At the Executive Council Chamber,
Melbourne, the 21st September, 1936.

NOTICE TO CLERKS OF PETTY SESSIONS.

THE Auditor-General has again drawn attention to the fact
that certain Clerks of Petty Sessions in calculating the
fees chargeable for licences under the Hawkers and Pedlars
Acts issued for a period of less than twelve months are
making the computation on a monthly basis.

This practice is incorrect, and Clerks of Petty Sessions are
accordingly directed to make all such calculations on a *daily*
basis.

Marine Act 1928.

REGULATIONS RELATING TO THE LICENSING OF SAILING, MOTOR, AND STEAM BOATS, AND OF PERSONS IN CHARGE THEREOF, AND FOR THE EQUIPMENT THEREOF, WHEN PLYING FOR HIRE OR LET OUT FOR HIRE FOR THE CARRIAGE OF PASSENGERS.

IN pursuance of the powers conferred upon it by the *Marine Act 1928*, the Marine Board of Victoria, with the consent of His Excellency the Governor of Victoria, acting by and with the advice of the Executive Council thereof, doth hereby make the Regulations following, that is to say:—

1. These Regulations shall form portion of "The Passenger Sailing, Motor, and Steam Boat Regulations 1931," hereinafter referred to as the principal Regulations, and shall be read and construed as one therewith, and shall take effect from the date of publication in the *Government Gazette*, on which date paragraphs 9, 10, and 37 of the principal Regulations shall be repealed.

2. For paragraph 9 of the principal Regulations there shall be substituted the following, namely:—

(9) *Penalty.*—Every person guilty of an offence against these Regulations, excepting regulations 10 and 37, shall be liable to a penalty not exceeding Fifty pounds.

3. For paragraph 10 of the principal Regulations there shall be substituted the following, namely:—

(10) *Boats to be Licensed.*—No boat in Victoria outside the Port of Melbourne, as defined in the Second Schedule of the *Melbourne Harbor Trust Act 1928*, or outside the Port of Geelong, as defined in the First Schedule (Part 1) of the *Geelong Harbor Trust Act 1928*, shall in any waters ply for hire for the carriage of passengers, or shall be let out on hire, unless such boat be duly licensed by the Board in accordance with these Regulations to ply or be let out within such waters.

Penalty.—Every person guilty of an offence against this regulation shall be liable to a penalty of not less than Twenty pounds and not more than Fifty pounds.

4. For paragraph 37 of the principal Regulations, there shall be substituted the following, namely:—

(37) *Person in Charge to be Licensed.*—No person shall have charge of a boat plying for hire or reward of any kind within the limits of any port, or in or on any waters in Victoria outside of the Port of Melbourne as defined in the Second Schedule to the *Melbourne Harbor Trust Act 1928*, or outside the Port of Geelong as defined in the First Schedule (Part 1) of the *Geelong Harbor Trust Act 1928*, unless—

(a) if such boat be a sailing boat or a motor boat not exceeding fifteen (15) tons gross tonnage, he be the holder of a licence issued under these Regulations appropriate to the class of boat of which he may be in charge; or

(b) if such boat be a motor boat exceeding fifteen (15) tons gross tonnage, he be the holder of a certificate of competency as a master in accordance with the provisions of sub-section (2) (a) of section 59 of the *Marine Act 1928*; and no person shall have charge of the propelling machinery, if any, of any such boat unless he be the holder of a licence as a Marine Motor Driver.

(c) If such boat be a steam boat not exceeding fifteen (15) tons gross tonnage, he be the holder of a certificate of competency as a third-class engine-driver in accordance with the Regulations for the Examination of Engineers for Certificates of Competency under the provisions of the *Marine Act 1928*.

Any such licence or certificate shall be produced, on demand, to any officer of police, or of the Board, or to any passenger or intending passenger who may desire to see the same.

Penalty.—Every person guilty of an offence against this regulation shall be liable to a penalty of not less than Twenty pounds and not more than Fifty pounds.

The foregoing amended Regulations were made and passed at a meeting of the Marine Board of Victoria, held this 27th day of August, in the year of our Lord One thousand nine hundred and thirty-six.

GEO. KERMODE, President.
(SEAL) L. J. BOLGER, Member.
R. S. ROHNER, Secretary.

Approved by the Governor in Council,
14th September, 1936.

C. W. KINSMAN,
Clerk of the Executive Council.

ORDER APPROVING OF A DEVIATION FROM A STATE HIGHWAY IN THE SHIRES OF WARRNAMBOOL AND BELFAST.

