The Council may, in special cases, consent to two or more houses or tenements being supplied from one water service, but in such cases the sub-services shall be so arranged that the supply to each house or tenement shall be independent of the supply to the remaining houses and be controlled by a stop-cock on such service.

2. *Sizes of Service Connections.*—The size of all service pipes shall be $\frac{1}{2}$ or $\frac{3}{4}$ inch internal diameter, and any service pipes replaced shall be of this dimension, whether originally so or not. For market gardens and in special cases the Council may allow the use of service pipes of greater dimensions.

3. *Construction, Extension, and Maintenance of Services.*—When it is proposed to carry out works in construction, extension, or maintenance of water services, the consumer shall give notice to the Shire secretary in the prescribed form showing details of the location of the allotment to be served, a sketch of the proposed services, the main to which it is

proposed to connect, and stating the person or persons to be in charge of the work and the time it is proposed to proceed with the works, and any other information which may be required by the Council. If required, when the work of repair or construction is complete, the trench shall be left open for the inspection of the work by the Council or its representative.

Where repairs or construction have been effected by consumers without giving the required notification, and where trenches have been back-filled before an inspection has been made, or where it has been intimated that an inspection was to have been made, or where water services are not to the Council's approval nor in accordance with these Regulations, the Council may disconnect the supply, and the consumer shall only be reconnected with the approval of the Council and upon payment of such costs or compensation as is fixed by the Council.

4. *Depth at which Service Pipes are to be Laid.*—All service pipes laid in the ground on private property shall be laid at a depth of not less than 10 inches below the surface. - All pipes and pieces shall be true in sectional form, straight longitudinally, clear in bore, and properly coated throughout, and of equal strength and thickness throughout the entire body of same.
- All ends of pipes, bends, and the like shall be properly and truly threaded, and capable of being properly screwed into thimbles, tees, or fittings.
- The whole of the pipes, tees, bends, cocks, and fittings shall be sound and free from all defects and of strength to bear with safety the maximum hydrostatic pressure to which they may be subject, and, if required by the Council, shall be tested.

7. *Persons Carrying Out Works on Water Services.*—The construction and maintenance of all water services shall be carried out to the satisfaction of the Council by either a licensed plumber or by some person approved by the said Council.

8. *Waste or Misuse of Water.*—The consumer shall at all times keep the whole of his service pipes and fittings in good order so that leaks and wastes are avoided. The Council officer may at any time make an inspection to see that this is being done, and if a state of disrepair or waste is discovered may require the consumer to rectify the matter immediately. If this is not done, he may disconnect the consumer by cutting and plugging the service pipe. Should the consumer later require to be connected, same shall be done only after approval of the Council, and after payment of cost of disconnection, and any other costs incurred by the Council in the matter. Where leaks appear of serious nature the Council may arrange for the work to be done expeditiously in order to prevent excessive waste, and the consumer shall pay to the Council within one month of receipt of statement of repairs the cost of same under penalty of being disconnected.

12. If more than one employee is nominated to represent the employees the Returning Officer shall require the Tramways Board, within such time as he may think fit, to furnish him with as many certified lists as may be required, arranged in alphabetical order, setting out the surnames and christian names of all employees, and prefix to every name in such lists a number, beginning with such numbers at the first name on the said lists with the number one, and continuing them on in regular arithmetical series to the last name thereon. The failure of the Tramways Board to furnish such lists, and the wilful or negligent omission of the name of any employee by the Tramways Board or of any of its officers who may be charged with a preparation of such lists, shall be deemed to be a breach of these Regulations by the Tramways Board, and shall be punishable as hereinafter provided.

PUBLICATION OF NOMINATIONS.

13. (a) The Returning Officer shall forthwith publish in the *Government Gazette* a notice stating in alphabetical order the surnames and christian names of employees so nominated, and that a poll will be taken and shall commence at 9 o'clock in the forenoon, and close at 6 o'clock in the afternoon, on the day and at the place or places named in such notice, not later than twenty-one (21) days after the last day fixed for receiving nominations.

