WEDNESDAY, JUNE 24.

[1936

KING'S BIRTHDAY.

IT is notified that on

MONDAY, THE 29TH JUNE, 1936,

the public offices will be closed, that day being appointed by the *Public Service Act 1928* to be observed as a holiday in the Public Offices throughout Victoria.

M. W. J. BOURCHIER,
Chief Secretary.

Chief Secretary's Office,
Melbourne, 5th June, 1936.

The Fisheries Acts.

REVOCATION OF PROCLAMATION RESPECTING THE SEASON FOR FISHING AT NATIONAL PARK RESERVE, WILSON'S PROMONTORY.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

THE Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of the provisions of the Fisheries Acts, and all other powers me enabling in that behalf, do by this Proclamation revoke the Proclamation made the twenty-third day of December, 1898, and published in the *Government Gazette* of the twenty-third day of December, 1898, respecting the season for fishing at the National Park Reserve, Wilson's Promontory.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-third day of June, in the year of our Lord One thousand nine hundred and thirty-six, and in the first year of the reign of His Majesty King Edward VIII.

The Game Acts.

REVOCATION OF PROCLAMATION RESPECTING THE SANCTUARY FOR NATIVE GAME IN THE PARISHES OF GHIN GHIN, YEA, KILLINGWORTH, AND SWITZERLAND.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

THE Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, and in pursuance of the provisions of the Game Acts, and all other powers me enabling in that behalf, do by this Proclamation revoke the Proclamation made the twenty-third day of July, 1918, and published in the *Government Gazette* of the thirty-first day of July, 1918, respecting a sanctuary for native game in the Parishes of Ghin Ghin, Yea, Killingworth, and Switzerland.

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this twenty-third day of June, in the year of our Lord One thousand nine hundred and thirty-six, and in the first year of the reign of His Majesty King Edward VIII.

DEPARTMENT OF CHIEF SECRETARY.

ROYAL COMMISSION TO INQUIRE INTO THE ALLEGED SHOOTING AT AND WOUNDING OF SUPERINTENDENT BROPHY.

MAXIMUM EXPENDITURE

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by an Order made on the 18th day of June, 1936, directed that the sum of One hundred and seventy-five pounds (£175) be fixed as the maximum of expenditure to be incurred by the Royal Commission appointed to inquire into the alleged shooting at and wounding of John O'Connell Brophy, a Superintendent of Police.

C. W. KINSMAN,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 16th June, 1936.

PUBLIC HIGHWAY.—CITY OF SANDRINGHAM.

PROCLAMATION

By His Excellency the Governor of the State of Victoria and its Dependencies in the Commonwealth of Australia, &c., &c., &c.

WHEREAS by the *Local Government Act 1928* (No. 3720), sections 518 and 519, it is amongst other things enacted that it shall be lawful for the Governor in Council at any time, and from time to time, upon the request of the Council of any municipality, by notice in the *Government Gazette*, to declare any land reserved and used for a street, road, highway, thoroughfare, bridge, square, court, alley, or right-of-way to be a public highway, and that such land shall thereupon and thenceforth from the date of such Proclamation become and be absolutely dedicated to the public as a public highway within the meaning of any law then or thereafter in force: And whereas the Council of the City of Sandringham has requested that the land hereinafter mentioned, which has been used as a street within the said City, be so declared to be a public highway: Now therefore I, the Governor of the State of Victoria, in the Commonwealth of Australia, by and with the advice of the Executive Council of the said State, do by this Proclamation declare the land used for the street hereinafter named and described, and situated within the City of Sandringham aforesaid, to be a Public Highway within the meaning of the said Act, viz:—

PUBLIC HIGHWAY.—CITY OF SANDRINGHAM.

Name of Street.	Extent.	Width of Carriage-way.	Width of Footways on Both Sides.	Total Width.
Vincent-street	From Nelson-street to Bluff-road, as shown colored red on plan attached to Correspondence No. 36/282 deposited in the Public Works Department, Melbourne	21 feet	Varying widths from 5 feet 9½ inches to 43 feet	Varying widths from 32 feet 7 inches to 74 feet 9 inches

Given under my Hand and the Seal of the State of Victoria aforesaid, at Melbourne, this sixteenth day of June, in the year of our Lord One thousand nine hundred and thirty-six, and in the first year of the reign of His Majesty King Edward VIII.

(L.S.)

HUNTINGFIELD.

By His Excellency's Command,

GEO. L. GOUDIE,
Commissioner of Public Works.

GOD SAVE THE KING!

APPOINTMENTS.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Orders made on the 16th day of June, 1936, been pleased to make the undermentioned appointments, viz:—

DEPARTMENT OF CHIEF SECRETARY.

Returning Officer,

ROBERT VICTOR JOHN SPURRS

to be the Returning Officer of the Electoral District of Goulburn Valley; *vice* John Edmund Byass, deceased.

Assistant Inspectors of Fisheries (Honorary),

ALFRED WILLIAM PORTER,

ROBERT JOHN AULL,

ARTHUR EDWARD THIEL,

CHARLES MICHAEL JULIFF,

LESLIE EDWARD KENDALL, and

DONALD ROBERTSON,

pursuant to the provisions of the Fisheries Acts, to be Assistant Inspectors of Fisheries (honorary).

to be an Officer of the Fifth Class, Clerical Division; a vacancy having occurred, and the Public Service Commissioner having certified, on the 4th June, 1936, that an appointment is required, that there is no person available and fit in the Public Service to be promoted or transferred to fill the vacant office, and that the person named is entitled, under the provisions of the Public Service Acts, to be appointed to fill such vacancy on probation for six months.

*Trustees of Site,*KENNETH ARTHUR McLEAN and
JOHN HERMAN LEINHOP

to be Trustees of the Site for Racing, Recreation, and Public Park purposes at Caulfield, in place of Hubert Percy Willis, deceased, and James Macgregor Gillespie, resigned.

DEPARTMENT OF LAW.

*Magistrates,*PERCY LIVINGSTONE WOOD, Rainbow, and
EDWIN WALDY HEDDITCH, Gorae,

to Keep the Peace in the Western Bailiwick of the State of Victoria;

LLOYD ARNOTT, Robinvale,

to Keep the Peace in the Midland Bailiwick of the State of Victoria; and

EDWARD THOMAS MACDERMOTT, Cathedral Buildings, Flinders-lane, Melbourne, and
PERCY WILFRED GEORGE SAUNDEY, 475 Collins-street, Melbourne.

to Keep the Peace in the Central Bailiwick of the State of Victoria.

Commissioners for Taking Declarations, &c.,

JOHN DONALDSON CLARK CRUDDAS,
ATHOL PEARCE,
JAMES HERBERT CHISHOLM, and
WILLIAM JOHN PEARCE, Inspectors of Land Settlement,
Closer Settlement Commission, Lands Department, Melbourne.

to be Commissioners for taking Declarations and Affidavits under the provisions of Division 8 of Part IV. of the *Evidence Act 1928*, to refrain from charging fees, and to resign upon ceasing to be officers of the Closer Settlement Commission; and

JOHN JAMES POTTER, Warburton,
to be a Commissioner for taking Declarations and Affidavits under the provisions of Division 8 of Part IV. of the *Evidence Act 1928*, to resign upon removing from the neighbourhood of Warburton.

Probation Officer,

HUBERT WILLIAM BAGLÍN, Smythesdale,
to be a Probation Officer, pursuant to the provisions of section 8 of the *Children's Court Act 1928*, for the Children's Court at Smythesdale.

Sheriff's Substitute, &c.,

AUSTIN JAMES COLLINS
to be also Deputy Clerk of the Peace, Registrar of the County Court, Clerk of the Court of Mines, and Clerk of Petty Sessions at Benalla, Registrar of the County Court and Clerk of Petty Sessions at Yarrawonga, and Clerk of Petty Sessions at Tungamah and Euroa, and as Clerk of the Peace at Benalla and Registrar of the County Courts at Benalla and Yarrawonga, by virtue of section 92 of Act 3707, to do and perform with respect to the Courts at such places, in the place and stead of the Sheriff, all such acts and things as the Sheriff is by the said Act authorized or required to do or perform, during the absence on annual leave of C. E. Elvish.

Clerks of Petty Sessions.

JOHN PATRICK GLOSTER
to be also Clerk of Petty Sessions at North Melbourne and Heidelberg, during the absence on annual leave of A. J. O'Connor; and

FRANCIS GOLDSMITH ROCHE
to be also Clerk of Petty Sessions at Hawthorn, Box Hill, Ferntree Gully, and Ringwood, during the absence on annual leave of J. Moloney.

Bailiffs of County Court, &c.,

RODERICK BERTIE McDONALD, Sergeant of Police, Daylesford, and
MICHAEL HENRY WILSON, Senior Constable of Police, Trentham,
to be also Bailiffs of the County Court, at Daylesford.

DEPARTMENT OF PUBLIC HEALTH.

Trustees for Cemeteries,

THOMAS McARTHUR
to be a Trustee, Ararat Public Cemetery, *vice* Donald Chisholm, deceased;

STANLEY ERVIN McINTYRE
to be a Trustee, Condah Public Cemetery, *vice* Norman McLeod, resigned;

WILLIAM ALBERT BROWN
to be a Trustee, Miram Piram Public Cemetery; and

MICHAEL JAMES SHARKEY
to be a Trustee, Rochester Public Cemetery, *vice* Patrick Gorman, deceased.

DEPARTMENT OF TREASURER.

Receivers of Revenue,

J. J. MADDEN
to act as Receiver of Revenue, Railway Department, during the absence of J. T. Dalton on leave; and

EDMUND O'CONNELL
to act as Receiver of Revenue, Geelong, *vice* E. J. Nicholas, relieved.

C. W. KINSMAN,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 16th June, 1936.

RESIGNATIONS.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Orders made on the 16th day of June, 1936, accepted the resignations of the persons named hereunder of the offices mentioned, viz.:—

DEPARTMENT OF LAW.

GORDON NELSON, as a Probation Officer, pursuant to the provisions of the *Children's Court Act 1928*, for the Children's Court at Benalla.

RODERICK BERTIE McDONALD and MICHAEL HENRY WILSON as Bailiffs of the County Court and Court of Mines, Kyneton, as from and inclusive of the 1st July, 1936.

DEPARTMENT OF PUBLIC HEALTH.

The Hon. MARCUS SALTAU, M.L.C., as a Member of the Nurses' Board, as from 30th May, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 16th June, 1936.

SUMMONING OFFICERS.

I HEREBY appoint the undermentioned persons, under section 31 of the *Education Act 1928*, to summon parents within the State of Victoria:—

Senior Constable JAMES JERALD WILSON, No. 5905.

First Constable CEOL KINSON, No. 7241.

First Constable FREDERICK EDWARD JONES, No. 7297.

JOHN R. HARRIS,
Minister of Public Instruction.

Education Department,
Melbourne, 12th June, 1936.

EXECUTION.

THE subjoined certificate and declaration touching the execution of Edward Cornelius at His Majesty's Gaol, Pentridge, are published pursuant to the provisions of the *Crimes Act 1928*, section 555.

W. A. W. KELL,
Prothonotary.

Prothonotary's Office, Melbourne, C.1, 22nd June, 1936.

Crimes Act 1928.—Section 551.

Eighth Schedule.

CERTIFICATE OF MEDICAL OFFICER.

I, Albert John William Philpott, being the medical officer in attendance on the execution of Edward Cornelius at His Majesty's Gaol, Pentridge, do hereby certify and declare that I have this day witnessed the execution of the said Edward Cornelius at the said gaol; and I further certify and declare that the said Edward Cornelius was, in pursuance of the sentence of the Supreme Court at Melbourne, hanged by the neck until his body was dead.

Given under my hand this twenty-second day of June, One thousand nine hundred and thirty-six, at His Majesty's Gaol, Pentridge.

A. J. W. PHILPOTT,
Government Medical Officer.

Crimes Act 1928.—Section 551.

Ninth Schedule.

DECLARATION.

We do hereby testify and declare that we have this day been present when sentence of death was carried into execution on the body of Edward Cornelius, convicted at the Criminal Sittings of the Supreme Court held at Melbourne on the sixteenth day of March, 1936, and sentenced to death, and that the said Edward Cornelius was, in pursuance of the said sentence, hanged by the neck until his body was dead.

Dated this twenty-second day of June, One thousand nine hundred and thirty-six, at His Majesty's Gaol, Pentridge.

A. E. BLACKLOW, Sheriff.
T. SLFETH, Acting Governor.
T. A. KEELY, Deputy Sheriff.
E. ROSS, Senior Chief Warder.

F. R. ASHFORD, Senior Warder.
D. McINNES, Senior Warder.

OPTICIANS REGULATIONS 1936.

CORRIGENDUM.

IN the Opticians Regulations 1936, published in the *Government Gazette* of the 17th June, 1936, pages 1406-7, after the word "section" appearing in the first line of Regulation No. 5 (Voting at Meetings), the figure "4" should be inserted.

Gazette Office,
Melbourne, 18th June, 1936.

PUBLIC SERVICE OF VICTORIA.—VACANCIES.

APPLICATIONS will be received by the Public Service Commissioner (Victoria) up to Friday, the 3rd July, 1936, from officers of the Public Service of Victoria who are eligible and qualified for appointment to the undermentioned positions:—

PROFESSIONAL DIVISION.

Superintending Draughtsman, Class "B," Office of Titles, Department of Law.

Yearly Salary.—£572, minimum; £650, maximum.

Duties.—To deal with transfer, application, and plan of subdivision work generally; to supervise officers and make all necessary reports and returns in connexion with such work.

Qualifications.—To have a sound knowledge of office procedure under the Transfer of Land Acts and the sections of the Acts relating to the transfer, application, and plan of subdivision work, with sufficient survey experience and mathematical knowledge to be able to direct the public, and to act as Assistant Registrar of Titles in matters concerning the Survey Branch.

Shorthand Writer, Class "C," Government Shorthand Writer's Office, Department of Chief Secretary.

Yearly Salary.—£420, minimum; £455, maximum.

Duties.—To take notes, both verbatim and narrative, of evidence before Royal Commissions, Boards of Inquiry, &c.

Qualifications.—To be a licensed shorthand writer and have had experience of verbatim and other reporting work.

Draughtsman, Class "D," Survey Branch, Office of Titles, Department of Law (two vacancies).

Yearly Salary.—£325, minimum; £416, maximum.

Duties.—To examine plans and field notes by licensed surveyors; to make the necessary computations in connexion with dealings under the Transfer of Land Acts, and to compile plans.

Qualifications.—To have sufficient survey and mathematical knowledge to be able to deal with all survey computations, to be a good draughtsman, and to have a knowledge of dealings under the Transfer of Land Act.

CLERICAL DIVISION.

Second Class Clerk, Taxation (Land Tax) Branch, Department of Treasurer.

Duties.—To supervise the valuations of real estate throughout the State for land tax, probate duty, stamp duty, and other purposes; to conduct interviews with taxpayers and their representatives on all questions of valuations, to deal with correspondence relating thereto, and generally to have charge of the Valuation Branch.

Qualifications.—To possess a thorough knowledge of the Land Tax Act and Regulations; to be acquainted with the movements and values of land in all parts of the State, and to possess a full knowledge of the practice of land valuation, together with the capacity to discuss intelligently and tactfully with taxpayers any objections arising in connexion therewith.

Second Class Clerk, Department of Agriculture.

Qualifications.—Experience in the distribution of relief payments to primary producers, and a thorough knowledge of the working of the Commonwealth Wheat Growers Act; ability to control a staff; tact and experience in dealing with the public.

The salary rates quoted above are subject to the prescribed reduction under the Financial Emergency Act.

By order,

W. A. ROBINSON,
Secretary.

Office of the Public Service Commissioner (Victoria),
Melbourne, 23rd June, 1936.

Public Service Act 1928.

PRIVATE WORK.

UNDER the provisions of section 161 of the *Public Service Act 1928*, His Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, has, by Order made on the 16th day of June, 1936, granted permission to the undermentioned officer of the Public Service to engage in the work specified below, and to receive remuneration therefor, subject to the condition that the work be performed by him only during hours outside the ordinary hours fixed for the discharge of his duties in the Public Service.

LESLIE GORDON FRANCIS LECKIE, Crown Solicitor's Office, Department of Law, to contribute articles to the press for publication and to broadcast radio talks.

C. W. KINSMAN,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 16th June, 1936.

Public Service Act 1928 (No. 3757), Sections 90 and 91.
EXEMPTION.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and upon the recommendation of the Public Service Commissioner, has, by Order made on the 16th day of June, 1936, exempted the officers specified hereunder from the provisions of sections 90 and 91 of the *Public Service Act 1928* (No. 3757):—

Officers employed in the Pay Branch, Office of the Chief Commissioner of Police, Department of Chief Secretary, who are required to work overtime—such exemption to be operative for a period of eight (8) weeks from the 15th May, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

At the Executive Council Chamber,
Melbourne, the 16th June, 1936.

Dairy Products Acts.

QUOTAS FOR BUTTER AND CHEESE.

BUTTER QUOTA.

I. E. J. HOGAN, Minister of Agriculture in the State of Victoria, after consultation with the Victorian Dairy Products Board, and after ascertaining that the supply and distribution of butter at reasonable prices to consumers thereof in Victoria will be ensured, hereby determine a quota for butter as follows:—

The proportion shall be 87½ per cent. The period for which this quota is to operate shall be the month of July, 1936.

CHEESE QUOTA.

I. E. J. HOGAN, Minister of Agriculture in the State of Victoria, after consultation with the Victorian Dairy Products Board, and after ascertaining that the supply and distribution of cheese at reasonable prices to consumers thereof in Victoria will be ensured, hereby determine a quota for cheese as follows:—

The proportion shall be 95 per cent. The period for which this quota is to operate shall be the month of July, 1936.

E. J. HOGAN,
Minister of Agriculture.

20th June, 1936.

A. O. O'DOWD,
Registrar-General for Victoria.

BENALLA SEWERAGE AUTHORITY.

BY-LAW NO. 1, RELATING TO CONSENTS, LICENCES, ETC., ALSO LEVELS, DIMENSIONS, CONSTRUCTION, MAINTENANCE, VENTILATION, AND CLEANSING OF SEWERS AND OTHER MATTERS RELATING TO HOUSE CONNEXION WORK.

THE Benalla Sewerage Authority, pursuant to and in exercise and execution of the powers and authorities conferred on it by the Sewerage Districts Acts and of any and every other power or authority in any wise enabling it in that behalf, doth hereby make and prescribe the following By-law, that is to say:—

In the construction of this By-law, unless inconsistent with the context or subject-matter—

- “Acts” means the Sewerage District Act and any amendment thereof, and any Act incorporated therein, or amendment of such Acts.
- “Anti-syphonage vent” (or “back vent”) means any vent pipe from an individual trap to the open air, or a main or branch vent pipe having for its purpose the prevention of loss of water seal in the trap.
- “Authority” means the Benalla Sewerage Authority.
- “Bore,” “diameter,” or “size,” in reference to any pipe, means the nominal diameter thereof, in accordance with accepted trade practice.
- “Building” means any building used as a work place, residence, place of business, place of amusement, or place of human habitation, or for the storage of food intended for human consumption, but does not include outbuildings unless such are used for any of the above purposes.
- “Disconnecter trap” means a trap for isolating or disconnecting waste pipes from the house drain and soil pipes and providing inlet ventilation to the waste pipe or pipes discharging into it.
- “Drain” means any drain used for the drainage of one building only or of premises within the same curtilage and includes any drain for draining any group or block of houses by a combined operation under the order of the Authority.
- “Educt vent” means an opening or pipe for the exit of air from and the induction of draught in a soil pipe, waste pipe, or house drain.
- “Engineer” means the Engineer of the Authority.
- “Fittings” mean all apparatus or appliances, together with their necessary appurtenances and connexions, for use in connexion with the plumbing or drainage system of any property, with the exception of fixtures and straight piping.
- “Fixtures” means all apparatus or appliances, together with their necessary appurtenances and connexions, which may be attached to the plumbing or drainage system of any property, and which are intended for the collection or retention of any wastes or waste waters for ultimate discharge into the sewerage system.
- “Housemaids’ slop sink” means any fixture other than a closet pan or urinal used for the discharge of soil waters and provided with a flushing apparatus in accordance with Division 32 of this By-law.
- “Induct vent” means an opening or pipe for the admission of air to a soil pipe, waste pipe, or house drain.
- “Interceptor trap” (or “boundary trap”) means a trap for preventing the passage of air or gases from the sewer to the house drain, and situated on the house drain at some point between the sewer and the lowest inlet to the house drain.
- “Occupier” means the person for the time being in actual or constructive occupation of the premises.
- “Owner” includes the person for the time being who receives or is entitled to receive the rent of the lands or premises in connexion with which the word is used, whether on his own account or as agent or as trustee for any other person, or who if such lands or premises were let to a tenant at a rack rent would be entitled to receive the rack rent from the occupier thereof.
- “Premises” includes any house and any building whatsoever and any part of any house or building and any garden stable yard or other offices used together or in connexion with any house or building and every part thereof.
- “Responsible officer” means any officer authorized by the Authority to act as its representative in the particular matter to which the reference is made.
- “Sewer” means any sewer or underground gutter or channel which is not a drain within the meaning of the Acts and any drain or portion of a drain laid between a sewer and the boundary line of any allotment or curtilage.
- “Sewerage district” means the Benalla Sewerage District.

“Sewered property” means as well as any sewered land or premises any land or premises which have been declared by a general notice given by the Authority under the Acts to be deemed and taken to be a sewered property within the meaning of the Acts.

“Sewerage system” includes all sewers, fittings, fixtures, appliances, plant, machinery, and any other sewerage works vested in the Authority.

“Soil pipe” means any pipe which conveys the discharge from water closets, housemaids’ slop sinks, or urinals to the house drain.

