1. That each of the petitioners is a producer of chicory which is a product within the meaning of the *Marketing of Primary Products Act 1935*.

2. That the petitioners, in pursuance of the said Act by this petition, request the Governor in Council to declare by Proclamation that chicory shall be a commodity under and for the purposes of such Act.

The Minister of Agriculture is of the opinion that the following information with respect to the powers which will be exercisable by the said Marketing Board will sufficiently acquaint producers of the said commodity as to the nature of the said powers.

(i) Subject to the said Act and for the purposes thereof the Board after ensuring the supply and distribution of the said commodity at reasonable prices to consumers thereof in Victoria may sell or arrange for the sale of the said commodity which is vested in or delivered or to be delivered to it, and do all acts, matters, and things necessary or expedient in that behalf accordingly and in particular, without limiting the generality of the foregoing powers—

- (a) may appoint, employ, or authorize such agents, officers, servants, and other persons as the Board considers necessary, and with the approval of the Minister of the Department concerned may make use of the services of any of the officers or employees of the Public Service;
- (b) may arrange for financial accommodation with the Government of the Commonwealth or with any bank or with any other institution or person approved by the Governor in Council, and give such securities for advances as are required by the said Government, bank, institution, or person;
- (c) may so far as practicable provide the commodity for consumption in Victoria, and for its supply during any period of shortage to those places within Victoria wherein a shortage is experienced;
- (d) may make such arrangements as it deems necessary with regard to sales of the commodity for export or for consignment to other States or countries; and for the purposes of this power sales of the commodity for oversea ships' stores shall be deemed to be sales for export;
- (e) may arrange with any person (whether in or outside Victoria) for the sale and delivery of any of the commodity (whether produced in Victoria or elsewhere) to the Board on such terms and conditions as are agreed on;
- (f) may with respect to the marketing of the commodity enter into arrangements with any body of persons in any State of the Commonwealth of Australia which has the management or control of the marketing of such a commodity in that State;
- (g) may do all acts, matters, and things necessary for or incidental to and may enter into contracts for or with respect to the transport, treatment, grading, processing, branding, labelling, storage, packing, or preparing for marketing of the commodity;

- (j) may take such steps (whether by advertising or any other appropriate method) as are expedient for the encouragement of the consumption (whether in Victoria or elsewhere) of the commodity in relation to which the Board is constituted;
- (k) may arrange with the Treasurer of Victoria for advances to cover expenses of formation and administration incurred by the Board prior to the receipt by the Board of the commodity; and
- (l) may deposit in any bank (whether at interest or otherwise) any moneys to the credit of the Board, or may invest any such moneys in or upon any security in which trustees are (whether in Victoria or the United Kingdom) for the time being authorized to invest.

(ii) For the purposes of the said Act the Board—

- (a) may purchase, contract for the use of, or otherwise provide and hold any land required by the Board and any personal property whatsoever;
- (b) may contract for the use of, or otherwise provide, any buildings or structures, and repair, equip, furnish, and maintain the same;

- (c) may dispose of any property held by it for such price and on such terms and conditions as to the Board seem proper or as are prescribed by Regulations;
- (d) may contract for the insurance of any property held by it or of any commodity vested in or to be delivered to it;
- (e) may enter into and carry out such contracts and do and suffer all such acts, matters, and things as are necessary or expedient for the purposes of the said Act.

(iii) The Board may in such cases and on such terms and conditions as are prescribed by Regulations exempt from the operation of the said Act—

- (a) such small producers of the commodity as the Board thinks fit;
- (b) sales of the commodity direct to local consumers or to retail vendors; and
- (c) such other sales and purchases or receipts of the commodity as are prescribed by Regulations.

(iv) When the commodity is refused by the Board on the ground that it is below the quality prescribed by Regulations the Board shall issue to the producers thereof a certificate of such refusal in the prescribed form.

(v) (a) The Board shall out of the proceeds of the commodity disposed of by the Board make payments to each producer of the commodity delivered by him to the Board. Such payments shall be on the basis of the net proceeds of the sale of all the commodity of the same quality or standard delivered to the Board during or covering the periods of time as prescribed by Regulations.

(b) The Board may deduct from the proceeds of sale of the commodity the expenditure incurred in or about the marketing or treatment of the commodity, the costs, charges, and expenses of the administration by the Board of the said Act and any sums necessary to repay any advances made to the Board and interest thereon.

(c) The Board may deduct from the payment to be made to any producer of the said commodity the freight charges incurred in the conveyance of the commodity from the station or other place of delivery to such other place or places in Victoria as is or are prescribed by Regulations.

(vi) (a) As soon as practicable after the delivery of the commodity to the Board the Board shall issue to the producer thereof or other person by or for whom such commodity was delivered to the Board as a receipt a certificate in the form prescribed by Regulation.

(b) Where the commodity is grown produced or prepared for sale under a share farming agreement or by more than one person the Board may in its discretion issue separate certificates to the parties concerned in accordance with their respective interests in the commodity.

(c) The Board may make or arrange for advances on account of the commodity delivered to the Board, and any such advances and any payment made on account of such commodity may be made at such time or times and on such terms or conditions and in such manner as the Board thinks fit.

(vii) The Board with the approval of the Governor in Council may from time to time make a levy on and to be paid by the producers of the said commodity such amount or at such rate on and to be paid by such persons and on such basis and for such period or otherwise as the Board with the approval of the Governor in Council and by notice in the *Government Gazette* specifies, and may in any case where it thinks fit retain the amount of any such levy out of the funds in its hands arising from sale or pledge of the commodity.

The petitioners, who constitute the number of producers required by section 6 of the *Marketing of Primary Products Act 1935*, therefore humbly pray that His Excellency the Governor in Council will be pleased to grant their request.

Provided that where there are only two candidates the ballot-paper shall be valid if marked in any way which in the first opinion of the Returning Officer indicates the voter's first preference only.
