Local Government Act 1928.

PROPOSED RE-SUBDIVISION, SHIRE OF OTWAY.

IN pursuance of the provisions of the *Local Government Act* 1928 (No. 3720), section 46, the substance and prayer of a petition, in accordance with the 36th and 44th sections of the said Act, which has been presented to His Excellency the Governor in Council, are published, viz.:—

The petitioners purport to be at least one-fourth of the persons whose names are for the time being on the municipal roll of the Shire of Otway, and they desire that the said shire be re-subdivided into three separate Ridings, viz.:—East Riding, Central Riding, West Riding, the boundaries of which are as follows:—

EAST RIDING.

Commencing at a point on the coast being the south-west angle of the Parish of Krambruk; thence northerly by the west boundary of that Parish and easterly along the northern boundary of the said Parish, adjoining allotment 44, Parish of Olangolah, to the road along the eastern boundary of that allotment; thence following that road through the Parish of Olangolah along the eastern boundaries of allotments 44 and 43A; thence easterly along the southern boundary of allotments 42, 41A, and the southern and eastern boundary of allotment 41, continuing along the road to the eastern boundary of allotments 39, 38 and 23, and the southern boundary of allotments 24 and 26B to the western boundary of the Experimental Farm Reserve; thence northerly along the said reserve boundary and easterly along the northern boundary of the reserve to the Olangolah River; thence north and north-westerly along that river to its junction with the Gellibrand River in the Parish of Barramunga; thence cross the Gellibrand River and along the boundary between allotments 4b and 6, Parish of Barramunga; thence north-westerly along the road bounded on the northern side by allotments 3A, 3, 2, and 1, and on the southern side by allotments 4b, 4c, 4, 4A, and 7 to the Parish boundary; thence northerly along the road following the eastern boundary of allotments 13B, 13, and 9A, Parish of Yaughter, and passing through allotment 8B (558a. 2r. 5p.), and along the western boundary of allotment 7, the western and northern boundaries of the Water and Camping Reserve (10a. Or. 18p.), and along the eastern boundary of allotments 7B and 7c to the shire boundary; thence by that boundary easterly, southerly, easterly, and westerly, to the point of commencement.

CENTRAL RIDING.

Commencing at a point on the western boundary of the Parish of Krambruk adjoining the Parishes of Otway and

Wyelangta; thence west by the north and north by the east boundaries of the West Riding to the Shire boundary; thence by that boundary north and east to the north-west corner of the East Riding; and thence southerly by the west boundary of that riding to the point of commencement.

WEST RIDING.

Commencing at the Krambruk Parish boundary at the point adjoining the Parishes of Otway and Wyelangta; thence westerly along the boundary between the Parishes of Otway and Wyelangta; thence northerly along the boundary between the Parishes of Barwongemoong and Wyelangta, continuing northerly along the boundary between the Parishes of Moomowroong and Wecaprounah; thence north-westerly along the boundary between the Parishes of Moomowroong and Newlingrook to the Carlisle River, continuing in a north-westerly direction along the Carlisle River to its junction with the Gellibrand River, at the western boundary of allotment 33, Parish of Newlingrook; thence northerly along the Gellibrand River to the boundary between allotments 32 and 33; thence westerly along that boundary line to the western boundary of allotment 33; thence due west to the boundary between the Parish of Newlingrook and Wiridjil; thence north along that boundary line to the shire boundary; thence by that boundary westerly, southerly, and easterly to the south-west corner of the Parish of Krambruk; thence by the west boundary of that Parish to the point of commencement.

The petitioners state that the reasons for the petition are:—

East Riding ..	£19,205
Central Riding ..	7,596
West Riding ..	15,437
	£42,238

The petitioners therefore humbly pray that His Excellency the Governor in Council may be pleased to re-subdivide the Shire of Otway in accordance with the request of the petitioners.

Samples of the articles specified to samples required for the Mental Hospitals—Sunbury, Ararat, Ballarat, and Beechworth respectively—may be seen at the Institutions at the places named; samples required for the Gaols at Geelong, Ballarat, Beechworth, Bendigo, and Castlemaine, may be seen at the Gaols; for Aborigines, Lake Tyers, at the Police Stations at Bairnsdale and Cunningsham; for Lara, at the Inebriates' Institution, and from the Clerk of Courts, Geelong; for Greenvale and Gresswell, at the Sanatoriums; for Rutherglen, at the College; for School of Forestry, Creswick, at the School; for McLeod Settlement, at the Police Station, Lang Lang; and for institutions in the Melbourne District, at the office of the Secretary, Tender Board. Samples of the whole of the above-mentioned articles, where indicated in the schedules as to sample, can be seen at the offices of the Secretary to the Tender Board.