“Stack” means any vertical line of soil, waste or vent piping with its offsets, if any.

“Trap” means any fitting designed to retain a quantity of water to arrest the passage of air or gases through such fitting.

“Waste pipe” means any pipe which conveys the discharge from any fixture (except water closets, housemaids’ slop sinks, or urinals), to a disconnecter trap.

“Water seal” or “trap seal” means the vertical distance between the dip and the crown weir of a trap.

“Waste water” means water from factories or from buildings or premises in connexion with factories, but does not include storm water or ordinary domestic sewage.

INTERPRETATION.

In the construction of this By-law the meaning which, in the Acts, is assigned to any word shall be the meaning of the same word where occurring in this By-law, unless inconsistent with the subject-matter or context.

PART 1.

GENERAL REGULATIONS.

Division 1.—Applications for Consents, &c.

Section 1. Application for the Authority’s consent to connect with the sewerage system, or to do plumbing and drainage work connected therewith, must be made in writing by the owner of the property to be so connected, or by his authorized agent.

Section 2. Such application shall give the precise location of the property, the name of the owner, and the name of the person employed to do the work, and shall be in the form prescribed by the Authority. For any wilful misrepresentation in such application the owner or authorized agent as aforesaid shall be guilty of an offence against this By-law. No consent given by the Authority shall be deemed to authorize anything not stated in the application, nor to confer or grant the right to lay a drain through any land intervening between the sewer of the Authority and the land proposed to be connected, and every owner or agent applying for the Authority’s consent shall satisfy himself as to his legal right to drain through such intervening land, as he shall be solely responsible for any trespass or damage thereon or thereto.

Section 3. Consents to make connexions with the sewerage system will be issued only when the plumbing and draining in the property to be connected is planned to be made in accordance with the rules for plumbing and draining hereinafter prescribed, and after such plan has been inspected and approved of by the responsible officer appointed by the Authority for the purpose, or, in the case of new buildings, when a proper plan of the plumbing and of the drainage of the building into the branch, of which the Authority shall have fixed the position, has been approved of in writing by the Authority. All connexions with drains or sewers, and all plumbing and drainage connexions therewith, shall be made under the direction of the responsible officer of the Authority. Consent will not be given for the performance of any such work except upon condition that no person shall be engaged or employed as a workman in the actual performance of any plumbing or drainage work unless he be the holder of a licence issued by the Authority to do such work. Any person who shall at any time or at any place make up, form, affix, alter, or repair any fitting, pipe, bend, trap, or other thing connected or intended to be connected with the Authority’s sewerage system, unless he be the holder of a licence from the Authority authorizing him to do such work, shall be liable to a penalty not exceeding Ten pounds. Any person, whether licensed as aforesaid or not, who shall alter, remove, or in any way interfere with any drain, fitting, pipe, bend, trap, or other thing connected with the Authority’s sewerage system, unless the Authority’s written consent has been previously issued to do such work at the premises concerned, shall be liable to a penalty not exceeding Ten pounds.

Section 4. Where the sanction, permission, authority, consent, approval, satisfaction, order, direction, opinion, indication, or notice of or from the Authority is necessary, whether specified in writing or otherwise, with regard to any act, matter, or thing mentioned in the By-law, the same may be given by and under the hand of the chairman of the Authority, or of the responsible officer, personally or through an inspecting officer appointed under him, who severally shall be competent to give the same and authorized on behalf of the Authority, to prescribe any conditions attaching thereto, and subject to and in accordance with which only the same shall be deemed to have been given.

Section 5. In any case in which the Authority shall be of the opinion that a compliance with any of the provisions of this By-law would in any particular case be vexatious or be

needless in the interest of public health, it shall be lawful for the Authority, by resolution, to dispense with or forbid such compliance in whole or in part as it shall think fit, or to authorize or direct such a modification or alteration of such provisions as shall, in its opinion, most nearly adapt the principle of those provisions to the particular case. It shall be unlawful to comply with any provision, or part of any provision, of which compliance shall have been forbidden, or to act contrary to or otherwise than as directed by such modification or alteration.

Division 2.—Penalties, Recovery of Cost of Work, &c.

Section 6. Where anything is by this By-law directed to be done, or forbidden to be done, or where any authority is given to the Authority or any of its officers to direct or to forbid anything to be done, and such act so directed to be done remains undone, or such act so forbidden to be done is done, then, and in every such case, the person making default as to the said direction or prohibition respectively shall be guilty of an offence against this By-law.

Section 7. Every person guilty of an offence against this By-law, not otherwise specially provided for by or under the authority hereof, shall be liable for every such offence, besides any costs or expenses which may be incurred in the taking of proceedings against such person guilty of such offence, as well as any costs or expenses which may be incurred in remedying such default, as particularly provided for in this By-law or the Acts, to a penalty not exceeding Ten pounds, and to a further penalty of One pound for each day during which such offence is continued by such person after notice of the offence shall have been given by the Authority to him; and such penalty shall be recoverable, notwithstanding that the Authority may not have chosen to exercise any power given to it by the Acts or by this By-law to remedy such default.

Division 3.—House Drainage Plans—Alterations.

Section 8. Copies of the Authority's plans of individual house drainage will be furnished by the Authority upon application and payment for the same, as follows:—

(a) Where owners design and carry out their own work—

(i) For the supply of a block plan, Two shillings and sixpence (2s. 6d.).

(ii) For the examination of the owner's plan of design, a minimum fee of Seven shillings and sixpence (7s. 6d.).

(iii) For making or examining any alterations or addition to a plan previously issued or approved of by the Authority, a minimum charge of Five shillings (5s.) shall be made by the Authority.

(iv) For the inspection of drains and testing by the Authority's inspector, Ten shillings (10s.).

(v) For the inspection of plumbing by the Authority's inspector, Ten shillings (10s.).

(vi) For the final inspection by the Authority's engineer and charting the work on the Authority's plans, Ten shillings (10s.).

(b) Where the Authority designs the work for the owner and the owner then carries out his own work—

(i) For plan of design, Ten shillings (10s.), plus Two shillings and sixpence (2s. 6d.) for each fitting.

(ii) For making or examining any alterations or additions to a plan previously issued or approved of by the Authority, a minimum charge of Five shillings (5s.) shall be made by the Authority.

(iii) For the inspection of drains and testing by the Authority's inspector, Ten shillings (10s.).

(iv) For the inspection of plumbing by the Authority's inspector, Ten shillings (10s.).

(v) For the final inspection by the Authority's engineer and charting the work on the Authority's plans, Ten shillings (10s.).

(c) Where the Authority designs the work and has same carried out for the owner, a charge shall be made equal to Ten per centum on the capital cost of the work for the designing and supervizing of all details in connexion with such work.

Consent for additions and/or amendments to approved plans or to works previously approved will be made only on the application of the owner or his authorized agent.

Division 4.—Maintenance and Defective Work.

Section 9.—Any drain pipe, soil pipe, trap, water closet, urinal, sink, or other fitting laid, used, or constructed otherwise than in accordance with this By-law, or which shall in the opinion of the Authority be or become bad or of defective quality, shall, upon notice in writing from the Authority to the owner or occupier of the property, be by such owner or occupier removed or repaired in the manner determined and within the time fixed by the Authority; and in case such owner or occupier fails to comply with the requirements of the notice,

he shall be liable to prosecution and penalty for an offence against the Acts, or the Authority will, if it thinks fit, remove or repair the said defective fitting and charge such owner or occupier of the premises with the cost so incurred, and will proceed for recovery of the same in a manner provided by the said Acts.

Division 5.—Licences.

Section 10. No person shall tender for or enter into any contract for or undertake any plumbing work relating to sewerage within the Benalla Sewerage District or connected or to be connected with the sewers of the Authority who does not hold either a master plumber's licence or a working plumber's licence issued by the Authority.

Section 11. No person shall tender for or enter into any contract for or undertake any draining work relating to sewerage within the Benalla Sewerage District, or connected or to be connected to the sewers of the Authority who does not hold either a master plumber's or working plumber's licence, or a drainer's licence issued by the Authority.

Section 12. No person other than a holder of a working plumber's licence issued by the Authority shall actually do or perform any such plumbing work.

Section 13. No person other than the holder of a working plumber's or a drainer's licence issued by the Authority shall actually do or perform any such draining work.

Section 14. At the discretion of the Authority a master plumber's licence may be granted to any master plumber or master builder, building contractor, or other person, firm, or corporation who is approved by the Authority, but such licence will only entitle the holder to tender for or enter into contracts for or otherwise undertake plumbing and drainage work under these By-laws, but shall not entitle the holder to personally do any actual plumbing or drainage work under these By-laws.

Section 15. Holders of master plumber's licences not themselves licensed plumbers or licensed drainers must continuously employ on all and every plumbing work carried out by them under these By-laws licensed plumbers, and on all and every drainage work, licensed plumbers or licensed drainers.

Section 16. Working plumber's licences will be issued at the discretion of the Authority to persons who hold and produce to the Authority a certificate of competency issued by the Sanitary Plumber's Examination Board of Victoria. Such licence will permit the holder to do practical work as a working plumber upon all fittings, appliances, and apparatus connected or to be connected with the sewers of the Authority, subject to and in accordance with the Authority's By-laws and Regulations.

Section 17. Drainer's licences will be issued to any person who shall satisfy the Authority by passing an examination by examiners appointed by them or in such other manner as the Authority from time to time or in any particular case may direct that he has a thorough knowledge of the following subjects:—

Plans.—The reading of plans and the meaning of scales and of elevation, plan, and section drawing.

Levelling.—The use of the straight-edge, spirit-level, and boning rods.

Excavation, Timbering, and Refilling.—The use of tools for excavation, the protection of trenches by timbering, the treatment of different soils, tunnelling, and tunnel timbering, precautions near buildings, and manners of refilling of trenches and tunnels.

Drain-laying.—The preparation of the bottom of trenches, the laying and jointing of stone-ware, cement, concrete, and cast-iron pipes, cement, bitumen, lead, and self-fitting joints, laying of drains under houses and in soft ground, and the depth of drains below surface.

Drainage Details.—Junctions to sewers, diminishing of sizes of pipes, yard gullies, grease and other traps, inspection openings, and cast-iron drainage details.

Drainage Work.—Knowledge of the provisions of this By-law and of the Acts, insofar as same relate to the work and duties of drainers in regard to the construction, maintenance, and protection of the sewerage system and the construction and use of drains and drainage traps.

Candidates for drainer's licences shall give notice in writing to the Authority of their intention to submit themselves to examination, and this examination shall be at such a time and at such place as shall be appointed by the Authority. Candidates must provide themselves with their own tools and materials, and pay a fee of 10s. for each examination.

Section 18. The conditions upon which all master plumber's licences, working plumber's licences, and drainer's licences will be issued are—

(1) That every licence will be subject to suspension or cancellation at the will of the Authority, and that all such licences or renewals thereof will expire on the 30th day of June next following.

(2) That every holder of a licence from the Authority who shall have received the consent of the Authority to execute any works in connexion with sewerage or drainage, or who shall (where such consent of the Authority is not required before the execution of any such works) have notified the Authority of his intention to carry out such works—

- (a) shall obtain permission when necessary for the execution of such works on, over, or through any private property, or any streets, roads, parks, reserves or other public places or properties; and
- (b) shall pay any fees demanded by the Council or Authority for opening any street, road, or thoroughfare or otherwise in connexion with the work; and
- (c) shall execute such works in accordance with the provisions of the Acts and of the By-laws made thereunder, and of any special directions or orders given or issued by the Authority or proper officer; and
- (d) shall use materials of good quality only and free from defects; and
- (e) shall employ only competent operatives or assistants; and
- (f) shall execute such works in a thorough and tradesmanlike manner to the satisfaction of the Authority as expeditiously as practicable, and leave site clean and undefaced; and
- (g) shall in the execution of such works take such proper and necessary precautions that no accident or damage or unnecessary inconvenience may be directly or indirectly occasioned thereby; and
- (h) shall restore any part of any street, road, or thoroughfare interfered with by the work to the satisfaction of the municipal authority having control thereof upon the completion of the work; and
- (i) shall restore any other property interfered with by the work to the satisfaction of the responsible officer of the Authority; and
- (j) shall in all cases notify the proper officer immediately upon completion of any work in hand, promptly amend any defects therein, and again at once notify the said officer, and subsequently take steps forthwith to secure the certificate of satisfactory completion and give same to owner; and
- (k) shall, when so directed by the Authority, make good at his own expense any defect found within three months of the date of completion of any such work which, in the opinion of the Authority, is due to bad workmanship or defective material.

Section 19. Prior to the issue of any licence the person to whom the same is to be issued must sign a register containing a declaration that he accepts such licence subject to and in conformity with the conditions of such licence and of this By-law and that he will conform to and comply therewith, and shall pay to the Authority the fee named hereunder:—

	s.	d.
For every master plumber's licence	10	0
For every working plumber's licence	7	6
For every drainer's licence	5	0
For the renewal of any licence	2	6

Division 6.—New Buildings, Additions, &c.

Section 20. Every person who shall intend to erect a building on any property within the Sewerage District, or to rebuild or to make any alterations or additions to any such buildings shall, before commencing such work, give to the Authority seven days' notice in writing of such intention; and such notice shall be accompanied by plans and sections of such intended buildings, alterations, or additions, showing their positions, dimensions, depths, and levels of foundations, cellars, or basements, all appurtenant walls and fences, the intended lines of drainage, and the boundary of the land, which plans, &c., shall become the property of the Authority.

Division 7.—General.

Section 21. Any work or thing in respect of or in connexion with sewerage under the Act that is not specifically mentioned in this By-law shall be performed in accordance with the directions of the Authority.

PART 2.

GENERAL REGULATIONS.

Division 8.—Use of Sewers and Drains—Prohibition of Certain Discharges.

Section 22. *Use of Sewers and Drains.*—The owner and the occupier of any sewered property shall discharge into the sewerage system all faecal matter, urine, household slops and household liquid refuse from such property, and such other polluted water from stables, washing areas, manure bins, basements, cellars, and roofed yards, and such trade or manufacturing liquid refuse as the Authority may authorize or require, subject in each and every case to such conditions as it may impose.

Section 23. *Prohibited Discharges.*—The deposition or discharge of any of the following substances into any house drain is prohibited:—

- (a) Any animal matter other than is specified in section 22, fleshings, wool, hair, dead animal, grease, dust, ashes, rubbish, garbage, offal, vegetable and fruit or their parings, rags, oil, silt, mud, sand, gravel, or like substances, or any other substance which is, in the opinion of the Authority or its responsible officers, liable to be injurious to any part of the sewerage system or to the employees of the Authority engaged in the operation or maintenance of same.
- (b) Any petrol or other inflammable or explosive substance, whether solid, liquid, or gaseous.
- (c) Any rain, roof, surface, or flood waters, except by special permission of the Authority.
- (d) The contents of any night-soil cart, cesspool, or privy.
- (e) Any waste water, liquid, trade waste, or other substance which has not been neutralized to the approval of the responsible officer of the Authority, or which is above the temperature of 100 deg. Fahrenheit, or such lower temperature as may be prescribed by the Authority, having regard to the special circumstances of the case.
- (f) Any liquid which contains such percentage of common salt or any other mineral salt, acid, or gas, as is, in the opinion of the responsible officer of the Authority, injurious to, or liable to form compounds injurious to, any part of the sewerage system or to employees of the Authority engaged in the operation or maintenance of same.

Section 24. *Fittings to be Above Flood Level.*—No person shall place in position for use any fitting or appliance having an inlet or opening into any drain or into any sewer of the Authority unless the inlet or opening is above the flood level of the year 1916.

Where any buildings or premises are situated in any area liable to flooding at frequent intervals the Authority may suspend the operation of this clause subject to and so long as the following conditions are observed:—

- (a) That the owner applies in writing for permission to fix an approved sluice valve in every drain connecting with a sewer of the Authority on which the inlet or opening is placed, and furnishes the Authority with an undertaking that such sluice valve will be fixed at his risk, and indemnifies the Authority against all damage suffered by such owner or any one claiming under him arising out of and incidental to such valve;
- (b) That the owner undertakes whenever there is danger of flooding to close or cause to be closed every such valve before flooding occurs, and to keep closed or cause to be kept closed every such valve until the flood water shall have subsided to such an extent that there is no longer danger of the flood water entering the sewers;
- (c) That, pursuant to such permission and undertaking, an approved sluice valve shall have been fixed in every drain connecting with a sewer of the Authority and approved of by the Engineer;
- (d) That the owner does whenever necessary close and keep closed every such valve and does exclude such flood water.

Division 9.—Trade Wastes.

Section 25. *Conditions of Discharge.*—No person shall discharge any trade or manufacturing liquid, refuse, or waste into any sewer, unless and until the following conditions are complied with:—

- (a) Application for permission to discharge any such trade wastes shall be made in writing and accompanied by plans and specifications of the work to be done and of the apparatus to be used, and shall include such details concerning the nature of the waste and the quantity and rates of discharge of the proposed effluent as considered necessary by the responsible officer of the Authority.
- (b) The permission of the Authority in writing shall be obtained and an agreement containing a covenant to comply with the By-law and with any further stipulations required by the Authority, shall be executed.
- (c) The volume of liquid refuse or waste discharged shall, if ordered, be measured and determined by meter or by some other approved means of measurement. The maximum aggregate daily quantity of effluent which may pass from any trade premises into a sewer, the maximum permissible rate of such discharge, the size and capacity of the drain for conveying such effluent from the trade premises to the sewer, and the hours during which such flow will be permitted, shall be determined by the Authority.
- (d) All such liquid refuse or waste shall be passed through such settling, screening, and/or neutralizing chambers and/or such other appliances and/or otherwise treated as ordered or approved by the Authority to ensure that the resulting effluents shall comply with the conditions of the agreement.

- (e) Every settling, screening, neutralizing, or other chamber, appliance, or apparatus for the treatment of trade wastes in accordance with this By-law shall be cleansed and maintained by the occupier at his own expense and at such intervals as may be considered necessary by the Authority or its responsible officer to ensure the efficient operation of such chamber, appliance, or apparatus, and in no case shall such chamber, appliance, or apparatus be altered without the approval in writing of the Authority first being obtained.

Division 10.—Sub-soil Water.

Section 26. The discharge of sub-soil water into sewers shall be prohibited except by permission of, and under conditions approved by, the Authority.

Division 11.—Inspection Tests.

Section 27. *Notice.*—The owner or his authorized agent, or the plumber, drafter, or contractor, shall give at least forty-eight hours notice to the Authority, in writing, of his intention to commence work and of work ready for inspection. All work shall be left uncovered and accessible for examination until inspected and approved. Inspection shall be made within twenty-four hours of the receipt of such notification except when the notification is received on a Saturday, when seventy-two hours shall be allowed.

The contractor carrying out any work shall, within seven days of the completion of such work, file in the office of the Authority, on forms furnished for this purpose, a correct statement of the work done and the cost thereof. Such statement shall be countersigned by the responsible officer of the Authority, and a certificate embodying such statement shall be forwarded to the contractor.

Section 28. *Inspection.*—All drains, wastes, fittings, joints, fixtures, &c., will be inspected by the responsible officer of the Authority to ensure compliance with the By-law and approved plan.

Section 29. *Tests.*—Drains, whether laid by the Authority's workmen or others, must be thoroughly tested in every case before being passed by the Authority's officers. The responsible officer of the Authority may require the application of the water or smoke test, or such other tests as he may order or approve.

Section 30. *Water Test.*—The water test may be applied to the drainage and/or plumbing systems and their fittings in their entirety or in sections. It shall be applied by hermetically sealing all openings below the top of the section to be tested. The system shall then be filled with water to a height of 6 feet above the highest point of the section, or, if considered necessary, to such additional height as the responsible officer may order, and every joint carefully examined for leaks.

Section 31. *Smoke Test.*—The smoke test shall be applied by hermetically sealing all openings into the section to be tested, and forcing into the system thick smoke to a pressure equivalent to 1 inch of water, by means of a smoke test apparatus. Every joint shall then be carefully examined for leaks.

Section 32. *Equipment, &c.*—The equipment material, power, and labour necessary for the inspection and tests shall be furnished by the contractor, plumber, or drafter.

Section 33. *Maintenance.*—Every person holding a licence from the Authority who shall execute any work in connexion with sewerage drainage and/or sanitary plumbing shall, when so directed by the Authority, make good at his own expense any defect found within three months of date of completion of any such work due, in the opinion of the Authority, to bad workmanship or defective material.

Division 12.—Materials and Workmanship.

Section 34. *Materials.*—All materials, pipes, bends, junctions, fittings, fixtures, and apparatus shall be of the best of their respective kinds, sound and free from defects, and shall comply with such Australian standard specifications as apply and are accepted by the Authority, otherwise to be approved by the Authority.

Section 35. *Testing.*—All materials, pipes, bends, junctions, fittings, fixtures, and apparatus shall be submitted for examination and/or test, and shall not be placed in position until passed and stamped by the Authority. Such testing of materials shall be paid for by the person submitting same, whether passed or rejected, and shall be done at such time and place, and at such rates, as may from time to time be fixed by the Authority.

Section 36. *Workmanship.*—All work shall be executed in a thorough and workmanlike manner, and to the satisfaction of the Authority.

Section 37. *Precautions.*—Adequate precautions shall be adopted by the person carrying out the work to prevent injury to workmen, property, or public, and the Authority will accept no responsibility for claims for injury arising from the inadequacy of such precautions.

Section 38. *Concrete.*—Concrete, unless otherwise ordered, shall consist of one part Portland cement; two parts clean sharp sand, and four parts hard metal, shingle or gravel not exceeding $\frac{1}{2}$ -in. gauge, and shall be thoroughly mixed with clean water to such consistency as ordered or approved by the responsible officer of the Authority.