WHEREAS the Country Roads Board constituted under the *Country Roads Act* (No. 3662) has represented to His Excellency the Governor in Council that it appears to it desirable that the deviation hereinafter referred to from the existing Prince's Highway in the Shires of Warrnambool and Belfast (declared to be a State highway under the said Act which declaration was confirmed by the Order in Council published in the *Government Gazette* of the 8th July, 1925, on page 2371) should be made by the said Board: And whereas the said Board in accordance with the requirements of section 19 of the said cited Act has caused to be prepared a map plan and estimate showing the points between which and on and through what land the said deviation is proposed to be made and the cost of acquiring the land and constructing the said deviation: And whereas on an inspection of the said map and plan and a consideration of the said estimate His Excellency the Governor in Council is satisfied that there are funds legally available for acquiring the land and constructing the said deviation: Now therefore be it known by this present Order that His Excellency the Lieutenant-Governor as Deputy for His Excellency the Governor of the State of Victoria with the advice of the Executive Council thereof doth hereby approve of the said deviation being made, that is to say:—

All those pieces of land in the Parish of Yangery the boundaries of which are as follow:—

- (a) Commencing at the north-eastern angle of lot 2 on plan of subdivision number 4179, lodged in the Office of Titles, and being part of Rutledge's Farnham special survey in the said parish; thence by lines bearing respectively 154 deg. 41 min. 435.7 links, 157 deg. 32 min. 470 links, 172 deg. 17½ min. 212 links, 344 deg. 12 min. 213.5 links, 327 deg. 16 min. 398 links, 310 deg. 46 min. 381.8 links, 296 deg. 32 min. 399.6 links, and 82 deg. 23 min. 530.3 links to the point of commencement.
- (b) Commencing at the south-western angle of Crown portion 16A of the said parish; thence by lines bearing respectively 359 deg. 54½ min. 373.8 links, 116 deg. 29 min. 481.7 links, 85 deg. 40 min. 304 links, 99 deg. 20 min. 285 links, and 262 deg. 23 min. 1,024 links to the point of commencement—

which said pieces of land are particularly delineated and shown coloured red on survey plan numbered 3502, lodged in the office of the Country Roads Board.

And the Honorable George Louis Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

one or two sections per hundred—Ten shillings
and sixpence.

And for each additional section per hundred
—Three shillings.

REFUNDS ON SURRENDERED TICKETS.

In bona fide cases in which the holders of Scholars' Con-
cession Tickets are prevented from travelling on the
journey set out on the cover to such tickets, a refund
will be allowed of an amount equivalent to the value
(calculated to the nearest lowest penny) of such
tickets remaining undetached in the cover less a charge
of sixpence.

And the Honorable George Louis Goudie, His Majesty's
Commissioner of Public Works for the State of Victoria, shall
give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

MELBOURNE AND METROPOLITAN TRAMWAYS ACT
1928.

At the Executive Council Chamber, Melbourne, the
fourteenth day of September, 1936.

PRESENT:

His Excellency the Lieutenant-Governor, as Deputy for
His Excellency the Governor of Victoria.

Mr. Bussau | Mr. Bailey.

APPROVAL TO CONSTRUCT AN ELECTRIC TRAMWAY
EXTENSION IN KEILOR-ROAD, ESSENDON.

HIS Excellency the Lieutenant-Governor, as Deputy for
His Excellency the Governor of the State of Victoria,
by and with the advice of the Executive Council thereof, in
accordance with the provisions of section 42 (3) of the
Melbourne and Metropolitan Tramways Act 1928 (No. 3732),
doth hereby approve of the Melbourne and Metropolitan Tram-
ways Board constructing an electric tramway extension in
Keilor-road, Essendon, for the purpose of providing travelling
facilities for the population along the route and to develop
the district in the vicinity.

ROUTE.

The route of the tramway extension to which this application
refers commences at the terminus of the existing electric
tramway at Gillies-street, Essendon, and continues along
Keilor-road a distance of approximately 40 chains to the inter-
section of the eastern building line of Birdwood-street with
Keilor-road.

GAUGE.

The gauge of such tramway extension shall be four feet
eight and a half inches (4' 8½") and the said tramway exten-
sion shall be constructed in the manner set out and described
in the plan and specifications numbered 1 and 2 now deposited
in the Public Works Department, and which plan and specifica-
tions are endorsed with a memorandum of the Minister of
Public Works identifying the said plan and specifications so
deposited as the plan and specifications referred to in this

Order, and which plan and specifications are to be deemed to be incorporated in this Order and to be as much part of the same as if they were set out in this Order.

NECESSARY PRECAUTIONS FOR SAFETY OF PASSENGERS AND PUBLIC TO BE OBSERVED.