TRAMWAYS BOARD TO EXHIBIT NOTICES AS TO DAY OF ELECTION.

(b) The Returning Officer shall also post or deliver to the Tramways Board at least ten days prior to the day fixed for taking the poll, as many copies of notices as may be required, stating the names of employees nominated, the day and hours between which such poll shall be taken, and the place or places at which employees may vote, with a request that same shall be forthwith exhibited in a prominent position in each office, car depot, power house, converter station, car repair shop or factory, and other places of employment of employees of the Tramways Board.

VOTING BY POST.

14. If any employee has reason to believe that on the polling day during the hours of polling he will not be within five (5) miles of the nearest polling place at which he is entitled to vote, or that, on account of ill health he will be prevented from voting personally at any such polling place, such employee shall be entitled to vote by post.

Applications for a postal ballot-paper may be made to the Returning Officer, in writing, signed by the applicant, within seven days prior to the day fixed for taking the poll.

If the Returning Officer is satisfied that the applicant is entitled to vote by post, he shall forthwith post a ballot-paper to the applicant, with necessary instructions as to the return thereof.

No employee to whom a ballot-paper has been posted shall be entitled to vote personally at any poll, unless he previously gives up such postal ballot-paper, in blank form, to the Returning Officer or Deputy at the polling place at which he is entitled to vote.

No postal ballot-paper shall be counted unless received by the Returning Officer before the close of the poll.

LIST OF EMPLOYEES NOT TO BE ADDED TO.

15. No additional names shall be added to the lists of employees received by the Returning Officer after the publication of the names of the employees nominated aforesaid.

BALLOT-PAPERS.

16. Every ballot-paper shall contain, in alphabetical order, the surnames and christian names of each of the candidates nominated for election.

PREFERENTIAL VOTING.

How Votes to be Marked by Voter.

17. When at any election an employee receives a ballot-paper he shall mark his vote on the ballot-paper by placing the figure 1 opposite the name of the candidate for whom he votes as his first preference, and shall give contingent votes for all the remaining candidates by placing figures 2, 3, 4 (and so on as the case requires) opposite their names, so as to indicate by such numerical sequence the order of his preference.

MARKING OF BALLOT-PAPERS WHERE ONLY TWO CANDIDATES.

Notwithstanding anything contained in the last preceding paragraph, at any election where there are only two candidates the requirements as to the marking of ballot-papers by employees shall be deemed to be sufficiently complied with in the case of any ballot-paper marked as aforesaid with the figure 1 so as to indicate the employee's first preference only.

INVALID BALLOT-PAPERS.

A ballot-paper shall be rejected at the close of the poll if it does not indicate in the manner required by these Regulations the employee's first preference for one candidate, and in the case of any election where there are more than two candidates, his contingent votes for all the remaining candidates.

PROCEDURE TO ASCERTAIN NUMBER OF VOTES POLLED.

(a) Immediately upon the close of the poll, the Returning Officer shall, in the presence and subject to the inspection of such of the scrutineers as choose to be present, and the poll clerk (if any), and of no other person—

- (i) open each ballot-box;
- (ii) arrange the ballot-papers by placing in a separate parcel all those on which first preference is indicated for the same candidate;
- (iii) count all such first preference votes given for each candidate respectively;
- (iv) make and keep a record of the number of votes counted from each ballot-box; and
- (v) abstain himself from inspecting the writing upon the back of the ballot-paper, and take care that the same is not seen by any person.

WHERE RESULTS ASCERTAINED ON FIRST COUNT.

(b) The candidate who has received the greatest number of first preference votes, if such number constitutes an absolute majority of votes (including the casting vote of the Returning Officer, if necessary), shall by the Returning Officer be declared duly elected.

DECLARATION AS TO DEFEATED CANDIDATE AND FIRST DISTRIBUTION OF PREFERENCES.

