(3) *Employees Working Shortened Hours.*—If it is desired to work a week of shorter hours in slack times, instead of standing the employees off in turn, the employer may make an arrangement to work his employees for shortened hours, but such arrangement shall be made only where, on the vote of the employees being taken, a majority of the whole of the employees vote in favour of such arrangement.

Where such an arrangement is made, the employees shall be informed on the day ending each week of the shortened hours to be worked in the following week.

(e) *Terminating Employment in Relation to a Holiday.*—Where the employer terminates the employment of an employee within one week of a day on which a holiday occurs, the employee shall be paid for such holiday or holidays prescribed by the Determination, provided that such employee has been employed by the employer for a period of at least one week prior to the termination of employment.

(f) *Employees Absenting Themselves.*—No employee shall, without just cause, be absent from his or her place of employment during the prescribed hours whilst there is work ready to be done by such employee, and where weekly wages are fixed, the employee, to be entitled to the sums so fixed, must be available and ready and willing to do the work on the days and during the hours fixed by this Determination.
