PHARMACY BOARD OF VICTORIA

FURTHER REGULATIONS.

UNDER and by virtue of the powers in that behalf conferred by the Medical Act 1928, the Pharmacy Board of Victoria, with the approval of the Governor in Council, doth make the following Regulations:—

1. These Regulations may be cited as "The Pharmacy Regulations 1935," and shall be read and construed as one with the "Pharmacy Regulations 1930, 1931, 1933, and 1934," which Regulations and these Regulations may be cited together as "The Pharmacy Regulations."

2. These Regulations shall take effect on publication thereof in the Government Gazette.

3. Election of Members of the Pharmacy Board of Victoria.—Regulation 5 of the Pharmacy Regulations 1930 is hereby rescinded, and the following regulation shall be substituted therefor, namely:—

Annual Election.—(a) The Returning Officer or his deputy shall in each year proceed to the election as members of the Board of as many persons as there are vacancies created in each year (not being extraordinary vacancies), and such elections, which shall be concluded before the seventh day of February, shall be styled "Annual Elections."

(b) The persons elected at each annual election shall hold office for a term of three years from the seventh day of February of the year in which they are elected.

4. At the end of regulation 6 of the Pharmacy Regulations 1930 the following words shall be added, namely:—

Provided that any such extraordinary vacancy occurring at any time between the first day of November and the day fixed for the next following annual election may at the option of the Board be filled at such annual election.

5. In regulation 9 of the said 1930 Regulations insert the word "qualified" between the words "other" and "person" in lines two and three of the said regulation so as to read, "nominating any other qualified person", and in the First Schedule to the said Regulations insert the word "qualified" after the word "candidate" where that word first appears in the schedule so as to read "as a candidate qualified for the office."

6. Regulations 10, 11, 12, 13, and 14 of the said 1930 Regulations are hereby rescinded, and the following Regulations shall be substituted, namely:—

(a) *Retirement of a Candidate.*—If any person after nomination as a candidate for election is desirous of retiring before the day appointed for the holding of the election, he may, not later than twelve clear days before the said day, give notice to the Returning Officer in the form set out in the Third Schedule to the said 1930 Regulations intimating his retirement, and the Returning Officer or his deputy, on receipt thereof, shall omit the name of such candidate from the ballot-paper. If the number of candidates is, by reason of such retirement, reduced to the number of members required to be elected, the Returning Officer shall, if the time for nominating has elapsed, and without taking a poll, declare the remaining candidates duly elected.

If the number of duly nominated candidates be reduced by death to the number or less than the number to be elected, the Returning Officer or his deputy shall declare the remaining candidates duly elected. If the Returning Officer or his deputy is satisfied of the death of a duly nominated candidate before the voting papers are printed, he shall omit the name of such candidate from the voting papers, or if any of such papers have been printed, but not issued, he shall strike out therefrom the name of the deceased candidate. If the Returning Officer or his deputy is satisfied of the death of a duly nominated candidate after the voting papers are issued and before the day of the election, the name of the deceased candidate shall be regarded as having been deleted from all such voting papers.

(b) *Election without a Poll.*—If there is not a greater number of persons nominated than is required to fill the vacancies created, the Returning Officer or his deputy shall make a return to the Registrar, and declare such person or persons duly elected a member or members of the Board.

(c) *When a Poll is Required.*—If the number of persons nominated is greater than the number of persons required to fill such vacancies, a poll shall be taken. For this purpose the Registrar shall prepare a roll in alphabetical order of surnames of the registered pharmaceutical chemists resident in Victoria entitled to vote, and shall prefix to each name on the roll the number appearing in the Pharmaceutical Register for the current year. The roll shall be given to the Returning Officer or his deputy, who shall at least seven days before the date of the election forward to each name on the roll at the address therein a voting paper in the form or to the effect set out in the Second Schedule hereto, and shall sign, mark, or initial each of such papers.