Printed forms of tender and the conditions of contract may, in all cases, be obtained from the Secretary to the Tender Board, Gisborne-street, Melbourne; and for the respective districts from the Clerks of Courts at Geelong, Ararat, Ballarat, Beechworth, Bendigo, and Castlemaine; for Sunbury, from the Medical Superintendent, Mental Hospital; for Lara, from the Superintendent of the Inebriates' Institution and the Clerk of Courts at Geelong; for Greenvale and Gresswell, from the Superintendent at the Sanatoriums; for Aborigines, Lake Tyers, from the Police Stations at Bairnsdale and Cunningsham; for Rutherglen, from the Superintendent Vitical College; for the School of Forestry, from the senior master, Creswick; and for the McLeod Settlement, from the Officer in charge of Police, Lang Lang, by whom also any information or explanation will be afforded to persons tendering.

Tenders must be accompanied by a preliminary deposit, as shown above, in a bank draft or bank cheque, payable to the order of the Secretary to the Tender Board (*cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury bonds or Government debentures, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits*), which will be returned within ten days to unsuccessful tenderers on their application. Such deposit to be forfeited in the event of the tenderer withdrawing the tender before notification of acceptance, or, in the event of being successful, failing to complete by lodging the security and contract form, duly signed, within the prescribed period. *It is also stipulated that if a tenderer be a member of a firm and such firm be interested in the contract, then his tender is to be in the name of the firm and not in that of the individual; and that for breach of this condition the preliminary deposit will be forfeited and the tender declared informal.*

The preliminary deposit required with each tender must be enclosed and the amount must be clearly written in and the designation stated on each, whether bank draft or bank cheque, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), Victorian or Commonwealth Government bonds or debentures, Savings Bank Deposit Book, or Bank Deposit Receipt, in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within ten days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

Tenderers withdrawing their tenders before notification of acceptance or failing to take up their accepted tenders within the prescribed period when notified of acceptance, may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender.

Preference will be given by the Tender Board to tenders for articles manufactured within the Commonwealth, provided the quality of such articles is satisfactory and the prices are considered reasonable.

The Government will not necessarily accept the lowest or any tender.

Tenders, enclosed in an envelope, and having the words "Tenders for _____ at _____" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Treasury, Melbourne, which office they must reach by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. All the articles are to be of the best quality of the several kinds, in the best condition, and in conformity with the Health Acts, and to be delivered in sound packages, free from all charges for cartage, freight, &c. The goods shall be delivered as may be directed by the officer ordering the supply.

2. As the exact quantity of any article which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated in the schedule, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same as ordered.

3. Supplies for country districts for which no local contract may have been taken, or for which the contract has been terminated, may be ordered under the Melbourne contract.

4. The Melbourne District will include places within a radius of 6 miles from the Elizabeth-street Post Office, with the exception of places for which separate contracts are provided; supplies for s.s. Rip and Dredges are to be delivered at the Dredging Depot, Williamstown, Victoria Dock, or River Yarra wharfs, as ordered; the Ararat, Beechworth, and Ballarat Districts will include the Mental Hospitals, Gaols, and Police Gaols at these places; and the Geelong District embraces a radius of 2 miles from the Post Office; Lara, the Inebriates' Institution; Greenvale, the Sanatorium; Rutherglen, the Viti-cultural College; and Creswick, the School of Forestry. Delivery must be made at the places, institutions, &c., named in the schedules.

5. Packages suitable for transport of goods supplied must be provided by the contractor free of expense, and the value of these packages, whether in bulk or otherwise, is to be included in the price demanded, except butter boxes and soap boxes (not including fancy soaps); jam jars, flour, meal, and potato bags, which will remain the property of the contractor, and only the actual net weight or quantity received will be paid for. The empties to be removed from the place of delivery at the contractor's expense.

6. The meat supplied under these conditions must, if practicable, be slaughtered at abattoirs which are under authorized inspection and supervision. Any infringement of this condition will subject the contractor, on report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the Treasurer may direct, and the amount will be deducted from the contractor's account, or from the security money.

7. The supplies coming under the head of Rations and Medical Comforts are to be delivered direct to the establishment entitled thereto on the written order of the officer in charge and (except for the gaols) the account is to be rendered monthly for such quantities only as are issued, the difference between the supply and issue to be kept at the contractor's credit. Supplies not issued at the termination of the contract to be removed by the contractor. All other supplies will be ordered by the head of the Department concerned or any officer authorized by him.

8. At the time of delivering the supplies, the contractor shall produce the order for the same to the officer authorized to accept delivery, and such officer shall acknowledge thereon the receipt of the stores accepted, and shall return the order to the contractor, and the account is to be rendered as soon as possible after the delivery of the supplies, accompanied by the receipted delivery order. The rates or quantities quoted in the orders cannot be exceeded.

9. Where practicable, the contractor shall use the Railways for the transport of the goods. When a contractor is required to make delivery of goods at a railway station for transmission by rail, except for Commonwealth Departments, he shall obtain a receipt for the goods in duplicate on the Stores and Transport consignment note, at the same time handing in the triplicate and quadruplicate of the form as an authority for the Railways to act as agent for, and charge the freight to, the Stores and Transport Department. He shall as soon as possible, and not later than twenty-four hours thereafter, deliver at the Tender Board Offices the original, the duplicate to be forwarded to the consignee and the quintuplicate retained by himself. Should the goods thus forwarded be rejected, the contractor must bear the cost of replacing such goods, for which services the departmental consignment note is not to be used. Any infringement of this condition may subject the contractor to such mulct as the Tender Board may recommend under clause 18 of these conditions.

