Local Government Act 1928.

PROPOSED RE-SUBDIVISION.

IN pursuance of the provisions of the *Local Government Act* 1928 (No. 3720), section 46, the substance and prayer of a petition in accordance with the 36th and 44th sections of the said Act which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the City of Camberwell, and they desire that the said city be re-subdivided into four separate Wards, viz., North-West Ward, North-East Ward, Centre Ward, and South Ward as described hereunder.

NORTH-WEST WARD.

Commencing at the intersection of Canterbury-road and Burke-road; thence northerly by Burke-road to Koonung Creek; thence easterly by that creek to Balwyn-road; thence southerly by that road to Canterbury-road; thence westerly to commencing point.

NORTH-EAST WARD.

Commencing at the intersection of Canterbury-road and Balwyn-road; thence northerly by Balwyn-road to Koonung Creek; thence easterly by that creek to the imaginary line at present representing the eastern boundary of the municipality of Camberwell; thence southerly by that imaginary line to Canterbury-road; thence westerly by that road to the commencing point.

CENTRE WARD.

Commencing at the intersection of Canterbury-road and Burke-road; thence southerly by Burke-road to Camberwell-road; thence south-easterly by that road to Toorak-road; thence easterly by that road to Boundary-road; thence northerly by that road to Canterbury-road; thence westerly by that road to commencing point.

SOUTH WARD.

Commencing at the intersection of Camberwell-road and Burke-road; thence southerly by Burke-road to Gardiner's Creek; thence by that creek to Boundary-road; thence northerly by that road to Toorak-road; thence westerly by that road to Camberwell-road; thence north-westerly by that road to commencing point.

Where the line described as aforesaid runs beside or along a creek or road, whether specifically described or not, the centre of such creek or road shall be taken to be the boundary line.

The petitioners state that the reasons for the petition are:—

The last subdivision of wards in the municipal district of the City of Camberwell took place on 8th April, 1889, when Camberwell was a shire; since then much progress and growth have taken place and population has greatly increased.

There is abundant and increasing evidence that the original subdivision of wards is no longer commensurate with requirements, and is seriously retarding development within the municipality. The enormous growth of population within the municipality, especially of late years, has tremendously increased the duties and responsibilities of councillors, and it is of primary and urgent importance that the number of councillors be increased. The present subdivision is inadequate in that the North Ward is nearly twice the area of the Centre and South Wards combined. The proposed division of the North Ward by Balwyn-road into a North-West Ward and a North-East Ward, and the fixing of Camberwell-road and Toorak-road as a better defined line between the Centre and South Wards, would form a well-balanced scheme of four wards of about equal area.

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to re-subdivide the City of Camberwell in accordance with the request of the petitioners.

Notices for the petitioners may be served on Mr. Walter Herbert Vivian, 18 Union-road, Surrey Hills, E.10.

Commissioner of Public Works.

REGULATIONS FOR THE MANAGEMENT OF THE  
MINYIP COMMON.

IN pursuance of the Regulations relating to commons made by the Governor in Council on the 5th day of August, 1930, the Council of the Shire of Dunmunkle as managers of Minyip Common, having drafted the following Regulations for management thereof, submit the same for revision by the Board of Land and Works and approval by the Governor in Council, in lieu of the Regulations heretofore in force in respect of such common:—

REGULATIONS.

1. In the construction and for the purpose of these Regulations the words "large cattle" shall mean cows or heifers.
2. Ratepayers, holders of miner's rights, business licences, or carrier's licences, and farmers may respectively depasture on the common, within a distance of five miles from their place of residence, four head of large cattle, or the equivalent of the whole or a portion thereof in small calves under six months of age, on the basis that one head of large cattle be deemed equivalent to three head of small cattle. A farmer having under cultivation not less than one-tenth portion of the land occupied by him may depasture on such a common one additional head of large cattle, or the equivalent in small cattle, for every ten acres of such land cultivated by him.
3. No person shall depasture on the common stock of which he is not the bona fide owner.
4. All cattle must be in the fenced portion of the common between sunset and sunrise, and all cattle found wandering on the unfenced portion of the common will be liable to be impounded.
5. The fees for depasturing stock on the common shall be as follows, and shall be payable half-yearly in advance on the first day of January and the first day of July in every year, or proportionately for any lesser period. All stock remaining on the common eight (8) days after period for which payment has been made shall be liable to be impounded:—  
For every head of large cattle, or the equivalent in small calves, grazed inside the fenced portion of the common—Sixpence per week.  
For every head of large cattle, or the equivalent in small calves, grazed on the unfenced portion of the common—Threepence per week.
6. All cattle grazing on common shall have affixed to them a brass tag and chain provided by the Managers, and it shall be the liability of the owner of such cattle that such cattle shall at all times have such brass tag and chain affixed.
7. Persons desiring to depasture stock on the common shall, after payment to the herdsman of the prescribed fees, deliver the stock to the herdsman, who will, on application of the owner, produce a tag and chain for each beast, as provided by the Managers. The receipts for such fees shall be produced to the herdsman if required. The tag and chain remains the property of the Managers, and must not be removed from any beast.
8. All persons desiring to remove stock from the common shall give the Managers at least two (2) days' notice thereof in writing.
9. The herdsman shall, if required, muster the stock on the common at the expiration of every quarter.
10. The managers shall not be responsible for the safe custody of stock depasturing on the common, nor for the loss or damage sustained through neglect or mistake of the herdsman, or from any other cause whatever.
11. No animal affected with any contagious disease shall be allowed to depasture on the common, and if any of the stock thereon become so affected and be not removed within twenty-four (24) hours after notice thereof, in writing, has been given to the owners by the Managers or the herdsman, the diseased stock shall be liable to be destroyed at the owner's risk and expense.
12. No dead animal shall be allowed to remain on the common, and if the carcass has not been removed after six (6) hours' notice has been given to the owner thereof, the Managers shall be at liberty to cause such carcass to be removed and buried (if necessary) at the expense of the owner thereof, and to refuse the registration of any other stock of such owner until the expense so incurred has been paid.
13. No bull over the age of six (6) months shall be allowed to depasture on the common without the consent in writing of the Managers. No stock of any description, except cows and calves, shall be allowed to depasture on the common, and geese, turkeys, or pigs found wandering on the common shall be liable to be forthwith destroyed.
14. All unregistered stock found on the common shall be liable to be forthwith impounded.

15. The licences to depasture stock on the common shall not be transferable. Substitution licences may, however, be granted in respect of stock placed on the common in lieu of stock, permanently removed therefrom, but only in cases in which the owner shall give notice, in writing, to the herdsman of such removal, as well as the full description and brands or marks of the new stock.

16. Wherein by these Regulations, or by the Regulations relating to commons made by the Governor in Council, any act, matter, or thing is required to be done by the Managers, it shall be deemed to be effectively and well done under the signature of any two of them.

Every person offending against any of the foregoing Regulations shall, on conviction before any justice, forfeit and pay a penalty not exceeding Twenty pounds for each offence.