One of such marked ballot-papers shall be enclosed in an unsealed envelope addressed in print to the Returning Officer or his deputy. Such printed envelope, with a ballot-paper,

shall be posted under a sealed cover to the address of each pharmaceutical chemist on the roll. The voter shall mark the ballot-paper according to the directions thereon, and shall endorse his signature on the back of the perforated slip at the foot of the ballot-paper, and without detaching the perforated slip shall enclose the completed ballot-paper in the addressed envelope, and shall post or deliver the same so that it shall be received by the Returning Officer before four o'clock of the afternoon of the day fixed for holding the election.

(d) *Invalid Voting Papers.*—If any voter fails to comply with any of the provisions of these Regulations, or with any of the directions on the ballot-paper, his vote shall be void, and shall not be counted. Provided that the Returning Officer or his deputy may, in his discretion, accept as valid any voting paper enclosed in an envelope other than the aforesaid printed envelope.

(e) *Scrutineers, &c.*—Each candidate may be present, or may appoint in writing a scrutineer to be present, on the day of the election when the Returning Officer opens the envelopes containing the voting papers.

(f) *Counting Votes.*—The Returning Officer or his deputy, in the presence of the scrutineers (if any) and of the Registrar, or in his absence in the presence of any person appointed by the Board who may be present, shall on the day fixed for holding the election open the addressed envelopes received by him, and in respect of each ballot-paper, if the signature of the voter is on the perforated slip thereof, tear off the perforated slip, and place the ballot-paper in a ballot-box. Provided that if the Returning Officer or his deputy deems it advisable, or if requested so to do by any scrutineer, before he tears off the perforated slip and places any ballot-paper in the ballot-box as aforesaid, he shall compare the signature on the perforated slip of the ballot-paper with that contained in the signature book kept by the Registrar, and if satisfied therewith shall then place the ballot-paper in the ballot-box. If he is not satisfied with the signature on the perforated slip of the ballot-paper, the Returning Officer or his deputy shall reject such slip. When all the ballot-papers have been so inserted, the returning officer or his deputy shall open the ballot-box, and extract the voting papers therefrom, and count the votes properly given for each candidate.

If two or more candidates receive an equal number of votes, the Returning Officer or his deputy shall have a casting vote.

(g) *Declaration of Poll.*—As soon as is convenient after the election, the Returning Officer or his deputy shall—(a) give public notice by advertisement in *The Australasian Journal of Pharmacy*, or in one of the Melbourne daily newspapers, of the result of the election, and the number of votes cast for each candidate, and declare that the candidates who have received the greatest number of votes are duly elected as members of the Board to fill the vacancies, and (b) make a return to the Registrar showing in like manner the result of the election. The Registrar, on receipt of the said return of the Returning Officer or his deputy, shall forthwith transmit a copy thereof to the Chief Secretary.

(h) *Supplementary Elections.*—If any election as aforesaid should fail, or partially fail, a supplementary election may be held at any time in the same manner and under the conditions hereinbefore provided for elections.

For the purposes of these Regulations an election shall be deemed to have wholly failed if no candidate is nominated or returned as elected, and shall be deemed to have partially failed where one or more candidates are returned as elected, but not the full number required to be elected.

7. The Second Schedule of the said 1930 Regulations is hereby rescinded, and the Second Schedule hereto is substituted therefor.

8. In the Third Schedule of the said 1930 Regulations, in place of the reference to ("Regulation 13") insert ("Regulation 6 (a) of the Pharmacy Regulations 1935").

3. In these Regulations—
 - the words "habitable dwelling," "holder," and "residence area" shall have the respective meanings assigned to them in section 4 of the Act;
 - the word "right" shall mean a right to occupy a residence area;
 - the words "Land Officer" shall mean the Departmental officer acting as Land Officer for the District within which a residence area is situate, but for the purpose of the granting of a right such words shall be limited to a person duly authorized by the Governor in Council pursuant to section 6 of the Act.

CHAPTER II.—EXTENT OF RESIDENCE AREA.