Every precaution necessary to secure the safety of the passengers upon the said tramway extension, and also to secure the safety of passengers passing along the streets upon the route of such tramway extension, shall be taken and ordered by the said Board.

And the Honorable George Louis Goudie, His Majesty's Commissioner of Public Works for the State of Victoria, shall give the necessary directions herein accordingly.

C. W. KINSMAN,
Clerk of the Executive Council.

The Closer Settlement Act 1928, Part I.
MOUNTAINOUS AREAS SCHEME.

THE Farm Allotment mentioned in the Schedule hereunder is hereby proclaimed available for application, and may be taken up under Conditional Purchase Lease, subject to the mountainous areas provisions:—

TERMS, CONDITIONS, ETC.

Applications must be made on the prescribed form and lodged with the Secretary, Closer Settlement Commission, Public Offices, Melbourne, or with the officer conducting the Inquiry Board. An applicant may apply for more than one allotment, but only one can be granted to any one person.

The capital value, including interest at 4½ per cent. per annum, is repayable by half-yearly instalments of 6 per cent. per annum over a term of 31½ years. The first four years will be free as provided hereunder and term of Lease extended accordingly.

Improvements must be effected to the value of at least two instalments of the purchase money before the end of the first year from the date of lease, and 10 per cent. of the purchase money before the end of the third year, and a further 10 per cent. before the end of the sixth year.

The lessee must reside on his allotment until the land becomes freehold. A Crown grant may issue after twelve years, provided the full amount of the purchase money is paid, if the conditions of lease have been complied with.

The lessee cannot transfer, assign, mortgage, or sublet the whole or any part of his allotment within the first three years of the lease.

MOUNTAINOUS AREAS PROVISIONS.

No instalment of purchase money shall be payable during the first ten years, provided the lessee complies with conditions and the allotment is satisfactorily worked. The lessee shall during each and every year of the free period reduce at least one-tenth part of the allotment to a state of clean grass or cultivation and maintain same.

Interest at the rate of 4½ per cent. per annum shall be added to the capital value of the allotment and shall be repaid as part of the instalments of purchase money, and notwithstanding any provisions in any Act, no transfer of the interest in the lease shall be approved by the Board unless the deferred interest to the date of transfer has been paid.

Tenders to be addressed to the Honorable the Commissioner of Public Works, and envelope containing tender marked "Tender for _____, due _____."

GEO. L. GOUDIE,
Commissioner of Public Works.

Melbourne, 23rd September, 1936.

TENDERS FOR THE SERVICE, 1936-37.

BOOTS AND SHOES, CLOTHING, ETC.

TENDERS will be received until Eleven o'clock a.m. on the dates respectively set out hereunder from persons willing to supply the undermentioned articles, in such quantities as may be ordered by the Victorian Government, during the twelve months commencing 1st November, 1936:—

Schedule No.	Closing date of Tenders.	Preliminary Deposit.
10.	Boots and shoes—Friday, 9th October, 1936	£ 3
8.	Clothing—Friday, 16th October, 1936	.. 3
9.	Blankets—Friday, 16th October, 1936	.. 3

The prices tendered must not include sales tax.

Security.—Five per cent. of total amount of tender accepted but in no case will security of less than £3 be received.

Schedules as above, with full particulars, may be obtained from the Secretary to the Tender Board, by whom also the samples will be shown and any information afforded to persons tendering.

Tenders must be accompanied by the preliminary deposit, as shown above, by bank draft or marked cheque, in favour of the Secretary to the Tender Board. *Cheques, Savings Bank deposit books, fixed deposit receipts, State or Commonwealth Treasury bonds or Government debentures, or reference to securities on existing contracts will in no case be received or entertained as preliminary deposits.* Preliminary deposits will be returned within ten days to unsuccessful tenderers on their application.

The amount of the preliminary deposit required with each tender must be enclosed, and the amount must be clearly written in and the designation stated, whether marked cheque or bank draft, as the case may be.

Security will be required, either in bank guarantee (bank to be approved by the Tender Board), State or Commonwealth Treasury bonds or Government debentures, Savings Bank deposit book or fixed deposit receipt in favour of the Secretary to the Tender Board, or cash deposit, as the tenderer may elect.

The security must be completed and contract signed within five days of acceptance of the tender, failing which the contract may be again advertised, or another tender accepted.

The Government will not necessarily accept the lowest or any tender.

In the event of tenderers withdrawing or attempting to withdraw their tenders before notification of acceptance of same, or failing to take up their accepted tenders within the prescribed period after notification of acceptance, the preliminary deposit will be forfeited, and, in addition, they may

be disqualified from tendering or holding any future contracts for Government supplies for a period of twelve months, such disqualification to date from the notification of acceptance of tender. It is also stipulated that if a tenderer be a member of a firm, and such firm be interested in the contract then the tender is to be in the name of the firm and not in that of the individual; and that for a breach of this condition the preliminary deposit will be forfeited and the tender declared informal.