Section 39. *Cement Mortar.*—Cement mortar, unless otherwise ordered, shall consist of one part Portland cement and two parts clean sharp sand, properly mixed with an approved proportion of clean water.

PART 3.

DRAINAGE.

Division 13.—Drainage, General.

Section 40. (1) Every premises shall be separately drained unless a combined drain shall have been ordered or approved by the Authority. Owners desiring to have the drainage of their properties combined must sign a request for a combined drain, and obtain the approval of the Authority. In any case in which it appears to the Authority that any properties may be drained more advantageously in combination than separately the Authority may order that those properties be drained by a combined operation.

(2) In any case where a combined drain serves two or more properties the Authority, with the consent of the owners of the properties served by such combined drain, may take over such combined drain, and thereafter such combined drain shall be and remain a sewer of the Authority.

(3) In every case of a combined drain the Authority will determine, as between the respective owners and occupiers of the properties drained thereby, the proportions in which the cost of such combined drain shall be paid. In every case of the occurrence of an obstruction in a combined drain the Authority will also determine by whom and in what proportion the cost of removing such obstruction shall be paid.

(4) Owners and occupiers of premises are responsible for clearing stoppages in drains within their premises, or between their premises and the sewers into which the branches lead, but must employ only licensed plumbers or drainers to clear same.

(5) Before a licensed plumber or drainer commences to clear a stoppage in a drain he must notify the Authority in writing of the time when he intends to clear the stoppage, so that the Authority's proper officer may attend and pass the work in accordance with the provisions of the Acts.

Section 41. *Size of Drains.*—Every drain shall be of adequate size for the drainage of the property to be served, in accordance with the requirements of section 85, with a minimum diameter of 4 inches.

Section 42. *Materials.*—All drain pipes, bends, junctions, and fittings used shall be of glazed stoneware, concrete, cast-iron, or other approved material, provided that the responsible officer of the Authority may prohibit the use of any of the above-mentioned where the circumstances or conditions are considered unfavorable.

Section 43. *Cast-iron Pipes.*—Cast-iron drainage pipes and their fittings shall comply with the Australian standard specification, or, in the event of no such standard being in existence, with the standard approved by the Authority for cast-iron water pipes and their fittings of similar diameters.

Section 44. *Interceptor Traps.*—Where directed by the Authority, but not otherwise, an interceptor trap shall be fixed in the drain laid from any property to the sewer. Such trap shall be fixed as near as practicable to the boundary, and wherever practicable shall be within the boundaries of the property. The interceptor trap shall be provided with an inspection cap on the sewer side of the trap. If ordered, an approved manhole shall be provided for the trap.

Section 45. *Inspection Chambers.*—All drains shall, wherever considered necessary by the Authority, join in an inspection chamber at least 3 feet long by 2 feet wide, fitted with a closed cover. The portions of the drains crossing the floor of the inspection chamber shall be connected either in a straight line or by curved junctions in the floor of the chamber. All inspection chambers to be cement rendered (two parts sand and one part cement) to a smooth surface, and made watertight. The inspection chamber must be provided with a closed cover, and special ventilation must also be provided if considered necessary by the Engineer.

Section 46. *Inspection Openings.*—Every line of drain shall be provided with an inspection opening—inside and within 5 feet of the boundary line, at each junction not provided with an inspection chamber, at each change of direction, at each fixture, and in no case at greater than 30 feet intervals, and in paved areas these shall, if considered necessary by the responsible officer of the Authority, be brought to the surface and furnished with approved airtight covers. The area of an inspection opening shall be not less than the area of the drain.

Section 47. *Drain Openings Not in Use.*—The ends of all house drains not immediately connected with the plumbing fixtures and all inspection openings shall be securely closed with watertight imperishable materials. If stoneware or cement concrete, a stoneware, cement concrete, or cast-iron disc must be cemented in; if wrought iron, a plug must be screwed on the end; if cast iron, a cast-iron plug must be caulked in with lead.

Section 48. *Replacing or Inserting Pipes.*—Where it becomes necessary to remove a pipe to clear a stoppage or to insert a pipe or branch in an existing drain, such pipe so removed shall be replaced by an inspection pipe or inspection junction of the same length by one of the following methods:—

- (a) The top half of the socket of the new pipe and of the existing downstream pipe may be removed, but the bottom half shall in each case be left intact and the joints surrounded with concrete.
- (b) An approved split pipe with double collar surrounded with concrete may be used.
- (c) A length of not less than three pipes may be removed, the centre pipe replaced by an inspection pipe, and the pipes dropped back into place without springing or cutting.

Junctions in existing metal pipes shall not be made unless an approved closure pipe is used in each case. Springing pipes into position shall not be resorted to or allowed.

Division 14.—Basement and Cellar Drainage.

Section 49. *Fixtures.*—No water-closet, urinal, and/or other fixture shall be placed in any cellar or basement, or on any floor below ground level, unless by consent of the Authority, and then only when, in the opinion of the Authority, other provision cannot be made. The owner shall submit such plans and/or other information as the Authority may require, and shall undertake in writing to accept all risk of damage that may occur. If satisfied that the ventilation and lighting provided are in accordance with section 151 or 152 of these By-laws, and all other conditions have been complied with, the Authority may give its consent; provided always that such consent may be revoked by the Authority at any time, and that upon 14 days' notice of revocation such fixture shall be abolished by the owner.

Section 50.—*Risk of Back Flow.*—Where such cellar, basement, or floor below ground level is at such a level as may, in the opinion of the Authority, involve risk of back flow in the event of the sewer becoming overcharged, the sewage from all fixtures therein shall be raised by ejector, syphon, or other approved mechanical appliance to such height as ordered and discharged into the sewer as and where directed.

Section 51. *Seepage Drains.*—In no case shall seepage drains from cellars, basements, or any floor below ground level be discharged into a sewer without the consent of the Authority. Where such discharge is permitted by the Authority the seepage shall be raised by ejector, syphon, or other approved mechanical appliance to such height as ordered, and discharged into the sewer or elsewhere as and where directed.

Division 15.—Polluted Areas.

Section 52. *Connexion.*—The Authority may, if it thinks fit, authorize or require that any of the following places:—namely, stables, cow-sheds, dairies, market places, areas for washing vehicles, and any other polluted place, be connected with the sewers, subject to such conditions as the Authority may impose.

Section 53. *Conditions Governing Connexion.*—No such connexion shall be made unless the following conditions have been complied with:—

- (a) The place to be connected shall, if required, be so roofed as to prevent the entry of rain water from it to the sewers, and in no case shall rain water be permitted to discharge on to such place from adjoining surfaces.
- (b) The place to be connected shall be paved above the level of the yard with approved materials, and graded to the satisfaction of the responsible officer of the Authority.
- (c) The drain from any such place shall be provided with an approved silt trap with a removable grating and connected with the drain inside the boundary line of the property.

Section 54. *Manure Bins.*—(a) Manure bins must be provided for all stables or cow-yards where the local Council's By-laws demand their construction, or where the locality is closely built on.

(b) All the manure bins must have the inside surfaces rendered with cement mortar, and must be made impervious throughout, and provided with an approved close-fitting cover. Walls of new manure bins must, unless otherwise approved, be at least 9 inches in thickness, built of brickwork laid in cement mortar. If an outlet pipe be provided for a manure bin, it must be properly connected with the Authority's sewers. Branches in house drains must be provided in all cases where manure bins exist, for their connexion whenever the Authority shall deem it necessary.

Division 16.—Pipe Trenches.

Section 55. The trench for the house drain from any property shall be so dug as to meet the Authority's sewer at the position provided or to be provided for the connexion.

The material from the trench shall be so placed as to cause the least possible obstruction and inconvenience to the public. Proper barriers and lights must be maintained where necessary to guard against accident during the progress of the work.

In refilling the trench selected refilling shall first be deposited around and over the pipe to a depth of 12 inches and carefully consolidated, after which the remainder of the trench shall be filled in in layers and rammed or flooded, as ordered or approved.

No stone shall be used in refilling until earth or gravel has been placed over the pipe to a depth of 1 foot, or more if directed.

On no account shall any water, sand, earth, &c., be allowed to enter the sewer during the progress of the work.

On completion of refilling the surface shall be restored as nearly as possible to the same condition as it was in before operations were commenced, unless the owner in writing otherwise requires.

Division 17.—Laying Drains, &c.

Section 56. *Position and Line.*—Every drain and every fitting, &c., connected therewith shall be laid and fixed where directed by the responsible officer of the Authority. As far as possible all drains shall be laid in straight lines; where changes of direction occur they shall be made in manholes, or by a suitably curved pipe with an inspection opening on each straight pipe next adjoining the curve.

Section 57. *Oblique Junctions.*—Where any drain joins another drain the junction shall be made obliquely at an approved angle with the direction of flow of such drain. Right-angled junctions shall not be made.

Section 58. *Connexion to Sewer.*—The position of the Authority's connexion to any premises shall be located prior to the commencement of any drain excavation. The disc stopper at the point of connexion to the sewer shall be carefully removed so as not to injure the socket or allow any debris to enter the sewer.

The first length of the drain at the branch shall be an inspection opening.

Section 59. *Gradients.*—All drains shall be laid on an even grade, and, except by special permission in writing, from the Authority, such gradients shall in no case be less than the following minimum permissible gradients:—

4-in. diameter	1 in 40
6-in. diameter	1 in 60

In cases where the grades of 4-in. and 6-in. drains are steeper than 1 in 10 and 1 in 15, respectively, concrete stops shall be placed as and where directed by the responsible officer of the Authority.

Section 60. *Depth of Drains.*—Drains of stoneware or concrete pipe, unless bedded in and encased in concrete of not less than 6 inches thickness over any part of the drain, shall be laid at a depth to the socket of the pipe of not less than the following:—

- (a) In public thoroughfares, rights-of-way, or other open spaces subject to vehicular traffic—2 ft. 6 in.
- (b) In private property not subject to vehicular traffic—1 foot.

No person shall alter the surface over any drain so as to deprive it of the minimum depth of cover specified by the preceding paragraph, unless approved measures are adopted to protect the drain.

Section 61.—*Laying Drains.*—All pipes shall be laid to such lines and grades as may be shown on the plans or directed, and, except where otherwise ordered, holes shall be cut in the bottom of the pipe trench to receive the sockets of the pipes, and all the pipes shall be carefully bedded with the barrel on the solid ground.

In the case of rock-bottomed trench, or where directed, the pipes shall be bedded up to the horizontal diameter upon not less than 2 inches thickness of approved sand or other approved material measured from the barrel of the pipe.

In water-charged ground, or where the foundation is bad, or near roots of trees, or where directed, the drain shall be formed of cast-iron pipes; or, if of stoneware or concrete pipes, they shall be bedded on and encased in concrete as ordered, and, if ordered, supported upon approved timber foundations as directed.

Drops or bends in vertical or inclined drains shall have a concrete support placed under and around as directed.

Portland cement concrete brought to a smooth surface must be used in each of the following cases:—

- (i) Around and under gully basins, the exposed surfaces to be rendered in cement mortar, two parts sand, one cement.
- (ii) Around the top and for 6 inches below the surface of the ground of vent pipe sockets where exposed.
- (iii) Around the top and for 6 inches below the surface of the ground of disconnexion traps when the surface is exposed.
- (iv) Under and around bends rising vertically off oblique branches, and under all drainage traps.

Division 18.—Drains Under Buildings.

Section 62. Every drain shall, as far as practicable, be so constructed as not to pass under any building. Where a drain does pass under a building it shall, if practicable, be laid in a direct line for the whole distance beneath such building, and shall have approved means of access for rodding outside the

walls of the building, and also, if directed, beneath the building. The pipes used shall be of stoneware or concrete, surrounded by not less than 6 inches of concrete, or of cast-iron.

In any case in which pipes pass through or under walls, approved provision shall be made to prevent injury to the pipes by settlement, and, in outer walls, to prevent the ingress of vermin.

Division 19.—Joints, Drainage.

Section 63. *Stoneware and Cement Pipes.*—Joints of stoneware and cement pipes shall be filled in solidly with cement mortar neatly splayed off, or with other approved material. After each joint is made the interior of the joint shall be wiped clear of surplus mortar before the next pipe is laid.

Section 64.—*Cast-iron Pipes.*—All joints in cast-iron pipes must be stemmed with approved gaskets and so filled and caulked with lead or other approved material as to make them gas and water tight.

All connexions between stoneware or concrete pipes and cast-iron pipes shall be made as for joints in stoneware or concrete pipes.

Division 20.—Drainage Ventilation.

Section 65.—*Vents on Main House Drain.*—The main drain shall be ventilated at its upper end by a pipe ventilator erected vertically, and such ventilator may be a soil pipe.

If the drain is provided with an interceptor trap there shall be in addition a ventilator connected to the interceptor trap shaft. In such cases there shall, wherever practicable, be a difference in height of not less than 6 feet between the tops of the vents at the upper and lower ends of the drains respectively.

Section 66. *Vents on Branch Drains.*—Branch drains need not be vented if the drainage traps are within 15 feet from the main house drain, measured along the line of pipes, including the drop, if any, from the centre line of the main drain to the centre of the outlet side of the water seal of the drainage trap, unless otherwise ordered by the Authority, in which case they must be vented as directed.

Section 67. *Height of Vents.*—Every vent pipe extending upwards from a soil or drain pipe shall be carried not less than 6 feet higher than any window or door within a distance of 30 feet thereof, and in any case at least 21 feet above ground level and 6 feet above the level of the eaves or coping, or to such additional height as may be necessary to prevent effectually the escape of foul air into any building within the vicinity.

Where the vent pipe extends into a gable of the building it shall further be carried at least 2 feet above the point of intersection with the roof.

Such pipes shall, where necessary, be provided with sufficient clips or stays to support them effectively.

Section 68. *Chimneys.*—No chimney shall be used as a ventilator to any drain, soil, or waste pipe.

Section 69. *Vents Near Chimneys.*—Vents must, as far as possible, be kept away from chimneys and ventilating air shafts. Where a ventilator pipe terminates 6 feet or more from a chimney opening or ventilating air shaft, the requirements of section 67 shall apply, but where the distance is less than 6 feet the vent pipe shall, unless otherwise ordered, terminate not less than 2 feet below the top of such chimney or air shaft.

Section 70. *Vents Adjoining High Buildings.*—In any case in which a building is erected next to a previously existing building of less elevation, and any windows of the new building are located within 30 feet of any existing vent stack on the lower building, the owner of such new building shall defray the cost of or shall himself make such alterations to the vents of the previously existing building as necessary to conform with section 67.

The owner of the lower or existing building shall make such alterations upon the receipt of money, or security therefor sufficient for the purpose, from the owner of the new or higher building, or shall permit at the election of the owner of the new or higher building, the making of such alteration by the owner of such new or higher building.

Section 71. *Size of Drainage Vents.*—Drainage vent pipes shall, unless otherwise ordered, be of not less than 4 inches diameter in the case of educt vents and not less than 3 inches diameter in the case of induct vents, with the provision that where more than one educt vent is provided the vent on the longest line of drain shall be of not less than 4 inches diameter and all others of not less than 3 inches diameter; but in no case shall a drainage vent be of smaller diameter than necessary to comply with the requirements of section 86.

Unless otherwise ordered or approved every such vent pipe shall be without return bend and provided with basket end or educt or induct cowls as directed.

Section 72. *Materials, &c.*—Drainage vent pipes situated wholly outside of buildings shall be of cast-iron, galvanized wrought iron, double galvanized sheet iron, or other approved material above ground, and of stoneware or concrete beneath the surface of the ground. Galvanized sheet-iron vent pipes shall not be less gauge than 20 for 3-in. and 4-in. diameter

pipes and 18 for 6-in. pipes, and where ordered the first 6 feet above ground shall be of cast-iron or other approved material. Drainage vent pipes inside a building shall, unless otherwise approved, be of cast-iron or of galvanized wrought iron. The circumferential joints of galvanized sheet iron vent pipes shall be riveted and soldered. All galvanized sheet-iron vent pipes used to ventilate the drainage system, or used as anti-siphonage pipes to soil or waste pipes from closets, slop sinks, or urinals, must be coated with hot tar or asphaltum inside before erection.

Section 73. *Gratings.*—Openings for ventilation shall be effectively protected by approved gratings of ample area. The aggregate area of apertures in any such grating shall not be less than the sectional area of the pipe or drain to which such grating is fixed. Every opening for ventilation shall at all times be kept perfectly free from obstruction.

Section 74. *Pipe Clips, &c.*—There shall be at least one pipe clip to each 6-ft. length of vent pipe.

For cast-iron or wrought-iron pipe approved coated wrought-iron clips and for galvanized sheet iron pipe 1½-in. x 14-gauge galvanized band iron clips shall be provided. Wherever it is necessary to fix pipes clear of the wall approved extension clips shall be used.

Clips in the case of cast-iron pipes must be placed tight up against the bead or underside of collar.

Section 75. *Attachment to Walls.*—Where a galvanized sheet iron pipe, with or without offset, is carried up above the brick wall of a building a galvanized wrought-iron clip must be used, leaded into the wall near the top wherever possible and bolted against the vent pipe.

All band iron clips of vent pipes to brick walls shall be fastened with nuts and bolts, leaded in, or by means of T-headed bolts passed through the brick joints and turned at right angles to the joints.

Section 76. *Supporting Vents.*—Wherever a vent pipe with offset is not more than 9 feet long above such offset it need not be stayed; if longer, it shall be stayed as directed with ½-in. galvanized wrought-iron piping.

An unsupported length of 15 feet above highest clip of straight vent pipe without offset will be permitted.

Section 77. *Induct Vents.*—Every induct vent shall be securely supported in an approved manner.

Division 21.—Drainage Traps.

Section 78. *Trapping of Inlets.*—Every inlet to any drain other than inlets provided for ventilation in accordance with the By-law shall be provided with an approved trap. No inlets to any drain connecting directly with a sewer shall be constructed within a building other than such inlets necessary for the apparatus of any water-closet, urinal, or housemaid's slop sink.

Section 79. *Classes of Traps.*—Four classes of traps shall be used—

- (a) "Traps" for intercepting gases only, to be of round section and self-cleansing form, but not such as to empty by momentum or suction.
- (b) "Silt traps" for intercepting both gases and solids, to have slightly tapered sides, flat bottom, and rounded angles, and provided with approved means for catching and removing solids.
- (c) "Grease traps" for solidifying and collecting grease or other semi-fluid matter liable to foul the pipes, to be of such form as approved.
- (d) "Oil traps" for collecting all kinds of oil and to be of such form as approved.

The term "yard gully" is applied to traps (a) in cases where they are used externally and fitted with dished tops and gratings. The tops of inlets of all disconnector traps must be at least 6 inches above the surface of the surrounding ground.

Section 80. *Water Seal.*—All traps must have a water seal of at least half the diameter of the outlet pipe, but in no case of less than 2½ inches.

Section 81. *Provision of Yard Gullies.*—A yard gully must, wherever practicable, be provided in the yard of every property, as near as practicable to the kitchen or back door, with a tap placed over it at a height of not less than 2 feet. No yard gully shall be situated within a building. Where it is not practicable to provide a yard gully, a slop sink must be provided within the building.

Section 82. *Details of Yard Gullies.*—Yard gullies shall be fitted with dished tops and gratings, the dished top being in one piece with the trap or jointed thereto by spigot and faucet, or as otherwise approved.

The depth of the dished top to the grating must be not less than 6 inches. Grating to gully traps must not be less than 6½ inches over all, and the gratings to all disconnector traps to be convex in section, with openings of suitable outlet capacity. All gratings must be fixed down in an approved manner with bitumen or wedges of lead.

Section 83. *Kerbing, &c., to Yard Gullies.*—Yard gully basins and the dished tops of silt traps must be so surrounded with an approved impervious kerbing as to prevent the access of

surface water to the drains, and, if directed, the wall at the rear of the gully or silt trap, if of brick or stone, must be cement rendered to the height of the tap over same, and if of wood the wall must be provided with an approved galvanized sheet iron apron. The internal diameter of kerbing around gully traps measured from face of cement rendering must not be less than 15 inches, and must be neatly rounded to meet the gully top.

PART 4.
PIPE CAPACITIES.

Division 22.—Capacities of Soil, Waste, Drain, and Vent Pipes.

Section 84. *Fixture Units.*—For the purpose of determining the size of any drain, waste, soil, or vent pipe, the following equivalent fixture units shall be adopted, unless otherwise directed, and the nominal outlet diameter shown hereunder shall be the minimum allowed for each of the respective fittings.

Fixture.	Nominal Outlet Diameter.	Fixture Units.
One lavatory basin ...	1½ inch	1
One lavatory basin ...	1½ inch	1½
One kitchen sink (up to 6-in. depth to overflow) ...	2 inches	3½
One bath ...	1½ inch	3½
One bath ...	2 inches	5½
One wash trough set with common trap ...	1½ inch	3½
One wash trough set with common trap ...	2 inches	5½
One urinal ...	2 inches	4
One slop sink ...	2½ inches	3
One slop sink ...	3 inches	4½
One shower bath ...	2 inches	3
One water closet ...	4 inches	6
One bathroom group, consisting of one lavatory basin, one bath, and one shower	—	7

The equivalent fixture units to be adopted for fixtures other than those shown shall be determined by the Authority. One fixture unit denotes a rate of discharge equal to 1 cubic foot per minute.