1. The following limitations shall apply with respect to the grant of any right for an area marked out (as herein in Chapter III. provided) on or after the twentieth day of January, 1936, and applied for under section 6 of the Act:—
 - (a) In a city, town, or borough constituted under Local Government Acts, or a town or township proclaimed under Land Acts—not more than a quarter of an acre, with a maximum frontage of 66 feet to any street, road, highway, or thoroughfare.
 - (b) Outside the boundaries of any such city, town, borough, or township—not more than 1 acre, with a maximum frontage of 132 feet to any street, road, highway, or thoroughfare.

CHAPTER III.—APPLICATIONS, NOTIFICATION, MARKING-OUT.

Applications for Cases Covered by Section 18.

1. The form of application for a person—

(a) who on the twentieth day of January, 1936, was, under and in accordance with the provisions of the *Mines Act* 1928, validly registered as the holder of any Crown land as a residence area under a miner's right;

(b) who is a holder in accordance with sub-section (4) of section 18 of the Act,

shall be that set out as Form A herein.

New Applicants.

2. Every intending applicant shall give notification, either by letter or in person, to the Land Officer of his intention to mark out a site for a residence area, with sufficient details of the position of such site.

3. He shall forthwith mark out the site by erecting at each angle a post at least 3 inches in diameter, and not less than 3 feet above the ground. Where it is not practicable to comply with this requirement, it shall be sufficient to drive an iron peg firmly in the ground at each angle of the site, or to indicate the boundaries by some other method previously approved by the Land Officer.

4. At the time of marking out such site, the intending applicant shall post in a conspicuous place upon the site a notice as in Form B herein. Such notice shall be not less in size than 8 inches by 6 inches, and be affixed to a board, or other suitably stout backing, and shall be kept posted until application has been made for a right to occupy.

5. Upon the expiration of the seven days referred to in such notice, an application as in Form C herein may be lodged with the Land Officer, accompanied by the occupation fee.

6. The Land Officer, upon being satisfied that the applicant is entitled under the Act to occupy the land described in his application, may, if he thinks fit, grant to the applicant a right to occupy such land. The right shall be as in Form D herein. The Land Officer shall notify the Secretary for Lands of the granting of any right under this clause.

7. The right shall commence from such date and be for such period (not exceeding one year) as may be determined by the Land Officer.

Sites Validly Registered at the Coming into Operation of the Act.

8. Where the Land Officer, or a District Surveyor of the Lands Department, decides that the boundaries of a site are sufficiently defined, it shall not be necessary to mark out as required for new applications.

9. In cases where such officer considers that the boundaries are not sufficiently defined, or that the site occupied does not comply with the area permitted to be held under the Act, he may require the applicant to mark out and occupy so much land as will not contravene the provisions of the Act.

10. If it is proved to the satisfaction of the Land Officer that it is impossible or impracticable to obtain an application from a person who is registered as the holder of a residence area, such officer may accept an application for a right under this Act, or for a renewal of such right, from any person who satisfies him that such person is interested in the said area, and/or that it would be inequitable that the registration should be allowed to lapse.

CHAPTER IV.—SURVEY.

1. An applicant for a residence area, or the holder of a right, may have the site surveyed.

2. The fee for such survey shall be in accordance with clause 15 (e) of Chapter IV. of the Survey Regulations under the *Land Act* 1928.

3. Upon the application of a holder for the exclusive right of purchasing the land held by him as a residence area, a survey (if not already made) shall be necessary, and the boundaries of the area may then be adjusted (subject to the provisions of section 12 of the Act) to make the same straight or rectangular, or to abut on or conform to the boundaries of adjacent land which has been granted by the Crown in fee simple.

4. Surveys shall be carried out in conformity with the Survey Regulations under the *Land Act* 1928.

CHAPTER V.—TRANSFERS, ENCUMBRANCES, EASEMENTS.

Transfers.