Tenders enclosed in a separate envelope, and having the words "Tender for _____" (as the case may be) written thereon, must be deposited in the Tender-box at the Pay Office, Treasury, Melbourne, or, if sent by post, postage must be prepaid, and the tenders addressed to the Chairman of the Tender Board, Pay Office, Treasury, Melbourne, C.2, which office they must reach not later than by first post on the date of closing of tenders.

The conditions of contract are those published in the *Victoria Government Gazette* of 11th March, 1936, pages 707 and 708.

PLANS AND SPECIFICATIONS.

4. No person shall erect, build, or construct, or demolish, or make any alteration or addition to, or commence to erect, build, construct, or demolish, or make any alteration or addition to, or cause to be erected, built, or constructed, or make any alteration or addition to any building, erection or hoarding, without first obtaining the written permission of the Council. Notice in writing of intention to erect, build, construct, demolish, make alterations or additions, as the case may be, shall be given to the Council not less than seven clear days before any work or building is commenced. Such notice shall be left with the Shire Secretary, at the Shire Hall, Winchelsea, and shall contain the following particulars:—

- (a) The situation of the proposed erection, building, hoarding, or addition, specifying the number of the allotment, plan of subdivision of Crown allotment, and giving the area and dimensions of the land on which it is proposed to build.

- (b) A plan, in duplicate, of the allotment, and the proposed building, erection, hoarding, alteration, or addition, with dimensions marked thereon, and showing the ground plan, elevations, roads, and frontage, and proposed drainage system.
- (c) A specification, in duplicate, giving particulars of all materials proposed to be used in the construction and finishing of all walls, partitions, veranahs, porches, windows, chimneys, outside doors, and roof.
- (d) In cases of the re-erection or re-construction of, or alterations or additions to, old or existing buildings or erections, a plan of the proposed re-erected and re-constructed building or erections and/or the proposed alterations and additions shall be submitted to the Council for approval before such old or existing building or erection is re-erected, re-constructed, altered, or added to.
- (e) An estimate of the cost of the proposed work when finished.
- (f) Such other particulars, in writing, as may be necessary to enable the Council to determine if all the provisions of this By-law applicable thereto are being complied with. The Council's permit to erect, build, construct, or demolish, or make any alteration or addition to any building, erection, or hoarding, obtained pursuant to this clause shall expire after twelve months from its grant unless extended by resolution of the Council.

DISTANCE OF DWELLING FROM STREET FRONTAGE.

5. No building which is intended to be used or which shall be used as a dwelling-house, and no addition or verandah to any such building shall be built, constructed, or erected, either wholly or in part, within a distance of 15 feet, measured horizontally from the building line of the street or road upon or to which abuts or fronts the allotment on which such building or addition stands.

SPACE TO BE PROVIDED AT SIDES OF WOODEN BUILDINGS.

6. Except as hereinafter provided, no building or erection which is intended to be used or which shall be used as a dwelling-house, and no addition to any such building or erection, shall be built, constructed, or erected wholly or in part with an external wall of wood or iron, or partly of wood or iron:—

- (a) Within a distance of 4 feet measured horizontally from any street, road, lane, or right-of-way at the side of any such building or erection.
- (b) Within a distance of 4 feet measured horizontally from land not in the same occupation or possession. Provided that the eaves of any building or erection under this sub-clause may be not less than 2 feet 6 inches from any such land.
- (c) Within a distance of 8 feet measured horizontally from another building or erection with an external wall of wood or iron.

Provided always that any such building, erection, or addition may abut on the building line of any street, road, lane, or right-of-way at the side of such building, or be less than the prescribed distance therefrom, or from land not in the same occupation or possession, or from a building or erection with an external wall of wood or iron used or intended to be used wholly or partially as a dwelling if the external wall or walls which abut on or are within the prescribed distance of such street, road, lane, right-of-way, or land not in the same possession or occupation, or building or erection, as the case may be, shall be of concrete of approved thickness, or of brick or stone at least 8½ inches in thickness, projecting in all cases at least 1 inch beyond the woodwork front and back, and at least 1 foot through the roof covering or gutter adjoining same.

MATERIALS FOR ROOF.

7. The roof of every building which is intended to be or shall be used as a dwelling-house shall be covered on the outside with incombustible and impervious coverings, and the walls shall be covered with sound impervious covering, and if of wood, the material shall be sound weatherboards or block boarding.

ROOMS—HEIGHT OF WALLS—AREA.

