TENDERS will be accepted at or before Noon on Wednesday, 22nd May, 1935, for the right to depasture stock on the following unappropriated portions of land subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 121 of the *Land Act* 1928 shall be subject to the conditions set forth in the Schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

CONDITIONS.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the *Land Acts*, except under the 121st section of the *Land Act* 1928, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the *Land Acts* may think fit.

3. This licence is subject to the rights of the holders of miner's rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip-panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act* 1928 the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licensee shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.