1. Every application by a holder for permission to sell or transfer his interest in the occupation of the residence area held by him shall be in the Form E herein, and shall be accompanied by a transfer fee of Five shillings.

2. The right shall also be produced in order that the transfer may be recorded thereon, or surrendered so that a new right may be issued in its place.

Encumbrances.

(In the following clauses of this chapter, the word "encumbrance" shall include a lien.)

3. The holder of a right may encumber his interest in the occupation of his residence area.

4. The holder shall apply to the Land Officer for the registration of the encumbrance in the Form F herein, and shall pay a fee of Five shillings.

5. The right shall be produced in order that the registration of the encumbrance may be recorded thereon.

6. The encumbrance shall be and remain a charge upon the residence area, or the improvements thereon, until the debt or liability shall have been paid or discharged in full.

7. In the event of more than one encumbrance being granted, priority shall be according to the date of the respective registrations by the Land Officer.

8. When the sum secured under an encumbrance has been paid or discharged in full, a notification of discharge in the Form G herein shall be signed, and forthwith produced to the Land Officer for registration by him.

9. A transfer of a right in respect of which an encumbrance has been granted and remains undischarged shall be effected subject to all encumbrances registered with the Land Officer.

Easements.

10. Upon receipt of a notification from the State Rivers and Water Supply Commission, the State Electricity Commission of Victoria, or any other corporation or body acting under the authority of any Act of the Parliament of the State of Victoria, that an easement has been taken over land held or occupied as a residence area, the Secretary for Lands may require the holder of the right to produce such right for indorsement of the description of such easement.

11. The notification shall be recorded in the Lands Department, and thereupon the easement shall become vested in such corporation or body.

12. Whenever a Crown grant is issued to any person of the land over which any such easement has been taken, the grant shall, if the necessity for such easement then exists, be made subject to the easement.

CHAPTER VI.—EXCLUSIVE RIGHT OF PURCHASE.

1. Every application, pursuant to the provisions of section 12 of the Act, for the exclusive right of purchasing a residence area shall be in the Form H herein.

2. In the event of the appraised price not being paid in one sum within two months after the date upon which the purchaser is notified of such price, such purchaser may apply to the Minister for permission to pay the price by half-yearly instalments.

3. Upon payment in full of the appraised price (together with the prescribed fees for grant and assurance fund), a Crown grant, subject to the provisions of the Land Acts, shall be issued, but no encumbrance other than an easement notified pursuant to clause 10 of Chapter V. of these Regulations shall be included in such grant.

CHAPTER VII.—BUSINESS LICENCES.

1. The limitations of area, as set out in Chapter II. of these Regulations, shall also apply to business licences issued pursuant to section 129 of the *Land Act 1928*, as amended by section 19 of the *Land (Residence Areas) Act 1935*.

2. The form of application for a business licence shall be that prescribed for applications under section 129 of the *Land Act 1928*, with such modifications as may be necessary.

3. The business licence shall be in the form prescribed as Schedule 50 in the Regulations under the *Land Act 1928*, published in the *Government Gazette* of 8th August, 1930.

The By-law also amends By-law No. 188 as amended by By-law No. 226 by providing for a charge of Threepence (in lieu of Fourpence as at present) detention for each five minutes or part thereof, and a charge of Threepence (in lieu of Fourpence as at present) for each additional one-third of a mile or any part thereof beyond the flag-fall charge of 1s. 6d. for the first one-third of a mile.

The schedule to the By-law sets out additional provisions regarding the construction, &c., of every motor taxi-cab which must be complied with on and after the first day of January, 1937, as a condition of licensing by the said Council.

The amending By-law also provides that, notwithstanding compliance with the above-mentioned additional special provisions, no licence shall be granted or renewed in respect of any motor taxi-cab which in construction, form, or general appearance is such as to make it unfit for public use.

Where the majority of the employees of any establishment or of any department of such establishment agree to work part time for any period or to close down for any period on days other than the prescribed holidays, the provisions of the weekly wage shall not apply to any employee of such establishment or department during such periods.