Section 85. *Sizes of Soil, Waste, and Drain Pipes.*—Except by special permission the required sizes of soil, waste, and drain pipes shall be determined on the basis of the total number of fixture units drained, or likely to be drained, in accordance with the following table:—

Diameter of Pipe (inches).	Minimum Permissible Grade.	Permissible Maximum Number of Fixture Units.										Vertical.	Maximum Number of Fixture Units to be connected to any 8-ft. length of vertical stack.		
		Grade not less than—													
		1 in 60	1 in 50	1 in 40	1 in 30	1 in 25	1 in 20	1 in 15	1 in 12½	1 in 10	1 in 6				
1½	1 in 12½	1½	1½	1½	1½
1½	1 in 15	4½	6½	9	12
2	1 in 20	8	12	16	23
2½	1 in 25	14	18	22	28
3	1 in 30	19	25	32	40
4	1 in 40	25	32	40	50
5	1 in 50	220	280	350	440
6	1 in 60	330	370	430	480	520	560	620	680	730	1,100	590	730	880	1,100

Provided that—

- (a) Waste and soil pipes shall not be diminished in diameter in the direction of flow.
- (b) The diameter of trap, waste, or soil pipe receiving the discharge from any fixture shall in no case be less than the nominal outlet diameter of such fixture.
- (c) No water-closet shall discharge into a drain or soil pipe of less than 4 inches in diameter.
- (d) All connexions between inclined pipes and vertical stacks shall be through 45 degrees junctions.
- (e) Soil and waste stacks shall be as direct as possible and free from sharp bends. Where such are unavoidable approved provision shall, if necessary, be made to safeguard fixtures immediately above and below the bend.

Section 86. *Sizes of Vents.*—(1) Main Vents.—Except by special permission, the required sizes of main vents shall be determined from the size of the soil, or waste pipe, or stack to be vented, the total number of fixture units drained into it, and the developed length of the vent, in accordance with the following table, interpolating where necessary between permissible lengths of vent given in the table.

MAXIMUM PERMISSIBLE LENGTH OF MAIN VENTS (IN FEET) FOR SOIL AND WASTE PIPES.

Diameter of Soil or Waste Pipe (inches).	Number of Fixture Units.	Diameter of Main Vent (in inches).							
		1½	1¾	2	2½	3	4	6	8
1½	Up to 9
2	Up to 23
2½	Up to 37
3	Up to 10
4	Up to 25
5	Up to 100
6	Up to 150

Provided that—

- (a) No vent shall be less than 1½ inches in diameter, and in no case shall a vent have a diameter less than one half that of the soil or waste pipe which it serves.
- (b) For 2-in. and 2½-in. waste pipes the vent shall have a diameter of not less than 1½ inches.

(2) *Sizes of Branch Vents.*—The required sizes of branch vents shall be determined from the number of fixture units served by the branch vent and the developed length of the vent from the point of connexion of the anti-syphonage vent from the last fixture served by the branch vent to the outlet to the open air at the upper end of the main vent, in accordance with the following table, interpolating where necessary between permissible lengths of vent given in the table:—

Diameter of Branch Vent.	Number of Fixture Units Served by Branch Vent.	Maximum Permissible Length.	Diameter of Branch Vent.	Number of Fixture Units Served by Branch Vent.	Maximum Permissible Length.
1½	Up to 9	55	3	Up to 6	300
2	Up to 23	80		12	272
				19	238
				28	204
				32	182
				40	158
				50	138
2½	Up to 37	114	4	Up to 6	300
	12	109		12	300
	18	104		18	300
	25	94		25	300
	32			32	290
	40			40	290
	50			50	244

Provided that—

- (a) Branch vents shall conform to provisions (a), (b), for main vents.
- (b) No branch vent need be larger in diameter than the soil or waste pipe which it serves.
- (3) *Individual Anti-syphonage Vents.*—The required sizes of individual anti-syphonage vents shall be determined from the diameter of the fixture trap served in accordance with the following table:—

Diameter of Fixture Trap.	Minimum Permissible Size of Anti-Syphonage Vent.	Diameter of Fixture Trap.	Minimum Permissible Size of Anti-Syphonage Vent.
Inches. 1½	Inches. 1½	Inches. 2½	Inches. 2
1¾	1¾	3	2
2	1½	4	2

**PART 5.
PLUMBING.**

Division 23.—General.

Section 87. *Waste Pipes.*—Except by permission of the engineer, separate waste pipes shall be provided for each of the following classes of polluted water, viz.:—

- (a) Dirty water from baths, sinks, lavatory basins, and wash troughs, and other waters containing a small proportion of soap and/or dirt.
- (b) Greasy water from kitchen and scullery sinks or other fixtures, in such cases where grease traps are ordered or required.

Section 88. *Soil Pipes.*—Soil pipes shall be provided for soil water from closets and other waters containing faecal matter, and for urinal waters from slop sinks and urinals, and, where directed, for discharges from operating theatres and morgues, and in no case shall such waters be discharged into any waste pipe as defined by this By-law, except by permission of the Engineer.

Section 89. *Connections to Drain.*—All waste pipes shall discharge under the grating of a yard gully or into a disconnector trap. All soil pipes, including those for urinals and housemaids' slop sinks, must be connected direct to the drain. No waste pipe shall be laid in the ground outside any building unless by special permission.

Section 90. *Flashing, &c.*—All troughs, sinks, and other fixtures which are placed less than 3 inches, and all baths fixed less than 6 inches clear from any wall shall be flashed with 5-lb. lead, 24-gauge copper, bronze, brass, nickel, silver, or monel metal, or other approved material. Galvanized sheet iron may be used for fixtures other than sinks.

All such flashings shall be turned up the walls at least 4 inches, except where the walls are tiled, when the flashings shall be carried up at least 1 inch behind the tiles. Baths and other fixtures having turned-up flanges for use against tiled walls in lieu of sheet metal flashing shall be properly supported to prevent settlement, and the flange shall lap at least 1 inch behind the tiles, which shall be brought hard down on to the surface of the fixture. All flashing shall be properly secured and made watertight, and shall be bedded for a width of not less than 1 inch along the edge nearer the fixture in red or white lead.

Section 91. *Bib-cocks.*—Internal bib-cocks shall not be permitted unless a sink, lavatory basin, or other approved fixtures, or a properly drained impervious floor, is provided underneath.

Division 24.—Soil, Waste, and Vent Pipes.

Section 92. *Materials.*—No material shall be used for soil pipes other than cast-iron, lead or brass, and for waste pipes other than wrought-iron, cast-iron, lead, brass or copper.

Section 93. *Lead Pipes.*—The minimum permissible weight of lead for soil, waste, or vent pipes for water closets, urinals, and slop sinks shall be 7 lb. per square foot, and for all other fixtures 6 lb. per square foot.

Section 94. *Wrought-iron Pipes.*—All wrought-iron pipes and their fittings shall be approved standard weight and quality and galvanized or lined to the approval of the Authority.

Section 95. *Cast-iron Pipes.*—All cast-iron pipes shall be sound, free from holes and cracks, and coated with approved bituminous composition, or lined with glass enamel to the approval of the Authority.

Cast-iron pipes and their fittings, where laid in the ground, shall comply with the Australian standard specifications, or in the event of no such standard being in existence, with the standard approved by the Authority for cast-iron water pipes and their fittings of similar diameter. Cast-iron pipes for use in other situations shall have a minimum thickness of 3-16 inch measured in the case of glass-enamelled pipes without the enamel, and their fittings shall correspond with them in weight and quality. All junctions shall be curved, right-angled junctions shall not be made.

Section 96. *Galvanized Sheet Iron Pipes.*—External vent pipes of galvanized sheet iron shall be of a gauge not less than the following:—

- 1½ inch, 2 inch, 2½ inch diameter—22-gauge.
- 3 inch and 4 inch diameter—20-gauge.
- 6 inch diameter—18-gauge.

Section 97. Where lead, copper, brass, or cast-iron soil or waste pipes are fixed outside a wall for upstairs fixtures, the lead, copper, brass, or cast-iron pipes shall be carried at least 2 feet above the level of the highest fixture attached to the pipe.

Section 98. *Vent Pipes.*—Vent pipes, if inside a building, shall in all cases be of cast-iron, wrought-iron, lead, copper, or brass. Grooved, welded, or riveted double galvanized sheet iron vent pipes may be used where they are entirely outside a building, and shall be connected with the traps or waste or soil pipes, with brass ferrules or other joints approved by the responsible officer of the Authority.

Section 99. *Vents in Shed, &c.*—Galvanized sheet iron vent pipes may be used inside stables or open sheds, except where liable to damage.

Section 100. *Use of Lead Pipes.*—Lead pipes shall not be used, except where exposed to view and/or not liable to damage.

Section 101. *Supporting Lead Pipes.*—Lead pipes shall be supported by cast lead tacks of approved dimensions, welded on to the pipe or by other approved fastenings, and such fastenings shall be arranged as nearly as possible thus—

- 4-in. vertical lead pipes—2 ft. 6 in. centres.
- 4-in. horizontal lead pipes—2 feet centres.
- Less than 4-in. vertical pipe—3 feet centres.
- Less than 4-in. horizontal pipe—2 ft. 3 in. centres.

Two pairs of tacks, fixed opposite, is sufficient for fixing lead flush pipes from cisterna.

Section 102. *Minimum Permissible Gradients.*—The following are the minimum gradients to be adopted for soil and waste pipes:—

Diameter of Pipe.	Minimum Gradient.
1½ inch	1 in 12½
1¾ inch	1 in 15
2 inch	1 in 17½
2½ inches	1 in 20
3 inches	1 in 25
4 inches	1 in 30
5 inches	1 in 40
6 inches	1 in 50

Section 103. *Length of Unvented Waste Pipes.*—Waste pipes need not be ventilated unless they exceed 10 feet in inclined length or 12 feet in vertical length, provided that there is only one fixture attached to the waste pipe, and provided that the water seal of the trap is not reduced by syphonage or other cause. Where there is more than one fixture, or the water seal is reduced, a vent pipe shall be supplied to the fixture trap or traps.

Section 104. *Junctions.*—Where a waste or soil stack is branched into a graded waste, soil, or drain pipe, the branch fitting shall have an angle of not less than 45 degrees to the horizontal, and the length of the branch of the fitting shall be such that the vertical projection of the attached stack will be wholly outside of the area of the junction with the graded pipe.

Section 105. *Sealing of Pipes.*—Wherever a fixture is abolished, the soil, waste, vent, and water supply pipes to such fixture shall be removed, or, if allowed by the Authority to remain, the ends of the pipes shall be sealed with watertight imperishable materials.

Section 106. *Soil Vent Pipes.*—In all cases the upward extension from the soil pipe for ventilation shall pass in as direct a manner as possible above, and, if necessary, through the roof.

Section 107. *Vent Pipe Grades.*—All vertical lines of vent pipe shall connect, full size, at their bases with a soil, waste, or drain pipe at an angle of not less than 45 degrees to the horizontal, and shall extend in undiminished size above the roof or be connected to the soil, waste, or vent stack, in compliance with the requirements of section 109, on a grade sufficient to avoid the collection of water.

All intermediate bends or offsets shall be at a grade of not less than 45 degrees to the horizontal.

Vent pipes shall not be used as waste or soil pipes.

Section 108. *Anti-syphonage Vents.*—Traps must be prevented from syphoning by proper ventilation, in accordance with the requirements of section 86. Such anti-syphonage vents from fixtures shall be carried above the eaves of the building or joined to the branch or main vent above the level of the fixture, unless special permission to the contrary is granted.

These vent pipes shall be connected to the waste or soil pipe at a point not less than 3 inches nor more than 12 inches from the crown of the trap and on the opposite side of the water seal to the fixture.

Section 109. *Combining of Vents.*—The various vents may be combined by branching together those which serve traps of the same class. The vent pipes may be branched into a soil or waste pipe of the same class above the level of the highest fixture.

Section 110. Where a branch is required to a galvanized sheet iron vent pipe, a brass saddle piece bolted and soldered to the vent must be used.

Section 111. *Sheet Metal Bends and Offsets.*—All sheet metal bends and offsets for flush and vent pipes shall be bent or pressed. Mitred elbows will not be permitted.

Section 112. *Pipes to be Accessible.*—All soil, waste, and vent pipes and traps shall, where practicable, be accessible at all times for ready inspection and convenience of repairing. When placed within partitions or recesses of walls they shall be covered with woodwork or other approved material, so fastened as to be readily removable. No junctions shall be built in except with special permission from the Authority in writing.

Section 113. Concealed standing wastes will not be permitted.

Section 114. *Painting.*—All external plumbers' work and all cast-iron cisterns and brackets, woodwork in connexion with plumbing installations, sheet iron flush pipes, and sheet iron storage tanks and trays, shall be painted, after inspection, to the approval of the Authority.

Division 25.—Joints.

Section 115. *Stoneware, Cement, or Cast-iron Pipes.*—Joints of stoneware, cement, or cast-iron pipes shall conform with the requirements of section 63 or 64.

Section 116. *Lead Pipe.*—All joints in lead pipe shall be plumber's wiped joints.

Section 117. *Wrought-iron Pipe.*—The screwed ends and sockets of each particular size of wrought-iron or wrought steel pipe shall be so formed and the threads so cut that the ends of the pipe will butt against each other when screwed home in the sockets; bends, junctions, and similar fittings shall be similarly formed and screwed so that when the pipe ends are screwed home the bore will be continuously uniform and without breaks or pockets. The burr shall be neatly filed off on the inner edge of all pipe ends. All screwed joints shall be made with approved jointing material.

Section 118. *Wrought-iron Pipe to Lead Pipe.*—All joints between wrought-iron and lead pipes shall be made by means of brass unions screwed to iron and wiped to lead.

Section 119. *Brass or Copper Pipes.*—Joints of brass or copper pipes shall be made in accordance with the Australian standard Specification B36—"Compression joints and copper alloy screwed fittings for standard copper tubes."

Section 120. *Lead Pipe to Cast-iron Pipe.*—The connexion of lead pipes or traps to cast-iron pipes shall be made by means of brass ferrules. The brass ferrules shall be lined with and connected to the lead pipe or trap by means of a wiped joint and connected to the cast-iron by inserting ferrule in socket thereof and making the joint in the same way as in cast-iron pipe.

Section 121. *Sheet-iron Pipe to Cast-iron Pipe.*—All connexions of galvanized sheet iron to cast-iron pipes shall be made with molten lead, lightly but tightly caulked in to cast-iron sockets.

Section 122. *Sheet-iron Pipe to Wrought-iron Pipe.*—Galvanized sheet iron pipes shall be connected to wrought-iron pipes by means of brass unions or sleeves soldered to the sheet iron and screwed to the wrought-iron, or by means of a wrought-iron socket screwed to the wrought-iron pipe, into which the sheet-iron pipe shall be lightly but tightly caulked with molten lead.

Section 123. *Sheet-iron Pipe to Lead Pipe.*—Connexions of sheet-iron pipes to lead pipes shall be made by means of brass sleeves wiped to the lead pipe and soldered to the sheet-iron pipe, or by means of a cast lead collar wiped to the lead pipe, into which the galvanized sheet-iron pipes shall be caulked to approval.

Section 124. *Concrete or Stoneware Pipe and Traps to Lead Pipe.*—Connexions of lead pipe to stoneware or concrete pipe shall be made by means of a brass ferrule connected to the lead pipe by means of a wiped joint and connected to the stoneware or concrete pipe by inserting it in the socket thereof and making a cement mortar joint.

The connexion of a stoneware or concrete trap to a lead pipe shall be by means of a cast lead or brass socket, and the joint made with bitumen or other approved material. The lead pipe shall be connected to the tail end of the brass or lead socket by means of a plumber's wiped joint.

Section 125. *Connexion of Closet Pan Traps to Soil Pipe or Drain.*—Connexion of a closet pan to a soil or drain pipe shall be made by means of a bituminous jointing material, consisting of a mixture of approved bitumen and finely graded inert mineral filler in equal proportions, filled in solidly into faucet of soil or drain pipe and neatly splayed off, or by other approved method. In the case of lead soil pipes, a cast lead or brass faucet shall be used and connected to the lead pipe by means of a wiped joint.

Section 126. *Cistern Flush Pipe to Closet Pan.*—The flushing pipe from cistern shall be connected to the water-closet pan by a lead cap piece of not less than 4-lb. lead, packed with red lead or other approved material. The cap piece shall be jointed to galvanized sheet iron, copper, brass, or drawn steel pipe by means of a soldered joint and to lead flush pipe by wiped or soldered joint. The connexion of the flushing pipe to cistern shall be by means of a brass union, wiped to lead pipe or soldered to sheet-iron pipe. Copper or brass pipe shall be connected to cistern by means of a brass ring, with nut brazed to pipe, or by other approved means.

Section 127. *Vent Pipe to Closet Pan.*—Vent pipe shall be connected to the vent horn of water-closet trap by a lead cap piece with red lead packing or by other approved methods. The cap piece shall be jointed to copper or brass pipe by means of a soldered joint and to lead flush pipe by a soldered or wiped joint.

Section 128. *Outlet Fittings to Fixtures.*—Connexions between outlet fittings and such fixtures as baths, sinks, basins, &c., when the latter are constructed of cast-iron, plate-iron, ceramicware, or concrete, shall be made with lock nuts. The outlet fitting shall in all cases be connected to the waste pipe by means of a union.

When these fixtures are made of sheet metal lighter than 20-gauge soldered connexions may be used in lieu of lock nuts.

Section 129. *Waste Pipes to Troughs.*—Connexions of waste pipes to wash troughs shall be made as under:—

- (a) Cement troughs, unless otherwise approved, shall have cast-in outlets.
- (b) Sheet-metal troughs shall be connected to the waste pipes in compliance with section 128.

(c) For wooden troughs, lead, copper, or brass, waste pipes shall have flanges connected to the waste in accordance with the provisions of this By-law, and fastened to the underside of the trough with round-head brass screws. The waste pipe shall then be turned over inside the trough and the plug casting bedded over it with red lead putty and screwed to trough with brass wood screws.

Where wrought-iron or other screwed pipes are used the plug must be connected to the trough by means of a lock nut in lieu of flange.

Division 26.—Fixture Traps.

Section 130. *Fixtures to be Trapped.*—Every water-closet, urinal, slop or other sink, lavatory or wash basin, bath, wash trough or set of wash troughs, and any other fixture, shall be separately and effectively trapped, unless otherwise specially permitted by the Authority.

Section 131. *Omission of Traps.*—Baths, lavatory basins, wash troughs, and sinks may remain untrapped where fixed in the open air or detached outbuildings not used as a living room, workroom, or room for the preparation, cooking, or storage of food, and not connected directly by openings with the main building or residence. Provided that the length of the waste pipe, measured in the case of wash troughs from the centre of furthestmost inlet to end of waste pipe outlet, does not exceed 6 feet.

Section 132. *Position of Traps.*—Traps shall be placed as near the fixtures as possible, and in no case shall a trap be more than 2 feet from its fixture, except as provided in section 179, unless otherwise specially permitted by the Authority.

Section 133. *Depth of Water Seal.*—Every trap shall have a water seal of not less than 2½ inches.

Section 134. *Closet Pan Traps.*—Outlets from closet-pan traps shall be of not less than 3¼ inches nor more than 4 inches diameter, except in the case of syphonic pans.

Section 135. *Sealed Disconnecter Traps.*—Where approved by the Authority, sealed disconnecter traps may be fixed outside or inside the building, but in such cases breather pipes or fresh air inlets of the same diameter as disconnecter traps shall be taken above the level of the lowest fixture, or to such other height as directed, and when trap is inside shall be led to the outside of the building. The material for such breather pipes shall be the same as for waste pipes; sheet-iron will not be allowed. Inspection openings to such traps shall be sealed with screwed plugs, or as otherwise approved by the Authority.

Section 136. *Form of Trap.*—The "P" form of trap, with joints visible and accessible all round, must, unless otherwise permitted, be used in preference to the "S" form of trap for all internal fixtures wherever practicable. Where the "S" form of trap is used facilities for periodical inspection must be provided.

Section 137. *Lead Traps.*—All lead traps must be of the weights specified in section 93 for lead pipes of the same diameter.

Division 27.—Gratings.

Section 138. *Fixtures discharging into waste pipes and all urinals shall have non-corrodable outlet gratings of approved design and material, in accordance with the Australian standard Specification B.38, "Metal alloy sanitary fittings."*

Division 28.—Cleaning Eyes and Inspection Openings.

Section 139. *Provision for Inspection and Cleaning.*—Sufficient inspection and cleaning eyes shall be provided in such positions on all soil and waste pipes as to be easy of access for proper inspection and cleaning.

Traps for fixtures, other than water closets, urinals and housemaids' slop sinks, shall be provided with approved screwed brass plugs for cleaning purposes fixed under the water line of the trap, unless by permission of the Engineer.

Section 140. *Inspection Openings On Soil Pipes.*—In all cases where the vertical stack of soil pipe provides for closets 4 feet or more above the ground level, measured from floor level of water-closet to ground level at foot of stack, an inspection opening having a cover fixed to a flange with bolts or studs shall be provided in such a position as directed by the responsible officer of the Authority.

Division 29.—Grease Traps.

Section 141. *Provision of Grease Traps.*—Every fixture or area from which grease or any other objectionable matter is likely to be discharged or conveyed into waste or soil pipes, or house drains, and every sink in all such places as food-packing houses, butchers' shops, lard rendering establishments, hotels, restaurants and boarding-houses, and such fixtures, areas apparatus, or appliances as the Authority may direct, shall first discharge into an approved apparatus for preventing the objectionable matter from reaching the soil pipe or drain. Such apparatus shall be of such dimensions, design, and construction and in such position as the Authority, or its responsible officer, may in each case approve.

Section 142. *External Grease Traps.*—Every grease trap shall be fixed outside the premises whenever practicable, and (if not portable) shall be of glazed stoneware, concrete, slate, or brick in cement, and the outlet shall be connected to the drain through a disconnecter trap.

Section 143. *Internal Grease Traps.*—Wherever a grease trap is used inside a building it shall be so fitted as to be easily removable, and, if directed, fixed upon a tray. All internal grease traps shall be of copper or other approved material, provided with a close fitting cover, and shall be independently ventilated as required by the Authority, or its responsible officer.

