PARTICULARS of a petition by producers of eggs requesting the Governor in Council to declare by Proclamation that such product shall be a commodity under and for the purposes of the *Marketing of Primary Products Act 1935*.

1. That each of the petitioners is a producer of eggs, which is a product within the meaning of the *Marketing of Primary Products Act 1935*.

2. That the petitioners, in pursuance of the said Act, by this petition request the Governor in Council to declare by Proclamation that eggs shall be a commodity under and for the purposes of such Act.

3. That the petitioners request that the Marketing Board which may be constituted under the said Act in relation to the said commodity shall consist of five members.

The Minister of Agriculture is of the opinion that the following information with respect to the powers which will be exercisable by the said Marketing Board will sufficiently acquaint producers of the said commodity as to the nature of the said powers:—

Subject to the said Act and for the purposes thereof the Board—

- (a) may sell or arrange for the sale of the said commodity which is vested in or delivered or to be delivered to it and do all acts, matters, and things necessary or expedient in that behalf accordingly;
- (b) may arrange for financial accommodation with the Government of the Commonwealth or with any bank or with any other institution or person approved by the Governor in Council, and give such securities for advances as are required by the said Government, bank, institution, or person;

- (f) may contract for the use of or otherwise provide any buildings or structures and repair, equip, furnish, and maintain the same;
- (g) (i) The Board shall out of the proceeds of the commodity disposed of by the Board make payments to each producer of the commodity delivered by him to the Board. Such payments shall be on the basis of the net proceeds of the sale of all the commodity of the same quality or standard delivered to the Board during or covering the periods of time as prescribed by Regulations.
- (ii) The Board may deduct from the proceeds of sale of the commodity the expenditure incurred in or about the marketing or treatment of the commodity the costs, charges, and expenses of the administration by the Board of the said Act and any sums necessary to repay any advances made to the Board and interest thereon.
- (iii) The Board may deduct from the payment to be made to any producer of the said commodity the freight charges incurred in the conveyance of the commodity from the station or other place of delivery to such other place or places in Victoria as is or are prescribed by Regulations.
- (h) The Board, with the approval of the Governor in Council, may from time to time make a levy on and to be paid by the producers of the said commodity such amount or at such rate on and to be paid by such persons and on such basis and for such period or otherwise as the Board, with the approval of the Governor in Council and by notice in the *Government Gazette*, specifies, and may in any case where it thinks fit retain the amount of any such levy out of the funds in its hands arising from sale or pledge of the commodity.

Your petitioners, who constitute the number of producers required by section 6 of the *Marketing of Primary Products Act 1935*, therefore humbly pray that His Excellency the Governor in Council will be pleased to grant their request.

FORM OF CONTRACT

(BETWEEN A DAIRYMAN AND THE OWNER OF A DAIRY FARM).

[NOTE.—No alterations or additions to the terms provided for by this Form may be made.]

AN AGREEMENT made this _____ day of _____ 193____, between _____ dairy farmer, of _____ (hereinafter called "the Vendor"), and _____ dairyman, of _____ (hereinafter called "the Purchaser"), whereby it is agreed as follows:—

(a) Insert date of commencement.
(b) Delete the alternative which does not apply.

1. The Vendor shall sell and the Purchaser shall buy for the period from the (a) _____ day of _____, 193____, to the 30th June now next ensuing _____ gallons of (b) Untreated milk daily (hereinafter called the contract daily quantity) with an allowance in favour of the Vendor in respect of such contract daily quantity if necessary of 5 per cent. variation either way provided always that if the daily quantity of milk delivered by the Vendor to the Purchaser during any period of fourteen successive days is less than the contract daily quantity after allowing for any variations permitted by this contract, the Purchaser may by notice in writing to the Vendor and to the Milk Board forthwith determine this contract without prejudice to any rights he may have against the Vendor by reason of the said breach.

Provided further—

- (i) That if at any time the Purchaser requires milk in excess of the contract daily quantity he may purchase such excess from the Vendor upon the same terms and conditions as are contained in this contract.
- (ii) That the contract daily quantity may be reduced at the option of the Purchaser to an amount specified by the Purchaser in respect of public and school holiday periods upon his giving or sending written notice to that effect, stating the amount to which the said quantity is to be reduced, to the Vendor at least three (3) clear days before such holidays but if the Vendor shall not be satisfied that the Purchaser in fact suffered by reason of such public or school holidays a diminution of trade to an amount as great or for a period as long

as that represented by the reduction specified in the Purchaser's said notice the Vendor may at any time within seven (7) days of the close of the said holiday period call upon the Milk Board to decide the proper reduction to be made and the duration thereof and the determination of the Board as to such amount and duration shall be final and binding on both parties to this contract and if the determination is that the said reduction has been too great or of too long a duration the Purchaser shall accept from the Vendor under the terms of this contract an additional quantity of milk equivalent to the amount of the deficiency so determined in such quantities within the period of this contract as the Purchaser shall elect.

2. *Loss of Trade.*—If the Purchaser shall suffer any diminution in the normal quantity of milk sold or distributed by him in the metropolis he may with the written consent of the Vendor (and the written approval of the Board to such reduction) reduce the contract daily quantity of this contract to such lesser quantity or quantities as may be mutually agreed upon and for such period or periods as may be mutually agreed upon. In the event of any disagreement with respect to the amount or duration of the said reduction between the Purchaser and the Vendor the Milk Board shall be called upon by either party to decide the matter, and the determination of the Board as to such amount and duration shall be final and binding on both parties to this contract.