10. Should the contractor fail to supply any articles at the time mentioned in the order, they or any like supplies suitable for the Service will be otherwise procured, and the expense over and above the contract price will be deducted from his account or from the security money.

11. The acceptance of the supplies shall be subject to the approval of the officer authorized to take delivery of the stores, or such other officer as shall be named in the conditions. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such stores may be returned to the contractor.

12. If the officer in charge of stores be not satisfied as to the quantity or quality of the stores, or if, after taking delivery of any stores or material, he shall discover any deficiency or defect therein, he may return such deficient or defective stores or material to the contractor, and shall report the same to the head of his department and to the Tender Board.

13. In the event of a difference of opinion between the contractor and the officer receiving the supplies as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey composed of persons named by the Treasurer of the State for the time being; and the decision of the Board is to be considered final. In the event of the decision being against the contractor, the survey fees and expenses (if any) will be deducted as in clause 10.

14. In cases where the article is of a perishable nature, or when from some other cause injury would be sustained either by the persons to whom the rations or stores are due or to the contractor in waiting for a Board of Survey, the head of the Department or officer authorized to take delivery will have power to reject such article or articles as are obviously of inferior quality, it being understood that he will be responsible to the Government for so doing, and that the contractor must take back the rejected article and supply good in its stead; failing which it, or any like supply suitable for the Service, will be obtained by the officer requiring it as in clause 10. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies so rejected or returned.

15. If the Board shall decide that the article is not of proper quality it must be immediately replaced by the contractor; failing which it, or any like supply suitable for the Service, will be procured by the officer requiring it, and the expense charged as in clause 10.

16. In the case of supplies for Mental Hospitals, it will be competent for a Board of Survey, consisting of the medical superintendent (or, in his absence, of the medical officer) and any two officers named by him, to examine and reject any supplies that may be objected to. It must be distinctly understood, however, that the contractor will have a right of appeal to the Treasurer of the State for the time being, such appeal to be made in writing within 24 hours of the rejection; but, pending such appeal, he must at once supply others of approved quality; failing which, the supplies required, or any like supplies suitable for the Service, may be obtained by the officer concerned, and the expense charged to the contractor.

17. In the case of supplies for Mental Hospitals, it will also be competent for two or more of the official visitors, in conjunction with the medical superintendent, to reject any supplies that they may consider not in accordance with contract; and in such cases the reference to a Board of Survey will not be deemed to be necessary on the part of the contractor.

18. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds, as the said Treasurer may direct, and the amount may be deducted as in clause 10. It will also be in the power of the said Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

19. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise, and no such transfer will be recognized by the Government. *If it is found during the currency of the contract that the contractor has not conformed to the condition of advertisement—which stipulates that if a tenderer be a member of a firm and such firm be interested in the contract, then the tender is to be in the name of the firm and not in that of the individual—then the Honorable the Treasurer may determine the contract, and forfeit the security money.*

20. It will be competent for the Tender Board to terminate the contract, without notice, should there be reason to know that the contractor takes advantage of his contract to communicate with a prisoner.

21. The contracts entered into under this notice are not to be considered as being broken, infringed, or vitiated by the importation of stores for the Government service, or by any contracts or purchases made by the Imperial Commissariat;

or by the consumption of the produce or surplus stock of any Government establishment, or by any article being made at and supplied for the use of any Government establishment.

22. Notwithstanding anything contained to the contrary in section 152 of the *Customs Act* 1901-30, it is hereby expressly provided that upon any alteration of the duty collected affecting the goods included in this contract, the contract price shall not be altered, and the contract may be terminated at the option of either party by two months' notice in writing from the first day of the calendar month next ensuing, and within the period for which the contract is made. The contract for the unaffected items shall remain in full force and effect. Any notice to be served under this condition shall be deemed to have been duly served if sent to the contractor in a registered letter to his last-known place of business or abode.

23. Under no circumstances other than those mentioned in clause 22 will a contractor be permitted to abandon his contract. In the event of the contractor failing to carry on the contract, the contract security money will in that case be absolutely forfeited; and, in addition, the contractor will be held liable for any loss which the Government may sustain in consequence of such failure.

24. For the purposes of these contracts the word Government shall mean the Government of the State of Victoria; and the word Treasurer shall mean the Treasurer of the said State.

PRIVATE ADVERTISEMENTS.

MELBOURNE AND METROPOLITAN BOARD OF WORKS.

NOTICE is hereby given that, after the publication of this advertisement in four consecutive ordinary numbers of the *Government Gazette*, and in four numbers of one of the daily newspapers published in the metropolis, the Melbourne and Metropolitan Board of Works will proceed to compulsorily take (unless the same is in the meantime acquired by the Board from the owner or owners or other persons interested by mutual agreement) the land mentioned and described below.

The nature of the works in respect of which the land is proposed to be taken is the construction of a pipe line, and the laying of pipes and other incidental works in connexion with the general water supply to the metropolis, as more fully appears on the plan of the proposed works hereafter mentioned.
