**R**EGULATIONS (No. 3) made by the Architects Registration Board of Victoria pursuant to and under the authority conferred by section 20 of the *Architects Act 1928*.

These Regulations shall be deemed to come into force on the date of publication in the *Government Gazette*.

## INTERPRETATION.

1. "Board" means the Architects Registration Board of Victoria.

"Registrar" means the Registrar of the Board.

"Registered Architect" means any person whose name is for the time being registered in the register.

"Returning Officer" means the person appointed by the Board to be Returning Officer.

## TIME FOR AND MODE OF NOMINATING MEMBERS OF THE BOARD.

2. That at least one month before the expiration of the term of office of the members of the Board nominated by the University of Melbourne, or by the governing bodies referred to in paragraph (a) of sub-section (1) of section 4 of the above Act, or by registered architects, the Registrar shall serve a notice on—

- (a) The Registrar of the University of Melbourne; and
- (b) The official head of the governing bodies referred to in paragraph (a) of sub-section (1) of section 4 of the Act—

stating that the term of office of the member of the Board representing the University of Melbourne or the governing bodies referred to will expire on the day specified in such notice, and that a nomination must be made through the Registrar to the Minister of Public Works to fill such vacancy not later than the end of March, failing which the Governor in Council may, without nomination, appoint any person to be a member of the Board.

With regard to the nomination to be made by the governing bodies referred to, the Registrar shall be empowered (if requested by any one of the said bodies) to convene a conference of representatives of the said governing bodies for the purpose of nominating a person to represent the bodies referred to. If at any meeting of representatives there is an equality of votes of persons nominated, it shall be decided by lot which of the persons nominated shall be so nominated.

3. The Registrar shall give not less than twenty-one clear days' notice by advertisement in such paper as may be approved by the Board, stating that an election will be held by registered architects on the day specified in such notice for the purpose of nominating candidates to fill the vacancies caused by the retirement, through the effluxion of time (or resignation, &c., as the case may be) of and that every candidate at such election must be nominated at the office of the Board (address to be stated) between the hours of 10 a.m. and 5 p.m. on or before the nomination day which shall be a day nine days prior to the day specified therein for the holding of an election.

## RETURNING OFFICER.

4. The person appointed by the Board shall be the Returning Officer for the purposes of any election, and he may, by writing under his hand, appoint a deputy to assist him, or to act in his room at any such election, and such deputy may do all or any of the acts or things which the Returning Officer is authorized or required to do.

Any registered architect who desires to nominate any other registered architect to be a member of the Board shall, before 5 o'clock in the afternoon of the nomination day, cause to be delivered at the office of the Board to the Returning Officer or his deputy, a nomination paper in the form of the Schedule Form "F" hereto. Such nomination paper shall be signed by not less than five registered architects under their own hands and by the person nominated in token of his assent to such nomination.

## RETURNING OFFICER TO POST NAMES OF CANDIDATES.

6. The Returning Officer shall, between the hours of 10 a.m. and 5 p.m. upon each day between the giving of the public notice of any election, and the day of nomination keep posted at the office of the Board the names of all persons who have become candidates for such election.

## DECLARATION OF NOMINATION WHERE UNCONTESTED.

7. If at the expiration of the time limited as hereinbefore provided for the nomination of candidates as aforesaid does not exceed the number of candidates to be nominated as required by the Act, the Returning Officer shall declare such candidates to be duly nominated, and they shall be deemed to be then duly nominated accordingly.

## CONTESTED NOMINATION.

8. If at the expiration of the time limited for the nomination of candidates the number of candidates exceeds the number of architects to be nominated as required by the Act, the Returning Officer shall forthwith give public notice by advertisement in such paper or papers approved by the Board, stating the names of the persons so nominated, and that a poll will be taken on the day and at the time and place appointed by the Board for such purpose.

## BALLOT-PAPERS.

9. The Returning Officer shall forthwith cause ballot-papers to be printed with the surnames and christian names of all candidates in full in Form G of the schedule hereto, also giving particulars of the number of the vacancies to be filled, and such other particulars and directions as regards voting as the Board shall from time to time determine.

The Registrar shall immediately supply the Returning Officer with a correct list of registered architects, showing their full names and addresses, and the Returning Officer shall then, not later than seven clear days before the day appointed by the Board for the taking of the poll, post a ballot-paper to each registered architect, and before posting the Returning Officer shall initial each ballot-paper near the left-hand lower corner, and at the same time check off the name of the voter to whom it is being posted on the list supplied to him by the Registrar as an indication that such ballot-paper has been duly posted. With each ballot-paper the Returning Officer shall send two envelopes, one envelope to be endorsed "Voting Papers" and be addressed to the Registrar, and have a place marked for the insertion of the full name of the voter and his signature on the outside of the envelope flap; the other envelope shall be of a smaller size, to enable it to be put inside the other envelope, and shall have marked on the front "Architects Registration Board," "Ballot-paper."

