This licence is subject to the rights of the holders of miner's rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the Land Act 1928 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. This interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the Government Gazette, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

13. The ring-barking of the timber upon the land by the licensee is forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1928* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

#### SPECIAL CONDITIONS.

1. The period of occupation, except where otherwise specified, will be for fifteen (15) months from 1st July, 1934, to 30th September, 1935.

3. Separate tenders must be lodged for each block.

4. *Tenders to be addressed to the Secretary for Lands (Tender-box), Melbourne.*

5. The highest or any tender not necessarily accepted.

6. Tenderers must give their full name, occupation, and ordinary postal address.

7. The areas are given as more or less, and all appropriated, alienated, or licensed lands (if any) within the boundaries are excluded.

8. The outgoing tenant has the option to remove any existing fencing owned by him within one month, or to require the incoming tenant to pay for it in accordance with the provisions of section 124, *Land Act 1928*.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1928*, provides—

1. Where a licensee under section 121 of the *Land Act 1928* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

A By-law of the Shire of Dunmunkle made under sub-section (1) of section 197 of the *Local Government Act 1928*, and numbered 23 for the purpose of adopting sections 41 to 49 inclusive of Part I. of the 13th schedule of the *Local Government Act 1928*, relating to the obstruction to streets by cattle.

IN pursuance of the powers conferred by the *Local Government Act 1928*, the President, Councillors, and Ratepayers of the Shire of Dunmunkle order as follows:—

That the following provisions of Part I. of the said 13th schedule be adopted in and for the whole shire:—

1. If any cattle are found without any person having charge of them—

(a) In any street; or

(b) Upon any land (not being a common) which is not enclosed or fenced with some sufficient fence within the meaning of the *Fences Act 1928*, or any amendments thereof, and the openings (if any) in which

fences are not secured and barred with gates or other fastenings, or equivalent closeness and strength with the fence—

the proper officer of the Council may seize such cattle and impound them, or place them at some neighbouring place of safe custody, and any person rescuing, or attempting to rescue, or interfering with cattle placed at any such place of safe custody, or seized for the purpose of being placed at any such place shall be liable to a penalty of not more than fifty pounds, or to imprisonment for a term of not more than six months.

2. The owner of such cattle shall forfeit a sum not exceeding Twenty shillings for every head of such cattle; or if such cattle are so found in any area declared by the Council to be a populous or residential area (which declaration the Council is hereby authorized to make), such owner shall forfeit a sum of not less than Five or more than Twenty shillings for every head of such cattle, and any justice, if such owner be not known, upon proof of the issue of a summons in the usual form, addressed to such owner as "owner" only without otherwise naming or describing him, such cattle and the place of seizure being duly described therein, and of the publication of each summons in some newspaper commonly circulating in the neighbourhood, may after the expiration of twenty-four hours from such publication, proceed with respect to such owner not appearing as if personal service of a summons stating his name had been effected, or if such owner appear then as in other cases, and the justice may order the cattle to be sold, and the money arising from the sale, after deducting the said penalty, and the costs awarded, and the reasonable expenses, to be estimated and assessed by the justice, or seizing, keeping, and selling the said cattle, shall be paid if demanded within one month to the owner of the cattle, and if not so demanded, then to the municipal fund; and if the said money is not sufficient for all the purposes aforesaid the amount whereby the same falls short, or if no such sale be ordered, the whole of the said amount may be recovered from the said owner, if and when known, in like manner as other penalties and sums adjudged or ordered to be paid by justices are to be recovered.

3. If such cattle, by reason of having been so found at large, have been impounded by the Council, the amount of such penalty and costs, if adjudged respectively before the release or sale of such cattle, shall be added to the pound fees and charges payable in respect of such cattle, and the amount thereof, of such lesser amount (if any), as after the sale of the cattle may remain in the hands of the poundkeeper shall be paid over by him accordingly; and if the proceeds of any sale of such cattle are not sufficient after paying the lawful fees and charges aforesaid to satisfy such penalty and costs, or if such penalty and costs have been adjudged after the release or sale of the cattle, the same or so much thereof as remains unpaid shall and may be recovered from the owner of the cattle in like manner as other penalties and costs adjudged by justices are by law to be recovered; and if in the case of any information under this section, the owner be not known, then the provisions of the last preceding section, so far as necessary to give the adjudicating justice jurisdiction, shall apply.