In the event of any such amended amount being fixed the Board shall in writing give seven days' notice to both parties to this contract as to the date from which such amended determined amount shall become operative and from such date the amended determined amount shall be the amount chargeable against the Vendor under this contract in lieu of the amount previously determined. Unless and until the amount of the said deduction is determined and notified by the Board no amount shall be chargeable but on the same being determined the said charge as from the commencement of the period of such service at that rate may be made against the Vendor.

(c) Delete the alternative not agreed upon.

Notwithstanding that the Vendor at the commencement of this contract agrees to the conditions laid down in either sub-clauses (B) or (C) of this clause, he may at any time with the consent in writing of the Purchaser, elect to deliver the said milk under the conditions of sub-clause (A) of this clause.

GEO. L. GOUDIE,
Commissioner of Public Works.

Melbourne, 17th June, 1936.

TENDERS FOR THE SERVICE, 1936-37.—WRITING AND PRINTING PAPERS, ENVELOPES, ETC.

TENDERS will be received until Eleven a.m. on Tuesday, 25th August, 1936, from persons willing to supply, at Melbourne, Paper and Envelopes, &c., for the Victorian Government, as per Schedule, in the quantities and at the time stated therein.

Forms of tender, conditions of tendering, schedules, conditions of contract, and samples may be obtained from the Secretary to the Tender Board, Gisborne-street, Melbourne, C.2.

Tenders must be accompanied by the preliminary deposit, as shown in the schedule, by bank draft or bank cheque, in favour of the Secretary to the Tender Board. Cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury Bonds or Government debentures, or references to securities on existing contracts will in no case be received or entertained as preliminary deposits. Preliminary deposits will be returned to unsuccessful tenderers on their application.

The amount of the preliminary deposit required with each tender must be enclosed, and the amount must be clearly written in and the designation stated.

Security will be required, as provided in the tender form, either in bank guarantee (bank to be approved by the Tender Board), State or Commonwealth Treasury Bonds or Commonwealth Government debentures, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm, and such firm be interested in the contract, then the tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Preference will be given by the Tender Board, provided the quality of the articles offered is satisfactory and the rates charged are considered reasonable—

(a) to tenders for articles manufactured within the Commonwealth;

(b) to tenders for articles manufactured within any other part of the British Empire.

Rates tendered must include T.T. exchange ruling at time of tendering.

Tenders enclosed in a separate envelope, and having the words "Tender for Supplies to the Government Printer" written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, C.2, or, if sent by post, they must be prepaid, and addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

CONDITIONS OF CONTRACT.

1. In these conditions and in the form of contract and schedule hereto annexed the words "Government Printer" shall include the officer bearing or acting under that title, or such other officer as the Government may from time to time appoint to perform the duty in the matter in relation to which the expression is used. 3. The Government will order from the contractor all the articles enumerated in the schedules.

4. The first delivery under this contract, equal to one half the quantity contracted for, shall be made not later than 31st December, 1936, and the remainder shall be delivered not later

5. The supplies are to be in accordance with schedule conditions where so stated, and of the particular manufacture indicated in the schedule.

6. All packages, cases, wrappings, &c., whether bulk be broken or not, shall be considered the property of the Government, and no charges or expenses whatsoever beyond the price tendered and set out in the schedule will be allowed to the contractor. The net weight only will be paid for. Contractors must provide, without extra charge, whatever labour, &c., may be required in the packing and delivery of the supplies.

7. All supplies shall be made to the Government Printer. The goods shall be delivered as may be directed by that officer in terms of contract. If, after the delivery of the supplies has been taken, any deficiency or defect is discovered therein, such deficient or defective stores may be returned to the contractor. All rejected goods must be removed by the contractor within forty-eight hours after notice has been given to him by the Government Printer of such rejection, and if not so removed the Government Printer is hereby empowered to send same to any store in Melbourne, there to be stored at the contractor's risk and expense, such expenses to be deducted as in clause 10. Delivery will not be deemed to have been made until the goods have been approved. In case of the rejection or return of any supplies, the contractor shall bear the whole cost of replacing the supplies rejected or returned, otherwise purchases will be effected at the contractor's risk, and the extra expense deducted as in clause 10.

10. In the event of the goods not being delivered within the time stated the Government Printer may, in giving the contractor twenty-four hours' notice, purchase the supplies, or any like supplies that are suitable for the service, at the contractor's risk, and the extra expense incurred over and above the contract price (if any) will be deducted from the contractor's account or from the security money.

11. A refusal to execute orders, irregularity in the quantity or quality of the supplies, or delay in delivering or replacing them when required, will subject the contractor, upon report from the Government Printer to the Tender Board, to such mulct, not exceeding One hundred pounds, for each and every default as the Treasurer may direct, and the amount may be deducted as set out in clauses 2 and 10. It will also be in the power of the Treasurer, upon such refusal, irregularity, or delay, to terminate the contract forthwith, and declare forfeit the whole or any portion of the security money; and, in addition, the contractor may be disqualified from tendering or holding any future contract or contracts for a period of twelve months from the date of such disqualification.

12. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognized by the Government.

13. In the event of any alteration in the duty of Customs or Telegraphic Transfer Exchange which may affect any of the items included in the contract, the Government or the contractor, as the case may be, will make a proportionate allowance by way of deduction from or increase of the price of the item so affected, and the contractor shall, if called upon, submit such documentary evidence as may be required by the Government to permit of the calculation of any such allowance.

14. Each package shall be branded "O.H.M.S. The Government of Victoria, The Government Printer, Melbourne," and numbered consecutively, and each package shall also be marked with the number of the contract and contents of same for identification purposes.

15. Every account must be in prescribed form, including the number of this contract and the number of item in same, and must show full details of how the same is made up.