8. The main rooms in every building hereafter built or rebuilt shall be in every part not less than 9 feet in height from floor to ceiling, and no main room shall have a floor area of less than 100 square feet. A wash-house and/or bathroom shall be in every part not less than 8 feet in height from floor to ceiling. A skillion room shall be in every part not less than 8 feet in height from floor to ceiling.

WINDOWS.

9. Every main room and bathroom in a dwelling-house shall have one or more windows in an external wall or walls. Net glass area of windows to be at least one-tenth of the floor area of the room. For the purpose of this clause the expression "main room" shall be deemed to mean and include rooms used or intended to be used as bedrooms, dining-rooms, ordinary living rooms, and kitchens.

VENTILATORS.

10. All rooms shall be ventilated by ventilators communicating directly with the outside air, placed near the ceiling of each room and of a minimum area of opening of four and a half square inches to each one hundred cubic feet of room contents. Such ventilators shall be clear of all obstructions. The provisions of clauses 9, 10, and 11 in reference to the height, lighting, and ventilation of main rooms in dwelling-houses shall, as far as applicable, be extended to all shops.

FOUNDATIONS—WALLS AND CEILINGS—MATERIALS.

11A. Every building constructed of material other than wood shall have foundations of brick or stone laid in mortar, upon concrete, reinforced concrete, steel or iron grillage encased in concrete, or piles. Artificial foundations shall be designed so as to reduce the pressure per square foot to the safe bearing capacity of the soil. All foundations must be approved by the surveyor before the commencement of any erection or construction thereon.

All walls shall be carried up in solid work from the top of the foundations to the underside of the floor plate or bearer of the ground floor, and of a width not less than 4 inches greater than the thickness of the wall standing thereon; except in the case of 11-inch cavity walls, where the projection may be reduced to 3 inches and except in the case of brick foundations to wooden buildings when the wall may be 4½ inches in thickness, built in cement mortar with 9-in. x 4½-in. piers not more than 8 feet apart properly bonded.

In the case of external walls such projection shall be on the inner side of the wall, and for internal walls the extra thickness shall project equally on each side of the wall.

In the case of wooden buildings where brick or concrete piers are used for the foundations, such piers shall be not less than 9 inches x 9 inches if of brick and 6 inches x 6 inches if of concrete, shall be spaced not more than 4 feet centre to centre and, if considered necessary by the surveyor, shall have footings of approved dimensions.

- (a) The interior of all walls and ceilings of every building, which is intended to be used, or shall be used, or may be used as a dwelling-house, shall be constructed of lath and plaster, or approved wood or fire resisting materials.
- (b) Bricks used in any dwelling shall be good, hard, and well burnt. If old, they shall be thoroughly cleansed before being used.
- (c) All timbers used in any building shall be of good sound material, free from rot, large and loose joints, and knots, shakes or other imperfections whereby the strength of the timber may be impaired. No timbers that have been used in any other previous construction or building shall be used unless approved by the surveyor.
- (d) The following conditions shall apply as to spacings and scantlings of timber to be used in any building or erection constructed under the provisions of this By-law:—

(1) Stumps shall be of not less than the following dimensions and shall be of red-gum or other approved matured timber. Sawn or hewn timber not less than 6 inches by 6 inches fixed on 9-in. x 9-in. by 1½-in. soleplates, spaced 4 feet centre to centre.

(2) Ceiling joists and studs shall be of timber not less than 4 inches by 1½ inches, spaced not more than 18 inches apart centre to centre, properly braced, provided with corner studs not less than 4 inches by 2 inches, and for stud walls supported on stumps or brick piers the lower and top plates shall be not less than 4 inches by 2 inches. Where fibro-cement or fibro-plaster sheets are used studs may be 2 feet apart from centre to centre, and not of a smaller cross-section than 4 inches by 2 inches. Ceiling joists to have no greater span than 8 feet without support.

(3) Rafters not less than 4 inches by 1½ inches, spaced 3 feet centre to centre for galvanized-iron roof, and 18 inches centre to centre for slates or tiles. Rafters over 6 feet span and under 10 feet span to be 4 inches by 1½ inches, over 10 feet span to be 5 inches by 2 inches. Collar beam and tie beam construction is allowed for roofs not exceeding 18 feet span, over 18 feet span to be of truss-construction, approved by surveyor. Floor joists to be not less than 4 inches by 2 inches, spaced 18 inches centre to centre, on 4-in. by 3-in. bearers, spaced 6 feet apart.

(4) Vermin plates shall be provided in all walls to the satisfaction of the surveyor.

(5) All wooden buildings to be painted or oiled at least two coats.