A registered architect shall vote by inserting the number 1 in the square in the ballot-paper opposite to the name of the candidate for whom he votes as his first preference, and by placing the numbers 2, 3, 4, and so on (as the case may require) in the squares respectively opposite the names of the other candidates in the order of his preference, and shall then fold up the ballot-paper and place it in the smaller of the two envelopes sent to him (i.e., the one marked "Ballot-paper" on the outside), and then place the envelope containing the ballot-paper inside the larger envelope (i.e., the one endorsed "Voting Papers"), and fill in his full name and sign in the place denoted for that purpose on the outside of the flap of the envelope endorsed "Voting Papers," and seal it up and either hand it to the Returning Officer before 5 o'clock in the afternoon of the day appointed for the taking of the poll, or post it, properly stamped, so as to reach the Returning Officer in the ordinary course of post before 5 p.m. on the polling day.

All the envelopes endorsed "Voting Papers" as and when received by the Returning Officer shall be deposited by him unopened in a locked ballot-box, the key of which shall remain in his possession, with a cleft or opening therein capable of receiving them.

Immediately after the close of the poll the Returning Officer shall, in the presence of the scrutineers, remove from the ballot-box all the envelopes endorsed "Voting Papers," and open them and replace unopened in the ballot-box all the envelopes marked "Ballot Paper," and in any case where a voter has failed to fill in his full name and sign in the proper place on the flap of such envelope his vote shall be deemed informal and not counted in the taking of the poll.

When all envelopes endorsed "Voting Papers" have been opened and the envelopes containing ballot-papers replaced in the ballot-box, the Returning Officer or deputy shall, in the presence and subject to the inspection of any scrutineer, proceed to ascertain the number of votes for each candidate.

Each candidate shall be entitled to appoint, in writing, one scrutineer.

The Returning Officer shall, in the presence of such scrutineers as choose to be present, deal with the ballot-papers in manner as follows:—

(a) He shall arrange the ballot-papers under the names of the respective candidates by placing in a separate parcel all those which have the figure 1 set opposite to the name of the same candidate, rejecting all informal ballot-papers.

(b) If any candidate has an absolute majority of first preference votes he shall be declared as nominated for appointment to the Board.

(c) If no candidate has received an absolute majority of first preference votes a second count shall be made, and the candidate who has received the fewest first preference votes shall be excluded, and each ballot-paper counted to him shall be counted to the candidate next in the order of the voter's preference, and if a candidate then has an absolute majority of votes he shall be declared nominated, but if no candidate then has an absolute majority of votes the process of excluding the candidate who has the fewest votes, and counting each of his ballot-papers to the continuing candidate next in the order of the voter's preference shall be

repeated until one candidate has received an absolute majority of votes, and the candidate who has received an absolute majority of votes shall be declared nominated.

(d) A second vacancy for nomination shall be filled in the following manner:—All the ballot-papers shall be re-arranged under the name of the respective candidates in accordance with the first preference indicated thereon, except that each ballot-paper on which a first preference for the elected candidate is indicated shall be placed in the parcel of the candidate next in order of the voter's preference. If a candidate then has an absolute majority of votes he shall be declared as nominated, but if no candidate then has an absolute majority of votes the Returning Officer shall proceed as provided in the last preceding sub-clause until one candidate has received an absolute majority of votes, except that the candidate to be excluded shall be the candidate who has received the fewest of the votes counted to a candidate in pursuance of this sub-clause.

(e) "Continuing candidate" means a candidate not already declared nominated or excluded from the count, and an "absolute majority" means a greater number than one-half of the whole number of ballot-papers other than informal ballot-papers.

(f) If on a count two or more candidates have an equal number of votes and one of them has to be excluded the Returning Officer shall decide which shall be excluded, and if on the final count for filling any vacancy two candidates have an equal number of votes the Returning Officer shall decide by his casting vote which candidate shall be nominated, but otherwise he shall not vote at the election, and the casting vote of the Returning Officer shall be included in reckoning an absolute majority of votes.

#### RETIREMENT OF CANDIDATE.

10. After the poll stands aforesaid, any candidate may, not later than seven clear days before the day of polling (with the consent in writing of at least three of the persons who signed his nomination), retire from such candidature, and the Returning Officer shall omit the name of such person from the ballot-papers, and if such papers are already printed erase such name therefrom.

