It will also be in the power of the Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognized by the Government.

13. In the event of any alteration in the duty of Customs or Telegraphic Transfer Exchange which may affect any of the items included in the contract, the Government or the contractor, as the case may be, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected; and the contractor shall, if called upon, submit such documentary evidence as may be required by the Government to permit of the calculation of any such allowance.