Section 144. *Grease Trap Ventilation.*—Every grease trap shall have provision made for inlet and outlet ventilation if and as directed by the Authority or its responsible officers.

Section 145. *Size of Grease Trap.*—The dimensions of grease trap to be provided shall be such as to ensure the congealing and retention of all grease entering such trap.

The size of grease traps in ordinary cases must be as nearly as possible the following, viz.:—Portable copper, 21 inches in length; stoneware or cement concrete, 27 inches in length; or otherwise as ordered by the Engineer.

Section 146. *Outlet Pipes.*—The outlet pipe from any grease trap must be at least one size larger than that size of pipe which has a cross sectional area equivalent to the total area of incoming waste pipes. In no case, except by special permission, shall the outlet pipe be less than 3 inches diameter for grease traps of copper or other approved metal and 4 inches for stoneware.

Section 147. *Maintenance.*—Every grease trap shall be maintained by the occupier at his own expense, and shall be cleaned at such intervals as may be necessary to ensure that such trap operates in an efficient and hygienic manner.

Division 30.—Water Closets and Flushing Apparatus.

Section 148. *Water-closets, General.*—At least one water-closet shall be provided for each house or building within a sewer area, and also in such other cases as may be directed by the Authority.

In every shop, factory, office, flat, or building containing more than one tenement, at least one water-closet shall be provided for the use of the occupier of each tenement, or as otherwise directed by the Authority, and shall be so placed, either within or without such building, as to ensure the due observance of decency and to be easily accessible to the occupiers.

Section 149. *Water-closets at Hotels, Shops, &c.*—In hotels, offices, lodging-houses, shops, and, if so directed, in any other premises, closets for different sexes shall not adjoin each other unless separated by a soundproof wall of such material and of such thickness as shall be approved by the Authority.

Section 150. *Water Closets for Factories.*—The owner of any building which is used for the purpose of a factory shall provide water-closets for the use of employees at such building in accordance with the Factories Act.

Section 151. *Light, Ventilation, &c., for Water-closets.*—Except as herein provided in section 152, every water-closet in a building shall comply with the following conditions:—

- (a) One of its sides at least shall be an external wall of such building, abutting on to a street or lane or an open space of not less than 100 square feet in area, such space being portion of the premises.
- (b) It shall not be entered directly from any room used for human habitation or for the manufacture, preparation, or storage of food for human consumption, or used as a factory, workshop, or work place. In cases where otherwise such closet would be directly entered from any such room, an ante-chamber, or airlock having a floor area of not less than 20 square feet shall be provided and effectively lighted, and shall be ventilated by an air shaft or some approved method to the open air. The doors of such closet and ante-chamber or airlock shall be close fitting and self closing, and all internal walls constructed of brick or other approved airtight material, extending the entire height from floor to ceiling. For closets in private residences opening on to a well-lit and well-ventilated hall, passage, lobby, or staircase, no airlock is required, but where these conditions do not exist the airlock as above shall be provided.
- (c) Each water-closet apartment, ante-chamber, or airlock shall be provided with adequate means of constant fresh air ventilation, and shall be lighted by a window or glazed louvres of not less than 2 square feet of clear light area per water-closet, opening directly into external air. The effective area provided for outlet ventilation of each water-closet apartment, ante-chamber, or airlock shall be not less than 27 square inches, and where the level of the floor of the water-closet apartment is lower than the outside surface of the ground exhaust ventilation shall be provided by means of a tube of at least 6 inches diameter, carried up through the roof and furnished with a cowl. Approved provision for inlet ventilation shall be made as near the floor level as possible.
- (d) The floors of all water-closet apartments shall be constructed of concrete of not less than 4 inches thickness, or of other approved impervious material, and graded as directed, or they shall be provided with

lead safes in accordance with the requirements of sections 184, 185, and 187. The frame of every wooden closet shall be securely fastened to the floor and made rigid, without attachment to fences.

- (e) Each closet apartment shall be not less than 3 feet wide and 5 feet long, inside measurements, and the walls shall be at least 7 feet high at the lowest part.

Section 152. *Mechanical Ventilation and Artificial Light.*—Subject to the approval of the Authority in writing the requirements of section 151 may be waived, provided that the following conditions be complied with, viz.:—

- (a) In every such case a mechanical system of exhaust ventilation in duplicate, approved by the Authority, and capable of changing the air contents of such water-closet eight times per hour shall be installed in connexion therewith.
- (b) Upon completion the owner or his representative shall carry out such tests of the mechanical system referred to as the Authority may deem necessary.
- (c) Such mechanical system shall at all times be under the continuous supervision of one or more properly qualified persons, and shall be continuous in operation.
- (d) Any such mechanical system shall be open to inspection by the Authority at all reasonable times, and shall be subject to such tests as the Authority shall from time to time direct. The air and pipe shafts shall be readily accessible, and shall have a minimum width of 2 ft. 6 in. and a minimum area of 12 square feet.
- (e) The failure of any such mechanical system at any time to pass such tests shall be an offence by the owner of such a building against this By-law, and the owner thereof shall also, in respect of such failure, be guilty of an offence against this By-law.
- (f) Every such water-closet shall be provided with an efficient system of electric lighting to the approval of the Authority, and same shall be maintained at all times in good working order.

Section 153. *External Water-closets.*—The area of any external water-closet must not be less than 13½ square feet, with a minimum internal dimension of 3 feet inside measurements. The minimum heights to be not less than 8 feet at back and 7 feet at front, measured from the floor to the top of wall plate. The floors of all water-closets must be constructed of concrete, tiles, or other approved impervious and non-absorbent material. Seats must be either flap or hinged tip-up.

External closet doors to be saw-toothed on top and a space of 3 inches left between bottom of door and floor, or other approved means of ventilation provided.

In wooden water-closets buildings the bottom plates and plinths must be of approved timber. In repairs to studs they shall be cut to sound timber with a new plate, supported on a concrete dwarf wall extended up from the floor level.

Section 154. *Firing Closet Pan.*—On concrete floors, or floors of tiles set in concrete, the closet pan shall be securely bedded upon concrete or cement mortar and fixed with brass screws to approved lead dowels set in the floor. Where the floor is of timber covered with an approved impervious material the closet pan shall be secured to the timber by means of brass screws as directed or by other approved means.

Section 155. *Closet Pans.*—Every water-closet shall be furnished with a pan of non-absorbent material of such shape, capacity, and construction as approved by the Authority. Water-closet pans and fittings thereto shall be entirely open to inspection and without any enclosure. Vent horns shall be provided on all pans, even if no anti-syphonage vent is required. If not used for a vent such vent horn shall be sealed with a lead disc, bituminous filler, and a lead cap piece, or by other approved method.

Section 156. *Closet Pan Seats.*—Except as approved by the Authority, all hinged closet pan seats shall be not less than 1 inch in thickness and constructed of approved material. When constructed of wood, four-piece seats shall be glued and either doweled or bolted, and one-piece seats shall be reinforced with two wood or brass slips let in flush on the underside. To prevent fouling of pan, the closet seat openings must not be larger than 10½ inches x 9 inches, and seats with holes so large as to cause fouling of the pan must not be used. Pans must measure at least 12 inches between the lower edge of the front and back faces of flushing rims. Water-closet seats must be provided with approved buffers to prevent damage to the pan, and an approved buffer clip must be fixed to the flush pipe at a suitable height from the pan.

Section 157. *Flushing Apparatus.*—Approved apparatus shall be provided for the effective application of water to the pan of the water-closet and for the efficient flushing and cleansing of the pan and effective removal therefrom of any solid or liquid matter which may from time to time be deposited therein. Such apparatus shall have a flushing capacity of 2 gallons, and shall be so constructed, fitted, and placed as to supply water for use in the pan without any direct communication with any service water pipe upon the premises.

Section 158. *Flushing Cisterns*.—Flushing cisterns shall be fixed at such height as will effectively flush the pan; but, except by special permission, no cistern shall be fixed at a less height, measured from top of seat to bottom of cistern, than 5 feet where 1½-in. flush pipe is used or 4 feet where 1¼-in. flush pipe is used. There shall be a distance of at least 9 inches between top of cistern and ceiling of closet.

Every cistern shall have a separate stop-tap and an overflow of ½-in. internal diameter, and shall be fixed to cistern boards not less than 12 inches deep and 1¼ inch thick, or fixed in other approved manner.

Water supply pipes to cisterns shall be adequate to fill any cistern at the rate of not less than 1 gallon per minute.

Section 159. *Flush Pipes*.—Flush pipes to closet pans shall be of brass, copper, 6-lb. lead, galvanized-iron of not less than 22-gauge, or other approved material, and shall have a minimum diameter of 1¼ inches.

Section 160. *Flushing Apparatus Other Than Cisterns*.—Notwithstanding anything contained in this By-law, closet pans in any building may be flushed by means of any apparatus which—

(a) automatically controls the amount of water used, and/or

(b) is approved by the Authority.

Section 161. *Storage Tanks*.—Except where otherwise allowed by the Authority, on request in writing, by the owner accepting all responsibility in the matter, internal water-closets shall be provided with storage tanks capable of holding 6 gallons of water for each occupant of the building, with a minimum of 60 gallons per closet for all buildings except private residences, which shall have a minimum capacity of 30 gallons. These tanks may be of 22-gauge galvanized sheet iron, or 24-gauge corrugated iron.

Unless otherwise directed by the Authority, the storage tanks may be placed in the water-closet apartment itself, on the roof over a flat or gutter, or in an accessible place between the ceiling and the roof, in which latter case a safe of galvanized-iron, lead, or other approved impervious material, with overflow, shall be fixed under the storage tank.

Section 162. *Venting Closet Pans*.—Unless otherwise directed or permitted, every closet pan on an upstairs floor shall discharge into a soil-ventilator pipe, except that any closet pan on a floor which is not more than 8 feet in height from the ground surface level may be ventilated by an anti-syphonage vent only, in accordance with the requirements of sections 86 and 108 and discharge into a soil pipe without extension as a ventilator pipe; provided that no fixtures at a lower level are connected to such soil pipe.

Any closet pan where ordered, and, also, unless otherwise directed, every internal closet pan which is more than 4 feet from a fully vented soil pipe drain as measured along the axis of the pipe between the centre of soil pipe and centre of pan, shall be ventilated by an anti-syphonage vent in accordance with the requirements of section 86 sufficiently close to prevent syphonage, and in no case more than 18 inches from the trap. Notwithstanding the above, all "S" trap pans must be provided with anti-syphonage vents.

Section 163. *Grouped External Closets*.—Where there are more than three external water-closet pans grouped on the ground floor or in the yard of any premises special provision must be made to prevent syphonage.

Division 31.—Urinals and Flushing Apparatus.

Section 164. *Urinals. General*.—Every urinal on premises licensed for the sale of fermented or spirituous liquors, and on premises used as a factory, workshop, work place, manufactory, shop, office, or school where persons of the male sex are employed or in attendance, shall be of such size as the Authority requires. Provided that when the number of persons of the male sex does not exceed ten, a urinal need not be fixed if the closet has a pedestal pan with a hinged tip-up weighted seat.

Section 165. *Internal Urinals*.—The positions, approaches, arrangement of lighting, ventilation, &c., for internal urinals shall comply as nearly as possible with the provisions as to internal water-closets.

Section 166. *Details of Construction, &c.*—Except by special permission, only round-backed stall type urinals of approved impervious material shall be used. The soil pipes shall be of lead, stoneware or glass enamelled or coated cast-iron, or other approved material, shall be kept as short and free from bends as possible, and shall be trapped. Inspection openings shall be provided on soil pipes as directed, with clamped covers. The urinals shall be provided with approved flushing apparatus and a hose tap shall be provided in a suitable position for hosing down.

Section 167. *Treatment of Floors*.—The floor in front of a urinal shall be covered with approved impervious material for a width of not less than 2 feet, or, if raised above floor level of urinal apartment, not less than 1 ft. 6 in., and graded to drain to urinal.

Impervious Materials.—The following materials will be considered impervious:—

(a) For urinals: glazed fire clay or salt glazed stoneware.

(b) For floors in front of urinals: Glazed tiles set in cement mortar (composed of equal parts of cement and sand), concrete 6 inches thick rendered with ½-in. thick cement mortar, slate, marble or asphaltum.

Section 168. *Flushing Apparatus*.—Pull and chain flushing cisterns or other approved apparatus operated by hand shall be fixed on all urinals except where automatic flushing cisterns are permitted or directed by the Authority.

Section 169. *Flushing Cisterns*.—The discharge from a cistern shall be equal to 1 gallon for each urinal stall, except where otherwise allowed by the Authority, but in no case shall larger than a 3-gallon cistern be used.

The height of a cistern shall, unless otherwise allowed by special permission, be at least 8 feet from the floor to the top of the cistern. The cistern shall be so fixed that the ball tap is accessible.

A separate stop tap shall be provided for each urinal cistern.

Section 170. *Flush Pipes*.—Flush pipes for urinals shall be of brass or copper with gunmetal fittings, and shall have a minimum diameter of 1¼ inches, except that flush pipes for automatic flushing cisterns generally shall not exceed—

for 1-gallon cistern, ½-in. internal diameter,

for 2-gallon cistern, 1-in. internal diameter,

for 3-gallon cistern, 1½-in. internal diameter,

with branches as directed by the responsible officer of the Authority.

Division 32.—Housemaids' Slop Sinks.

Section 171. *General*.—Housemaids' slop sinks shall be made in one piece of approved impervious material and provided with approved flushing apparatus of 2-gallon capacity.

Section 172. *Ventilation, Light, &c.*—Housemaids' slop sinks shall be so placed and ventilated as to comply with the requirements for water-closets as set out in sections 151 (a), (b), and (c) and 162.

Section 173. *Bibcock over Slop Sink*.—A bibcock shall be fixed directly over a housemaids' slop sink, and at least 18 inches above such sink. A pedestal pan must be used wherever combined water-closet, housemaid's slop sink, and internal urinals are required, and in such case must be provided with hinged tip-up seat. A lead safe of suitable area must be fixed under the pan.

Division 33.—Wash Troughs.

Section 174. *General*.—Wash troughs shall be of approved pattern and material, securely fixed and graded to outlet pipe, fitted with brass strainer sunk to level of bottom of trough.

Section 175. *Support for Lead Waste Pipe*.—Where the distance between outlets on troughs exceeds 21 inches and lead waste pipe is used, the pipe shall be supported either by a lead tack wiped on the top of the pipe or by a wooden block screwed to the bottom of the trough and clamped to the pipe.

Section 176. *Troughs Abutting Against Brick Wash Copers*.—Wherever the end of a wash trough abuts against the brickwork of a wash copper the space between the end of trough and the brickwork shall be filled with approved waterproof material.

Division 34.—Sinks, Baths, Showers, and Lavatory Basins.

Section 177. *Sinks*.—All new sinks shall be fixed on brackets and traps and wastes left readily accessible.

Section 178. *Galvanized Sheet-iron Baths*.—The bottoms of galvanized sheet iron baths shall be effectively supported. Such baths shall not be enclosed. Longitudinal joints in the bottoms of baths shall not be permitted. Where it is necessary to fix new wastes to galvanized-iron baths, the bottoms of which are unsupported, efficient supports for the bath must be provided before the wastes are fixed.

Section 179. *Bath Traps*.—Where a bath trap is fixed on the outside of a wall it shall in no case be more than 3 feet from the outlet of the bath, unless by special permission of the Authority.

Section 180. *Showers*.—All showers on the ground floor shall be provided with a 4-in. stoneware or concrete trap, fitted with brass grating. All showers above the ground floor shall be provided with drainage in accordance with the requirements for baths.

The floors of shower compartments shall be well graded to the trapped outlet and shall be constructed of not less than 4 inches of concrete, trowelled smooth or covered with tiles set in cement mortar, or of other approved impervious materials or if constructed of timber shall be covered with enamelled cast-iron, approved non-corrosive sheet metal or other approved material turned up at the edges and flashed in accordance with the requirements of section 90.

The walls of shower compartments shall be constructed of brickwork or concrete, cement rendered to a smooth finish or covered with tiles set in cement mortar or of other approved impervious materials, or if constructed of timber shall be lined with approved non-corrosive sheet metal or other approved impervious material and with impervious joints.

Section 181. *Venting of Lavatory Basins*.—All lavatory basins, placed singly, shall be provided with anti-syphonage vents, except where the length of waste pipe does not exceed 4 feet, measured from crown of trap to outlet of waste pipe and syphonage does not occur.

In ranges of lavatory basins, ventilation by means of a single vent pipe at the upper end of the range will be permitted, provided that the vent and main waste pipe are sufficiently large to prevent syphonage.

Section 182. *Tip-up Basins*.—Tip-up lavatory basins shall not be permitted.

Division 35.—Safes and Overflows.

Section 183. *Safes, Where Directed.*—Safes of lead or other approved impervious material shall be fitted under housemaids' slop sinks and internal water-closets, and in such other positions as directed.

Section 184. *Lead Safes in Water-closets, &c.*—All lead safes shall be laid with sheet lead weighing not less than 5 lb. per square foot, and where the whole floor is not covered with lead the safe shall extend 12 inches beyond the sides and 15 inches beyond the front of the pan, measured from the outside of the basin, and shall extend back to and 3 inches up the wall and over flashed, if directed. The roll of such safe shall be 2 inches wide and $\frac{1}{4}$ inch high. In the case of baths, sinks, and lavatory basins, the lead, where directed, to extend 6 inches beyond the ends or sides, measured from the extreme edge of the fitting, and to be carried back to and up the wall as for closets.

Section 185. *Safe Overflows.*—Unless otherwise permitted, every safe shall be drained by a separate 2-in. diameter pipe, provided at the inlet with a brass grating and at the outlet into the open air with a flap valve of brass or other approved metal, and shall not connect with any waste pipe, soil pipe, drain, or sewer.

Section 186. *Cistern Overflows.*—Every cistern supplied with water shall, unless otherwise approved, have an overflow pipe of adequate size discharging in a position where it will not cause damage, but where it will act as a warning pipe. On ground floors where cisterns are fixed over impervious floors graded to drain outside of the room the overflow may discharge on to such floors, provided no damage is likely to arise therefrom.

Section 187. *Discharges From Overflows.*—Overflows may discharge into the open air above ground floor level only when the discharge will not cause any inconvenience or nuisance. In all other cases the pipes must be brought to the ground surface or be arranged to discharge where they will not prove a source of annoyance or inconvenience.

Section 188. *Existing Floors.*—Where necessary, in the opinion of the responsible officer of the Authority, every existing floor under a fixture shall be regraded and a proper waste pipe, and, if directed, a flap valve fixed.

Division 36.—Existing Fixtures.

Section 189. All existing fixtures, fittings, and appliances not in accordance with this By-law which the owner may desire to retain unaltered, and which, in the opinion of the Authority, will be inoffensive, may at the distinct request in writing of the owner only remain unaltered until such time as the Authority shall otherwise order. Existing fixtures, fittings, and appliances which, in the opinion of the Authority, are offensive shall be removed at once.

PART 6.

WATER SUPPLY.

Section 190. *Supply of Water to Fixtures.*—All water-closets and other plumbing fixtures shall be provided with a sufficient supply of water for flushing purposes to keep them at all times in proper and cleanly conditions.

Every owner of property who desires, or has been ordered by the Authority, to provide sanitary appliances for his own property and to connect his property with the sewers of the Authority, shall before or at the commencement of the work of making such connexion, provide piping approved of by the Authority for the conveyance of water, and shall cause the piping to be joined at the most convenient water supply main, or, with the permission of the Authority, to some pipe already joined to the main. Such piping shall be of capacity sufficient to supply all sanitary fittings on the property freely and continuously, and convey to the flushing cistern, flushing tank, or other flushing apparatus of each water-closet on the property enough water to fill the same at a rate of not less than 1 gallon per minute, and the owner shall cause such piping to be connected with the cistern before the completion of the work.

The water supply to any fixture shall be so arranged that there shall be an actual physical discontinuity between the water stored or used in any such fixture and that in the water service pipe.

Section 191. *Material, Condition, Capacity, &c., of Water Supply Piping.*—The entire length of the water supply piping from its connexion with the water supply main to the water-closet flushing cistern or other fixture shall be such as is, in the opinion of the Authority, suitable in regard to material, condition, and capacity to convey a sufficiency of water for the sanitary requirements of the particular tenement.

The owner shall keep the piping from becoming, whether by reason of corrosion or other cause, of insufficient capacity to fill the flushing cistern, storage tank, or other flushing apparatus at the rate of not less than 1 gallon per minute.

Section 192. *Fixtures Not Connected With Sewers.*—No water service pipe shall be laid to supply any fixture in any property in any sewerage area unless such fixture is connected with the sewers of the Authority, or unless special permission in writing has been previously given to lay such service pipe.

Section 193. *Storage Tanks.*—Water supply pipes to storage tanks for internal closets shall be of not less than $\frac{1}{2}$ -in. diameter and be provided with stop taps and high-pressure ball valves, except where the elevation of the storage tank is not sufficient to allow of high-pressure ball valves being used. In such cases the permission of the Authority shall be obtained to fix low-pressure ball valves. Where the head of the water supply of the storage tank to the flushing cistern is less than 20 feet, a low-pressure ball valve shall be provided to the cistern.

Outlets from storage tanks shall not be less than $\frac{1}{4}$ inch for one or two cisterns, and 1 inch for three to six cisterns.

Wherever a larger number than six cisterns is fixed, the size of the outlet shall be proportionally increased. The overflow from a storage tank shall be $1\frac{1}{4}$ inches in diameter, and a stop tap shall be fixed on the rising supply pipe to the tank.

Full way gate valves shall be provided between storage tank and flushing apparatus.