(6) No external wall of brick shall be less than 8½ inches thick, or of concrete less than 4½ inches thick.

COMPOSITION OF CONCRETE.

11B. (a) Concrete for foundations and solid walls shall be composed of one part Portland cement, not more than three parts sand, and five parts broken stone of approved gauge (but not more than 2-in.), to give a solid aggregate.

(b) Concrete for floors, beams and where reinforced shall be composed of one part Portland cement, two parts sand, and four parts stone or approved aggregate—gauge not to exceed three-quarters of an inch.

ATTIC ROOMS.

12. Every room wholly or partly in the roof of any building shall be at least 8 feet 6 inches in height from floor to ceiling throughout, not less than one-half of its area.

13. In all buildings of brick, stone, or concrete, the material and their compositions shall be subject to the approval of the surveyor.

HEIGHT OF EXTERNAL WALLS.

14. The external walls of all wooden buildings shall not exceed in height 15 feet, measured from floor level to top of wall plates.

OPEN SPACE AT REAR OF DWELLING.

15. Every dwelling must have attached thereto for the exclusive use of the occupiers thereof an enclosed back yard or open space at the rear of the building of at least 1,000 square feet exclusive of the building thereon.

DAMP COURSES.

16. Every wall of brick or stone shall have an approved damp-proof course or courses of asphalt or other impervious material at approved levels for the full width of the walls.

VENTILATION UNDER FLOORS.

17. The space under the ground floor of every building shall have openings or ventilators of equivalent area to ventilation of each room through all walls and sleeper walls under floor, and an air space of at least 6 inches clear of all earth, such height being determined by the surveyor.

MINIMUM AREA FOR DWELLING.

18. No person shall erect, build, construct, or cause to be erected, built, or constructed, any building or erection to be used as a dwelling-house only, or any tent, except in conformity with the following:—

- (1) The site or curtilage of such building, erection or tent shall have a superficial area of at least 5,000 square feet and have a frontage of not less than 50 lineal feet to a street or road, except in the case of land subdivided into allotments prior to the coming into force of this By-law, which shall have a superficial area of at least 3,500 square feet and have a frontage of not less than 29 lineal feet to a street or road.
- (2) Every such building, erection, or tent hereafter erected shall have attached thereto for the exclusive use of the occupiers thereof an area of open land equal to not less than three-fourths the total area of the allotment on which the dwelling-house is erected, except in the case of a building or erection erected upon a corner site fronting to two streets or roads, which shall have an area of open land equal to not less than two-thirds of the total area of the allotment upon which such building or erection is erected.

MINIMUM AREA OF SHOP OR COMBINED SHOP AND DWELLING.

19. No shop or shop having a dwelling-house or living apartments attached thereto shall be built on land having a frontage of less than 20 feet at the least or a depth of less than 125 feet, and every such shop or combined shop and dwelling shall have attached thereto a yard or open space of 750 square feet. No passageway under 3 feet in width shall be computed as part of such open space.

MINIMUM AREA OF LAND.

20. Provided that where any allotment of land smaller in area than hereinbefore prescribed was, in the opinion of the Council, owned by any person prior to the coming into operation of this By-law, and, in the opinion of the Council, further land cannot be obtained to increase the area of such land, the Council may, on application in writing, by a resolution carried by the majority of the whole of the number of the members of the Council at a meeting of which seven clear days' notice has been given, permit a shop having a dwelling-house or living apartments attached thereto to be erected on such land.

NO ALLOTMENT TO BE REDUCED IN AREA.

21. No land upon which any dwelling-house or building, or erection used as a dwelling-house has been erected shall hereafter be reduced in area below the minimum area prescribed by this By-law.

VERANDAHS AND PORTICOES ON STREETS.

22. No person shall erect or cause or permit to be erected any portico or verandah over the footway of any street in the municipality without first obtaining the consent of the Council, in writing, and such portico or verandah shall be of the shape, figure, dimensions, and materials as set forth in the plans and specification for the time being adopted by the Council; but the lowest parts of such portico or verandah shall, in no case, be less height than 8 feet 6 inches above the level of the outer edge of the footway. No opening shall be made in the roof of any verandah for the purpose of affording light unless such opening be properly framed and glazed with rough-rolled plate glass, protected underneath with fine mesh wire-netting, to the satisfaction of the surveyor.

All verandahs over footpaths for new brick buildings shall be of the cantilever type and shall conform to the Council's adopted plan, except in such details as the surveyor may allow,

in writing, when the plan to erect same is issued. No person shall erect or fix, or cause to be erected or fixed, under any verandah extending over the footpath in any street or road, any signboard, hanging-lamp or gas pipe fixture, unless the lowest part of such signboard, hanging-lamp or gas pipe fixture is of a height not less than 8 feet 6 inches above the level of the footpath over which it is fixed, and unless a written permit or licence from the Council be first obtained.