4. It shall be lawful for the Council to make Regulations from time to time for appointing the hours during which it shall not be lawful to drive into or through the municipal district, or any parts thereof, by boundaries set forth in such Regulation, any cattle intended for sale, slaughter, or shipment, or travelling from one part of Victoria, or of any other State, to any other part, and to provide, if they see fit, in such Regulation separately with respect to Sundays and week days; and if any person drives any such cattle contrary to such Regulation, he shall forfeit for every head of cattle so driven a sum not exceeding Twenty shillings. Provided that nothing herein contained shall apply to horses driven in harness, or to oxen in the yoke.

5. It shall not be lawful to break in any horse or other animal in any street, whether public or private, or in any public place, save such public places as from time to time may be appointed by some Regulation of the Council in that behalf, which Regulation the Council are hereby authorized to make, or by locking the wheels of any cart or other vehicle, or otherwise to test or try any horse or other animal so as to obstruct or injure any street or public place; and any person offending against this section shall forfeit a sum not exceeding Five pounds.

6. 7. It shall be lawful for the Council, on the application of the minister of any church, chapel, or other place of public worship, to make orders for regulating with respect to such places of public worship, the route and conduct of persons who drive any cart, or carriage of any cattle during the hours of divine service (to be named in every such order), on Sunday, Christmas Day, or Good Friday, or any day appointed for a public fast or thanksgiving, and any orders so made shall be printed or affixed on or near the church, chapel, or place of public worship to which the same refer, and in some conspicuous places leading and contiguous thereto, and elsewhere as the Council may direct; and every person who offends against such orders shall forfeit a sum not exceeding Forty shillings.

8. 9. It shall be lawful for the Council to make Regulations prescribing the rate of speed and the manner of crossing over all bridges and crossings for horses, carts, and carriages; and if any person driving, or having the charge of any horse, cart, or carriage violates any such Regulation, he shall forfeit a sum not exceeding Forty shillings.

(c) Any employee required to work more than six consecutive shifts without a clear interval of 36 hours, after the sixth shift, shall be paid double rates for all work performed by him after the sixth shift until he shall have had such clear interval of 36 hours between shifts.

(d) No improver or juvenile worker under seventeen years of age, nor any female or apprentice, shall be on duty in any event before 8 a.m. or later than 9 p.m. on any working day.

(7) **EMPLOYEE MISSING USUAL CONVEYANCE.**—Whenever the finishing time of any worker working overtime or working on any temporary night shift is such as to cause him to miss the usual means of conveyance home, he shall be conveyed home in a suitable manner, without delay, at the expense of the employer.

(8) **TERMS OF EMPLOYMENT.**—(a) No employee shall be employed other than as a weekly time-work employee, or a weekly piece-work employee, or a temporary time-work employee, or a temporary piece-work employee.

(b) A weekly time-work employee, to become entitled to payment of a weekly wage, shall perform such work as the employer shall from time to time require on the days and during the hours usually worked by such employee.

(c) Any weekly time-work employee not attending for duty will lose his pay for the actual time lost, unless he produces or forwards, within 28 hours of the commencement of such absence, evidence satisfactory to the employer that his non-attendance was due to personal ill-health necessitating such absence, but he shall not be entitled to payment for non-attendance on the ground of personal ill-health for more than six days in each year. Such year begins on the 1st day of July each year. An employee is to be entitled to not more than six days' payment in any year under this clause, notwithstanding that he may be employed by different employers.

(d) The following conditions apply to the employment of a weekly piece-worker:—

(i) On each working day or night of the week the weekly piece-worker shall present himself for employment, at the usual time for beginning work at the place of business of the employer, unless informed by the employer that his attendance on any day or any night is not required.

(ii) If the weekly piece-worker begins work on any such day or any night he shall receive not less than four hours continuous employment, or be paid for such four hours at his average weekly earnings, calculated on the earnings of the four preceding full weeks, or if he shall not have worked four full weeks then on the average earnings for the period during which he has worked.

If such work is not provided in any week, and in such week the piece-worker complies with the provisions of sub-clause (i) of this clause, and faithfully performs all work provided for him during that week at his usual rate of speed, he shall be paid such amount at the least and this notwithstanding that any public holiday or holidays occur in such week.

(iv) For a period or periods making in the aggregate not more than the hours of an ordinary week's work for a time-worker in any year such weekly piece-worker will be excused for not presenting himself for employment at the proper time and place, and such non-attendance shall not disentitle such piece-worker to the provisions of this Determination to the payment of the amount of 66s. if a male adult, or of 35s. 6d. if a female adult, or to the rate of pay fixed by this Determination according to his or her year of experience if a junior piece-worker for any week in which such absence occurs, if such weekly piece-worker within 28 hours of the commencement of such absence produces or forwards to the employer evidence satisfactory to the employer that his non-attendance was due to personal ill-health necessitating such absence.