Section 194. *Supply Pipe Connexion With Flushing Cistern.*—In all water-closets, where directed, a piece of lead or copper pipe not less than 12 inches in length shall be used between the flushing cistern and the supply pipe.

The foregoing By-law was made and passed by the Benalla Sewerage Authority at a special meeting held on 12th March, 1936, and confirmed at a subsequent special meeting of the Authority held on the 16th April, 1936.

In witness whereof the common seal of the said Authority was affixed hereto in the presence of—

(SEAL) THOS. HANLON, Chairman.
R. G. CRIVELLI, Member.
R. J. MURRAY, Secretary.

Approved by the Governor in Council,
the 23rd June, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

19 George V. No. 3632, Sec. 108.
19 George V. No. 3792, Sec. 27.

NOTICE.

A RULE to administer the estate of each of the under-mentioned deceased persons has been granted to me, and creditors, next of kin, and all others having claims against the estate of any of the persons so mentioned are required to send particulars of their claims to the Curator of the Estates of Deceased Persons, No. 267 Queen-street, Melbourne, on or before the 5th September, 1936, or they may be excluded from the distribution of the estate when the assets are being distributed:—

DICKSON, JOSEPH FLETCHER (also known as Joseph Dickson), late of Deer Park, labourer, died on the 2nd February, 1936, intestate.

KELLY, WILLIAM, late of Horsham, pensioner, died on the 10th April, 1934, intestate.

SETCHEFIELD, JOHN WILLIAM, late of Drysdale, pensioner, died on the 19th April, 1936, intestate.

M. M. PHILLIPS,
Curator of the Estates of Deceased Persons.
Melbourne. 16th June, 1936.

BENALLA PUBLIC CEMETERY.

AMENDMENT TO SCALE OF FEES PUBLISHED IN THE "GOVERNMENT GAZETTE" OF 15TH APRIL, 1931.

IN pursuance of the powers conferred by the *Cemeteries Act* 1928, the Trustees of the Benalla Public Cemetery hereby rescind that portion of the Scale of Fees relating to land for private graves fronting main paths and corner blocks, and in lieu thereof make the following fees:—

	£ s. d.
Land for graves, 8 feet by 4 feet, fronting main paths	2 15 0
Land for graves, 8 feet by 4 feet, being corner blocks	4 0 0

Made at Benalla this 4th day of February, 1936.

J. SERPELL, J.P., Trustee.
THOS. HANLON, Trustee.
C. STOLZ, Trustee.

Approved by the Governor in Council,
the 16th June, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

Transport Regulation Acts.

TRANSPORT REGULATION BOARD.

NOTICES OF PUBLIC HEARINGS.

NOTICE is hereby given that the applications made by the persons named below for licence to operate the commercial passenger vehicles on the route or routes, or in the manner respectively set out opposite their names, will be heard on Wednesday, the 1st day of July, 1936, at half-past Ten a.m., at the Exhibition Buildings, Rathdown-street, Carlton:—

Name of Applicant; Nature of Application.

MARTYN, HAROLD THOMAS STANLEY; 1 International bus, with seating capacity for 17 persons, to be operated (a) within a radius of 8 miles from Daylesford railway station; (b) between Malmsbury and Kyneton, on Saturdays only; and (c) as a touring omnibus within a radius of 25 miles from Daylesford railway station, by transfer of full term licence from James Leonard Hope.

McLAREN, PETER; 1 commercial passenger vehicle of a type and with seating capacity to be approved by the Board, as a stage omnibus, and for the carriage of mails on the route Warburton-McVeigh's, via Big Pat's Creek and McMahon's Creek, by transfer of full term licence from W. E. Wilson.

PAGE, HONNON; 2 commercial passenger vehicles, each with seating capacity for 7 persons as stage omnibuses on the route Upper Beaconsfield-Melbourne and Upper Beaconsfield-Beaconsfield, by transfer of full term licence from Jean Mary Glynn.

(NOTE.—The vehicles to be used interchangeably, and not more than one vehicle on either route at any one time.)

THOMAS, ROLAND JOHN CLIFFORD; 1 Ford sedan for the carriage of mails and 5 passengers on the following routes:— (a) Boisdale-Maffra, via Nuntin-road and Stratford-Maffra-road; (b) Boisdale-Valencia Creek-Bushby Park-Briagolong.

NOTICE is hereby given that the applications made by the persons named below for licences to operate the commercial passenger vehicles or commercial goods vehicles described in each case on the route or routes, or in the manner respectively set out opposite their names, will be heard on Wednesday, the 1st day of July, 1936, or a day thereafter, at a time and place to be communicated to the parties:—

Name of Applicant; Nature of Application.

DOOLAN'S TRANSPORT SERVICE PROPRIETARY LIMITED; 1 commercial goods vehicle for the carriage of (a) general goods between Sunnyside and Bairnsdale, via Bruthen; and (b) live stock anywhere in Victoria.

FRANK, BEIT; 1 Ford roadster for the carriage of mails and parcels on the following route:—Birchip-Berriwillcock.

FLACK, CHARLES JOSEPH; 1 Diamond T truck for the carriage of general goods for hire or reward within a radius of 30 miles from the Edenhope Post Office, and general goods, mails, and 2 passengers, on the route Edenhope-Goroke on Tuesdays and Fridays of each week only.

NICHOLS, JAMES ALFRED; 1 Nash parlour coach, with seating capacity for 10 persons, as a stage omnibus on the route Albury-Mt. Buffalo on Sundays only, and under charter conditions within a radius of 100 miles from Albury.

Notice of any objection should be forwarded to reach the Secretary to the Board not later than Monday, the 29th day of June, 1936.

F. P. MOUNTJOY,
Secretary.

Exhibition Buildings, Rathdown-street, Carlton, N.3.

Dated this fifth day of June, One thousand nine hundred and thirty-six.

H. C. WINNEKE, Chairman.
State Coal Mine Industrial Tribunal.

Approved by the Governor in Council
(to come into operation on the 11th June, 1936),
the 23rd June, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

DEPARTMENT OF LANDS AND SURVEY.

At the Executive Council Chamber, Melbourne, the sixteenth day of June, 1936.

PRESENT:

His Excellency the Governor of Victoria.
Dr. Harris | Mr. Bailey.
Mr. Tuckett | Mr. Mackrell.

UNUSED AND UNMADE ROADS CLOSED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby direct that, in pursuance of the provisions of section 304 of the *Land Act 1928* (No. 3700), the unused and unmade road referred to hereunder be closed, viz.:—

Parish of Cooramook, County of Villiers, being the road lying between allotment 32A1, and allotment 32A2.—(C.306 (2) (C.33392).

LAND SET APART.—ORDERS REVOKED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth hereby revoke the undermentioned Orders in Council setting apart lands under section 6, *Discharged Soldiers Settlement Act 1917*:—

FRYERS.—The Order in Council of the 12th November, 1918, and published in the *Government Gazette* of the 20th idem, page 3333, in so far as it relates to allotments 16 and 7, section 20, Parish of Fryers.

FRYERS.—The Order in Council of the 25th August, 1927, and published in the *Government Gazette* of the 31st idem, allotments 10 and 10A, section 20, Parish of Fryers, containing 164 acres.

LEASES AND PERMITS SURRENDERED.—ORDER IN COUNCIL PARTLY REVOKED.

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, and in pursuance of the provisions of the *Closer Settlement Act 1928*, doth hereby revoke the Order in Council of the 13th June, 1933, and published in the *Gazette* of the 21st idem, accepting the surrender of certain leases and permits, in so far as it relates to allotments 173, 173A, and 173B, Parish of Mildura.

And the Honorable Albert Eli Lind, His Majesty's Commissioner of Crown Lands and Survey for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

REGULATIONS UNDER THE FARMERS ADVANCES ACT 1935.

At Parliament House, Melbourne, the twenty-third day of June, 1936.

PRESENT:

His Excellency the Governor of Victoria.

- | | |
|------------|--------------|
| Mr. Hogan | Mr. Tuckett |
| Mr. Bussau | Mr. Pye |
| Mr. Old | Mr. Mackrell |
| Dr. Harris | Mr. Hyland. |

HIS Excellency the Governor of the State of Victoria, by and with the advice of the Executive Council thereof, doth, in pursuance of the provisions of section 25 of the *Farmers Advances Act 1935*, hereby make the following Regulations, which shall be deemed to have come into operation as from the twenty-seventh day of December, 1935:—

1. Applications by farmers for advances under the provisions of the *Farmers Advances Act 1935* (hereinafter referred to as "the said Act") shall be made in the form set out in the First Schedule hereto (Form "A," "B," "C," or "D"), and shall be verified by statutory declaration.

2. Such applications when duly completed shall be forwarded to the local Inspector of Land Settlement, who shall report thereon and forward the same to the Secretary to the Closer Settlement Commission (which Commission is hereinafter referred to as "the Commission"), and the Commission shall, after due inquiry and investigation, thereupon approve or refuse the same.

3. The order authorizing a farmer to purchase such things as are indicated therein, and the statutory declaration to be furnished by the supplier, shall be in accordance with the form set out in the Second Schedule hereto, and shall be forwarded to the Commission when the articles have been supplied, so that payment may be made.

4. In order to secure the repayment of any advance under the said Act, or any previous enactment relating to Cultivation Act Advances, and the payment of interest thereon, a farmer shall, to the necessary extent, give to the Commission any security or securities which it may require. The preferable lien pursuant to section 12 of the said Act shall be in one of the forms ("E," "F," or "G") contained in the Third Schedule hereto, or to the effect thereof.

5. Local Inspectors of Land Settlement shall make regular inspections of the farms of farmers to whom advances under the provisions of the said Act, or the Cultivation Advances Acts, have been made, and shall forthwith report to the Secretary to the Commission any contravention of the said Act.

6. Fees shall be payable for the preparation of securities under the said Act (except where the person giving the security is a discharged soldier under Part II. of the *Closer Settlement Act 1928*), as follows:—

	s.	d.
Leasehold mortgage	10	6
Freehold mortgage	10	6
Stock mortgage	10	6
Hire purchase agreement	5	0
Lien on crop	5	0
Bill of sale	10	6
Assignments	5	0
Any other document not enumerated above	10	6

7. The forms set out in the schedules hereunder may be adopted with any modifications necessary to meet the requirements of any particular case, and any footnotes or explanatory notes therein shall be deemed to be part of these Regulations.

8. The provisions of the Acts Interpretation Acts shall apply to these Regulations.

SCHEDULES.

- 1st. Application for Advances: Cereal and Root Crops. (Form "A.")
- Application for Advances: Orchardists, Citrus Growers, Vine Growers, Small Fruit Growers (Berries, &c.). (Form "B.")
- Application for Tobacco Growing Advances. (Form "C.")
- Application for Advances: Grazing, Dairying, Mixed Farming. (Form "D.")
- 2nd. Authority Order and Statutory Declaration.
- 3rd. Preferable Lien. Forms "E," "F," and "G.")

CLOSER SETTLEMENT COMMISSION.

COUNTRY ROADS BOARD.

At the Executive Council Chamber, Melbourne, the
sixteenth day of June, 1936.

PRESENT:

His Excellency the Governor of Victoria.
Dr. Harris
Mr. Tuckett
Mr. Bailey
Mr. Mackrell

DECLARATION OF A DEVIATION FROM THE WOOLSTHORPE-BESSIEBELLE ROAD IN THE SHIRE OF MINHAMITE.

WHEREAS by section 58 of the *Country Roads Act 1928* (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the *Country Roads Act* has by Resolution declared a deviation to be a main road, the said Board may also declare that such deviation shall be in lieu of any existing road or part thereof named in such Resolution and that on publication in the *Government Gazette* of the Order confirming such Resolution the existing road or part thereof shall cease to be a main road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a main road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to the said Resolution and that such part of the existing road as is described in the Third Schedule to such Resolution shall be discontinued: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for Declaration of a Deviation under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the *Country Roads Act 1928* for the purpose of constructing such a road deviation which road deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 58 of the said Act doth by this present Resolution hereby declare the said road deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a main road within the meaning and for the purposes of the *Country Roads Act 1928*: And the said Board doth also declare that such deviation shall be in lieu of the existing road or part thereof described in the Second Schedule hereto and further that such part of the existing road as is described in the Third Schedule hereto shall be discontinued.

FIRST SCHEDULE.
Shire of Minhamite.

✓ *3. Woolsthorpe-Bessie Belle Road (10703).*—All that piece of land in the Parish of Kapong, the boundaries of which are as follow:—Commencing at an angle in the northern boundary of allotment 4A, section 5, of the said parish, formed by the intersection of lines bearing 34 deg. 30 min. and 116 deg. 40 min.; thence by lines bearing respectively 116 deg. 40 min. 255.6 links, 253 deg. 57 min. 250.5 links, 237 deg. 32 min. 246.5 links and 34 deg. 30 min. 385.7 links to the point of commencement.

Also all that piece of land in the Parish of Broadwater, and being a roadway 1 chain wide, the northern boundary of which commences at a point on the eastern boundary of section A (Dunmore pre-emptive right) of the said parish, distant 180 deg. 0 min. 2,996.7 links from the north-eastern angle of the said section; thence westerly and south-westerly through that section, across a 1-chain Government road, south-westerly through allotment 13, and westerly along the southern boundary of that allotment to its south-western angle.

NOTE.—The route of the portions of the roadway above described is more particularly delineated and shown coloured red and yellow on survey plans Nos. 3230 and 3255 lodged in the office of the Country Roads Board.

SECOND SCHEDULE.
Shire of Minhamite.

✓ *3. Woolsthorpe-Bessie Belle Road.*—All that piece of land in the Parish of Broadwater, and being a roadway 1 chain wide, a boundary of which commences at a point on the eastern

boundary of section A (Dunmore pre-emptive right) of the said parish, distant 180 deg. 0 min. 2,897.8 links from the north-eastern angle of the said section; thence northerly to the said angle and westerly to the north-western angle of allotment 13; thence southerly to the south-western angle of the allotment last named.

NOTE.—The route of the portion of roadway above described is more particularly delineated and shown coloured dark and light blue on survey plan No. 3255 lodged in the office of the Country Roads Board.

THIRD SCHEDULE.

Shire of Minhamite.

✓ *Woolsthorpe-Bessie Belle Road.*—All that piece of land in the Parish of Broadwater, the boundaries of which are as follow:—Commencing at the north-eastern angle of section A (Dunmore pre-emptive right) of the said parish; thence by lines bearing respectively 270 deg. 37 min. 9,928 links, 0 deg. 37 min. 100 links, 90 deg. 37 min. 10,027 links, 180 deg. 0 min. 2,993.8 links, 268 deg. 16 min. 100 links, and 360 deg. 0 min. 2,897.8 links to the point of commencement—whilst said piece of land is particularly delineated and shown coloured dark blue on survey plan No. 3255 lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed at Melbourne this eighth day of June One thousand nine hundred and thirty-six in the presence of—

(SEAL) W. McCORMACK, Chairman.
W. L. DALE, Member.
R. JANSEN, Secretary.

DECLARATION OF A DEVIATION FROM THE THORPDALE-YARRAGON ROAD IN THE SHIRE OF NARRACAN.

WHEREAS by section 58 of the *Country Roads Act 1928* (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the *Country Roads Act* has by Resolution declared a deviation to be a developmental road the said Board may also declare that such deviation shall be in lieu of any existing road or part thereof named in such Resolution and that on publication in the *Government Gazette* of the Order confirming such Resolution the existing road or part thereof shall cease to be a developmental road or be discontinued as provided in the Resolution: And whereas the said Board has by Resolution declared the deviation on the land described in the First Schedule to such Resolution to be a developmental road and has also declared that such deviation shall be in lieu of the part of the existing road being the land described in the Second Schedule to such Resolution: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution:

Resolution for Declaration of a Deviation under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the *Country Roads Act 1928* for the purpose of constructing such road deviation which road deviation has now been laid out and formed on the same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by section 58 of the Act aforesaid both by this present Resolution hereby declare the said road deviation the course of which is described in the First Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a developmental road within the meaning and for the purposes of the *Country Roads Act 1928*: And the said Board doth also declare that such deviation shall be in lieu of the existing road or part thereof described in the Second Schedule hereto.

FIRST SCHEDULE.
Shire of Narracan.

✓ *7. Thorpdale-Yarragon Road (11857).*—Commencing at a point on the eastern boundary of a Government road through allotment 31A, Parish of Moe, distant 189 deg. 44 min. 1,852 links; 297 deg. 21 min. 771 links, and 318 deg. 52 min. 250 links from the north-eastern angle of the said allotment; thence southerly across the said road and southerly and south-easterly through allotment 31A, south-easterly through allotment 31b, across a Government road and south-easterly, south-westerly, and south-easterly through allotment 48A to a point therein distant 99 deg. 44 min. 1,206.5 links, 1 deg. 39 min. 235 links, and 302 deg. 26 min. 110 links from the south-western angle of the said allotment 48A.

NOTE.—The route of the roadway above described is more particularly delineated and shown coloured red and yellow on survey plan No. 2649 lodged in the office of the Country Roads Board.

SECOND SCHEDULE.

Shire of Narracan.

DECLARATION OF THE NEW SUNNY CREEK ROAD IN THE SHIRE OF NARRACAN.

WHEREAS by sections 21 and 78 of the *Country Roads Act 1923* (No. 3662) it is amongst other things enacted that when the Country Roads Board under the provisions of the Country Roads Act has taken the land necessary for constructing a road or deviation it shall as soon as it thinks such road or deviation is fit to be used as a public highway by Resolution declare the road or deviation to be a developmental road of part thereof and that upon publication in the *Government Gazette* of the Order of the Governor in Council confirming such Resolution such road or deviation shall thereupon be a developmental road or part thereof within the meaning of the *Country Roads Act 1923*: And whereas the said Board has by Resolution declared the road on the land described in the Schedule to such Resolution to be part of a developmental road: Now therefore His Excellency the Governor of the State of Victoria by and with the advice of the Executive Council thereof doth hereby confirm the said Resolution.

Resolution for Declaration of a New Developmental Road under the Country Roads Act.

Whereas the land the site of the road the course of which is below set out was taken by the Board under the provisions of the Country Roads Act for the purpose of constructing such new road which new road has now been laid out and formed on same: And whereas the said Board (being the Country Roads Board incorporated under the said Act) thinks that the road aforesaid is fit to be used as a public highway such Board at a meeting now holden acting under the authority conferred upon it by sections 21 and 78 of the *Country Roads Act 1923* doth by this present Resolution hereby declare the said new road the course of which is described in the Schedule hereto with the commencing and terminating points thereof respectively specified to be part of a developmental road within the meaning and for the purposes of the *Country Roads Act 1923*.

SCHEDULE.

Shire of Narracan.

31. *Sunny Creek Road* (11881).—Commencing at its junction with the Prince's Highway at the north-western angle of allotment 160, Parish of Moe; thence southerly along a Government road for a distance of 35 chains, more or less, south-easterly through allotment 160, south-easterly and south-westerly through allotment 162, southerly along the aforesaid Government road and south-westerly through allotment 35, section A, westerly and southerly along the Government road to a point on the eastern boundary of allotment 40A, distant

24 chains, more or less, from the north-eastern angle of that allotment; thence generally southerly through allotments 40A, 40, 42A, 42B, 42A, and 44A to a point on the southern boundary of the allotment last named, distant 14½ chains, more or less, from the south-eastern angle thereof; thence generally south-easterly through allotments 44B and 45, south-easterly and south-westerly through allotment 47, and generally south-westerly through allotments 46B, 48, and 31A to a point on the eastern boundary of a Government road through the last-named allotment, distant 189 deg. 44 min. 1,852 links, 297 deg. 21 min. 771 links, and 318 deg. 52 min. 250 links from the north-eastern angle of the said allotment 31A.

NOTE.—The route of the roadway above described is more particularly delineated and shown coloured red and yellow on survey plans numbered 1982, 1992, 2430, 2630, and 2649 lodged in the office of the Country Roads Board.

The common seal of the Country Roads Board was hereto affixed at Melbourne this eighth day of June One thousand nine hundred and thirty-six in the presence of—

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF HEYTESBURY.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1923* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Scott's Creek-Carpentait road in the Shire of Heytesbury should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Corriejong, the boundaries of which are as follows:—Commencing at a point on the northern boundary of allotment 52A of the said parish, distant 264 deg. 53 min. 2,709 links from the north-eastern angle of that allotment; thence by lines bearing respectively 240 deg. 30 min. 495 links, 270 deg. 53 min. 323.8 links, 286 deg. 38 min. 460 links, and 84 deg. 53 min. 1,200 links to the point of commencement—which said piece of land is particularly delineated and shown coloured red on survey plan No. 3449 lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW DEVELOPMENTAL ROAD IN THE SHIRE OF TAMBO.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1923* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Nowa Nowa-Buchan-Gelantipy road in the Shire of Tambo should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Murrindal West, and being a roadway generally 2 chains wide, the western boundary of which commences at a point on the eastern boundary of allotment 32A of the said parish, distant 172 deg. 23 min. 381 links, 164 deg. 25 min. 1,171 links, 182 deg. 57 min. 396 links, and 216 deg. 14 min. 470.9 links from the north-eastern angle of that allotment; thence generally northerly through the said allotment and allotments 42 and 43 to a point on the eastern boundary of the allotment last named, distant 341 deg. 40 min. 1,386 links, and 326 deg. 30 min. 1,225.6 links from the south-eastern angle of the said allotment 43.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 3433 lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW STATE HIGHWAY IN THE SHIRES OF BULLA AND MELTON.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Calder Highway in the Shires of Bulla and Melton should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new highway is proposed to be made and the cost of acquiring the land and constructing the said new highway: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new highway: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said highway being made, that is to say:—

All that piece of land in the Parish of Holden, and being a roadway generally 1 chain wide, the north-eastern boundary of which commences at a point on the southern boundary of allotment 8, section 5, of the said parish, distant 89 deg. 35 min. 231 links from the south-western angle of that allotment; thence north-westerly through the said allotment and allotment 5 to a point on the western boundary of the allotment last named, distant 180 deg. 50 min. 739.5 links from the north-western angle of the said allotment 5.