FOWL HOUSES AND DOG KENNELS.

23. No fowl-house, building, or yard used or designed for the use of poultry, and no dog kennel shall be erected, established, or constructed, and no such fowl-house, building, yard, or dog kennel already erected, established, or constructed shall remain at a distance of less than 30 feet from any building used as a dwelling-house or business premises on the same allotment or allotments adjoining. No building or erection of the description referred to in this clause of the By-law shall be erected, established, or constructed, except at the rear of any dwelling-house, on the same allotment, and shall be at least 20 feet from any road or street.

PRIVIES, ETC.

24. No privy, closet, or urinal shall be erected at a less distance than 20 feet from the door or window of any dwelling on the same allotment or allotments adjoining, or at a less distance from any street. Provided that in case there is a right-of-way abutting on such allotment, any privy, closet, or urinal may be erected on the boundary between such allotment and right-of-way. Every privy, closet, or urinal shall be effectively screened from public view, and shall be constructed according to type design supplied by the Council.

DRAINAGE.

25. Proper provision shall be made and maintained for effectively removing storm water, sanitary, and house drainage away from every building. The materials and construction of such drains shall be such as shall be approved by the surveyor. A permit to build may be refused by the Council if drainage is not satisfactory, and if necessary, in the opinion of the surveyor, a grease trap of an approved design to be provided. This clause shall apply to existing buildings.

AUTHORITY TO INSPECT—NOTICES.

26. The surveyor and/or the Council's inspector at all reasonable times during the progress and within fourteen days after the completion of any building or addition or alteration to any building affected by any of the provisions of this By-law may and is hereby authorized to enter and inspect such building or addition or alteration and the owner or builder thereof shall produce to the surveyor or inspector the original plans and specifications approved by the Council.

27. If any building or erection shall be partly or wholly built or erected, added to, or altered contrary to the provisions of this By-law, the Council or any officer thereof or other authorized agent, may give to the owner or builder, or leave upon the site of such building, fourteen days' notice, in writing, to bring such building or erection into conformity with the said provisions, or requiring the pulling down and/or removal of such buildings or erection, and if default shall be made in complying with any such notice then, notwithstanding the imposition or recovery of any penalty, it shall be lawful for the said Council by its surveyor, officer, or other authorized agent, to enter upon such building or erection and on the site thereof with a sufficient number of workmen, and for that purpose to break down any fence surrounding the land upon which such building or erection, or any part or parts thereof, is situated, and to demolish and pull down the said building or erection, or any part or parts thereof, and to do any other act that may be necessary for the purpose, and to remove the material thereof to some convenient place, and if the Council in its discretion thinks fit to sell the same in such manner as it thinks fit, and all expenses incurred by the Council, its officer, surveyor, or other authorized agent, in demolishing and pulling down the said building or erection or any part or parts thereof or of removing the materials thereof and selling the same, and in doing any acts as aforesaid, and all fees and penalties due by the owner or builder thereof may be deducted and retained by the Council out of the proceeds of such sale, and the Council shall restore the surplus, if any, arising from such sale, to such owner or builder or other person legally entitled thereto on demand.

28. Seven days' notice, in writing, shall be given by the owner or builder to the surveyor that the framing of any building, erection, or addition being erected under the provisions of this By-law is completed and ready for inspection. Such notice shall be addressed to the Surveyor, at the Shire Hall, Winchelsea.

TENTS AND SLEEP-OUTS.

29. No person shall erect or cause or permit to be erected any structure, tent, or building intended to be used as a sleeping-out room detached from the main dwelling unless the following conditions are complied with:—

(a) No detached sleeping-out room or tent shall be erected on any land unless a dwelling-house has already been erected thereon, and the area of land on which such dwelling-house stands is not less than 4,000 square feet.

- (b) No sleeping-out room or tent shall be erected within 15 feet of any building or other allotment.
- (c) No sleeping-out room or tent shall be erected unless the area of the floor space thereof shall be not less than 50 square feet nor more than 500 square feet, and shall have a minimum floor dimension in any one way of not less than 6 feet, with floors constructed of wood or material approved by the Council.
- (d) The height of the walls of such sleeping-out room or tent shall be not less than 4 feet measured vertically from the floor, and the outside walls shall be enclosed for at least half their height.
- (e) An air space for ventilation, either open or with a gauze covering, shall be provided along the top of each wall equal in area to one-third of the floor area.
- (f) Not more than one person for each 50 square feet of interior floor space shall be permitted to sleep in any sleeping-out room or tent.
- (g) In this clause sleeping-out shall mean any room, building, or erection detached from any dwelling and used for no purpose other than a sleeping apartment.

