit shall not be transferable by the holder or in respect of motor boats.

A limited number of moorings will be available along the Henley Reserve, and early application to the River Officer for same is invited. An applicant must give name and dimensions of boat, and must provide his own mooring ropes. Pegs will be supplied.

Acceptance of a permit shall be a guarantee that its holder and the boat it is issued for will observe the regulations, whether general or special.

Motor boats not moored along the Henley Reserve must use the mooring pegs provided on the north or south side of the river, and must moor at post bearing same number as shown on permit.

Mooring or holding on to the booms or buoys will be strictly forbidden.

After sunset on Henley Day motor boats shall exhibit a red light and go slow in the centre of the river only. Motor boats shall not tow any boat.

On Henley Day the length of oars used by any boat, other than racing boats, between Punt-road bridge and Prince's-bridge, shall not exceed 8 feet.

The use of paddles as a means of propulsion for rowing boats is preferred.