#### NOTICE TO BE GIVEN OF RESULT OF POLL.

11. The Returning Officer shall, as soon as conveniently may be on or after the day of the poll, give public notice by advertisement in some paper or papers of the result of the election, and shall declare the candidates not exceeding the number of nominations required who have received the greatest number of votes to have been duly nominated.

The Returning Officer shall also forward to the Registrar the names of the persons elected, who shall forward the same to the Minister of Public Works.

Provided, however, that at any ordinary meeting of the Board any urgent business may be discussed and finally dealt with by the Board, notwithstanding that no notice of any such motion or resolution has been given to the Registrar before the meeting or embodied in the business paper for such notice, and as to whether or not any business shall be treated at any meeting of the Board as urgent, shall be decided by a majority of the members present at that particular meeting.

20. The chairman may or at the request of any two members of the Board shall put the question before the meeting to the vote without further discussion.

21. Leave of absence for any period may from time to time be given by the Board to any member at any meeting, ordinary or special.

This licence is subject to the rights of the holders of miner's rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

7. The taking in of stock for agistment or otherwise allowing the use of the land, or part thereof, without the authority in writing by the Minister, is forbidden.

8. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

9. That where improvements are authorized under section 123 of the *Land Act 1928* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognized.

10. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

11. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

12. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

14. Free access to water shall be kept open at all times for travelling or other stock and for persons desiring to take water for domestic purposes.

15. The licensee shall destroy all noxious weeds on the land, and on the half-width of the adjoining roads, and shall be responsible for the destruction of noxious weeds under the *Vermin and Noxious Weeds Act 1928* in like manner as holders of freehold lands.

16. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

17. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

18. The licensee shall thoroughly and effectively protect the land within the boundaries of his licensed area from fire, and shall extinguish any fire which may break out on such area or may spread to it. In the event of the area being damaged by fire, the licence may be forfeited, unless the licensee satisfy the Minister that neither he, directly or indirectly, nor his workmen or servants, were in any way responsible for such fire.

19. The licensee shall not interfere in any way with any survey marks on the land hereby licensed.

20. The licensee shall pay shire rates and all other charges for the period of occupation.

#### SPECIAL CONDITIONS.

This does not apply to cases where the land was the subject of an expired Grazing Area Lease. In all such cases, the ingoing tenant will be held responsible for the care and maintenance of any improvements.

Plans can be seen and information may be obtained in this office.

Section 121, *Land Act 1928*, provides—

1. Where a licensee under section 121 of the *Land Act 1928* has, with the consent of the Minister, enclosed with a substantial fence the land which is the subject of his licence, he may impound any cattle, sheep, or other animals found trespassing thereon.

2. Where the licensee holds land under the said section which is unfenced, he may, in any court of competent jurisdiction, sue the owner of any cattle, sheep, or other animals for damages arising from trespass by such cattle, sheep, or other animals.

(c) The amounts of the weekly rates for Apprentices and Improvers shall be adjusted proportionately to the rate of £3 6s. calculated to the nearest sixpence, any broken part of sixpence in the result not exceeding threepence to be disregarded.

(d) The rates for piece-workers shall be increased or decreased in the same proportion as the rate for the journeymen or journeywomen in the respective classes.

(6) DEFINITIONS.—A chairmaker is an employee who makes any class of chairs other than those in which the woodwork is wholly prepared by machines and set up by assemblers.

A stuffer chair and couch frame maker is a person who makes frames on which the upholsterers cover all the woodwork except the legs or feet and of which the woodwork is prepared by machines.

An assembler (provided that not more than 15 per cent. of his time is occupied in trimming straight square edges or making minor adjustments) is a worker employed in fitting together by nailing, screwing, gluing, or fixing in any manner machine jointed, moulded, or finished parts of wooden furniture.

If any of the above holidays occur on a Sunday or Saturday and are not observed on any other day, then employees shall not be paid for such Sunday, and shall be paid for such Saturday as for a half day, but not otherwise.

All other weekly employees shall be paid for the above holidays an amount for each holiday based on the actual weekly wage paid to them by the employer.

Any employee absenting himself or herself from work on any portion of the working day preceding a holiday provided for herein other than Boxing Day and New Year's Day without permission from the employer or without having reasonable cause for having absented himself or herself from work shall not be entitled to payment for such holiday.

(17) **SICKNESS, ACCIDENTS.**—Any employee not attending duty shall lose his or her pay for the actual time of non-attendance unless he or she produces or forwards within 24 hours of the beginning of his or her absence evidence satisfactory to the management that his or her non-attendance was due to personal accident arising out of or in the course of his or her employment or to personal ill-health sufficient to incapacitate him or her for his or her usual work.