(c) If at an election where there are more than two candidates no candidate has an absolute majority of votes, the Returning Officer with the assistance of such officers as he deems necessary shall, in the presence and subject to the inspection of such of the scrutineers as choose to be present, and the poll clerk (if any), but of no other person, shall

declare the candidate who has obtained the fewest first preference votes to be a defeated candidate; and the ballot-papers counted to such defeated candidate shall be distributed amongst the non-defeated candidates next in order of the voter's preference.

After such distribution the number of votes given to each non-defeated candidate shall again be ascertained.

FURTHER DECLARATIONS AND DISTRIBUTIONS OF PREFERENCES.

(d) If no candidate then has an absolute majority of votes (including the casting vote of the Returning Officer), the process of declaring the candidate who has the fewest votes to be defeated, and distributing his ballot-papers among the non-defeated candidates next in order of the voter's preference shall be repeated, and the votes recounted after every such redistribution until one candidate has obtained an absolute majority of votes (including the casting vote of the Returning Officer, if necessary), and such candidate shall be declared duly elected.

PROVISION FOR EQUALITY OF VOTES AND CASTING VOTE.

(e) If on any count two or more candidates have an equal number of votes, and one of them has to be declared defeated, the Returning Officer shall decide which is to be declared defeated, and if on the final count two candidates have received an equal number of votes, the Returning Officer shall in such case have the casting vote, but, except as provided in paragraphs (b) and (d) and in this paragraph, shall not vote at such election.

ADJOURNMENT OF COUNT OF VOTES.

(1) If on the date of the polling at any election the count of the votes by the Returning Officer cannot be completed, he shall adjourn such count and inform the scrutineers and the officers appointed to assist him at such count as regards the time and place, when, and where such count will be continued and conducted by him.

(2) The count of the votes may from time to time be adjourned as the Returning Officer deems necessary until it has duly been completed, and each adjournment shall be announced by the Returning Officer to the scrutineers and the officers assisting him.

BEFORE ADJOURNMENT BALLOT-PAPERS, ETC., TO BE SEALED IN THE BALLOT-BOXES.

(3) Before every adjournment of the count of the votes—

- (a) all ballot-papers and other documents connected with such count shall be placed in one or more ballot-boxes; and
- (b) the Returning Officer shall then, in the presence of such scrutineers and officers as are present seal such ballot box or boxes, and before recommencing the count the seal on such ballot box or boxes shall be exhibited, unbroken, to such of the scrutineers and officers as are present.

COUNTING VOTES.

18. The Returning Officer shall, as soon as practicable after the hour fixed for closing the poll, count the votes received, and, after ascertaining the result of the poll, report to the Minister the name of the candidate declared elected.

DESTRUCTION OF BALLOT-PAPERS.

19. At the conclusion of the count of votes, the Returning Officer shall cause all ballot-papers, applications for postal ballot-papers, and lists of employees used at such election to be sealed in a packet, endorsed with a description of the contents thereof, signed by the Returning Officer, and secretly and safely kept for six months.

The Returning Officer shall, after the expiration of such period, cause such ballot-papers, applications for postal ballot-papers, and lists of employees to be destroyed in the presence of the Registrar.

29. In the case of the illness or unavoidable absence of the Chairman of the Appeal Board for a period of twenty-one days or upwards, the Governor in Council shall appoint some other fit person to act as Chairman during such illness or absence, and in the case of the illness or unavoidable absence of either of the other members of the Appeal Board, or disqualification by personal interest in the appeal under consideration, or in the subject-matter thereof, or being a witness, or in the event of the Tramways Board or employees neglecting or failing to appoint a member of the Appeal Board, the Governor in Council may in such case temporarily appoint some suitable person to act as a member of the Appeal Board during the illness or absence or disqualification of such member as aforesaid, or until such time as the Tramways Board or employees appoint such member; and the person so appointed shall, while acting upon the Appeal Board, have all the powers of a member duly appointed by the Tramways Board or employees.

35. In every case the appellant shall (unless the facts are admitted by the Tramways Board) begin by tendering evidence in support of the subject-matter of his appeal. The burden of proof shall then rest upon the Tramways Board, at the conclusion of whose case the appellant may tender evidence in rebuttal of the case for the Tramways Board.