NOTE.—The route of the portion of the roadway above described is more particularly delineated and shown coloured red on survey plan No. 3427 lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW STATE HIGHWAY IN THE SHIRE OF WARRNAMBOOL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Prince's Highway in the Shire of Warrnambool should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new highway is proposed to be made and the cost of acquiring the land and constructing the said new highway: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new highway: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said highway being made, that is to say:—

All that piece of land in the Parish of Wangoom, the boundaries of which are as follow:—Commencing at the north-western angle of allotment 2, section 1, of the said parish; thence by lines bearing respectively 90 deg. 0 min. 394 links, 261 deg. 27 min. 399 links, 249 deg. 17 min. 327.2 links, and 60 deg. 17 min. 353 links to the point of commencement— which said piece of land is particularly delineated and shown coloured red on survey plan No. 3451 lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW MAIN ROAD IN THE SHIRE OF HEYTESBURY.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the Cobden-Port Campbell-Princetown road in the Shire of Heytesbury should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land

and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Paaratte, the boundaries of which are as follow:—Commencing at an angle in the eastern boundary of the existing Country Roads Board road through allotment 6b, section 9, of the said parish, formed by the intersection of lines bearing 323 deg. 54 min. and 36 deg. 11 min.; thence by lines bearing respectively 36 deg. 11 min. 284.2 links, 184 deg. 32 min. 363.1 links, and 323 deg. 54 min. 200 links to the point of commencement— which said piece of land is particularly delineated and shown coloured red on survey plan No. 3450 lodged in the office of the Country Roads Board.

ORDER APPROVING OF A NEW MAIN ROAD IN THE SHIRE OF WOORAYL.

WHEREAS the Country Roads Board constituted under the *Country Roads Act 1928* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the new Grand Ridge road in the Shire of Woorayl should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on through what land the said new road is proposed to be made and the cost of acquiring the land and constructing the said new road: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said new road: Now therefore be it known by this present Order that His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said road being made, that is to say:—

All that piece of land in the Parish of Allambee, the boundaries of which are as follow:—Commencing at a point on the south-eastern boundary of allotment 45c of the said parish, distant 242 deg. 9 min. 3,278 links from the eastern angle of that allotment; thence by lines bearing respectively 5 deg. 49 min. 298 links, 130 deg. 25 min. 172 links, 59 deg. 26 min. 270.7 links, 211 deg. 34 min. 199 links, and 242 deg. 9 min. 328 links to the point of commencement— which said piece of land is particularly delineated and shown coloured red on survey plan No. 3446 lodged in the office of the Country Roads Board.

And the Honorable George Louis Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

SALE SEWERAGE AUTHORITY.

At the Executive Council Chamber, Melbourne, the sixteenth day of June, 1936.

PRESENT:

His Excellency the Governor of Victoria.	
Dr. Harris	Mr. Bailey
Mr. Tuckett	Mr. Mackrell.

SEWERAGE DISTRICT PROCLAIMED AND AUTHORITY CONSTITUTED.

UNDER the powers conferred by the Sewerage Districts Acts and all other powers enabling him in that behalf, His Excellency the Governor of the State of Victoria, with the advice of the Executive Council of the said State, doth hereby approve of the application of the Sale Town Council for the proclamation of a sewerage district, and for the constitution of a Sewerage Authority to carry out works for the sewerage of Sale for the purpose of the said Acts, and doth hereby appoint as follows:—

(a) That the amount of loan moneys to be borrowed by such Sewerage Authority shall be Sixty-seven thousand pounds (£67,000), and the amount which may be borrowed by way of overdraft shall be Five thousand pounds (£5,000).

(b) That the principal works to be constructed or carried out by the Sewerage Authority shall consist of reticulation and branch sewers, main sewers, pumping plants, and treatment works.

(c) That the limits of the land within which the said Sewerage Authority shall have authority shall be those comprised within the following boundaries:—Commencing at the intersection of the centre line of the Sale and Bairnsdale railway and the northern boundary of Crown allotment 74, section 1, Parish of Sale, County of Tanjil; thence easterly along the northern boundary of the said Crown allotment 74, to its north-eastern angle and by a line across a road to the north-western angle of Crown allotment 75, section 1, and along the northern boundary of the said Crown allotment 75 to its north-eastern angle; thence southerly along the eastern boundary of the said Crown allotment 75, to its south-eastern angle; thence easterly along the northern boundaries of Crown allotments 67 and 66, section 1, to the north-eastern angle of the said Crown allotment 66 and by a line across a road to the north-western angle of Crown allotment 65, section 1, and along the northern boundaries of Crown allotments 65, 64, 63, and 62, section 1, to the north-eastern angle of the said Crown allotment 62 and by a line across a road to the north-western angle of Crown allotment 61, section 1, and along the northern boundaries of Crown allotments 61, 60, 59, and 58, section 1, to the north-eastern angle of the said Crown allotment 58 and by a line across a road to the north-western angle of Crown allotment 57, section 1, and along the northern boundaries of Crown allotments 57, 56, 55, 54, and 53, section 1, to the north-eastern angle of the said Crown allotment 53, and by a line across a road to the north-western angle of Crown allotment 52, section 1, and along the northern boundary of the said Crown allotment 52, to its north-eastern angle; thence southerly along the eastern boundary of the said Crown allotment 52 to its south-eastern angle and by a line across a road to the north-eastern angle of Crown allotment 20, section 1, and along the eastern boundaries of Crown allotments 20, 19, 18, and 17, section 1, to the south-eastern angle of the said Crown allotment 17, and by a line across a road to the north-eastern angle of Crown allotment 16, section 1, and along the eastern boundaries of Crown allotments 16, 15, 14, and 13, section 1, to the south-eastern angle of the said Crown allotment 13 and by a line across a road to the north-eastern angle of Crown allotment 12, section 1, and along the eastern boundaries of Crown allotments 12, 11, 10, and 9, section 1, to the south-eastern angle of the said Crown allotment 9; thence westerly along the southern boundary of the said Crown allotment 9, and by a line being a continuation thereof across a road to a point on the eastern boundary of the Botanical Gardens Reserve; thence northerly along the eastern boundary of the said Botanical Gardens Reserve to its north-eastern angle; thence westerly along the northern boundaries of the Botanical Gardens Reserve and the reserve for water conservation and extension of Botanical Gardens to a point on a line parallel to the eastern boundaries of Crown allotments 4, 5, and 6, section A, Town of Sale, and distant 4 chains easterly therefrom; thence southerly by the said line parallel to the eastern boundaries of Crown allotments 4, 5, and 6, and distant 4 chains easterly therefrom to a point in line with the southern boundary of Crown allotment 7, section 1A, Town of Sale; thence westerly by a line through Crown lands and across a road to the south-eastern angle of the said Crown allotment 7, and along its southern boundary and by a line being a continuation thereof across a road and across a reserve for ornamental plantation, and across a reserve for railway purposes to a point on the centre line of the wharf railway; thence north-westerly, westerly, and northerly along the said centre line of the wharf railway to a point in line with the northern boundary of Crown allotment 9, section 90, Town of Sale; thence by a line bearing west across a railway reserve and across Crown lands to a point on the left bank of the Flooding Creek; thence north-westerly along the said left bank of the Flooding Creek to the boundary of a reserve for railway purposes; thence easterly along the southern boundary of the said reserve for railway purposes to its most easterly angle; thence north-westerly along the north-eastern boundary of the said reserve for railway purposes to its most northerly angle; thence by a line bearing north across the eastern railway reserve to a point on the centre line of the eastern railway; thence easterly along the said centre line to the eastern railway to the centre line of Sale and Bairnsdale railway; thence northerly along the centre line of the said Sale and Bairnsdale railway to the point of commencement, all of which boundaries are as shown on a plan approved by the Governor in Council, and deposited in the office of the State Rivers and Water Supply Commission, Melbourne.

(d) That the councillors for the time being of the Sale Town Council shall be the members of the Sewerage Authority.
 (e) That the name of the authority shall be Sale Sewerage Authority.

And the Honorable Francis Edward Old, His Majesty's Minister of Water Supply for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
 Clerk of the Executive Council.

APPROACHING LAND SALES.

SALES of Crown Lands in fee-simple to be held at the undermentioned places and dates, viz.:

	No. of Gazette.
Avoca.—Tuesday, 14th July, 1936	114
Heathcote.—Wednesday, 8th July, 1936	114
Mansfield.—Monday, 27th July, 1936	124
Maryborough.—Friday, 10th July, 1936	114
Stuart Mill.—Tuesday, 21st July, 1936	114

Lands and Survey Office, Melbourne.

SALES BY AUCTION.

The lands will be sold in fee-simple, and subject to the covenants, conditions, exceptions, and reservations directed by the Governor in Council by an Order in Council dated the 5th August, 1930, and published in the *Government Gazette* of the 8th August, 1930.

A deposit of twelve and a half per centum of the price at which each lot is sold must be paid by the purchaser at the time of sale, and all such payments shall be made only in gold, silver, or bank notes, or cheques approved by the officer conducting the sale, and the residue of such price will be payable in equal instalments, in accordance with the scale hereunder, on the last day of each successive period of six months from the time of sale, or, if the purchaser choose, at any earlier time or times; such residue of payment will bear interest at the rate of 5 per centum per annum, to be computed from the time of sale to the time of payment of such residue or instalment of such residue.

The Governor in Council may, if he thinks fit, register the transfer of the interest of any purchaser of an allotment sold by public auction prior to the final payment of the purchase money being made. The fee for such registration shall be One pound.

SCALE OF PAYMENT OF RESIDUE.

- £20 and under, 6 instalments.
- Over £20, and not exceeding £50, 8 instalments.
- Over £50, and not exceeding £100, 10 instalments.
- Over £100, and not exceeding £200, 12 instalments.
- Over £200, and not exceeding £300, 14 instalments.
- Over £300, and not exceeding £400, 16 instalments.
- Over £400, and not exceeding £500, 18 instalments.
- Over £500, 20 instalments.

FEEs, ETC.

The fees payable on deeds of grant must be paid with the balance of purchase money. The following is the scale:—

- 50 acres and under, £1 10s.
- Over 50 acres, £2.
- When purchase money does not exceed £5, the grant fee is £1.

In the event of the whole of the purchase money being paid at the time of sale, the fee for Crown grant and assurance (one half-penny in the pound) must be paid to the officer conducting the sale.

Valuations of improvement (if not purchased by the owner thereof) and charges for survey must also be paid at the time of sale.

A. E. LIND,
 Commissioner of Crown Lands and Survey.

Office of Lands and Survey,
 Melbourne, 23rd June, 1936.

MANSFIELD.—Sale. (No. 10088) of Crown lands in fee-simple will be held at the COURT HOUSE, MANSFIELD, on MONDAY, the 27th day of JULY, 1936, at TWO o'clock p.m. To be conducted by E. T. PETERING, Land Officer, Seymour. Auctioneers: F. C. BUCKLAND & CO., Mansfield.

TERMS AND CONDITIONS.

Deposit to be lodged with tender by bank draft, money order, or non-negotiable cheques, as follows:—10 per cent. of price offered.

A further payment equal to 10 per cent. of the purchase price will be payable in each of the following second, fourth, sixth, and eighth years, and the balance of the purchase money in ten years. Interest on the unpaid balance to be paid half-yearly at the rate of 4½ per cent. per annum.

No residence condition.

Improvements to be maintained and insured.

Crown grant on completion of purchase.

Purchaser may pay full balance of purchase money prior to the due date, or may, prior to final payment, transfer his interest in the purchase (fee, £1).

The highest or any tender not necessarily accepted.

J. D. COADY,
Secretary.

Melbourne, 23rd June, 1936.

COMMITTEES OF MANAGEMENT OF RESERVES.

APPOINTMENTS.

WHEREAS by section 184 of the *Land Act 1928* it is provided that it shall be lawful for the Governor in Council or the Board of Land and Works to appoint and remove any number of persons, not less than three, or any municipal council, or the governing body of any corporation, to be a Committee of Management of any specified Crown land reserved either temporarily or permanently for any of the purposes set out in section 14 of the *Land Act 1928*, and not conveyed to or vested in trustees: Now therefore the Board of Land and Works doth hereby appoint the undermentioned persons to be Members of the Committees of Management of the Reserves named:—

"DARTMOOR PUBLIC HALL."

In witness whereof the common seal of the Board of Land and Works was hereunto affixed this eighteenth day of June, One thousand nine hundred and thirty-six, in the presence of—

(SEAL) A. E. LIND, President.
W. McILROY, Member.

ADDITIONAL REGULATION FOR THE CARE, PROTECTION, AND MANAGEMENT OF THE ALBERT PARK RESERVE.

WHEREAS by the 181st section of the *Land Act 1928*, power is given to the Board of Land and Works to make Rules and Regulations for the care, protection, and management of all public parks and reserves not conveyed to or vested in trustees, and for the preservation of good order and decency therein, and also for the collection and receipt of tolls, entrance fees, and other charges for entering therein or thereupon: Now therefore the Board of Land and Works, in pursuance of the powers conferred as aforesaid doth hereby make the following Regulation in respect of so much of the land described in the Schedule to the *Albert Park Land Act 1932* as remains subject to the permanent reservation made by Order in Council of 21st March, 1876, as a site for a Public Park in the Town of Emerald Hill (now City of South Melbourne) and the Municipal District of St. Kilda, and known as "Albert Park."

REGULATION.

Subject to the Regulations made by the Board of Land and Works on 26th May, 1933, the Reserve shall be open to the public free of charge, except those sites occupied with the consent of the Committee of Management by the South Melbourne Cricket Club and the St. Kilda Cricket Club respectively, to or upon which the right of any person to enter shall be subject to the payment of a charge not exceeding 3s. on any of such days, being not more than 52 in any one year, as such site may be used for cricket or football matches, fêtes, sports, entertainments, or other amusements: Provided that, on days on which a charge is not being made, no person shall be allowed to enter any stand or building on either of these sites without the permission of the Committee of Management.

The Reserve has been placed under the control of a Committee of Management with power and authority to enforce the foregoing Regulations.

Every person offending against these Regulations shall, in accordance with the provisions of section 181 of the *Land Act 1928*, for each offence be liable to a penalty of not more than five pounds (£5), and every person who knowingly and wilfully offends against any such Regulations, and who, after he has been warned by any bailiff of Crown lands, or by any member of the Police Force, does not desist from so offending, may be forthwith apprehended by such Bailiff or member of the Police Force, and taken before some justice to be dealt with according to law, and shall be liable to a penalty of not more than Ten pounds (£10).

The common seal of the Board of Land and Works was hereunto affixed this eighteenth day of June, 1936, in the presence of—

(Rs.3321.) (SEAL) A. E. LIND, President.
W. McILROY, Member.

PROPOSED REVOCATION OF TEMPORARY RESERVATIONS OF LANDS BY ORDERS IN COUNCIL.

IN pursuance of the provisions of the *Land Act 1928*, notice is hereby given that it is the intention of the Governor in Council to revoke the temporary reservations of lands by Orders in Council hereunder referred to, viz.:

The following Notices were published 1° on the 3rd June, 1936, pursuant to Orders of the 26th May, 1936.

GRETA.—The temporary reservation by Order in Council of the 4th October, 1875, of 55 acres 34 perches in the Parish of Greta, being part of section 28, as a site to afford access to water, revoked as to part by Order of the 18th May, 1915, as to the balance thereof, comprising 22 acres 1 rood 10 perches.—(G.13(*) (Rs.1269).

GRETA.—The temporary reservation by Order in Council of the 15th June, 1915, of 10 acres in the Parish of Greta, as a site for Public Recreation.—(G.131(*) (Rs.4157).

CARCHAP.—The temporary reservation by Order in Council of the 14th March, 1882, of 4 acres 3 roods 39 perches in the Parish of Carchap, as a site for Public purposes (State School).—(C.431(*) (C.83507).

ARARAT.—The temporary reservation by Order in Council of the 30th June, 1873, of 7 acres 9 perches in the Borough of Ararat, as a site for Gaol purposes.—(A.148(*) (Rs.4546).

The following Notices were published 1° on the 10th June, 1936, pursuant to Orders of the 2nd June, 1936.

MORTLAKE.—The temporary reservation by Order in Council of the 19th December, 1892, of 1 rood 24 perches in the Town of Mortlake, as a site for Museum.—(M.210(*) (Rs.2857).

MORTLAKE.—The Order in Council of the 9th August, 1881, temporarily reserving 32 perches in the Town of Mortlake, as a site for Mechanics' Institute, in addition to and adjoining the site temporarily reserved therefor by Order of the 10th August, 1863, being part of allotment 4 of section 10, and withholding from sale, leasing, and licensing.—(M.210(*) (Rs.2194).

KOO-WEE-RUP.—The temporary reservation by Order in Council of the 27th August, 1918, of 93 acres 1 rood 11 perches in the Parish of Koo-wee-rup, as a site for Supply of Gravel, revoked as to part by Order of the 14th April, 1932, as regards the balance thereof, comprising 49 acres 3 roods 19 perches.—(K.118(*) (Rs.1837).

MORTLAKE.—The Order in Council of the 10th August, 1863, temporarily reserving 32 perches of land at Mortlake, as a site for a Mechanics' Institute.—(M.210(*) (Rs.2194).

LANGWORNOR.—The temporary reservation by Order in Council of the 16th November, 1871 (see *Government Gazette* 1871, page 2083) of 2 acres in the Parish of Langwornor, as a site for Common School purposes.—(L.132(*) (C.83140).

The following Notice was published 1° on the 17th June, 1936, pursuant to Order of the 9th June, 1936.

JEFFCOTT.—The Order in Council of the 22nd November, 1880, temporarily reserving 40 acres 3 roods 22 perches in the Parish of Jeffcott as a site for Public purposes (revoked as to parts by Orders of the 16th February, 1892, and 14th May, 1913), and withholding from sale, leasing, and licensing, so far as regards the portion thereof hereinafter described, viz.:—3 acres, Parish of Jeffcott, County of Kara Kara, being allotment 78c: Commencing at a point bearing S. 82 deg. 28 min. W. 500 links from the north-west angle of allotment 77; bounded thence by lines bearing S. 7 deg. 32 min. E. 750 links, S. 82 deg. 28 min. W. 400 links, and N. 7 deg. 32 min. W. 750 links; and thence by a road bearing N. 82 deg. 28 min. E. 400 links to the commencing point.—(J.36(*) (Rs.1465) (681/129).

The following Notice was published 1° on the 24th June, 1936, pursuant to Order of the 16th June, 1936.

MAGEPPA.—The Order in Council of the 5th October, 1874, temporarily reserving 99 acres 3 roods 24 perches in the Parish of Mageppa, being allotment 30, as a site for Public purposes.—(M.460A(*) (01939/121).

COMMON ABOUT TO BE DIMINISHED.

IN pursuance of the provisions contained in Division 10 of Part I. of the *Land Act 1928* (No. 3709), notice is hereby given that it is the intention of the Governor in Council to diminish the common hereinafter mentioned, viz.:

The following Notice was published 1° on the 10th June, 1936, pursuant to Order of the 2nd June, 1936.

The Braxholme Town Common (see *Gazette* 1860, page 2288), by the excision therefrom of the areas hereinafter described, viz.:—(1) 2 acres 1 rood 22 perches, Town of Braxholme, Parish of Braxholme, County of Normanby, being allotment 52:—Commencing at the north-east angle of allotment 38; bounded thence by said allotment bearing west 505 5-10 links, by a road bearing north 0 deg. 13 min. east 478 links; and thence by lines bearing east 493 6-10 links and south 1 deg. 13 min. east 478 links to the commencing point. (2) 5 acres 3 roods, Town of Braxholme, Parish of Braxholme, County of Normanby, being allotment 40A:—Commencing at the south-west angle of allotment 40; bounded thence by a road bearing west 346 links; by the Gravel Reserve and a road bearing north 1 deg. 13 min. west 1,360 links; by a road bearing south 66 deg. 31 min. east 700 5-10 links; by Charles-street bearing south 1 deg. 6 min. east 381 links; and thence by allotment 40 bearing south 89 deg. 2 min. west 287 links and south 0 deg. 58 min. east 695 links to the commencing point.—(B.461(*) (Z.23974, Z.23975).

A. E. LIND,
Commissioner of Crown Lands and Survey.

PUBLIC HEARINGS BY PERSONS APPOINTED UNDER THE 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that at the times and places mentioned in the schedule hereunder, applications for leases and licences under the Land Acts, objections to such applications, objections to proposed proclamations, alterations, additions, diminutions, revocations or unions of commons, and reasons against forfeiture of any leases or licences under the Land Acts deemed liable to forfeiture, will be publicly heard by the persons whose names are set opposite such places respectively in such schedule, being persons appointed by me, the responsible Minister of the Crown administering the Land Acts, to hear the same and report thereon in writing to me.

A. E. LIND,
Commissioner of Crown Lands and Survey, and
President of the Board of Land and Works.

Department of Lands and Survey,
Melbourne, 24th June, 1936.

SCHEDULE.

BALLARAT, Tuesday, 7th July, 1936, at Ten a.m., R. J. Thomson.

HEATHCOTE, Wednesday, 8th July, 1936, at half-past Ten a.m., E. T. Petering.

MELBOURNE, Wednesday, 8th July, 1936, at Ten a.m., S. L. V. Smith.

HEARING OF REASONS AGAINST THE FORFEITURE OF CERTAIN LICENCES BY PERSON APPOINTED UNDER 34TH SECTION OF THE LAND ACT 1928.

