IN accordance with the provisions of the Midwives Act, the following copy of the Supplement to the Midwives Register as at 31st December, 1933, is hereby published.

Sections 14 (a) and 15 (1) (a) indicate that the midwife holds a certificate in midwifery from the Women's Hospital, Melbourne, or such other certificate as is approved by the Board.

Section 14 (b) indicates that the midwife had been in bona fide practice, in Australia or New Zealand, for at least two years prior to December, 1915.

Section 14 (b) (ii) indicates that the midwife has been in bona fide midwifery practice, in some part of His Majesty's Dominions, for at least one year prior to December, 1915, and had passed such examinations as the Board requires.

Sections 14 (c) and 15 (1) (c) indicate that the midwife had completed the prescribed course of training and passed the prescribed examination.

Sections 15 and 16 (1) indicate that the midwife has been trained and registered in some part of His Majesty's Dominions in which there is in force an Act for the registration of midwives, or that she is enrolled or certificated by any Institution or Association in existence where the training and examination is in the opinion of the Board substantially equivalent to that prescribed under the Midwives Act, Victoria.

Section 16 (2) indicates that the midwife had passed an examination required by the Board or undergone supplementary training.

Section 3, Nurses Registration Act, and Section 4, Nurses Acts, indicate that in a locality where a hospital approved by the Nurses Board under the Midwives Act for the training of midwives was not available, a woman, being a registered nurse, had, under the direction of a medical practitioner, attended in childbirth not less than 50 women, and had, in the presence of a medical practitioner, personally conducted not less than twenty cases of childbirth, and had passed the prescribed examination.