Employment for the first two weeks of service at any time shall be from hour to hour at the weekly rate fixed.

(11) TERMINATING EMPLOYMENT.—Employment to be terminated only by a week's notice on either side, and such notice may be given at any time during the week. This shall not affect the right of the employer to dismiss any employee without notice for malingering, inefficiency, neglect of duty, or misconduct, or to deduct payment for any time the employee cannot be usefully employed because of any strike, or through any breakdown of machinery, or any stoppage of work by any cause for which the employer cannot reasonably be held responsible.

An employer shall not terminate the employment of an employee for the purpose of evading payment for the holidays prescribed by this Determination.

Where the employer terminates the employment within one week of a day on which a holiday occurs, the employee shall be paid for such holiday or holidays prescribed by this Determination, provided that such employee had been employed by the employer for a period of at least one week prior to the termination of the employment.

Should an employee be dismissed during the course of a week, any wages due to him or her shall be paid to him or her forthwith, or shall be posted to him or her within 24 hours.

(12) SPECIAL RATES FOR SUNDAYS AND HOLIDAYS.—Any employee who is employed on any holiday specified in clause (17) shall be paid for at the rate of the ordinary time in addition to the usual rate.

Provided that, where an employee proceeds direct from his or her home to a job outside the factory, he or she shall be paid for all time reasonably occupied in travelling to the job in excess of the time usually taken to go from his or her home to the factory.

All fares and reasonable travelling expenses incurred by an employee in such travelling, including the cost (if any) incurred for meals—together with the reasonable cost of board and lodging if the employee has to be away from his or her home for a night—shall be paid to the employee.

The fares allowed shall be first class where the employee has to travel all night in connexion with his or her employer's business, and in other cases the fares shall be second class.

The foregoing travelling and accommodation allowances shall be paid additional to the usual rates for the time employees are working.

When it is more convenient for the employee to go direct to the job from his or her home, he or she shall do so, and start and cease work at the usual times customary at the factory, provided that any extra expense incurred by him or her in travelling shall be borne by the employer.

(17) **HOLIDAYS.**—All weekly wage employees shall be granted the following holidays without deduction of pay:—The days observed as New Year's Day, Australia Day (26th January), Good Friday, Easter Monday, Labour Day, Anzac Day, King's Birthday, Christmas Day, and Boxing Day.

If any of the above holidays occur on a Sunday or Saturday and are not observed on any other day, then employees shall not be paid for such Sunday, and shall be paid for such Saturday as for a half-day, but not otherwise.

All other weekly employees shall be paid for the above holidays an amount for each holiday based on the actual weekly wage paid to them by the employer.

Any employee absenting himself or herself from work on any portion of the working day preceding a holiday provided for herein other than Boxing Day and New Year's Day without permission from the employer or without having reasonable cause for having absented himself or herself from work shall not be entitled to payment for such holiday.

(18) **SICKNESS, ACCIDENTS.**—Any employee not attending duty shall lose his or her pay for the actual time of non-attendance unless he or she produces or forwards within 24 hours of the beginning of his or her absence evidence satisfactory to the management that his or her non-attendance was due to personal accident arising out of or in the course of his or her employment or to personal ill health sufficient to incapacitate him or her for his or her usual work.

An employee shall not be entitled to payment for non-attendance on the ground of accident or ill health for more than six days in each year.

For the purpose of this clause a year shall mean a period of twelve months commencing on the 17th day of August in each year.

(19) **PAY DAY.**—All employees shall be paid weekly on any other day than Saturday.

No employer shall hold more than two days' pay in hand.

The same piece-work prices shall be paid to all piece-workers doing the same operation in the factory, whether they be apprentices or improvers on piece-work, or otherwise.

An employee shall not be entitled to payment for non-attendance on the ground of accident or ill-health for more than six days in each year.

For the purpose of this clause a year shall mean a period of twelve months commencing on the 17th day of August in each year.
