5. *Lump Sum in Lieu of Pension.*—Paragraph 8 of the Principal Regulations is hereby repealed, and, in lieu thereof, the following shall be substituted:—

8. *Lump Sum in Lieu of Pension.*—(a) Any pilot upon becoming entitled to a pension under these Regulations may, if he thinks fit, elect to receive payment thereof in the form of a lump sum instead of as a pension, whereupon he shall, upon granting to the Board a release under seal from all actions, claims, and demands whatsoever against the Board or the Fund, be paid a sum calculated at the rate of £78 for the first completed year of service, £79 4s. for the second completed year of service, and so on, such rate increasing by £1 4s. for each additional completed year of service thereafter up to and including 35 years' service.

(b) Where any pilot who has elected under paragraph (a) hereof retires in any year prior to the anniversary of the date when his service as a pilot first commenced, he

shall be entitled, in addition to the sum referred to in the said paragraph, to an additional amount for each completed month's service in the incomplete year equal to one-twelfth of the lump sum to which he would have been entitled for that year had he not retired before the completion thereof.

6. *Widows' Benefits.*—Paragraph 9 of the Principal Regulations is hereby repealed, and, in lieu thereof, the following shall be substituted:—

9. *Widows' Benefits.*—On the decease of a pilot in the exercise of his calling, after having served ten years and upwards or subsequent to his being placed on the superannuation list and leaving a widow him surviving, the said widow shall be entitled to receive a pension from the Sick and Superannuation Fund in accordance with the scale prescribed in Schedule II. hereto, subject to the proviso that the pension to the widow of any pilot shall in no case exceed Seventy-two pounds (£72) per annum, unless she shall have been married to him ten (10) years or upwards at the time of his death or superannuation, whichever may first have happened, and shall in no case exceed Ninety-six pounds (£96) per annum, unless she shall have been married to him at least fifteen years at the time of such decease or superannuation, whichever may first have happened.

7. *Children's Benefits.*—Paragraph 10 of the Principal Regulations is hereby repealed, and, in lieu thereof, the following shall be substituted:—

10. *Children's Benefits.*—(a) If a duly licensed pilot having served for at least ten (10) years dies leaving a widow and child or children him surviving, a capitation allowance of Sixty pounds (£60) per annum for each such child shall be made until the child attains the age of sixteen (16) years. On the death of a pilot's widow leaving any child or children of the pilot under the age of eighteen (18) years the capitation allowance, if there is but one child, shall be increased to Seventy-two pounds (£72) per annum, and shall continue to be paid until such child attains the age of eighteen (18) years. If, however, the said widow leaves more than one child under the age of eighteen (18) years her surviving, the pension payable to the widow shall be divided into as many equal parts as there are children under the age of eighteen (18) years, and each such part shall be added to the capitation allowance of each child payable as aforesaid, and shall likewise continue to be payable until each such child attains the age of eighteen (18) years, but without the benefit of survivorship between the children, and provided that no child shall in any case receive a larger allowance (including the said capitation allowance) than Seventy-two (£72) per annum.

(b) In the event of a pilot dying and leaving a child or children under the age of eighteen years him surviving, but no widow him surviving, the allowance payable in respect of each child shall be calculated as if the pilot had died leaving a widow surviving him for a period of 24 hours.

(c) No capitation or other allowance shall, however, be payable under this Regulation in respect of the child or children of any pilot who dies after having accepted, pursuant to Regulation 8 hereof, a lump sum in lieu of any pension to which he was entitled under these Regulations.

(d) The Board may in its discretion pay the allowance to which any child is entitled under this Regulation to the widow or guardian, or to such other person as it deems proper, and the receipt of such widow, guardian, or other person shall be a good and sufficient discharge of the Board.

8. *Sick Allowance.*—Paragraph 13 of the Principal Regulations is hereby repealed, and in lieu thereof the following shall be substituted:—

13. *Sick Allowance.*—Any pilot who by reason of accident or physical, mental or visual unfitness to perform his duties has been granted leave of absence exceeding 24 hours in duration by the Marine Board, shall for the duration of such leave be entitled to receive a sickness allowance at the rate of Fifty shillings (50s.) per week.

The foregoing Regulations were made and passed at a meeting of the Pilot Superannuation Board, held this 27th day of August, in the years of our Lord One thousand nine hundred and thirty-five.