PROJECTIONS.

30. No coping, cornice, string-course, fascia, window, window-dressing, portico, balcony, balconette, connecting building, balustrade, architectural projection, or decoration shall project beyond the building line of any street, right-of-way, or alley, unless it be of brick, stone, tile, artificial stone, slate, or cement, or fire-resisting material other than wood. No projection shall extend more than 3 inches beyond the building line at any height less than 8 feet from the level of the footway. Every porch, gangway, outside step, and outside landing shall be of fire-resisting material and shall not project beyond the building line of any street, right-of-way, or alley.

HOARDINGS.

31. Save as hereinbefore provided, no person shall erect, alter, or allow to remain, or add to any hoarding, house, sign-board, or erection, for advertising purposes without first obtaining the consent of the Council and unless such hoarding, sign-board or erection is erected, built, constructed, altered, or added to in accordance with the plans and specifications prepared by such person and previously approved of by the Council. No hoarding, sign-board, or erection shall be within a distance from the building line of any street or road equal to 3 feet more than the greatest height of such hoarding, sign-board, or erection, and the lowest part of such hoarding, sign-board, or erection, other than the main supports thereof, shall be not less than 3 feet from the level of the land. No sign-board shall be fixed or erected on or over the roof of any verandah, or on the front or roof of any building, unless with the consent of the Council, and unless such sign-board be of approved material and construction and properly secured to the satisfaction of the surveyor, and the vertical depth of such sign-board shall not exceed 6 feet.

EXEMPTIONS.

32. This By-law shall not apply to any fence, greenhouse, fernery, or conservatory, or to any shed or building on areas of more than 2½ acres used entirely for agricultural or gardening purposes, or to temporary offices and sheds used by builders during the construction of any building at or about the site of such building for a period not exceeding six months.

33. This By-law shall not apply to any building or erection of the Government of the Commonwealth of Australia or the State of Victoria or of the Municipality.

DEFINITIONS.

34. In this By-law, save where the context is inconsistent therewith:—

"Council" means the Municipal Council of the Shire of Winchelsea.

"Shire Secretary" means the Shire Secretary or acting Shire Secretary for the time being of the said Council.

"Dwelling-house" means a building used or constructed or adapted to be used wholly or principally for human habitation.

"Shop" means a building in which goods are regularly offered or exposed for sale, or in which meals or refreshments are regularly offered or provided for payment, and also includes saloons or shops, barbers or hairdressers, and offices of agents and auctioneers. A bona fide private house shall not be included in this definition by reason only of the fact that meals or refreshments are occasionally supplied to persons other than boarders.

"Surveyor" means the surveyor, engineer, or acting engineer for the time being of the said Council.

"Street" and "Road" mean and include street and road, private street, and private road, and right-of-way, as respectively defined by the *Local Government Act 1928*, section 3.

35. No house or building may be removed from another municipality to this Shire unless application has been made in writing. Such application, accompanied by the prescribed fee, must be lodged at the Shire Hall, Winchelsea, before such house or building is removed from such other municipality.

The application must be accompanied by a certificate from the building surveyor of the municipality from which it is proposed to remove the house or building, stating that such house or building fulfils the municipality's requirements, together with a certificate from the Health Officer of the said municipality stating that the house or building is free from infectious disease.

FENCES.

36. *Repairs to fences.*—All fences abutting on or within 10 feet of any road, street, or other public highway, in the Shire, shall be kept and maintained in a complete state of repair, and every owner shall, upon notice from the Council, forthwith repair, or renew, or paint any fence as such notice shall require, to the satisfaction of the Council.

Fencing vacant land.—The Council may require the fencing of vacant land when used as a dump or for any purpose creating an unsightly appearance in the opinion of the Council, such fence to be of an approved closed type, 6 feet in height.

PRIVATE RIGHT-OF-WAYS.

37. Provision of access to rear of premises must be made by a right-of-way from the street the said building fronts. Back right-of-ways will not be permitted unless with the special approval of the Council.

APPLICATION OF BY-LAW.

38. This By-law shall apply to and have operation over the whole of the Township of Lorne, within the Shire of Winchelsea.

39. Any person who shall be guilty of any wilful breach of any of the provisions of this By-law shall be liable for every offence to a penalty not exceeding Twenty pounds, and if such offence is continued, to a further penalty not exceeding Five pounds for each day such offence is continued.

The Resolution for passing this By-law was agreed to by the Council of the Shire of Winchelsea, on the Twelfth day of February, 1936, and confirmed on the Eleventh day of March, 1936.