NOTICE is hereby given that reasons against the forfeiture of the licence in the schedule hereto, which is deemed liable to forfeiture under the provisions of the Land Acts, will be publicly heard by the persons appointed by me, the responsible Minister of the Crown administering the said Acts, to hear the same and report thereon in writing to me, when the person in the said schedule mentioned as holder of such licence will be allowed to show cause against the same at the places and on the dates mentioned in the schedule hereto, and before the persons therein mentioned in the first and second columns respectively set opposite the name of said licensee.

A. E. LIND,
Commissioner of Crown Lands and Survey.

Department of Lands and Survey,
Melbourne, 24th June, 1936.

SCHEDULE.

BALLARAT, 7th July, 1936, R. J. Thomson, Land Officer—

Melbourne, 24th June, 1936.

PRIVATE ADVERTISEMENTS.

CITY OF BENDIGO.

REGULATION NO. 60.

A Regulation of the City of Bendigo made by special order of the Municipal Council of the said City in pursuance of the *Local Government Act 1928*, and by virtue of a By-law numbered 6 now in force in the said City, for repealing part of Regulation No. 44 of the said City, and providing for the charging, collection, and receipt of fees or other charges at the Sports Ground, Rosalind Park, for entering therein or thereupon.

IN pursuance of the *Local Government Act 1928*, the Mayor and Councillors of the City of Bendigo make the following Regulations:—

1. That part of clause 5 of Regulation No. 44, namely:— "For senior football matches, 25 per cent. of gross takings at gates and grandstand, with a minimum of One pound for each," be and the same is hereby repealed.

2. That the following charges shall be demanded and collected by the City Council. For senior football matches—10 per cent. of gross takings at gates and grandstand, with a minimum of One pound for each match.

Resolution for passing this Regulation agreed to by the Council on the fourteenth day of May, and confirmed on the eleventh day of June, 1936.

The common seal of the Mayor, Councillors, and Citizens of the City of Bendigo was hereto affixed in the presence of—

(L.S.) J. A. MICHELSEN, Mayor,
A. STAPLES, Councillor,
W. M. BOLTON, Councillor,
F. T. AMER, Town Clerk.

5431

CITY OF SOUTH MELBOURNE.

BY-LAW NO. 305.

A By-law of the City of South Melbourne made under the Local Governments Acts, and numbered 305, for—

(a) prohibiting the deposit or leaving of refuse or rubbish on streets, roads, lanes, or passages;

(b) prohibiting the deposit or leaving of refuse or rubbish on any land; and

(c) requiring the removal or destruction by the owner or occupier of any land of refuse or rubbish thereon.

IN pursuance of the powers conferred by the Local Government Acts, the Mayor, Councillors, and Citizens of the City of South Melbourne order as follows:—

1. No person shall deposit or leave any refuse or rubbish on any street, road, lane, or passage.

2. No person shall deposit or leave any refuse or rubbish on any land.

3. The owner or occupier of any land shall remove or destroy all refuse or rubbish thereon (other than refuse or rubbish the removal of which the Council of the City of South Melbourne has undertaken or contracted for under section 30 of the *Health Act 1928*).

4. This By-law shall apply to and have operation throughout the whole of the Municipal District of the City of South Melbourne.

Resolution adopting this By-law was agreed to by Council on the 13th day of May, 1936, and confirmed on the 10th day of June, 1936.

(L.S.) R. NUZUM, Mayor,
A. L. PARRY, Councillor,
H. ALEXANDER, Town Clerk.

5411

CITY OF PRAHRAN.

NOTICE OF INTENTION TO BORROW THE SUM OF £27,000 (TWENTY-SEVEN THOUSAND POUNDS) FOR PERMANENT WORKS AND UNDERTAKINGS IN THE CITY OF PRAHRAN.

TAKE notice that the Council of the City of Prahran proposes to borrow on the credit of the Mayor, Councillors, and Citizens of the said City the sum of Twenty-seven thousand pounds, such sum to be raised by the issue of debentures in accordance with the provisions of the *Local Government Act 1928*.

The rate of interest to be paid is £4 5s. per centum per annum.

Such money shall be repayable by sixty equal half-yearly instalments of £800 8s. 5d., including principal and interest, by providing out of the municipal fund the above amounts on the first day of April, and the first day of October in each respective year during the currency of the loan.

Such moneys shall be repayable at the Town Hall, Prahran.

The purposes for which the loan are to be applied are as follows:—

The making of streets and roads	£26,000
Improvements to the markets	1,000
	£27,000

The plans, specifications, and estimate of the cost of the works referred to above, and a statement showing the proposed expenditure of the money to be borrowed, are open for inspection at the Town Hall, Prahran.

Dated this 24th day of June, One thousand nine hundred and thirty-six.

JOHN ROMANIS, Town Clerk.

SHIRE OF MORWELL.

NOTICE is hereby given that the Council, at the Ordinary Meeting held on the 17th day of June, 1936, appointed Ronald James Matheson, of Yallourn, as poundkeeper of the Yallourn Pound, vice George Galloway, deceased.

K. W. BLACK,
Acting Shire Secretary.

5477

SHIRE OF TOWONG.

By-Law No. 17.

A By-law of the Shire of Towong made under the Health Acts, and numbered 17, for prescribing fees to be paid to the Council for registration and renewal and transfer of registration of certain premises.

IN pursuance of the powers conferred by the Health Acts, the President, Councillors, and Ratepayers of the Shire of Towong order as follows:—

1. By-law No. 12 is hereby repealed.
2. The fees to be paid to the Council for each registration or renewal of registration of and in respect of the several classes of premises hereunder specified shall be those set opposite to such classes of premises respectively, namely:—

Nature of Premises; Fees Payable.

- Offensive trades premises.—Two pounds.
- Cattle saleyards.—One pound.
- Boarding-houses.—Ten shillings.
- Eating-houses.—Ten shillings.
- Common lodging-houses.—Ten shillings.
- Premises (whether a licensed victualler's premises or not) on which are manufactured or prepared for sale ices, ice cream, ginger beer, hop beer, or any other similar beer, lemonade, cordials, soda water, lithia water, or any other mineral water, or any artificially aerated water.—Five shillings.
- Premises at or in any part of which eggs for sale are received or stored for the purpose of being chilled.—Ten shillings.

3. The fee to be paid to the Council for any transfer of registration of any of the above named shall be Two shillings and sixpence.
4. This By-law shall apply to and have operation throughout the whole of the Municipal District of the Shire of Towong.

Resolution for passing this By-law agreed to by the Council on the second day of March, 1936, and confirmed on the sixth day of April, 1936.

The common seal of the President, Councillors, and Ratepayers of the Shire of Towong was affixed in the presence of—

(SEAL) WM. J. PATON, President.
A. SUTHERLAND, Councillor.
W. H. MADDOCK, Shire Secretary.

Submitted to the Commission of Public Health on the 19th May, 1936.—C. H. ROBINSON, Secretary to the Commission.

Approved by the Governor in Council, the 2nd June, 1936.—
C. W. KINSMAN, Clerk of the Executive Council. 5405.

GAVAN DUFFY & KING, National Trustees Building, No. 125 Queen-street, Melbourne, solicitors for the said company. 5440

RE THOMAS STEPHENS, DECEASED.

PURSUANT to the *Trustee Act 1928*, notice is hereby given that Thomas Norman Stephens, of Flinders-street, Melbourne, the sole administrator of the estate of the said Thomas Stephens, late of 27 North-street, Ascot Vale, in the State of Victoria, retired railway official, deceased (who died on the twenty-ninth day of April, One thousand nine hundred and thirty-six), intends to convey or distribute the estate of the said deceased to or among the persons entitled thereto, and require all persons and creditors interested to send to Thomas Norman Stephens, care of his solicitors, Messrs. Coy and England, of 352 Collins-street, Melbourne, on or before the twenty-fifth day of August, One thousand nine hundred and thirty-six, particulars, in writing, of their claim against the said estate, after which date the said Thomas Norman Stephens may convey or distribute the said estate to or among the persons entitled thereto, having regard only to claims, whether formal or not, of which it shall then have had notice.

Dated this 19th day of June, 1936.

COY & ENGLAND, proctors for the administrator. 5442

NOTICE TO CREDITORS AND OTHERS.—*RE* LUCY ANN ELIZA ALLEE, DECEASED.

PURSUANT to the *Trustee Act 1928*, notice is hereby given that Edward Benjamin Green, of "Ormiston," 330 St. Kilda-street, Brighton, in the State of Victoria, gentleman, and Joseph Macnaughtan, of Queen-street, Melbourne, in the said State, estate agent, the executors to whom probate of the will of Lucy Ann Eliza Allee, late of 76 Orrong-road, Elsterwick, in the said State, widow, deceased (who died on the fourth day of March, 1936), was granted by the Supreme Court of the said State, in its probate jurisdiction, on the twenty-seventh day of May, 1936, intend to convey or distribute the estate of the said deceased to or among the persons entitled thereto, and require all persons and creditors interested to send particulars, in writing, of their claims against the said estate to the said executors, at 106 Queen-street, Melbourne, on or before the twenty-seventh day of August, 1936, after which date the said executors may convey or distribute the said estate to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which they shall then have had notice.

Dated this 16th day of June, 1936.

NORMAN A. MULLER, of 100 Queen-street, Melbourne, solicitor for the estate. 5473

NOTICE TO CREDITORS AND OTHERS.—*RE* SYDNEY ALEXANDER EATON, DECEASED.

PURSUANT to the *Trustee Act* 1928, notice is hereby given that Hilda Minnie Eaton, of 21 Alexandra-avenue, Canterbury, the administratrix of the estate of the said Sydney Alexander Eaton, late of 21 Alexandra-avenue, Canterbury, in the State of Victoria, deceased, intestate (who died on the twenty-ninth day of October, 1935), intends to convey or distribute the estate of the said deceased to or among the persons entitled thereto, and requires all persons and creditors interested to send to the said administratrix, care of The Perpetual Executors and Trustees Association of Australia Limited, of 100 Queen-street, Melbourne, on or before the 31st day of August, 1936, particulars, in writing, of their claims against the said estate, after which date the said administratrix may convey or distribute the said estate to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which she shall then have had notice.

Dated the 20th day of June, 1936.

GEO. J. WISE, 418 Little Collins-street, Melbourne, proctor for the administratrix. 5444

NOTICE is hereby given that all persons having claims upon the estate of Ellen Nora Gardner, late of 10 Nicholls-road, Ormond, in the State of Victoria, married woman, deceased (who died on the twelfth day of April, 1936, and probate of whose will was granted by the Supreme Court of the State of Victoria, on the eleventh day of June, 1936, to Thomas Paul Creely, of 3 Malvern-grove, Caulfield, in the said State, clerk), are hereby required to send particulars, in writing, of such claims to him at the address of his solicitor set out hereunder within two months of the publication hereof, after the expiration of which time the said executor will proceed to convey and distribute the said estate, or any part thereof, to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which he, the said executor, shall then have had notice, and notice is further given that the said executor will not be liable to any person or persons of whose claims he shall not have had such notice as aforesaid.

Dated this seventeenth day of June, 1936.

M. MACPIERSON SMITH, solicitor, 422 Little Collins-street, Melbourne, C.I. 5466

NOTICE TO CREDITORS AND OTHERS.—*RE* JOHN JAMES HICKEY, DECEASED, INTESTATE.

PURSUANT to the *Trustee Act* 1928, notice is hereby given that all persons having claims against the estate of John James Hickey, late of 14 Caroline-street, South Yarra, in the State of Victoria, plasterer, deceased, intestate (who died on the 3rd day of May, 1936, and letters of administration of whose estate were granted to Ada Annie Hickey, of 14 Caroline-street, South Yarra aforesaid, widow, on the 17th day of June, 1936), are hereby required to send particulars of such claims, in writing, to the said Ada Annie Hickey, care of the undersigned, on or before the 23th day of August, 1936, and notice is hereby given that after that day the said Ada Annie Hickey will proceed to distribute the assets of the said deceased which shall have come to her hands or possession amongst the persons entitled thereto, having regard only to the claims of which she shall then have had notice, and the said Ada Annie Hickey will not be liable for the assets, or any part thereof, so distributed to any person of whose claim she shall not then have had notice.

Dated the 23rd day of June, 1936.

WILLIAM S. COOK & McCALLUM, of Temple Court, 422 Collins-street, Melbourne, proctors for the said Ada Annie Hickey. 5468

PURSUANT to the provisions of the *Trustee Act* 1928, notice is hereby given that all persons having claims against the estate of John Cummins, late of 79 Lisson-grove, Hawthorn, in the State of Victoria, retired civil servant, deceased (who died on the thirteenth day of May, 1936), are required to send particulars, in writing, of such claims to Nellie Cummins, of 79 Lisson-grove, Hawthorn aforesaid, widow, and The Union Trustee Company of Australia Limited, of 333 Collins-street, Melbourne, in the said State (the executors appointed by the will of the said John Cummins, deceased), at the above-mentioned address of the said company, on or before the thirty-first day of August, 1936, after which date the said executors will proceed to distribute the assets of the said John Cummins, deceased, which shall have come to their hands, amongst the persons entitled thereto, having regard only to claims of which they shall then have had notice. And notice is hereby further given that the said executors will not be liable for the assets so distributed, or any part thereof, to any person of whose claim they shall not have had notice as aforesaid.

Dated this twenty-fourth day of June, 1936.

DOYLE & KERR, 413 Collins-street, Melbourne, proctors for the said executors. 5470

NOTICE is hereby given that all persons having claims in respect of the property or estate of George William Bolton, late of Tarwin, in the State of Victoria, grazier and farmer, deceased (who died on the 22nd day of December, 1935, and probate of whose will was granted by the Supreme Court of Victoria, on the 10th day of June, 1936, to The Equity Trustees, Executors, and Agency Company Limited, of 472 Bourke-street, Melbourne), are hereby required to send particulars of such claims to the said company, at 472 Bourke-street, Melbourne aforesaid, on or before the 27th day of August, 1936, after which date it is the intention of the said company to convey or distribute such property or estate to or among the persons entitled.

Dated this 23rd day of June, 1936.

RICHARD LITTLE, of Leongatha, proctor for the executor. 5471

PURSUANT to *Trustee Act* 1928, all persons having any claim against the estate of George Henry Tinkham, late of No. 1 Whitby-street, West Brunswick, in the State of Victoria, labourer, deceased (who died on the 25th day of February, 1936, and probate of whose will was granted on the 2nd day of April, 1936, to George Tinkham, of No. 1 Whitby-street, West Brunswick aforesaid, labourer, by the Supreme Court of Victoria, in its probate jurisdiction), are hereby required to forward particulars, in writing, addressed to the undersigned, on or before the 25th day of August, 1936, after which date the said executor will proceed to a distribution of the assets amongst the persons entitled thereto, having regard only to those claims of which he shall then have had notice; and the said executor will not be liable for the assets, or any part thereof, so distributed to any person of whose claim he shall not have had notice as aforesaid.

Dated the 23rd day of June, 1936.

J. M. SHANNON & SON, 271-9 Collins-street, Melbourne, proctors for the executor. 5419

ALL persons having claims against the estate of James Thomas Lyons, late of 120 Errard-street, South Ballarat, in the State of Victoria, retired decorator, deceased, probate of whose will has been granted to The Ballarat Trustees, Executors, and Agency Company Limited, the office of which is at Lydiard-street, Ballarat aforesaid, the executor appointed by the said will: are hereby required to send particulars thereof, in writing, to the said company on or before the twenty-ninth day of July. One thousand nine hundred and thirty-six, after which date the said executor will proceed to distribute the assets of the said deceased amongst the persons entitled thereto, having regard only to claims of which it shall then have had notice; and the said executor will not be liable for the assets so distributed, or any part thereof, to any person of whose claim it shall not then have had notice.

Dated the seventeenth day of June, One thousand nine hundred and thirty-six.

CLARKE & GAVAN DUFFY, solicitors, 52 Lydiard-street, Ballarat. 5422

PURSUANT to the *Trustee Act* 1928, notice is hereby given that The Ballarat Trustees, Executors, and Agency Company Limited, of 50 Market-street, Melbourne, the executor of the will of John Reid, late of 37 Cromwell-street, Caulfield, in Victoria, gentleman, deceased (who died on 23rd December, 1935) intends to convey or distribute the real and personal property of the deceased to or amongst the persons entitled thereto, and requires all persons and creditors having claims against his estate to send to it detailed particulars, in writing, of their claims on or before 26th August next; and notice is hereby also given that after such date the company will convey or distribute the estate, having regard only to claims of which it has notice, and will not be liable for the assets so distributed to any person of whose claim it has not then received notice.

Dated the eighteenth day of June, 1936.

BAIRD & CURWEN-WALKER, proctors, Ballarat. 5423

NOTICE is hereby given that all persons interested in or having claims upon the estate of Margaret Sainsbury, formerly of Point Nepean-road, Seaford, but late of Junction Hotel, Gerang Gerang, in Victoria, widow, deceased (who died on the 31st day of December, 1935, and probate of whose will has been granted to Annie Isabel McDonald, of Junction Hotel, Gerang Gerang, widow, and Charlotte May Rofe, of Main-street, Stawell, married woman), are hereby requested to send particulars, in writing, of their claims to the said executrices, care of the undermentioned proctors, on or before the 27th day of August, 1936, after which date the said executrices may convey or distribute the said estate to or among the persons entitled thereto, having regard only to the claims, whether formal or not, of which they shall then have had notice.

Dated this 19th day of June, 1936.

W. E. PEARCEY & IVEY, 443 Little Collins-street, Melbourne, proctors to the said executrices. 5437

NOTICE TO CREDITORS AND OTHERS.—*RE* LATAF KHAN, DECEASED.

PURSUANT to the provisions of the *Trustee Act* 1928, notice is hereby given that all persons having any claim against the estate of Lataf Khan, sometimes known as Litaf Khan, late of 17 University-street, Carlton, licensed hawker, deceased (who died on the 30th day of March, 1936, and probate of whose last will was granted to Mahomed Ismail, of 22 Moton-place, Carlton, in the State of Victoria, retired licensed hawker, and Monee Shah, of University-street, Carlton aforesaid, licensed hawker, the executors named in and appointed by the said will), are hereby required to send in particulars, in writing, of such claims to the said executors, care of Dr. Albert Edward Jones, of 317 Collins-street, Melbourne, solicitor, on or before the thirty-first day of August, 1936, and notice is hereby given that after that date the said executors will proceed to distribute the assets of the said Lataf Khan, deceased, which shall have come to their hands or possession, amongst the persons entitled thereto, having regard only to the claims of which the said executors shall then have had notice, and the said executors will not be liable for the assets, or any part thereof so distributed to any person of whose claim they shall not then have had notice.

Dated the twentieth day of June, 1936.
ALBERT EDWARD JONES, LL.D., 317 Collins-street, Melbourne, proctor for the said executors. 5438

NOTICE TO CREDITORS AND OTHERS.—*RE* THOMAS ROSE, DECEASED.

PURSUANT to the provisions of the *Trustee Act* 1928, notice is hereby given that all persons having any claim against the estate of Thomas Rose, late of King-street, Melbourne, in the State of Victoria, retired coach builder, deceased (who died on the 13th day of March, 1936, and probate of whose last will was granted to The Equity Trustees, Executors, and Agency Company Limited, of 472 Bourke-street, Melbourne aforesaid, the sole executor named in and appointed by the said will), are hereby required to send in particulars, in writing, of such claims to the said The Equity Trustees, Executors, and Agency Company Limited, at its before-mentioned address, on or before the 31st day of August, 1936. And notice is hereby given that after that date the said executor will proceed to distribute the assets of the said Thomas Rose, deceased, which shall have come to its hands or possession amongst the persons entitled thereto, having regard only to the claims of which the said executor shall then have had notice; and the said executor will not be liable for the assets or any part thereof so distributed to any person of whose claim it shall not then have had notice.

Dated the 17th day of June, 1936.
ALBERT EDWARD JONES, LL.D., 317 Collins-street, Melbourne, proctor for the said executor. 5439

THE "VICTORIA GOVERNMENT GAZETTE."

SUBSCRIPTIONS.—The Subscription, including Postage, is £1 10s. 4d. per annum, or 7s. 1d. per quarter, payable in advance.

Subscriptions are required to commence and terminate with a month.

A lesser period than three months cannot be subscribed for. Subscribers do not receive the Acts of Parliament with the *Gazette*.

ADVERTISEMENTS are charged at the rate of EIGHTPENCE per line single column, and ONE SHILLING and FOURPENCE per line double column.

The title (£5 Reward, Dissolution of Partnership, &c.) forms one or more lines, as a heading.

On an average, eleven words make a line.

Every signature must likewise be counted as a line.

The final words of a paragraph, though only portion of a line, must be counted as one line.

SIGNATURES (in particular) and proper names must be written very plainly in the text; ONE SIDE ONLY of each slip of paper should be WRITTEN UPON.

ALL COMMUNICATIONS should be addressed to "The Government Printer, Melbourne."

ALL DOCUMENTS illegibly written will be returned unpublished, and, where brands occur unprovided for by the ordinary letters of the alphabet, a worded explanatory description must be furnished.

THE VICTORIA GOVERNMENT GAZETTE is published on WEDNESDAY EVENING in each week, and Notices for insertion will be received by the Government Printer at or before Two p.m. at ordinary rates, and late advertisements between Two p.m. and Five p.m. at double rates, on the day preceding the day of publication.

Single copies of the VICTORIA GOVERNMENT GAZETTE are Sixpence, posted Sevenpence, each.

No GAZETTES prior to January, 1921, in stock.

* * ALL PAYMENTS ARE REQUIRED IN ADVANCE.—Remittances should be made by postal note, money order, or draft in favour of the Government Printer. Advertisements unaccompanied by a remittance sufficient to cover the cost of insertion will be returned unpublished.
